This covenant shall only have effect each time Notes are issued and outstanding, when the Trustee shall, upon execution of the relevant Issue Deed, hold the benefit of this covenant on trust for itself and the Noteholders and Couponholders of the relevant Series according to their respective interests.
- 2.5 Discharge:** Subject to Clause 2.6 (*Payment after a default*), any payment to be made in respect of the Notes, Receipts or Coupons by the Issuer or the Trustee may be made as provided in the Conditions and any payment so made shall to that extent be a good discharge to the Issuer or the Trustee, as the case may be (including, in the case of Notes represented by a NGN, whether or not the corresponding entries have been made in the records of Euroclear and Clearstream, Luxembourg).
- 2.6 Payment after a default:** At any time after (i) an Event of Default has occurred pursuant to Master Condition 8(l)(iii) (*Redemption following the occurrence of an Event of Default*), or (ii) an Enforcement Event has occurred, in each case in relation to a particular Series, and until notified in writing by the Trustee to the contrary, the Trustee may, so far as permitted by applicable law:
- 2.6.1** by notice in writing to the Paying Agents, the Registrar and Transfer Agents, require the Paying Agents, the Registrar and Transfer Agents:
- (i) to act as Paying Agents, the Registrar and Transfer Agents, as the case may be, of the Trustee under the Trust Deed and the Notes of such Series on the terms of the Agency Agreement (with consequential amendments as necessary and except that the Trustee’s liability for the indemnification, remuneration and all other expenses of the Paying Agents, the Registrar and Transfer Agents, as the case may be, will be limited to the amounts for the

time being held by the Trustee in respect of such Series on the terms of the Trust Deed and which are available (after application in accordance with Clause 6 (*Declarations of Trust and Application of Moneys*)) to discharge such liability) and thereafter to hold all Notes, Certificates, Receipts, Coupons and Talons of such Series and all moneys, documents and records held by them in respect of Notes, Certificates, Receipts, Coupons and Talons for such Series to the order of the Trustee; or

- (ii) to deliver all Notes, Certificates, Receipts, Coupons and Talons of such Series and all moneys, documents and records held by them in respect of the Notes, Certificates, Receipts, Coupons and Talons of such Series to the Trustee or as the Trustee directs in such notice; and

2.6.2 by notice in writing to the Issuer, require it to make all subsequent payments in respect of the Notes, Receipts, Coupons and Talons to or to the order of the Trustee and not to any Paying Agent with effect from the issue of any such notice to the Issuer; and from then until such notice is withdrawn, proviso (i) to Clause 2.4 (*Covenant to pay*) shall cease to have effect.

2.7 Trustee's directions: Upon the Custodian receiving a notice in writing from the Trustee at any time after (i) an Event of Default has occurred pursuant to Master Condition 8(I)(iii) (*Redemption following the occurrence of an Event of Default*), or (ii) an Enforcement Event has occurred, in each case in relation to a particular Series, it shall deliver or transfer all Mortgaged Property held in respect of that Series and generally deal with the same and with any moneys received by it in respect of such Mortgaged Property but not yet paid out pursuant to the terms of the Agency Agreement in accordance with the directions of the Trustee and shall hold any such moneys and/or Mortgaged Property to the order of the Trustee, save that any transaction entered into by the Disposal Agent in connection with a Liquidation prior to the Enforcement Event occurring shall be settled and the Custodian shall take any steps and action necessary to settle such transaction.

2.8 Rate of Interest after a default: Interest shall cease to accrue on each Note on the due date for redemption save that if, upon due presentation, payment of the full amount of principal and/or interest due on such due date for redemption is not made, interest will accrue daily on the unpaid amount of principal and/or interest (after as well as before judgment and regardless of the Interest Basis) in accordance with the Conditions.

3 Form of the Notes

3.1 The Global Notes: The Notes of a Series or, where a Series comprises Classes, a Class thereof, shall initially be represented by a Temporary Global Note, a Permanent Global Note or one or more Certificates in the nominal amount of the Tranche being issued. Interests in Temporary Global Notes shall be exchangeable for Definitive Notes or interests in Permanent Global Notes as set out in each Temporary Global Note. Interests in Permanent Global Notes shall be exchangeable for Definitive Notes as set out in each Permanent Global Note.

3.2 The definitive Notes: The Definitive Notes, Receipts, Coupons and Talons shall be security printed and the Certificates shall be printed, in each case, in accordance with applicable legal and stock exchange requirements substantially in the forms set out in Schedule 2. The Definitive Notes and Certificates (other than Global Certificates) shall be endorsed with the Conditions.

3.3 Signature: The Notes, Certificates, Receipts, Coupons and Talons shall be signed manually or in facsimile by a director or attorney of the Issuer; the Notes shall be authenticated by or on behalf of the Issuing and Paying Agent and the Certificates shall be authenticated by or on behalf of the Registrar. The Issuer may use the facsimile signature of a person who at the date of this Principal Trust Deed is such a director or attorney of the Issuer even if, at the time of issue of any Notes, Certificates, Receipts, Coupons or Talons, he no longer holds that office or the relevant power of attorney has expired. Notes, Certificates, Receipts, Coupons and Talons so executed and authenticated shall be or, in the case of Certificates, represent binding and valid obligations of the Issuer. In the case of a Global Note which is a NGN or a Global Certificate which is held under the NSS, the Issuing and Paying Agent or the Registrar shall also instruct the Common Safekeeper to effectuate the same. Notes, Certificates, Receipts, Coupons and Talons so executed and authenticated (and effectuated, if applicable) shall be or, in the case of Certificates, represent binding and valid obligations of the Issuer.

4 Taxation

4.1 Stamp and other duties: The Issuer shall pay any stamp, issue, documentary or other taxes and duties, including any interest and penalties, payable in the jurisdiction of incorporation of the Issuer, Belgium, Luxembourg, the United Kingdom, the country of each Contractual Currency and any other country where such amounts become payable in respect of the creation, issue and offering of the Notes, Certificates, Receipts, Coupons and Talons and the execution or delivery of the Trust Deed for each Series. The Issuer shall also indemnify the Trustee, the Noteholders and the Couponholders from and against all stamp, issue, documentary or other taxes and duties paid by any of them in any jurisdiction in connection with any action, step or proceeding taken by or on behalf of the Trustee or, as the case may be, the Noteholders or the Couponholders to enforce the Issuer's obligations under the Trust Deed in respect of the relevant Series of Notes and/or under the Notes, Certificates, Receipts, Coupons or Talons (including, for the avoidance of doubt, in connection with the enforcement of the Security).

4.2 Trustee right to withhold: Notwithstanding any other provision of this Trust Deed, the Trustee shall be entitled to make a deduction or withholding from any payment which it makes pursuant to this Trust Deed and/or under the Notes for or on account of any Tax, if and only to the extent so required by Applicable Law, in which event the Trustee shall make such payment after such deduction or withholding has been made and shall account to the relevant Authority within the time allowed for the amount so deducted or withheld or, at its option, shall reasonably promptly after making such payment return to the Issuer the amount so deducted or withheld, in which case, the Issuer shall so account to the relevant Authority for such amount. For the avoidance of doubt, withholding required by an Information Reporting Regime is a deduction or withholding which is deemed to be required by Applicable Law for the purposes of this Clause 4.2.

4.3 Notice of possible withholding under an Information Reporting Regime: The Issuer shall promptly notify the Trustee if it determines that any payment to be made by the Trustee pursuant to this Trust Deed and/or under the Notes is a payment which could be subject to withholding or deduction imposed pursuant to an Information Reporting Regime if such payment were made to a recipient that is generally unable to receive payments free from such withholding or deduction, and the extent to which the relevant payment is so treated, provided, however, that the Issuer's obligation under this Clause 4.3 shall apply only to the

extent that such payments are so treated by virtue of characteristics of the Issuer, the Notes, or both.

4.4 Mutual understanding regarding information reporting and collection obligations: The Issuer and the Trustee (the “**Providing Party**”) shall, within 10 Luxembourg Business Days (in the case of the Issuer) or 10 London Business Days (in the case of the Trustee) of a written request by the other (the “**Requesting Party**”), supply to the Requesting Party such forms, documentation and other information relating to it, its operations or the Notes, or any IRS tax forms relating to the Noteholders or Couponholders that are in the possession of the Providing Party or that are reasonably available to the Providing Party and that the Providing Party can obtain using reasonable efforts, as the Requesting Party reasonably requests for the purposes of the Requesting Party’s compliance with Applicable Law and the Providing Party shall notify the Requesting Party reasonably promptly if the Providing Party becomes aware that any of the forms, documentation or other information provided by it is (or becomes) inaccurate in any material respect; provided, however, that neither the Issuer nor the Trustee shall be required to provide any forms, documentation or other information pursuant to this Clause 4.4 to the extent that:

4.4.1 any such form, documentation or other information (or the information required to be provided on such form or documentation) is not reasonably available to the Providing Party and cannot be obtained by the Providing Party using reasonable efforts; or

4.4.2 doing so would or might in the reasonable opinion of the Providing Party constitute a breach of any (i) Applicable Law, (ii) fiduciary duty or (iii) duty of confidentiality.

For the purposes of this Clause 4, “**Applicable Law**” shall be deemed to include (a) any rule or practice of any Authority by which the Issuer or the Trustee is bound or with which it is accustomed to comply, (b) any agreement between any Authorities and (c) any agreement between any Authority and the Issuer or the Trustee that is customarily entered into by institutions of a similar nature.

4.5 Consequential amendments: In respect of applicable Information Reporting Regimes, the Issuer may, but is not obliged and owes no duty to any person to, (i) comply with the terms of any intergovernmental agreement between the U.S. and another jurisdiction with respect to FATCA or any legislation implementing such an intergovernmental agreement, (ii) enter into an agreement with the U.S. Internal Revenue Service or (iii) comply with other legislation or agreements under an applicable Information Reporting Regime, in each case, in such form as may be required to avoid the imposition of withholding on payments made to the Issuer, or fines or penalties that would be suffered by the Issuer, under an applicable Information Reporting Regime.

In connection therewith, the Issuer may, without the consent of the Noteholders or the Couponholders, make the Modifications, provided that:

4.5.1 the Modifications are agreed to by each party to the affected Transaction Documents and the Trustee (in each case, such consent not to be unreasonably withheld or delayed);

4.5.2 the Modifications do not require a special quorum resolution; and

4.5.3 the Issuer gives a Modifications Certificate to the Trustee and each party to the affected Transaction Documents certifying that the Modifications (i) are necessary to avoid the imposition of withholding on payments made to the Issuer, or fines or

penalties that would be suffered by the Issuer, under an applicable Information Reporting Regime and (ii) do not require a special quorum resolution.

The Trustee may rely, without further enquiry and with no liability for so doing, on a Modifications Certificate. Upon receipt of a Modifications Certificate, the Trustee shall agree to the Modifications without seeking the consent of the Noteholders, provided that the Trustee shall not be required to agree to the Modifications if, in the opinion of the Trustee (acting reasonably), the Modifications would (a) expose the Trustee to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (b) impose more onerous obligations upon it or expose it to any additional duties or responsibilities or reduce or amend the protective provisions afforded to the Trustee in the Conditions or any Transaction Document.

5 Security

This Clause 5 shall apply separately to the Security for each Series, save as varied by the relevant Issue Deed.

5.1 Security: By execution of the Issue Deed, the Issuer with full title guarantee and as continuing Security, subject to the terms of such Issue Deed and subject to the provisions of Clause 5.2 (*Luxembourg Pledge*) below:

- 5.1.1 assigns by way of security the Issuer's rights, title and interest attaching to or relating to the Collateral and all property, sums or assets derived therefrom, including, without limitation, any right to delivery thereof or to an equivalent number or nominal value thereof which arises in connection with any such assets being held in a clearing system or through a financial intermediary;
- 5.1.2 assigns by way of security the Issuer's rights, title and interest against the Custodian, to the extent that they relate to the Collateral and/or the Notes;
- 5.1.3 assigns by way of security the Issuer's rights, title and interest under the Agency Agreement, to the extent they relate to the Collateral and/or the Notes;
- 5.1.4 assigns by way of security the Issuer's rights, title and interest under the Swap Agreement (without prejudice to, and after giving effect to, any contractual netting provision contained in the Swap Agreement);
- 5.1.5 assigns by way of security the Issuer's rights, title and interest under the Agency Agreement, to the extent that they relate to any assets held by the Custodian in respect of the Notes;
- 5.1.6 assigns by way of security the Issuer's rights, title and interest against the Disposal Agent under the terms of the Agency Agreement (or any other agreement entered into between the Issuer and the Disposal Agent), to the extent such rights relate to the Collateral and/or the Notes;
- 5.1.7 charges by way of a first fixed charge (i) all sums held by the Issuing and Paying Agent to meet payments due in respect of any Secured Payment Obligation, and (ii) any sums received by the Issuing and Paying Agent under the Swap Agreement; and
- 5.1.8 charges by way of a first fixed charge all property, sums and assets held or received by the Disposal Agent relating to the Transaction Documents and the Collateral,

in favour of the Trustee for the benefit of itself and the other Secured Creditors.

5.2 Luxembourg Pledge: The Issuer pledges to the Trustee all the Pledged Collateral held with the Custodian in respect of a Series and the relevant Compartment and grants to the Trustee a first ranking security interest ("*gage de premier rang*") over such Pledged Collateral under Luxembourg law (the "**Luxembourg Pledge**"), in each case as continuing security for the full payment, discharge and performance of the Secured Payment Obligations in respect of the Series and in relation to the relevant Compartment and subject to Luxembourg law. For the avoidance of doubt, the security described in Clause 5.1 (*Security*) is given by the Issuer subject and in addition, to the Luxembourg Pledge.

5.3 Additional Security: Additionally, the Secured Payment Obligations of the Issuer may be secured pursuant to a Security Document other than the Trust Deed, as specified in the relevant Issue Deed.

5.4 Mortgaged Property as continuing Security: The Security is granted to the Trustee as continuing Security for the Secured Payment Obligations. Prior to delivery by the Trustee of a valid Enforcement Notice, the following shall be released automatically from such Security, without the need for any notice or other formalities:

5.4.1 sums or assets held by the Issuing and Paying Agent, the Registrar, the Custodian and/or the Disposal Agent, as applicable, to the extent required for any payment or delivery in respect of the Notes and/or under the related Swap Agreement and/or the other Transaction Documents which is due and payable or deliverable to be duly made (which for the avoidance of doubt shall include, without limitation, amounts payable in respect of principal, interest or default interest (if any) to holders of Notes, Coupons, Receipts or Talons in accordance with the Conditions, amounts which the Disposal Agent is permitted to deduct pursuant to Master Condition 13(d) (*Costs and expenses*) and amounts payable or assets deliverable to the Swap Counterparty under the Swap Agreement);

5.4.2 any part of the Mortgaged Property when it becomes payable or deliverable to the extent that payment or delivery of it may be obtained and duly paid or delivered, as the case may be, to the Secured Creditors, any other Transaction Party under the relevant Transaction Document(s) and/or to holders of Notes, Receipts, Coupons and Talons;

5.4.3 a *pro rata* amount of the relevant Mortgaged Property in connection with the purchase of Notes of the relevant Series or, where applicable, a Class thereof by the Issuer in accordance with the Conditions (which purchase may also be pursuant to the Repurchase and Cancellation Agreement); and

5.4.4 otherwise as may be specified or provided for under the Conditions or the relevant Transaction Documents.

Upon the effective delivery of a valid Liquidation Commencement Notice to the Disposal Agent, the Security will automatically be released without further action on the part of the Trustee to the extent necessary to effect any Liquidation (as defined in Master Condition 13 (*Liquidation*)) of the relevant Mortgaged Property, provided that nothing in this Clause 5.4 will operate to release the charges and other security interests over the proceeds of the Liquidation of the Mortgaged Property.

5.5 Liability in respect of Mortgaged Property: The Trustee shall not be responsible for, nor shall it have any liability with respect to, any loss or theft or reduction in value of any of the Mortgaged Property and shall not be obliged to insure or procure the same and shall have

no responsibility or liability arising from the fact that the same will (if applicable) be held in safe custody by the Custodian. The Trustee shall not be responsible for the validity, value, sufficiency and enforceability (which the Trustee has not investigated) of the Security.

5.6 Rights of the Issuer:

5.6.1 Prior to the Trustee effectively giving a valid Enforcement Notice to the Issuer (which shall be copied to the Custodian, any Disposal Agent appointed at that time and the Swap Counterparty) the Issuer may, with the sanction of an Extraordinary Resolution or with the prior written consent of the Trustee (for which purpose, the Issuer will certify the adherence of such vote, consent, waiver, ratification or action by the Issuer to the requirements set out in sub-clauses (a)–(c) of the proviso below in accordance with Clause 5.6.2):

- (i) take such action in relation to the Mortgaged Property as it may think expedient; and
- (ii) exercise any rights incidental to the ownership of the Mortgaged Property and, in particular (but without limitation and without responsibility for their exercise), any voting rights in respect of such property and all rights to enforce any ownership interests in respect of such property,

provided that, in the case of any Mortgaged Property subject to the Luxembourg Pledge, the Issuer shall not cast any vote, provide any consent, waiver or ratification, or take any action, which would:

- (a) be inconsistent with or violate any provision of the relevant Issue Terms or of any other Transaction Document;
- (b) have an adverse effect on the value of the relevant financial instrument held in the Pledged Accounts or the legal status, ranking, nature or other features of the Collateral; or
- (c) otherwise prejudice the interests of any Secured Creditor under any Transaction Document.

For the avoidance of doubt, the actions contemplated under Clause 5.4 (*Mortgaged Property as continuing Security*) are not subject to this Clause 5.6.1. Otherwise, the Issuer will not exercise any rights with respect to any Mortgaged Property unless it has the consents referred to above or is directed to do so by an Extraordinary Resolution and, if such direction or consent is given, the Issuer will act only in accordance with such direction or consent.

5.6.2 For the purpose of Clause 5.6.1, if the Issuer is seeking the prior written consent of the Trustee it shall provide a certificate to the Trustee signed by any director of the Issuer to the effect that, in their opinion, exercising such right does not contravene any of Clauses 5.6.1(a)–(c) and the Trustee shall not be responsible or liable for any loss occasioned by acting and/or relying on such a certificate. Notwithstanding Clause 5.6.1, following the effective delivery of a valid Liquidation Commencement Notice to the Disposal Agent (copied to each of the other Transaction Parties), the Disposal Agent on behalf of the Issuer shall have the right to undertake any action as contemplated by the Conditions and the Agency Agreement as it considers appropriate, and any actions in furtherance thereof or ancillary thereto as they relate to the Mortgaged Property, without requiring any sanction referred to in Clause 5.6.1.

5.7 Enforcement of Security: The Security shall become enforceable upon the occurrence of an Enforcement Event. At any time after the Trustee becomes aware of the occurrence of an Enforcement Event (which may, for the avoidance of doubt, where the relevant Series of Notes comprises Classes, relate to one or more (but not all) Classes of Notes), it may, and if requested by holders of at least one-fifth in nominal amount of the Notes of the relevant Series (or Class thereof) then outstanding, directed by an Extraordinary Resolution, or directed in writing by the Swap Counterparty, shall (provided, in each case, that the Trustee shall have been indemnified and/or secured and/or pre-funded to its satisfaction and provided that the Trustee has effectively delivered a valid Enforcement Notice to the Issuer, the Custodian and the Disposal Agent), enforce the Security constituted by the Trust Deed and/or any other Security Documents (if applicable). The Trustee shall be obliged to act on the first such direction received pursuant to this Clause 5.7 and shall have no liability to any person for so doing. Prior to taking any steps to enforce the Security, the Trustee shall give an Enforcement Notice to the Issuer, the Custodian and any Disposal Agent that (a) the Trustee intends to enforce the Security constituted by the Trust Deed and/or any other Security Documents (if applicable), and (b) the Disposal Agent is to cease to effect any further Liquidation of the Collateral (if such Liquidation is taking place), save that any transaction entered into in connection with the Liquidation on or prior to the effective date of such Enforcement Notice shall be settled and the Disposal Agent shall take any steps and actions necessary to settle such transaction and/or which is incidental thereto.

5.8 Trustee taking possession of Mortgaged Property:

5.8.1 Following such valid Enforcement Notice being effectively given by the Trustee to the Issuer, the Custodian and any Disposal Agent appointed at that time, in order to enforce the Security, the Trustee may (i) sell, call in, collect and convert the Mortgaged Property into money in such manner and on such terms as it shall think fit, and the Trustee may, at its discretion, take possession of all or part of the Mortgaged Property over which the Security shall have become enforceable, (ii) take such action, step or proceeding against any Collateral Obligor as it deems appropriate but without any liability to the Noteholders or Couponholders or any other Secured Creditor as to the consequence of such action, step or proceeding and without having regard to the effect of such action, step or proceeding on individual Noteholders or Couponholders or any other Secured Creditor and (iii) take any such other action or step or enter into any such other proceedings as it deems appropriate (including, without limitation, taking possession of all or any of the Mortgaged Property and/or appointing a receiver) as are permitted under the terms of the Trust Deed for the relevant Series or any other Security Documents for that Series (if applicable). The power of sale under Section 101 of the Law of Property Act 1925 (but without the restrictions imposed by Sections 93 and 103 of such Act) shall apply and have effect on the basis that the Trust Deed and/or any other Security Documents (if applicable) constitute(s) a mortgage within the meaning of that Act and the Trustee is a mortgagee exercising the power of sale conferred on mortgagees by that Act with limited title guarantee.

5.8.2 In addition, following such valid Enforcement Notice being given by the Trustee to the Issuer, the Trustee shall (i) be able to exercise or direct the exercise of the voting and other rights attached to the Collateral in such manner as it sees fit and the Issuer shall promptly execute and/or deliver to the Trustee and the Custodian such forms of proxy as it requires with a view to enabling such person as it selects to exercise those rights and (ii) receive and retain any dividends and distributions of any kind

and any other sum received or receivable in respect of that financial instrument held in the Pledged Account(s) and other payments in respect of the Collateral, which sums or assets shall be subject to the Security and applied against the Secured Payment Obligations.

- 5.8.3 The Trustee shall not be required to take any action, step or proceeding in relation to the enforcement of the Security without first being indemnified and/or secured and/or prefunded to its satisfaction.

5.9 Enforcement of Security in respect of the Issuer: Where the Trustee enforces the Security in accordance with Clauses 5.7 (*Enforcement of Security*) and 5.8 (*Trustee taking possession of Mortgaged Property*), it may realise the Collateral or any part thereof being subject to the Luxembourg Pledge in accordance with the applicable provisions of the Luxembourg law of 5 August 2005 on financial collateral arrangements, as amended (the "**Collateral Law**"), which entitles the Trustee:

- 5.9.1 to appropriate, or to cause a third party to appropriate, any of the Collateral at the fair value thereof determined by the Trustee acting in good faith and whose determinations and valuations shall be conclusive and binding (save in the case of manifest error) on all Transaction Parties and the Noteholders. For the avoidance of doubt, such valuation may be carried out before or after the decision to appropriate has been taken, in which case the value of such Collateral will be valued as at the date of the appropriation;
- 5.9.2 to sell, redeem or transfer for value or cause the sale, redemption or transfer for value of any part of the Collateral that constitutes financial instruments (including transferable securities) listed or quoted on a stock exchange in Luxembourg or abroad or dealt on one of the markets defined in article 11(1)(e) of the Collateral Law on such stock exchange or on such market or to appropriate the same at the prevailing market price;
- 5.9.3 to sell, redeem or transfer for value or cause the sale, redemption or transfer for value of any part of the Collateral that constitutes financial instruments (including transferable securities) other than those referred to in Clause 5.9.2 above (a) by private agreement on arm's length terms (*conditions commerciales normales*), (b) on a stock exchange, (c) by public auction held by a public officer designated by the Trustee or (d) by redemption in accordance with their terms;
- 5.9.4 in respect of any sums standing to the credit of the relevant Pledged Account, to require the Custodian to make payment of such amounts directly to it and to require the Custodian to close such Pledged Account;
- 5.9.5 in respect of Collateral consisting of units or shares of a Luxembourg or a foreign undertaking for collective investment which determines and publishes on a regular basis a net asset value, to appropriate any of the Collateral at the price of the latest published net asset value;
- 5.9.6 to apply to court to be authorised to make the appropriation of the Collateral at a price to be determined by an expert; and
- 5.9.7 to take advantage of any other realisation or enforcement method permissible under applicable law.

The Trustee shall realise the Collateral subject to the Luxembourg Pledge only to the extent necessary to recover the Secured Payment Obligations that are due and owing. To the extent that, notwithstanding the reasonable efforts of the Trustee to comply with the provisions of the first sentence of this paragraph, the cash proceeds received by the Trustee in respect of any realisation of all or any part of the Collateral exceed the amount of the Secured Payment Obligations due and owing at that time, such excess proceeds shall be paid to Noteholders as a Residual Amount pursuant to Master Condition 15(b) (*Application of Available Proceeds of enforcement of Security*).

5.10 Discharge: The Trustee's receipt for any moneys paid to it shall discharge the person paying them and such person shall not be responsible for their application.

5.11 Appointment of receiver: The Trustee may, in writing, appoint a receiver of all or part of the Mortgaged Property over which any Security shall have become enforceable and may remove any receiver so appointed and appoint another in his place. If the Issuer is subject to a Bankruptcy Event (as defined in the Conditions) and to the extent that a competent bankruptcy receiver has been appointed in the context of the bankruptcy proceedings in Luxembourg, such bankruptcy receiver will replace the formerly appointed receiver (if any) and will liquidate the assets of the Issuer in accordance with the applicable legal and regulatory provisions. No delay or waiver of the right to exercise these powers shall prejudice their future exercise. The following provisions shall have effect:

5.11.1 such appointment may be made before or after the Trustee shall have taken possession of all or part of the relevant Mortgaged Property;

5.11.2 such receiver may be vested by the Trustee with such powers and discretions as the Trustee may think expedient, including, without limitation, all the powers set out in Schedule 1 to the Insolvency Act 1986 (subject to Clause 19 (*Limited Recourse and Non-Petition*)), and may sell, concur in selling, assign or release any of the relevant Mortgaged Property without restriction and on such terms as he may think fit and may effect any such transaction in the name or on behalf of the Issuer or otherwise;

5.11.3 such receiver shall, in the exercise of his functions, conform to the regulations from time to time made by the Trustee;

5.11.4 the Trustee may from time to time fix such receiver's remuneration and direct its payment out of moneys accruing to it in the exercise of his powers as such receiver;

5.11.5 the Trustee may from time to time and at any time require such receiver to give security for the due performance of his duties as receiver and may fix the nature and amount of the security to be given. The Trustee need not, however, in any case require any such security nor shall it be responsible for its adequacy or sufficiency;

5.11.6 all moneys received by such receiver shall be paid over to the Trustee unless the Trustee directs otherwise;

5.11.7 such receiver shall be the Issuer's agent for all purposes. The Issuer alone shall be responsible for its acts, defaults and misconduct and none of the Trustee, the Noteholders, the Swap Counterparty or any other Transaction Party shall incur any liability therefor; and

5.11.8 none of the Trustee, the Noteholders, the Swap Counterparty or any other Transaction Party shall be responsible for any misconduct or negligence on the part of any such receiver.

5.12 Perfecting the Security:

5.12.1 The Issuer (at its own expense) shall take such action as the Trustee may reasonably require (i) to perfect or protect the Security created or intended to be created by or pursuant to the Trust Deed or Security Document over the Mortgaged Property; and (ii) from time to time and at any time after the Security constituted by or pursuant to the Trust Deed shall have become enforceable, to facilitate the realisation of such Security and the exercise of the functions of the Trustee or any receiver of any such Mortgaged Property. A certificate from the Trustee to the effect that a particular action is reasonably required by it shall be conclusive evidence of that fact.

5.12.2 In addition, for the perfection of the Security granted by the Issuer pursuant to the Luxembourg Pledge (but without prejudice to Clause 9.22 (*Consent of Trustee*)) and, for the purposes of Article 5 of the Luxembourg law of 5 August 2005 on financial collateral arrangements (as amended), the Trustee and the Custodian accept and acknowledge the Luxembourg Pledge. To the extent applicable, if the Collateral pledged under the Luxembourg Pledge comprises fungible securities and other financial instruments, the Custodian has agreed in the Agency Agreement that it shall immediately upon receipt designate such securities and other financial instruments as being pledged in favour of the Trustee by way of an inscription in its books of the security interest created by the Luxembourg Pledge.

5.13 Ability to borrow on Mortgaged Property: The Trustee may raise and borrow money on the security of the Mortgaged Property or any part of it in order to defray moneys, fees, costs, charges, losses, liabilities and expenses paid or incurred by it in relation to the Trust Deed (including the costs of realising any security and the remuneration of the Trustee) or in exercise of any of its functions pursuant to the Trust Deed. The Trustee may raise and borrow such money on such terms as it shall think fit and may secure its repayment with interest by mortgaging or otherwise charging all or part of the Mortgaged Property, whether or not in priority to the Security constituted by or pursuant to the Trust Deed or Security Document and generally in such manner and form as the Trustee shall think fit and for such purposes may take such action as it shall think fit.

5.14 Attorney: The Issuer irrevocably appoints the Trustee and every receiver of any Mortgaged Property appointed pursuant to the Trust Deed to be severally its attorney (with full power of substitution) on its behalf and in its name (before as well as after any enforcement of the Security over any Mortgaged Property) to execute and do anything which the Issuer ought to execute or do under the Trust Deed for each Series and generally on its behalf and in its name to exercise all or any of the powers, authorities or discretions conferred by or pursuant to the Trust Deed and any relevant Transaction Document or otherwise on the Trustee or any such receiver. The Issuer ratifies and confirms and agrees to ratify and confirm whatever any such attorney shall do or purport to do in the exercise or purported exercise of all or any of the powers, authorities and discretions referred to in this Clause 5.

5.15 Liability of Trustee: Neither the Trustee nor any such receiver or any attorney or agent of the Trustee shall, by reason of taking possession of any Mortgaged Property or any other reason and whether or not as mortgagee in possession, be liable to account for anything except actual receipts or be liable for any loss or damage arising from the realisation of such Mortgaged Property or from any act or omission in relation to such Mortgaged Property or otherwise unless such loss or damage shall be caused by its own fraud, negligence and/or wilful default.

- 5.16 Disposal Agent:** The Trustee shall have no responsibility or liability for the performance or any failure or delay in the performance by the Disposal Agent of its obligations under the Agency Agreement or the Conditions in relation to any Series of Notes or for the payment of any commissions or expenses charged by it or for any failure by the Disposal Agent to account for the proceeds of any Liquidation of Collateral in accordance with the Agency Agreement and the Conditions and the Trustee shall not incur any liability to any person in respect of any acts or omissions or exercise of discretion of the Disposal Agent, who shall not be regarded as acting as the agent of the Trustee in any circumstances.
- 5.17 Powers additional to LPA 1925:** The powers conferred by this Principal Trust Deed in relation to the Mortgaged Property on the Trustee or on any receiver of any such property shall be in addition to those conferred on mortgagees or receivers under the Law of Property Act 1925 (certain of which may not be enforceable under Luxembourg law). If there is any ambiguity or conflict between the powers contained in that Act and those conferred by this Principal Trust Deed, the terms of this Principal Trust Deed shall prevail.
- 5.18 Dealings with Trustee:** No one dealing with the Trustee or any receiver of any of the Mortgaged Property appointed by the Trustee need enquire whether any of the powers, authorities and discretions conferred by or pursuant to this Principal Trust Deed in relation to such property are or may be exercisable by the Trustee or such receiver, or as to the propriety or regularity of acts purporting or intended to be in exercise of any such powers. The protection to purchasers contained in Sections 104 and 107 of the Law of Property Act 1925 shall apply to anyone dealing with the Trustee or such receiver as if the statutory powers of sale and of appointing a receiver in relation to the Mortgaged Property had not been varied or extended by this Principal Trust Deed.
- 5.19 Financial Collateral arrangement:** To the extent that the Trust Deed constitutes a financial collateral arrangement (as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003, as amended (the “**Regulations**”)), the Trustee shall have the right (at any time after the Security becomes enforceable) to appropriate any Collateral which constitutes financial collateral (as defined in the Regulations (“**Financial Collateral**”)) in or towards satisfaction of the claims of the Secured Creditors in relation to the related Secured Payment Obligations in accordance with the Regulations.
- 5.20 Further Issues:** The Security created on the Issue Date of any Tranche of Notes of a Series pursuant to Clause 5.1 (*Security*) and the Issue Deed entered into in respect of that Tranche shall apply equally, and without any further action or grant being required from the Issuer, to any rights, title and/or interests in any further assets, property or contractual rights acquired by the Issuer in respect of all other Tranches and which do, or are to, form part of the Mortgaged Property for the Series and all such Security in respect of the Series shall be granted in favour of the Trustee for the benefit of itself and the other Secured Creditors including, for the avoidance of doubt, the holders of the first and all later Tranches of Notes of a Series on a *pari passu* basis. The Issuer shall acknowledge the same in the issue deed supplemental to this Principal Trust Deed that it enters into in respect of the further Tranche and shall reaffirm the Security.

6 Declarations of Trust and Application of Moneys

- 6.1 Pre-Liquidation and enforcement:** Save for any moneys received in connection with the realisation or enforcement of all or part of the Security constituted by or pursuant to the Trust Deed or Security Document, prior to the occurrence of an Early Redemption Commencement Date and/or a Liquidation Event, all moneys received by the Trustee in

respect of the Notes or amounts payable under the Trust Deed for the Notes will, despite any appropriation of all or part of them by the Issuer, be held by the Trustee on trust to apply them (subject to Clause 6.4 (*Accumulation*)):

- 6.1.1 first, in payment or satisfaction of any fees, costs, charges, expenses and liabilities properly incurred by the Trustee (including remuneration payable to it) in carrying out its functions under the Trust Deed;
- 6.1.2 secondly, in payments of any amounts owing to the Noteholders and the Couponholders in respect of the Notes *pari passu* and rateably; and
- 6.1.3 thirdly, in payment of any balance to the Issuer for itself.

If the Trustee holds any moneys in respect of Notes, Receipts or Coupons that have become void or in respect of which claims have become prescribed, the Trustee will hold them on these trusts.

6.2 Post-Liquidation but pre-enforcement: Following the Liquidation of any Collateral as a result of a Liquidation Event and prior to the date on which any valid Enforcement Notice is effectively delivered by the Trustee following the occurrence of an Enforcement Event, the Trustee shall hold all moneys (if any) received by it in respect of the Notes or, where applicable, the relevant Class or Classes, despite any appropriation of all or part of them by the Issuer, on trust to apply them in the same manner, on the same basis and at the same time as the Issuer is required to do so pursuant to Master Condition 15(a) (*Application of Available Proceeds or Affected Class Collateral Proceeds of Liquidation*).

6.3 Post-enforcement:

- 6.3.1 With effect from the date on which any valid Enforcement Notice is effectively delivered by the Trustee following the occurrence of an Enforcement Event, the Trustee shall hold the Available Proceeds received by it under the Trust Deed on trust to apply them in the manner specified in Master Condition 15 (*Application of Available Proceeds or Affected Class Collateral Proceeds*).
- 6.3.2 The Trustee's payment obligation under this Clause 6.3 is subject to the Trustee being entitled to retain moneys to pay itself for future fees, costs, charges, expenses and liabilities properly incurred by the Trustee in respect of amounts that the Trustee reasonably believes are at that time impending and will be incurred by it under the Trust Deed for such Series.

To the extent that sums are held in respect of Notes which have been prescribed in accordance with Master Condition 18 (*Prescription*), the Trustee shall pay such sums in accordance with this Clause 6.3 and, to the extent that no outstanding claims remain, the Trustee shall then pay the remainder of such sums to the Issuer.

6.4 Accumulation: If, at any time following delivery by the Trustee of an Enforcement Notice in accordance with the Conditions, the amount of moneys available to the Trustee for payment in respect of the Notes under Clause 6.3 (*Post-enforcement*) at any time, other than where the Mortgaged Property has been exhausted, amount to less than 10 per cent. of the nominal amount of the Notes then outstanding, the Trustee shall not be obliged to make any payments under Clause 6.3 (*Post-enforcement*) and shall place the same on deposit into a non-interest bearing account (and, for the avoidance of doubt, the Trustee shall not be required to exercise any form of investment discretion with respect to such deposits) in the name or under the control of the Trustee at such bank or financial institution and in such

currency as the Trustee may think fit. The parties acknowledge and agree that notwithstanding that such account is intended to be a non-interest bearing account, in the event that any interest rate payable on such account in respect of certain currencies is a negative value, the application thereof would result in amounts being debited from funds held by such bank or financial institution (“negative interest”). The Trustee shall accumulate such moneys until the accumulations, together with any other funds for the time being under its control and available for such payment, amount to at least 10 per cent of the nominal amount of the Notes then outstanding and then such accumulations and funds (after deduction of, or provision for, any applicable taxes and negative interest) shall be applied as specified in Clause 6.3 (*Post-enforcement*).

6.5 Investment: No provision of the Trust Deed or any other Transaction Document shall (i) confer on the Trustee any right to exercise any investment discretion in relation to the assets subject to the trusts constituted by the Trust Deed and, to the extent permitted by law, Section 3 of the Trustee Act 2000 shall not apply to the duties of the Trustee in relation to the trusts constituted by the Trust Deed and (ii) require the Trustee to do anything which may cause the Trustee to be considered a sponsor of a covered fund under Section 13 of the Bank Holding Company Act of the U.S. and any regulations promulgated thereunder and the Trustee shall not be liable for any loss of income which may result from any failure to exercise investment powers.

7 Covenants

7.1 Issuer’s covenants: So long as any Note is outstanding, the Issuer shall:

7.1.1 Books of account: keep proper books of account as required by the authorities and/or legislation of the jurisdiction in which the Issuer is incorporated, and at all times keep them separate from those of any other entity or person, and, at any time after the occurrence of an Event of Default, a Potential Event of Default or an Enforcement Event with respect to the Notes or if the Trustee reasonably believes that any such event has occurred, so far as permitted by applicable law, allow the Trustee and anyone appointed by it, to whom the Issuer has no reasonable objection, access to its books of account at all reasonable times within Normal Business Hours.

7.1.2 Cash accounts: at all times maintain its cash accounts (including those of the particular Compartment on behalf of which it is acting) as separate from those of any other entity or person (including those of other Compartments) and, while any assets are held directly by it (and not, for the avoidance of doubt, by any Custodian on its behalf), not commingle such assets with those of any other entity or person.

7.1.3 Use of name: at all times conduct its business in its own name, use separate stationery, invoices and cheques from any other entity or person and hold itself out as a separate entity from any other entity or person and endeavour to correct any misunderstandings concerning it being a separate entity from any other entity or person as soon as reasonably practicable after becoming aware of the same.

- 7.1.7 **Independent Directors:** at all times have at least one Independent Director, for which purpose "**Independent Director**" means a duly appointed member of the board of directors of the relevant entity who should not have been, at the time of such appointment, or at any time in the preceding five years, (i) a direct or indirect legal or beneficial owner in such entity or any of its Affiliates (excluding *de minimis* ownership interests), (ii) a creditor, supplier, employee, officer, director, family member, manager or contractor of such entity or its Affiliates, or (iii) a person who controls (whether directly, indirectly or otherwise) such entity or its Affiliates or any creditor, supplier, employee, officer, director, manager or contractor of such entity or its Affiliates.

- 7.1.10 **Notices under the Conditions:** send any notice which the Issuer is required to send pursuant to the Conditions in the manner, at the time and to the party(ies) specified in the Conditions.
- 7.1.11 **Further acts:** so far as permitted by applicable law, do such further things as may be necessary in the opinion of the Trustee to give effect to this Principal Trust Deed, the Issue Deed and any other Security Document.

- (i) the Issuer is unable to do so, having used such endeavours; and/or
 - (ii) the Issuer determines that the provisions of the Transparency Obligations Directive or any other applicable law or regulation would make the maintenance of such listing unduly onerous,
- the Issuer may discontinue the affected listing and, where that would mean the Notes would not be listed on any stock exchange, shall instead use reasonable endeavours to obtain and maintain a listing of the Notes on such other stock exchange or exchanges (which may or may not be EEA Regulated Markets and may or may not be in Western Europe) as it may decide.
- 7.1.16 **Change in Agents:** to the extent practicable, give at least 14 days' prior notice to the Noteholders or to the Trustee of any future appointment, resignation or removal of an Agent or of any change by an Agent of its Specified Office and not make any such appointment or removal without the Trustee's written approval unless, (i) in the case of the Disposal Agent and/or the Calculation Agent, such appointment is the result of an Extraordinary Resolution from Noteholders as provided in and subject to the provisions of Master Condition 11(b) (*Calculation Agent appointment, termination and replacement*) or (ii) the appointment of the relevant Agent is terminated automatically in accordance with clause 20 (*Changes in Agents*) of the Agency Agreement, in which case approval shall not be required.
- 7.1.17 **Agency Agreement:** comply with its obligations under the Agency Agreement and, without prejudice to the generality of the foregoing, at all times maintain an Issuing and Paying Agent and, if the Notes are Registered Notes, a Registrar and a Transfer Agent and, where appropriate, a Custodian, a Calculation Agent and a Disposal Agent, in each case as specified in the Conditions.

- 7.1.21 **Centre of main interest:** maintain its centre of main interest, as such term is defined in Article 3 of Regulation (EU) 2015/848 of the European Parliament and of the Council on Insolvency Proceedings (the “**Insolvency Regulation**”), in its jurisdiction of incorporation.

- (ii) from legal advisers, reasonably acceptable to the Trustee as to such law as may reasonably be requested by the Trustee, on the Issue Date for the Notes of a Series in the event the Notes are of such a nature and have such features as might lead the Trustee to conclude that it would be prudent, having regard to such nature and features, to obtain such legal opinion(s) or in the event that the Trustee considers it prudent in view of a change (or proposed change) in (or in the interpretation or application of) any applicable law, regulation or circumstance affecting the Issuer, the Trustee, the Notes, the Certificates, the Receipts, the Coupons, the Talons, the Trust Deed for such Series of Notes or the Agency Agreement;

8.1 Normal remuneration: So long as any Note is outstanding, the Issuer shall pay the Trustee as remuneration for its services as Trustee such sum on such dates, in each case as they may from time to time agree. Such remuneration shall accrue from day to day from the issue date of the relevant Series. However, if any payment to a Noteholder or Couponholder, the Issuing and Paying Agent, the Custodian or the Disposal Agent of moneys due in respect of any Note, Receipt or Coupon or under the Agency Agreement is improperly withheld or refused, such remuneration shall again accrue as from the date of such withholding or refusal until such payment is duly made.

8.2 Extra remuneration: If an Event of Default, a Potential Event of Default or an Enforcement Event shall have occurred, the Issuer hereby agrees that the Trustee shall be entitled to be paid additional remuneration calculated at its normal hourly rates in force from time to time. In any other case, if the Trustee finds it expedient or necessary or is requested by the Issuer to undertake duties that they both agree to be of an exceptional nature or otherwise outside the scope of the Trustee's normal duties under the Trust Deed, the Issuer shall pay such additional remuneration as they may agree (and which may be calculated by reference to the Trustee's normal hourly rates in force from time to time) or, failing agreement as to any of the matters in this Clause 8.2 (or as to such sums referred to in Clause 8.1 (*Normal remuneration*)), as determined by a financial institution or person (acting as an expert) selected by the Trustee and approved by the Issuer or, failing such approval, nominated by the President for the time being of The Law Society of England and Wales. The expenses involved in such nomination and such financial institution or person's fee shall be borne by the Issuer. The determination of such financial institution or person shall be conclusive and binding on the Issuer, the Trustee, the Noteholders and the Couponholders.

Such costs, charges, liabilities and expenses (including, for the avoidance of doubt, remuneration of the Trustee) shall:

8.3.1 in the case of payments made by the Trustee before such demand, carry interest from the date of the demand at the rate equal to the Trustee's cost of funding on the date on which the Trustee made such payments; and

8.3.2 in other cases, carry interest at such rate from 30 calendar days after the date of the demand or (where the demand specifies that payment is to be made on an earlier date) from such earlier date.

9.1 Advice: The Trustee may act on the opinion, advice of, report, confirmation, certificate or information obtained from, any expert (provided that, to the extent that the Trustee is relying on advice of an expert which it has appointed, the Trustee has exercised reasonable care and skill in the selection, retention and use of any expert and that any such expert selected by the Trustee shall be reputed in the field in respect of which such advice is being sought) and shall not be responsible to anyone for any loss occasioned by so acting whether such advice is obtained by or addressed to the Issuer, the Trustee or any other person and whether or not such expert's liability in respect hereof is limited by monetary cap, methodology or otherwise. Any such opinion, advice or information may be sent or obtained by letter, fax or electronic communication and the Trustee shall not be liable to anyone for acting in good faith on any opinion, advice or information purporting to be conveyed by such means even if it contains some error or is not authentic.

9.2 Trustee to assume performance: The Trustee need not notify anyone of the execution of this Principal Trust Deed or any Issue Deed or do anything to find out if an Event of Default, a Potential Event of Default, Liquidation Event or an Enforcement Event has occurred. Until it has actual knowledge or express notice to the contrary, the Trustee may assume that no such event has occurred and that the Issuer and the other Transaction Parties are performing all their respective obligations under this Principal Trust Deed, each Issue Deed, the Notes, the Receipts, the Coupons and the Talons and the other Transaction Documents.

9.3 Interests of Noteholders: In connection with the exercise of its powers, trusts, authorities or discretions (including, but not limited to, those in relation to any proposed modification, waiver or authorisation of any breach or proposed breach of any of the Conditions or any of the provisions of the Trust Deed or any proposed substitution in accordance with Clause 13.2 (*Substitution*) or any determination made pursuant to Clause 13.1 (*Modification*)), the Trustee shall have regard to the interests of the Noteholders as a Series or, where applicable to one or more Classes only, such Classes together and in particular, but without prejudice to the generality of the foregoing, shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or otherwise to the tax consequences thereof and the Trustee shall not be entitled to require, nor shall any Noteholder be entitled to claim from the Issuer or the Trustee, any indemnification or payment of any tax arising in consequence of any such exercise upon individual Noteholders.

9.4 Resolutions of Noteholders: The Trustee shall not be responsible for having acted on a resolution purporting to have been passed at a meeting of Noteholders in respect of which minutes have been made and signed or a direction or request of Noteholders, including a Written Resolution or Electronic Consent, even if it is later found that there was a defect in the constitution of the meeting or the passing of the resolution or that the resolution was not valid or binding on the Noteholders or Couponholders.

- 9.5 Certificate signed by Directors:** If the Trustee, in the exercise of its functions, requires to be satisfied or to have information as to any fact or the expediency of any act, it may call for and accept as sufficient evidence of that fact or the expediency of that act a certificate signed by any director of the Issuer as to that fact or to the effect that, in their opinion, that act is expedient and the Trustee need not call for further evidence and shall not be responsible for any loss occasioned by acting on such a certificate.
- 9.6 Deposit of documents:** The Trustee may appoint as custodian, on any terms, any bank or entity whose business includes the safe custody of documents or any lawyer or firm of lawyers believed by it to be of good repute and may deposit this Principal Trust Deed and any other documents with such custodian and pay all sums due in respect thereof. The Trustee is not obliged to appoint a custodian of securities payable to bearer.
- 9.7 Discretion:** Save as expressly otherwise provided in the Trust Deed, the Trustee shall have absolute and uncontrolled discretion as to the exercise of its functions and the discretions vested in it by the Trust Deed and the other Transaction Documents (the exercise of which as between the Trustee and the holders of each Series (or, if applicable, Class) and any Secured Creditor relating to such Series shall be conclusive and binding on the holders of such Series (or, if applicable, Class) and any other Secured Creditor relating to such Series) and shall not be responsible for any significant cost, expense or liability which may result from their exercise or non-exercise, but, whenever the Trustee is under the provisions of the Trust Deed bound to act at the request or direction of the Noteholders or any other Secured Creditor, the Trustee shall nevertheless not be so bound unless first indemnified and/or secured and/or prefunded to its satisfaction.
- 9.8 Agents:** Whenever it considers it expedient in the interests of the Noteholders, Couponholders or any other Secured Creditors, the Trustee may, in the conduct of its trust business, instead of acting personally, employ and pay an agent selected by it, whether or not a lawyer or other professional person, to transact or conduct, or concur in transacting or conducting, any business and to do or concur in doing all acts required to be done by the Trustee (including the receipt and payment of money).
- 9.9 Delegation:** Whenever it considers it expedient in the interests of the Noteholders, Couponholders or any other Secured Creditor, the Trustee may delegate to any person on any terms (including power to sub-delegate) all or any of its functions.
- 9.10 Nominees:** In relation to any asset held by it under the Trust Deed, the Trustee may appoint any person to act as its nominee on any terms.
- 9.11 Forged Notes:** The Trustee shall not be liable to the Issuer or any Noteholder or Couponholder by reason of having accepted as valid or not having rejected any Note, Certificate, Receipt, Coupon or Talon purporting to be such and later found to be forged or not authentic.
- 9.12 Confidentiality:** Unless ordered to do so by a court of competent jurisdiction, the Trustee shall not be required to disclose to any Noteholder, any Couponholder, any Secured Party or any Transaction Party any confidential financial or other information made available to the Trustee by the Issuer.
- 9.13 Determinations conclusive:** As between itself and the Noteholders, the Couponholders, the Swap Counterparty, the other Secured Creditors or any other Transaction Party, the Trustee may determine all questions and doubts (other than matters of legal interpretation) arising in relation to any of the provisions of the Trust Deed, provided that such questions

and doubts relate solely to the Trust Deed and not any other Transaction Documents. Such determinations, whether made upon such a question actually raised or implied in the acts or proceedings of the Trustee, shall be conclusive and shall bind the Trustee, the Noteholders, the Couponholders and any Secured Creditor.

- 9.14 Currency conversion:** Where it is necessary or desirable to convert any sum from one currency to another, it shall (unless otherwise provided hereby or required by law) be converted at such rate or rates, in accordance with such method and as at such date as may reasonably be specified by the Trustee but having regard to current rates of exchange, if available. Any rate, method and date so specified shall be binding on the Issuer, the Noteholders, the Couponholders and the Secured Creditors.
- 9.15 Title of the Issuer to Mortgaged Property:** The Trustee shall accept without investigation, requisition or objection such right and title as the Issuer has to any of the Mortgaged Property and need not examine or enquire into or be liable for any defect or failure in the right or title of the Issuer to the Mortgaged Property or any part of it whether such defect or failure was known to the Trustee or might have been discovered upon examination or enquiry and whether capable of remedy or not.
- 9.16 Insurance:** The Trustee shall not be under any obligation to insure any of the Mortgaged Property or any certificate, note, bond or other evidence in respect thereof, or to require any other person to maintain any such insurance.
- 9.17 Deficiency arising from Tax:** The Trustee shall have no responsibility to the Issuer, any Noteholder, any Couponholder, any other Secured Creditor or any other Transaction Party as regards any deficiency which might arise because the Trustee, Custodian or Issuing and Paying Agent is subject to any tax in respect of any of the Mortgaged Property, the income therefrom or the proceeds thereof.
- 9.18 Indemnity:** Subject to Clause 10.1 (*Trustee Act 2000*), the Trustee and every receiver, attorney, manager, agent or other person appointed by the Trustee under the Trust Deed shall be entitled to be indemnified out of the Mortgaged Property in respect of all liabilities and expenses properly incurred by them or him pursuant to the Trust Deed in the execution or purported execution of the trusts hereof or of any functions vested in them or him pursuant to the Trust Deed and against all actions, proceedings, fees, costs, claims and demands in respect of any acts or omissions relating to the Mortgaged Property, and the Trustee may retain any part of any moneys in its hands arising from the trusts of the Trust Deed and all sums necessary to effect such indemnity and also the remuneration of the Trustee. The Trustee shall have a lien on such Mortgaged Property for all moneys payable to it under Clause 8 (*Remuneration and Indemnification of the Trustee*), this Clause 9 or otherwise.
- 9.19 Incurrence of financial liability:** Nothing contained in the Trust Deed shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties or the exercise of any power, rights, authority or discretion hereunder (other than such costs and expenditure incurred in the ordinary performance of the Trustee's duties and obligations under the Trust Deed) if it has grounds for believing the repayment of the funds or the provision of an indemnity and/or security and/or prefunding satisfactory to it against such risk or liability is not assured to it.
- 9.20 Secured Creditors and Transaction Parties:** In acting as Trustee under the Trust Deed, the Trustee shall not assume any duty or responsibility to the Swap Counterparty, the Custodian, the Issuing and Paying Agent or any other Secured Creditor or any other Transaction Party (other than to pay to any such party any moneys received and payable to

it and to act in accordance with the provisions of the Conditions and the Trust Deed) and shall have regard solely to the interests of the Noteholders. The Trustee shall not (subject to whichever direction is given first in time pursuant to Clause 5.7 (*Enforcement of Security*) of this Principal Trust Deed and to the Conditions) be obliged to act on any directions of any Secured Creditor or Transaction Party if this would in the Trustee's opinion be contrary to the interests of the Noteholders (for so long as the Notes are outstanding). In addition, the Trustee need not make any investigation into the creditworthiness of any Swap Counterparty or Collateral Obligor or into the validity of any such party's obligations in respect of any of the Mortgaged Property (including, without limitation, whether the cashflows in respect of the Mortgaged Property relating to any Notes are matched).

- 9.21 Validity of Security:** The Trustee assumes no responsibility for the validity, sufficiency or enforceability (which the Trustee has not investigated) of the Security purported to be created by the Trust Deed or any other Security Document and is not responsible for the perfection of the Security or the maintenance or accuracy of any required filings. In addition, the Trustee has no duty to monitor the performance by the Agents or any Swap Counterparty or other party to a Transaction Document of their obligations to the Issuer nor is it obliged (unless indemnified and/or secured and/or prefunded to its satisfaction) to take any other action step or proceeding which may involve the Trustee in any personal liability or expense.
- 9.22 Consent of Trustee:** Any consent or approval given by the Trustee may be given on such terms and subject to such reasonable conditions as the Trustee reasonably thinks fit and, notwithstanding anything to the contrary contained in the Trust Deed, may be given retrospectively. The Trustee may give any consent or approval, exercise any power, authority or discretion or take any similar action (whether or not such consent, approval, power, authority, discretion or action is specifically referred to in the Trust Deed) if it is satisfied that the interests of the Noteholders will not be materially prejudiced thereby. For the avoidance of doubt, the Trustee shall not have any duty to the Noteholders in relation to such matters other than that which is contained in the preceding sentence.
- 9.23 Obligations of Custodian:** The Trustee shall have no responsibility for the performance by the Custodian of any of its obligations and shall not be responsible for any claim arising from the fact that any of the Collateral comprised in the Mortgaged Property is held in safe custody by the Custodian.
- 9.24 Voting rights:** The Trustee need not exercise any voting or other such rights (including the exercise of options) it may have over or in respect of any Collateral comprised in the Mortgaged Property unless directed by an Extraordinary Resolution of the Noteholders or otherwise as may be provided in the relevant Issue Deed or in the Conditions and unless indemnified and/or secured and/or prefunded to its satisfaction.
- 9.25 Payment for and delivery of Notes:** The Trustee shall not be responsible for the receipt or application by the Issuer of the proceeds of the issue of the Notes, any exchange of Notes or the delivery of Notes to the persons entitled to them.
- 9.26 Legal opinions:** The Trustee shall not be responsible to any person for failing to request, require or receive any legal opinion relating to any Notes or for checking or commenting upon the content of any such legal opinion.
- 9.27 Notes held by Issuer:** In the absence of actual knowledge or express notice to the contrary, the Trustee may assume without enquiry (other than requesting a certificate under Clause 7.1.37 (*Notes held by Issuer*)) that no Notes are for the time being held by or on behalf of the Issuer.

- 9.28 Event of Default:** The Trustee may determine whether or not any default is, for the purposes of Master Condition 8(l)(ii) (*Redemption following the occurrence of an Event of Default*) in its opinion, capable of remedy. Any such determination will be conclusive and binding on the Issuer, the Noteholders and the Couponholders.
- 9.29 Responsibility for Agents etc.:** If the Trustee exercises reasonable care in selecting any custodian, agent, delegate or nominee appointed under this Clause 9 (an “**Appointee**”), it will not have any obligation to supervise the Appointee or be responsible for any loss, liability, cost, claim, action, demand or expense incurred by reason of the Appointee’s misconduct or default or the misconduct or default of any substitute appointed by the Appointee.
- 9.30 Clearing systems:** The Trustee may call for any certificate or other document issued by Euroclear, Clearstream, Luxembourg or any other relevant clearing system in relation to any matter. Any such certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant clearing system (including Euroclear’s EUCLID or Clearstream, Luxembourg’s Creation Online system) in accordance with its usual procedures and in which the accountholder of a particular principal or nominal amount of the Notes is clearly identified together with the amount of such holding. The Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by Euroclear or Clearstream, Luxembourg or any other relevant clearing system and subsequently found to be forged or not authentic.
- 9.31 No responsibility for Transaction Documents:** The Trustee assumes no responsibility for, and shall not by the execution of this Principal Trust Deed, the Programme Deed, the Issue Deed or any other Transaction Document relating to the Notes be deemed to make any representation as to, the adequacy, sufficiency, validity or enforceability of such Transaction Documents or any agreement constituted by the execution thereof.
- 9.32 Illegality:** Nothing contained herein shall require the Trustee to do anything which it believes is illegal or contrary to applicable law or regulation.
- 9.33 Not bound to act:** The Trustee shall not be bound to take any action, step, or proceeding in connection with the Trust Deed or any obligations arising hereunder or any Security Document or Transaction Document or any obligations arising hereunder or otherwise, including without prejudice to the generality of the foregoing, forming any opinion or employing any financial adviser, unless it has been indemnified and/or secured and/or prefunded to its satisfaction against all liabilities which may be properly incurred in connection with such action, step, or proceeding and may demand prior to taking any such action that there be paid to it in advance such sums as it reasonably considers (without prejudice to any further demand) shall be sufficient so as to indemnify and/or secure and/or prefund it and, on such demand being made, the Issuer shall be obliged to make payment of all such sums in full.

10 Trustee Liable for Negligence

- 10.1 Trustee Act 2000:** Section 1 of the Trustee Act 2000 shall not apply to any function of the Trustee, provided that if the Trustee fails to show the degree of care and diligence required of it as trustee, having regard to the provisions of the Trust Deed conferring on it any trusts, powers, authorities or discretions, nothing in this Principal Trust Deed or any Issue Deed shall relieve or indemnify it from or against any liability that would otherwise attach to it in

respect of any negligence, fraud or wilful default or breach of trust of which it may be guilty in relation to its duties under the Trust Deed. Where there are any inconsistencies between the Trustee Act 1925, the Trustee Act 2000 and the provisions of the Trust Deed, the provisions of the Trust Deed shall, to the extent allowed by law, prevail and, in the case of any such inconsistency with the Trustee Act 2000, the provisions of the Trust Deed shall constitute a restriction or exclusion for the purposes of that Act.

10.2 No liability for consequential loss: Under no circumstances shall the Trustee be liable to, or be required to indemnify, the Issuer or any third party for (i) special, indirect, punitive or consequential losses or indirect, punitive or consequential damages of any kind whatsoever, (ii) loss of business opportunity, (iii) loss of goodwill or reputation or (iv) loss of profit, in each case to the extent any such losses arise in connection with the Trust Deed, notwithstanding that such losses were or may have been foreseeable or that the Trustee was advised or was aware of the possibility of such losses and regardless of whether the claim to any such loss or damage under paragraph (i), (ii), (iii) or (iv) above is made in negligence, breach of duty or breach of trust or otherwise.

11 Waiver, Proof of Default and Partial Invalidity

11.1 Waiver: The Trustee may, without the consent of the Noteholders or Couponholders and without prejudice to its rights in respect of any subsequent breach, from time to time and at any time, if in its opinion the interests of the Noteholders will not be materially prejudiced thereby, waive or authorise, on such terms as seem expedient to it, any breach or proposed breach by the Issuer of the Trust Deed or the Conditions or the Swap Agreement or any other Transaction Document or determine that an Event of Default, Potential Event of Default or Enforcement Event shall not be treated as such, provided that the Trustee shall not do so in contravention of an express direction given by an Extraordinary Resolution. No such direction or request shall affect a previous waiver, authorisation or determination. Any such waiver, authorisation or determination shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, shall be notified to the Noteholders as soon as is practicable.

11.2 Proof of default: Proof that the Issuer has failed to pay a sum due to the holder of any one Note, Receipt or Coupon of a Series or, where applicable, a Class shall (unless the contrary be proved) be sufficient evidence that it has made the same default as regards all other Notes, Receipts or Coupons that are then payable in respect of such Series or Class.

11.3 Partial invalidity: If at any time any provision of the Trust Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will, in any way, be affected or impaired.

12 Trustee not Precluded from Entering into Contracts

The Trustee and any other person, whether or not acting for itself, may acquire, hold or dispose of any Note, Receipt, Coupon, Talon or other Obligation (or any interest therein) of the Issuer or any other person, may enter into or be interested in any contract or transaction with any such person and may act on, or as depository or agent for, any committee or body of holders of any securities of any such person in each case with the same rights as it would have had if the Trustee were not acting as Trustee and need not account for any profit.

13 Modification and Substitution

13.1 Modification: The Trustee may agree, without the consent of the Noteholders or Couponholders, to any modification to the Conditions, the Trust Deed or any Transaction Document which is, in its opinion, of a formal, minor or technical nature or to correct a manifest error. The Trustee may also agree, without the consent of the Noteholders or the Couponholders, to any modification to the Conditions, the Trust Deed or any Transaction Document that is in its opinion not materially prejudicial to the interests of the Noteholders, but such power does not extend to any such modification as is mentioned in the proviso to paragraph 2 of Schedule 3 (*Provisions for Meetings of Noteholders*).

13.2 Substitution:

13.2.1 The Trustee may, without the consent of the Noteholders or Couponholders but subject to the prior written consent of the Swap Counterparty, agree to the substitution, in place of the Issuer (or of any previous substitute under this Clause 13.2), as the principal debtor under the Trust Deed, the Notes, the Receipts, the Coupons and the Talons, as applicable, of any other company (incorporated in any jurisdiction) (the “**Substituted Obligor**”) (such substitution may be made in circumstances, including, but not limited to, where (A) Noteholders would suffer adverse tax consequences if the Issuer was not substituted, or (B) it becomes illegal for the Issuer to perform any of its obligations under the Notes), provided that:

- (i) a deed is executed or an undertaking is given by the Substituted Obligor to the Trustee, in form and manner satisfactory to the Trustee, agreeing to be bound by the Trust Deed, the Notes, the Receipts, the Coupons and the Talons and each other Transaction Document (with consequential amendments as the Trustee may deem appropriate) as if the Substituted Obligor had been named in the Trust Deed and the other Transaction Documents, the Notes, the Certificates, the Receipts, the Coupons and the Talons as the principal debtor in place of the Issuer;
- (ii) the Substituted Obligor assumes all rights, obligations and liabilities in relation to the Mortgaged Property, acknowledges the Security created in respect thereof pursuant to the Trust Deed and any other Security Document and takes all such action as the Trustee may require so that the Security constitutes a valid charge, pledge or other security interest as was originally created by the Issuer for the obligations of the Substituted Obligor;
- (iii) if any two directors of the Substituted Obligor certify that it will be solvent immediately after such substitution, the Trustee need not have regard to the Substituted Obligor’s financial condition, profits or prospects or compare them with those of the Issuer;
- (iv) the Trustee shall be satisfied (if it requires, by reference to legal opinions) that (a) all necessary governmental and regulatory approvals and consents necessary for or in connection with the assumption by the Substituted Obligor of liability as principal debtor in respect of, and of its obligations under, the Notes, the Receipts, the Coupons, the Talons and the Transaction Documents have been obtained and (b) such approvals and consents are at the time of substitution in full force and effect;

- (v) the Issuer and the Substituted Obligor shall execute and the Issuer shall procure that each relevant Transaction Party shall execute such other deeds, documents and instruments (if any) as the Trustee may require in order that such substitution is fully effective;
- (vi) in connection with any proposed substitution of the Issuer, the Trustee may, without the consent of the holders of such Notes, Receipts, Coupons or Talons, agree to a change of the law from time to time governing such Notes, Receipts, Coupons or Talons and/or this Principal Trust Deed and the relevant Issue Deed and/or any other Transaction Document, provided that such change of law, in the opinion of the Trustee, would not be materially prejudicial to the interests of the Noteholders;
- (vii) the Issuer and the Substituted Obligor comply with such other requirements as the Trustee may direct in the interests of the Noteholders; and
- (viii) a legal opinion satisfactory to the Trustee is provided concerning any proposed substitution.

13.2.2 Release of substituted Issuer: An agreement by the Trustee pursuant to this Clause 13.2 shall, if so expressed, release the Issuer (or a previous substitute) from any or all of its obligations under the Trust Deed, the Notes, the Receipts, the Coupons, the Talons and any other relevant Transaction Document. Notice of the substitution shall be given to the Noteholders within 14 days of the execution of such documents and compliance with such requirements.

13.2.3 Completion of substitution: On completion of the formalities set out in this Clause 13.2, the Substituted Obligor shall be deemed to be named in this Principal Trust Deed (insofar as it affects the relevant Series), the relevant Issue Deed and the relevant Notes, Certificates, Receipts, Coupons and/or Talons as the principal debtor in place of the Issuer (or of any previous substitute) and this Principal Trust Deed, the relevant Issue Deed and the relevant Notes, Certificates, Receipts, Coupons and/or Talons shall be deemed to be amended as necessary to give effect to the substitution.

14 Appointment, Retirement and Removal of the Trustee

14.1 Appointment: Subject as provided in Clauses 14.2 (*Retirement and removal*) and 14.3 (*Co-Trustees*), the Issuer has the power of appointing new trustees but no one may be so appointed unless previously approved by an Extraordinary Resolution. A trust corporation shall at all times be a Trustee and may be the sole Trustee. Any appointment of a new Trustee shall be notified by the Issuer to the Noteholders as soon as is practicable.

14.2 Retirement and removal: Any Trustee may retire at any time on giving at least 60 days' written notice to the Issuer without giving any reason or being responsible for any costs occasioned by such retirement and the Noteholders may by Extraordinary Resolution remove any Trustee, provided that the retirement or removal of a sole trust corporation shall not be effective until a trust corporation is appointed as successor Trustee. If a sole trust corporation gives notice of retirement or an Extraordinary Resolution is passed for its removal, the Issuer shall use reasonable endeavours to procure that another trust corporation be appointed as Trustee but if it fails to do so before the expiry of such 60 day notice period or by any period specified in an Extraordinary Resolution, the Trustee shall have the power to appoint a new Trustee.

14.3 Co-Trustees: The Trustee may, despite Clause 14.1 (*Appointment*), by written notice to the Issuer, appoint anyone to act as an additional Trustee jointly with the Trustee:

14.3.1 if the Trustee considers the appointment to be in the interests of the Noteholders and/or the Couponholders;

14.3.2 to conform with a legal requirement, restriction or condition in a jurisdiction in which a particular act is to be performed; or

14.3.3 to obtain a judgment or to enforce a judgment or any provision of this Principal Trust Deed or any Issue Deed in any jurisdiction.

Subject to the provisions of the Trust Deed, the Trustee may confer on any person so appointed such functions as it thinks fit. The Trustee may by written notice to the Issuer and that person remove that person. At the Trustee's request, the Issuer shall forthwith do all things as may be required to perfect such appointment or removal and it irrevocably appoints the Trustee as its attorney in its name and on its behalf to do so.

14.4 More than one Trustee: Where, as a result of the provisions of this Clause 14, not all Series have the same Trustee, the provisions of this Principal Trust Deed shall apply in respect of each such Trustee as if each were named as a party hereto. If, in respect of any single Series, there are more than two Trustees, the majority of them shall be competent to perform the Trustee's functions, provided the majority includes a trust corporation.

15 Notes held in Clearing Systems and Couponholders

15.1 Notes held in clearing systems: So long as any Global Note is, or any Notes represented by a Global Certificate are, held on behalf of a clearing system, in considering the interests of Noteholders, the Trustee may have regard to any information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its accountholders or participants with entitlements to any such Global Note or the Registered Notes and may consider such interests on the basis that such accountholders or participants were the holder(s) thereof.

15.2 Couponholders: No notices need be given to Couponholders. They shall be deemed to have notice of the contents of any notice given to Noteholders. Even if it has express notice to the contrary, in exercising any of its functions by reference to the interests of the Noteholders, the Trustee shall assume that the holder of each Note is the holder of all Receipts, Coupons and Talons relating to it.

16 Currency Indemnity

16.1 Currency of account and payment: The Contractual Currency is the sole currency of account and payment for all sums payable by the Issuer under or in connection with the Trust Deed, the Notes, the Receipts and the Coupons, including damages.

16.2 Extent of discharge: An amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the insolvency, winding-up, examinership or dissolution of the Issuer or otherwise), by the Trustee or any Noteholder or Couponholder in respect of any sum expressed to be due to it from the Issuer, shall only discharge the Issuer to the extent of the Contractual Currency amount that the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if

it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

16.3 Indemnity: If the Contractual Currency amount actually received is less than the Contractual Currency amount expressed to be due to the recipient under the Trust Deed, the Notes, the Receipts or the Coupons, the Issuer shall indemnify it against any loss sustained by it as a result. In any event, the Issuer shall indemnify the recipient against the cost of making any such purchase.

16.4 Indemnity separate: The indemnities in this Clause 16 and in Clause 8.4 (*Indemnity*) constitute separate and independent obligations from the other obligations in the Trust Deed, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by the Trustee and/or any Noteholder or Couponholder or other Secured Creditor and shall continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due under the Trust Deed and any other Transaction Document or any other judgment or order.

17 Communications

17.1 Method: Each communication under the Trust Deed shall be made by fax, electronic communication or otherwise in writing. Each communication or document to be delivered to any party under the Trust Deed shall be sent to that party at the fax number, postal address or electronic address, and marked for the attention of the person specified in the Programme Deed or to such other address, fax number or person as shall have been notified (in accordance with this Clause 17.1) to the other parties hereto.

17.2 Deemed receipt: Any communication from any party to any other under the Trust Deed shall be deemed to have been given and be effective (if by fax) when the relevant delivery receipt is received by the sender, (if in writing and mailed) on the day it is delivered in the case of recorded delivery and three days (excluding Saturdays and Sundays) in the case of inland post or seven days (excluding Saturdays and Sundays) in the case of overseas post after despatch or, if earlier, when delivered and (if by electronic communication) when the relevant receipt of such communication being read is given, or, where no read receipt is requested by the sender, at the time of sending, provided that no delivery failure notification is received by the sender within 24 hours of sending such communication, and provided that any communication which is not received (or deemed to take effect in accordance with the foregoing) within Normal Business Hours or is received on a non-business day, in either case in the place of receipt, shall be deemed to take effect at the start of Normal Business Hours on the next following business day in such place. Any communication delivered to any party under the Trust Deed which is to be sent by fax or electronic communication will be written legal evidence.

17.3 Liability for receipt and transmission of data by Trustee: In no event shall the Trustee be liable for any and all claims, losses, liabilities, damages, costs, expenses and judgments (including legal fees and expenses) or liabilities arising from the Trustee receiving or transmitting any data from the Issuer or any person duly authorised by the Issuer or any Transaction Party via any non-secure method of transmission or communication, such as, but without limitation, by facsimile or email. Any such written or oral instructions, transmissions or communication shall be conclusively deemed to be valid and binding on the Issuer for the purposes of the Trust Deed.

17.4 Non-secure methods of communication: The Issuer accepts that some methods of communication are not secure and the Trustee shall not incur any liability for receiving written notices, directions, instructions or other written communications via any such non-secure method. The Trustee is authorised to comply with and rely upon any written notice, direction, instructions or other written communication believed by it to have been sent by the Issuer or a person duly authorised and designated by the Issuer to give such communications to the Trustee under the Trust Deed. The Issuer shall use all reasonable endeavours to ensure any written Instruction, and any other written notice, direction, instruction or other written communications delivered by it to the Trustee pursuant to the Trust Deed are complete and correct.

18 Enforcement

Only the Trustee may pursue the remedies against the Issuer for any breach by the Issuer of the terms of the Trust Deed, the Notes or the Coupons and no Noteholder or Couponholder is entitled to proceed directly against the Issuer unless the Trustee, having become bound to proceed in accordance with the terms of the Trust Deed, fails to do so within a reasonable period and such failure is continuing. In respect of any failure by the Issuer to make payment of the Final Redemption Amount and/or any interest or Instalment Amount that became due and payable on the Maturity Date, the Trustee may not pursue any remedies against the Issuer for any breach by the Issuer of the terms of the Trust Deed, the Notes or the Coupons until after the Relevant Payment Date. The Trustee is under no obligation to pursue any such remedy other than in circumstances where it has been indemnified and/or secured and/or pre funded to its satisfaction.

19 Limited Recourse and Non-Petition

19.1 General limited recourse: The obligations of the Issuer to pay any amounts due and payable in respect of a Series of Notes and to the other Programme Parties and Transaction Parties at any time in respect of a Series shall be limited to the proceeds available out of the Mortgaged Property in respect of such Series at such time to make such payments in accordance with Master Condition 15 (*Application of Available Proceeds or Affected Class Collateral Proceeds*). Notwithstanding anything to the contrary contained herein or in any other Transaction Document, in respect of the Series, the Programme Parties, the Transaction Parties, the Noteholders and the Couponholders shall have recourse only to the Mortgaged Property in respect of the Series, subject always to the Security, and not to any other assets of the Issuer, or any other assets of any other compartment or any other assets of the Company. If, after (i) the Mortgaged Property in respect of the Series is exhausted (whether following Liquidation or enforcement of the Security or otherwise) and (ii) application of the Available Proceeds or the Affected Class Collateral Proceeds relating to the final outstanding Class(es), as applicable, as provided in Master Condition 15 (*Application of Available Proceeds or Affected Class Collateral Proceeds*), any outstanding claim, debt or liability against the Issuer in relation to the Trust Deed, the Notes of the Series or any other Transaction Document relating to the Notes of the Series remains unpaid, then such outstanding claim, debt or liability shall be extinguished and no debt shall be owed by the Issuer in respect thereof. Following extinguishment in accordance with Master Condition 17(a) (*General limited recourse*) and this Clause 19.1, none of the Programme Parties, the Transaction Parties, the Noteholders, the Couponholders or any other person acting on behalf of any of them shall be entitled to take any further steps against the Issuer, or the Company or any of its officers, shareholders, members, incorporators, corporate service

providers or directors to recover any further sum in respect of the extinguished claim and no debt shall be owed to any such persons by the Issuer or any of its officers, shareholders, members, incorporators, corporate service providers or directors in respect of such further sum in respect of the Series.

- 19.2 Non-petition:** None of the Programme Parties, the Transaction Parties (save for the Trustee who may lodge a claim in liquidation of the Company which is initiated by another party or take proceedings to obtain a declaration or judgment as to the obligations of the Issuer), the Noteholders, the Couponholders or any person acting on behalf of any of them may, at any time, institute, or join with any other person in bringing, instituting or joining, insolvency, administration, bankruptcy, winding-up, examinership or any other similar proceedings (whether court-based or otherwise) in relation to the Issuer, the Company or any of its officers, shareholders, members, incorporators, corporate service providers or directors or any of its assets, and none of them shall have any claim arising with respect to the assets and/or property attributable to any notes other than the Notes issued by the Issuer (save for any further notes which form a single series with the Notes), the Company or Mortgaged Property in respect of a different series or Obligations issued or entered into by the Issuer or the Company or any other assets of the Issuer or the Company (other than the Mortgaged Property in respect of the Series).
- 19.3 Corporate obligation:** In addition, none of the Programme Parties, the Transaction Parties, the Noteholders, the Couponholders or any person acting on behalf of any of them shall have any recourse against any director, shareholder, or officer of the Issuer in respect of any obligations, covenant or agreement entered into or made by the Issuer pursuant to the terms of the Trust Deed or any other Transaction Documents.
- 19.4 Survival:** The provisions of this Clause 19 shall survive notwithstanding any redemption of the Notes of any Series or Class thereof or the termination or expiration of the Trust Deed or any other Transaction Document.

20 Governing Law and Jurisdiction

20.1 Governing Law:

20.1.1 Save for Clauses 5.2 (*Luxembourg Pledge*), 5.6.1(ii), 5.8.2, 5.9 (*Enforcement of Security in respect of the Issuer*) and 5.12.2, this Principal Trust Deed and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law. Articles 470-1 to 470-19 of the Companies Act 1915 are excluded.

20.1.2 Clauses 5.2 (*Luxembourg Pledge*), 5.6.1(ii), 5.8.2, 5.9 (*Enforcement of Security in respect of the Issuer*) and 5.12.2 and any non-contractual obligations arising out of or in connection therewith shall be governed by Luxembourg law.

20.2 Jurisdiction: Apart from Clauses 5.2 (*Luxembourg Pledge*), 5.6.1(ii), 5.8.2, 5.9 (*Enforcement of Security in respect of the Issuer*) and 5.12.2 (in respect of which the parties irrevocably submit to the exclusive jurisdiction of the courts of the City of Luxembourg (Grand Duchy of Luxembourg) in connection with any disputes arising thereunder), the courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with this Principal Trust Deed, the Notes, the Receipts, the Coupons or the Talons and accordingly any legal action or proceedings arising out of or in connection with this Principal Trust Deed, the Notes, the Receipts, the Coupons or the Talons (“**Proceedings**”) may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of such courts and

waives any objections to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This Clause 20.2 is for the benefit of each of the Trustee, the Noteholders and the Couponholders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction, nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

TEMPORARY GLOBAL NOTE

Series: [●]

Class: [Not Applicable][●]

ISIN: [●]

Temporary Global Note No.: [●]

This Temporary Global Note is issued in respect of the Notes (the “Notes”) of the Tranche, Class and Series, as applicable, specified above as described in the Second Schedule hereto of the Issuer.

Interpretation and Definitions

References in this Temporary Global Note to the “Conditions” and the “Trust Deed” are to the Conditions and the Trust Deed as defined in the Principal Trust Deed with respect to the Notes. The “Principal Trust Deed” means the principal trust deed entered into by the Issuer, BNY Mellon Corporate Trustee Services Limited and others that was amended and restated by the execution of a Programme Deed on 12 July 2019 (as such Principal Trust Deed may have been amended or supplemented on or prior to the Issue Date of the first Tranche of the Notes) and as more particularly defined in, and interpreted in accordance with, the Conditions.

Other capitalised terms used in this Temporary Global Note shall, unless otherwise defined, have the meanings given to them in the Conditions or the Trust Deed. If the Second Schedule hereto specifies that the applicable TEFRA exemption is either “TEFRA D” or “TEFRA Not Applicable”, this Temporary Global Note is a “D Rules Note”, otherwise this Temporary Global Note is a “C Rules Note”.

Aggregate Nominal Amount

The aggregate nominal amount from time to time of this Temporary Global Note shall be an amount equal to the aggregate nominal amount of the Notes as shall be shown by the latest entry in the fourth column of the First Schedule hereto (*Nominal amount of Notes represented by this Temporary Global Note*), which shall be completed by or on behalf of the Issuing and Paying Agent upon (i) the issue of Notes represented hereby, (ii) the exchange of the whole or a part of this Temporary Global Note for a corresponding interest in a Permanent Global Note or, as the case may be, for Definitive Notes and/or (iii) the redemption or purchase and cancellation of Notes represented hereby, all as described below.

Promise to Pay

Subject as provided herein, the Issuer, for value received, hereby promises to pay to the bearer of this Temporary Global Note, upon presentation and (when no further payment is due in respect of this Temporary Global Note) surrender of this Temporary Global Note, on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions) the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this Temporary Global Note and (unless this Temporary Global Note does not bear interest) to pay interest in respect of the Notes from the Interest Commencement Date in arrear at the rates (if applicable), on the dates for payment, and in accordance with the method of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Notes, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions.

Exchange

On or after the first day following the expiry of 40 days after the Issue Date (the “**Exchange Date**”), this Temporary Global Note may be exchanged (free of charge to the holder) in whole or (in the case of a D Rules Note only) from time to time in part by its presentation and, on exchange in full, surrender to or to the order of the Issuing and Paying Agent for interests in a Permanent Global Note or, if so specified in the Second Schedule hereto, for Definitive Notes in an aggregate nominal amount equal to the nominal amount of this Temporary Global Note submitted for exchange, provided that, in the case of any part of a D Rules Note submitted for exchange for a Permanent Global Note or Definitive Notes, there shall have been Certification with respect to such nominal amount submitted for such exchange dated no earlier than the Exchange Date.

“**Certification**” means the presentation to the Issuing and Paying Agent of a certificate or certificates with respect to one or more interests in this Temporary Global Note, signed by Euroclear or Clearstream, Luxembourg, substantially to the effect set out in Schedule 3 (*Clearing System Certificate of Non-U.S. Citizenship and Residency*) to the Agency Agreement to the effect that it has received a certificate or certificates substantially to the effect set out in Schedule 2 (*Accountholder Certificate of Non-U.S. Citizenship and Residency*) to the Agency Agreement with respect thereto and that no contrary advice as to the contents thereof has been received by Euroclear or Clearstream, Luxembourg, as the case may be.

Upon the whole or a part of this Temporary Global Note being exchanged for a Permanent Global Note, such Permanent Global Note shall be exchangeable in accordance with its terms for Definitive Notes.

The Definitive Notes for which this Temporary Global Note or a Permanent Global Note may be exchangeable shall be duly executed and authenticated, shall, in the case of Definitive Notes, have attached to them all Coupons (and, where appropriate, Talons) in respect of interest, and all Receipts in respect of Instalment Amounts that have not already been paid on this Temporary Global Note or the Permanent Global Note, as the case may be, shall be security printed and shall be substantially in the form set out in the Schedules to the Trust Deed as supplemented and/or modified and/or superseded by the terms of the Second Schedule hereto. On any exchange of a part of this Temporary Global Note for an equivalent interest in a Permanent Global Note or for Definitive Notes, as the case may be, the portion of the nominal amount hereof so exchanged shall be endorsed by or on behalf of the Issuing and Paying Agent in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so exchanged and endorsed.

Benefit of Conditions

Except as otherwise specified herein, this Temporary Global Note is subject to the Conditions and the Trust Deed and, until the whole of this Temporary Global Note is exchanged for equivalent interests in a Permanent Global Note or for Definitive Notes, as the case may be, the holder of this Temporary Global Note shall in all respects be entitled to the same benefits as if it were the holder of the Permanent Global Note (or the relevant part of it) or the Definitive Notes, as the case may be, for which it may be exchanged as if such Permanent Global Note or Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this Temporary Global Note that falls due on or after the Exchange Date unless, upon due presentation of this Temporary Global Note for exchange, delivery of (or, in the case of a subsequent exchange, due endorsement of) a Permanent Global Note or delivery of Definitive Notes, as the case may be, is improperly withheld or refused by or on behalf of the Issuer.

Payments due in respect of a D Rules Note before the Exchange Date shall only be made in relation to such nominal amount of this Temporary Global Note with respect to which there shall have been Certification dated no earlier than such due date for payment.

Any payments that are made in respect of this Temporary Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the Specified Office of the Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions. If any payment of principal is made in full in respect of any Note represented by this Temporary Global Note, the portion of this Temporary Global Note representing such Note shall be cancelled and the amount so cancelled shall be endorsed by or on behalf of the Issuing and Paying Agent in the First Schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made) whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed. If any other payments are made in respect of the Notes represented by this Temporary Global Note, a record of each such payment shall be endorsed by or on behalf of the Issuing and Paying Agent on an additional schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made). Master Condition 8(d)(ii)(B) (*Redemption for taxation reasons*) will apply to the Definitive Notes only.

For the purposes of any payments made in respect of this Temporary Global Note, the words “in the relevant place of presentation,” shall not apply in the definition of “business day” in Master Condition 10(g) (*Non-Business Days*).

Prescription

Claims in respect of principal and interest (as each is defined in the Conditions) in respect of this Temporary Global Note shall become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date.

Meetings

For the purposes of any meeting of Noteholders where a quorum would otherwise not be possible, the holder of this Temporary Global Note shall (unless this Temporary Global Note represents only one Note) be treated as two persons for the purposes of any quorum requirements of a meeting of Noteholders and, at any such meeting, as having one vote in respect of each integral currency unit of the Specified Currency of the Notes.

Cancellation

Cancellation of any Note represented by this Temporary Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the nominal amount of this Temporary Global Note representing such Note on its presentation to or to the order of the Issuing and Paying Agent for endorsement in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

Purchase

Notes may only be purchased by the Issuer if they are purchased together with the right to receive all future payments of interest and Instalment Amounts (if any) thereon.

Amendments when in global form

For so long as all of the Notes are represented by a Global Note and such Global Note is held on behalf of Euroclear and/or Clearstream, Luxembourg or any other relevant clearing system, each person who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg or such other clearing system as the holder of a particular principal amount of such Notes (each an “**Accountholder**”) (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg or such other clearing system as to the principal amount of such Notes standing to the account of any person shall, in the absence of manifest error, be conclusive and binding for all purposes) shall be treated as the holder of such principal amount of such Notes for all purposes (including for the purposes of any quorum requirements of, or the right to demand a poll at, meetings of the Noteholders) other than with respect to the right to payment of principal and of interest on such Notes, the right to which shall be vested, as against the Issuer, each Agent and the Trustee, solely in the bearer of the relevant Global Note in accordance with and subject to its terms and the terms of the Trust Deed. Each Accountholder must look solely to Euroclear or Clearstream, Luxembourg or such other clearing system, as the case may be, for its share of each payment made to the bearer of the relevant Global Note.

While any Global Note is held on behalf of, or Global Certificate is registered in the name of any nominee for, a clearing system, for the purpose of determining whether a written resolution has been validly passed the Issuer and the Trustee shall be entitled to rely on consent or instructions given by accountholders in the clearing system with entitlements to such Global Note or Global Certificate or, where the accountholders hold any such entitlement on behalf of another person, on consent from or instruction by the person for whom such entitlement is ultimately beneficially held, whether such beneficiary holds directly with the accountholder or via one or more intermediaries and provided that, in each case, the Issuer and the Trustee have obtained commercially reasonable evidence to ascertain the validity of such holding and have taken reasonable steps to ensure that such holding does not alter following the giving of such consent or instruction and prior to the effecting of such amendment. Any resolution passed in such manner shall be binding on all Noteholders and Couponholders, even if the relevant consent or instruction proves to be defective. As used in this paragraph, “**commercially reasonable evidence**” includes any certificate or other document issued by Euroclear, Clearstream, Luxembourg or any other relevant clearing system, or issued by an accountholder of them or an intermediary in a holding chain, in relation to the holding of interests in the Notes. Any such certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print-out of electronic records provided by the relevant clearing system (including Euroclear’s EUCLID or Clearstream, Luxembourg’s Creation Online system) in accordance with its usual procedures and in which the accountholder of a particular principal or

nominal amount of the Notes is clearly identified together with the amount of such holding. The Issuer and the Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by any such person and subsequently found to be forged or not authentic.

Noteholder Settlement Option

Where "Noteholder Settlement Option" is specified as being applicable in the applicable Conditions, the person appearing as the accountholder for Euroclear or Clearstream, Luxembourg or any relevant Alternative Clearing System shall, on behalf and in accordance with the directions of each person for whom such accountholder holds Notes and by giving the appropriate notice(s) through Euroclear or Clearstream, Luxembourg or any relevant Alternative Clearing System, elect on behalf of each such person which proportion of Notes attributable to such person shall receive an Early Cash Settlement Amount and which shall receive a Physical Settlement Amount; provided that (i) only one such election can be made per Note, (ii) the aggregate holding of Notes of each person for whom an accountholder holds Notes shall be treated as separate from any other person's holding of Notes and (iii) any rounding required in determining the Early Cash Redemption Amount or Physical Redemption Amount as contemplated by the Conditions shall be determined based on each person's proportion of Notes in respect of which it has elected to receive an Early Cash Redemption Amount or Physical Redemption Amount, as the case may be, and not on an individual Note basis or aggregated across persons.

Notices

Notices required to be given in respect of the Notes represented by this Temporary Global Note may be given by their being delivered (so long as this Temporary Global Note is held on behalf of Euroclear and Clearstream, Luxembourg or any other clearing system) to Euroclear, Clearstream, Luxembourg or such other clearing system, as the case may be, or otherwise to the holder of this Temporary Global Note, rather than by publication as required by the Conditions (except that if and for so long as the Notes are listed on a stock exchange, all notices to holders of the Notes will be published in accordance with the rules of such stock exchange). Any such notice shall be deemed to have been given to the holders of the Notes on the Reference Business Day immediately following the day on which the said notice was given to Euroclear, Clearstream, Luxembourg or such other clearing system.

Other

No provision of this Temporary Global Note shall alter or impair the obligation of the Issuer to pay the principal and premium of and interest on, as applicable, the Notes when due in accordance with the Conditions.

This Temporary Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent.

This Temporary Global Note and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.

In witness whereof the Issuer has caused this Temporary Global Note to be duly signed on its behalf.

This Permanent Global Note is issued in respect of the Notes (the “Notes”) of the Tranche(s), Class and Series, as applicable, specified above as described in the Third Schedule hereto of the Issuer.

Interpretation and Definitions

References in this Permanent Global Note to the “**Conditions**” and the “**Trust Deed**” are to the Conditions and the Trust Deed as defined in the Principal Trust Deed with respect to the Notes. The “**Principal Trust Deed**” means the principal trust deed entered into by the Issuer, BNY Mellon Corporate Trustee Services Limited and others that was amended and restated by the execution of a Programme Deed on 12 July 2019 (as such Principal Trust Deed may have been amended or supplemented on or prior to the Issue Date of the first Tranche of the Notes) and as more particularly defined in, and interpreted in accordance with, the Conditions.

Other capitalised terms used in this Permanent Global Note shall, unless otherwise defined, have the meanings given to them in the Conditions or the Trust Deed.

Aggregate Nominal Amount

The aggregate nominal amount from time to time of this Permanent Global Note shall be an amount equal to the aggregate nominal amount of the Notes as shall be shown by the latest entry in the fourth column of the First Schedule hereto, which shall be completed by or on behalf of the Issuing and Paying Agent upon (i) the exchange of the whole or a part of the Temporary Global Note initially representing the Notes for a corresponding interest herein (in the case of Notes represented by a Temporary Global Note upon issue), (ii) the issue of the Notes represented hereby (in the case of Notes represented by this Permanent Global Note upon issue), (iii) the exchange of the whole or, where the limited circumstances so permit, a part of this Permanent Global Note for Definitive Notes and/or (iv) the redemption or purchase and cancellation of Notes represented hereby, all as described below.

Promise to Pay

Subject as provided herein, the Issuer, for value received, hereby promises to pay to the bearer of this Permanent Global Note, upon presentation and (when no further payment is due in respect of this Permanent Global Note) surrender of this Permanent Global Note, on the Maturity Date (or on

such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions) the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this Permanent Global Note and (unless this Permanent Global Note does not bear interest) to pay interest in respect of the Notes from the Interest Commencement Date in arrear at the rates (if applicable), on the dates for payment, and in accordance with the methods of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Notes, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions.

Exchange

This Permanent Global Note is exchangeable (free of charge to the holder) on or after the Exchange Date in whole but not in part for the Definitive Notes if this Permanent Global Note is held on behalf of Euroclear or Clearstream, Luxembourg or any other clearing system (an “**Alternative Clearing System**”) and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so.

“**Exchange Date**” means a day falling not less than 60 days after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the Specified Office of the Issuing and Paying Agent is located.

Any such exchange may be effected on or after an Exchange Date by the holder of this Permanent Global Note surrendering this Permanent Global Note. In exchange for this Permanent Global Note, the Issuer shall deliver, or procure the delivery of, duly executed and authenticated Definitive Notes in an aggregate nominal amount equal to the nominal amount of this Permanent Global Note submitted for exchange (if appropriate, having attached to them all Coupons (and, where appropriate, Talons) in respect of interest, and all Receipts in respect of Instalment Amounts, that have not already been paid on this Permanent Global Note), security printed and substantially in the form set out in the Schedules to the Trust Deed as supplemented and/or modified and/or superseded by the terms of the Third Schedule hereto.

Benefit of Conditions

Except as otherwise specified herein, this Permanent Global Note is subject to the Conditions and the Trust Deed and, until the whole of this Permanent Global Note is exchanged for Definitive Notes, the holder of this Permanent Global Note shall in all respects be entitled to the same benefits as if it were the holder of the Definitive Notes for which it may be exchanged and as if such Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this Permanent Global Note that falls due after an Exchange Date for such Notes, unless, upon due presentation of this Permanent Global Note for exchange, delivery of Definitive Notes is improperly withheld or refused by or on behalf of the Issuer or the Issuer does not perform or comply with any one or more of what are expressed to be its obligations under any Definitive Notes.

Payments in respect of this Permanent Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the Specified Office of the Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions. A record of each such payment shall be endorsed on the First or Second Schedule hereto (*Payments of Interest*), as appropriate, by the Issuing and Paying Agent or by the relevant Paying Agent, for and on behalf of

the Issuing and Paying Agent, which endorsement shall (until the contrary is proved) be *prima facie* evidence that the payment in question has been made. Master Condition 8(d)(ii)(B) (*Redemption for taxation reasons*) will apply to the Definitive Notes only.

For the purposes of any payments made in respect of this Permanent Global Note, the words “in the relevant place of presentation,” shall not apply in the definition of “business day” in Master Condition 10(g) (*Non-Business Days*).

Cancellation

Cancellation of any Note represented by this Permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the nominal amount of this Permanent Global Note representing such Note on its presentation to or to the order of the Issuing and Paying Agent for endorsement in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

Purchase

Notes may only be purchased by the Issuer if they are purchased together with the right to receive all future payments of interest and Instalment Amounts (if any) thereon.

Amendments when in global form

For so long as all of the Notes are represented by a Global Note and such Global Note is held on behalf of Euroclear and/or Clearstream, Luxembourg or any other relevant clearing system, each person who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg or such other clearing system as the holder of a particular principal amount of such Notes (each an “**Accountholder**”) (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg or such other clearing system as to the principal amount of such Notes standing to the account of any person shall, in the absence of manifest error, be conclusive and binding for all purposes) shall be treated as the holder of such principal amount of such Notes for all purposes (including for the purposes of any quorum requirements of, or the right to demand a poll at, meetings of the Noteholders) other than with respect to the right to payment of principal and of interest on such Notes, the right to which shall be vested, as against the Issuer, each Agent and the Trustee, solely in the bearer of the relevant Global Note in accordance with and subject to its terms and the terms of the Trust Deed. Each Accountholder must look solely to Euroclear or Clearstream, Luxembourg or such other clearing system, as the case may be, for its share of each payment made to the bearer of the relevant Global Note.

While any Global Note is held on behalf of, or Global Certificate is registered in the name of any nominee for, a clearing system, for the purpose of determining whether a written resolution has been validly passed the Issuer and the Trustee shall be entitled to rely on consent or instructions given by accountholders in the clearing system with entitlements to such Global Note or Global Certificate or, where the accountholders hold any such entitlement on behalf of another person, on consent from or instruction by the person for whom such entitlement is ultimately beneficially held, whether such beneficiary holds directly with the accountholder or via one or more intermediaries and provided that, in each case, the Issuer and the Trustee have obtained commercially reasonable evidence to ascertain the validity of such holding and have taken reasonable steps to ensure that such holding does not alter following the giving of such consent or instruction and prior to the effecting of such amendment. Any resolution passed in such manner shall be binding on all Noteholders and Couponholders, even if the relevant consent or instruction proves to be defective. As used in this paragraph, “**commercially reasonable evidence**” includes any certificate or other document issued by Euroclear, Clearstream, Luxembourg or any other relevant clearing system, or issued by an accountholder of them or an intermediary in a holding chain, in relation to the holding of interests in the Notes. Any such certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print-out of electronic records provided by the relevant clearing system (including Euroclear’s EUCLID or Clearstream, Luxembourg’s Creation Online system) in accordance with its usual procedures and in which the accountholder of a particular principal or nominal amount of the Notes is clearly identified together with the amount of such holding. The Issuer and the Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by any such person and subsequently found to be forged or not authentic.

Noteholder Settlement Option

Where “Noteholder Settlement Option” is specified as being applicable in the applicable Conditions, the person appearing as the accountholder for Euroclear or Clearstream, Luxembourg or any relevant Alternative Clearing System shall, on behalf and in accordance with the directions of each person for whom such accountholder holds Notes and by giving the appropriate notice(s) through Euroclear or Clearstream, Luxembourg or any relevant Alternative Clearing System, elect on behalf of each such person which proportion of Notes attributable to such person shall receive an Early Cash Settlement Amount and which shall receive a Physical Settlement Amount; provided that (i) only one such election can be made per Note, (ii) the aggregate holding of Notes of each person for whom an accountholder holds Notes shall be treated as separate from any other person’s holding of Notes and (iii) any rounding required in determining the Early Cash Redemption Amount or Physical Redemption Amount as contemplated by the Conditions shall be determined based on each person’s proportion of Notes in respect of which it has elected to receive an Early Cash Redemption Amount or Physical Redemption Amount, as the case may be, and not on an individual Note basis or aggregated across persons.

Notices

Notices required to be given in respect of the Notes represented by this Permanent Global Note may be given by their being delivered (so long as this Permanent Global Note is held on behalf of Euroclear, Clearstream, Luxembourg or any other clearing system) to Euroclear, Clearstream, Luxembourg or such other clearing system, as the case may be, or otherwise to the holder of this Permanent Global Note rather than by publication as required by the Conditions (except that if and for so long as the Notes are listed on a stock exchange, all notices to holders of the Notes will be published in accordance with the rules of such stock exchange). Any such notice shall be deemed

to have been given to the holders of the Notes on the Reference Business Day immediately following the day on which the said notice was given to Euroclear, Clearstream, Luxembourg or such other clearing system.

Negotiability

This Permanent Global Note is a bearer document and negotiable and accordingly:

- (i) is freely transferable by delivery and such transfer shall operate to confer upon the transferee all rights and benefits appertaining hereto and to bind the transferee with all obligations appertaining hereto pursuant to the Conditions;
- (ii) the holder of this Permanent Global Note is and shall be absolutely entitled as against all previous holders to receive all amounts by way of amounts payable upon redemption, interest or otherwise payable in respect of this Permanent Global Note and the Issuer has waived against such holder and any previous holder of this Permanent Global Note all rights of set-off or counterclaim that would or might otherwise be available to it in respect of the obligations evidenced by this Global Note; and
- (iii) payment upon due presentation of this Permanent Global Note as provided herein shall operate as a good discharge against such holder and all previous holders of this Permanent Global Note.

Other

No provisions of this Permanent Global Note shall alter or impair the obligation of the Issuer to pay the principal and premium of and interest on, as applicable, the Notes when due in accordance with the Conditions.

This Permanent Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent.

This Permanent Global Note and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.

Class: [Not Applicable][●]

ISIN: [●]

Temporary Global Note No.: [●]

This Temporary Global Note is issued in respect of the Notes (the “Notes”) of the Tranche, Class and Series, as applicable, specified above as described in the Schedule hereto of the Issuer.

Interpretation and Definitions

References in this Temporary Global Note to the “Conditions” and the “Trust Deed” are to the Conditions and the Trust Deed as defined in the Principal Trust Deed with respect to the Notes. The “**Principal Trust Deed**” means the principal trust deed entered into by the Issuer, BNY Mellon Corporate Trustee Services Limited and others that was amended and restated by the execution of a Programme Deed on 12 July 2019 (as such Principal Trust Deed may have been amended or supplemented on or prior to the Issue Date of the first Tranche of the Notes) and as more particularly defined in, and interpreted in accordance with, the Conditions.

Other capitalised terms used in this Temporary Global Note shall, unless otherwise defined, have the meanings given to them in the Conditions or the Trust Deed. If the Schedule hereto specifies that the applicable TEFRA exemption is either “TEFRA D” or “TEFRA Not Applicable”, this Temporary Global Note is a “D Rules Note”, otherwise this Temporary Global Note is a “C Rules Note”.

Aggregate Nominal Amount

The aggregate nominal amount from time to time of this Temporary Global Note shall be an amount equal to the aggregate nominal amount of the Notes from time to time entered in the records of both Euroclear and Clearstream, Luxembourg (together the “**relevant Clearing Systems**”), which shall be completed and/or amended, as the case may be, upon (i) the issue of Notes represented hereby, (ii) the exchange of the whole or a part of this Temporary Global Note for a corresponding interest recorded in the records of the relevant Clearing Systems in a Permanent Global Note or for Definitive Notes and/or (iii) the redemption or purchase and cancellation of Notes represented hereby, all as described below.

The records of the relevant Clearing Systems (which expression in this Temporary Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customers’ interests in the Notes) shall be conclusive evidence of the nominal amount of the Notes represented by this Temporary Global Note and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the

bearer upon request) stating the nominal amount of Notes represented by this Temporary Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

Promise to Pay

Subject as provided herein, the Issuer, for value received, hereby promises to pay to the bearer of this Temporary Global Note, upon presentation and (when no further payment is due in respect of this Temporary Global Note) surrender of this Temporary Global Note, on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions), the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this Temporary Global Note and (unless this Temporary Global Note does not bear interest) to pay interest in respect of the Notes from the Interest Commencement Date in arrear at the rates (if applicable), on the dates for payment, and in accordance with the methods of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Notes, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions.

Exchange

On or after the first day following the expiry of 40 days after the Issue Date (the “**Exchange Date**”), this Temporary Global Note may be exchanged (free of charge to the holder) in whole or (in the case of a D Rules Note only) from time to time in part by its presentation and, on exchange in full, surrender to or to the order of the Issuing and Paying Agent for interests recorded in the records of the relevant Clearing Systems in a Permanent Global Note or, if so specified in the Schedule hereto, for Definitive Notes in an aggregate nominal amount equal to the nominal amount of this Temporary Global Note submitted for exchange, provided that, in the case of any part of a D Rules Note submitted for exchange for interests recorded in the records of the relevant Clearing Systems in a Permanent Global Note or Definitive Notes, there shall have been Certification with respect to such nominal amount submitted for such exchange dated no earlier than the Exchange Date.

“**Certification**” means the presentation to the Issuing and Paying Agent of a certificate or certificates with respect to one or more interests in this Temporary Global Note, signed by Euroclear or Clearstream, Luxembourg, substantially to the effect set out in Schedule 3 (*Clearing System Certificate of Non-U.S. Citizenship and Residency*) to the Agency Agreement to the effect that it has received a certificate or certificates substantially to the effect set out in Schedule 2 (*Accountholder Certificate of Non-U.S. Citizenship and Residency*) to the Agency Agreement with respect thereto and that no contrary advice as to the contents thereof has been received by Euroclear or Clearstream, Luxembourg, as the case may be.

Upon the whole or a part of this Temporary Global Note being exchanged for a Permanent Global Note, such Permanent Global Note shall be exchangeable in accordance with its terms for Definitive Notes.

The Definitive Notes for which this Temporary Global Note or a Permanent Global Note may be exchangeable shall be duly executed and authenticated, shall, in the case of Definitive Notes, have attached to them all Coupons (and, where appropriate, Talons) in respect of interest, and all Receipts in respect of Instalment Amounts that have not already been paid on this Temporary Global Note or the Permanent Global Note, as the case may be, shall be security printed and shall be substantially in the form set out in the Schedules to the Trust Deed as supplemented and/or modified and/or superseded by the terms of the Schedule hereto.

On any exchange of a part of this Temporary Global Note for an equivalent interest recorded in the records of the relevant Clearing Systems in a Permanent Global Note or for Definitive Notes, as the case may be, the Issuer shall procure that details of the portion of the nominal amount hereof so exchanged shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Temporary Global Note shall be reduced by an amount equal to such portion exchanged.

Benefit of Conditions

Except as otherwise specified herein, this Temporary Global Note is subject to the Conditions and the Trust Deed and, until the whole of this Temporary Global Note is exchanged for equivalent interests in a Permanent Global Note or for Definitive Notes, the holder of this Temporary Global Note shall in all respects be entitled to the same benefits as if it were the holder of the Permanent Global Note (or the relevant part of it) or the Definitive Notes, as the case may be, for which it may be exchanged as if such Permanent Global Note or Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this Temporary Global Note that falls due on or after the Exchange Date unless, upon due presentation of this Temporary Global Note for exchange, delivery of (or, in the case of a subsequent exchange, a corresponding entry being recorded in the records of the relevant Clearing Systems) a Permanent Global Note or delivery of Definitive Notes, as the case may be, is improperly withheld or refused by or on behalf of the Issuer.

Payments due in respect of a D Rules Note before the Exchange Date shall only be made in relation to such nominal amount of this Temporary Global Note with respect to which there shall have been Certification dated no earlier than such due date for payment.

Any payments that are made in respect of this Temporary Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the Specified Office of the Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries in the records of the relevant Clearing Systems referred to herein shall not affect such discharge. If any payment in full or part of the principal or, in the case of Instalment Notes, payment of an Instalment Amount is made in respect of any Note represented by this Temporary Global Note, the Issuer shall procure that details of such payment shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Permanent Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or by the aggregate amount of the Instalment Amount so paid. If any other payments are made in respect of the Notes represented by this Temporary Global Note, the Issuer shall procure that a record of each such payment shall be entered *pro rata* in the records of the relevant Clearing System. Master Condition 8(d)(ii)(B) (*Redemption for taxation reasons*) will apply to the Definitive Notes only. For the purposes of any payments made in respect of this Temporary Global Note, the words "in the relevant place of presentation," shall not apply in the definition of "business day" in Master Condition 10(g) (*Non-Business Days*).

Prescription

Claims in respect of principal and interest (as each is defined in the Conditions) in respect of this Temporary Global Note shall become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date.

Meetings

For the purposes of any meeting of Noteholders where a quorum would otherwise not be possible, the holder of this Temporary Global Note shall (unless this Temporary Global Note represents only one Note) be treated as two persons for the purposes of any quorum requirements of a meeting of Noteholders and, at any such meeting, as having one vote in respect of each integral currency unit of the Specified Currency of the Notes.

Cancellation

On cancellation of any Note represented by this Temporary Global Note that is required by the Conditions to be cancelled (other than upon its redemption), the Issuer shall procure that details of such cancellation shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Temporary Global Note shall be reduced by the aggregate nominal amount of the Notes so cancelled.

Purchase

Notes may only be purchased by the Issuer if they are purchased together with the right to receive all future payments of interest and Instalment Amounts (if any) thereon.

Amendments when in global form

For so long as all of the Notes are represented by a Global Note and such Global Note is held on behalf of Euroclear and/or Clearstream, Luxembourg or any other relevant clearing system, each person who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg or such other clearing system as the holder of a particular principal amount of such Notes (each an “**Accountholder**”) (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg or such other clearing system as to the principal amount of such Notes standing to the account of any person shall, in the absence of manifest error, be conclusive and binding for all purposes) shall be treated as the holder of such principal amount of such Notes for all purposes (including for the purposes of any quorum requirements of, or the right to demand a poll at, meetings of the Noteholders) other than with respect to the right to payment of principal and of interest on such Notes, the right to which shall be vested, as against the Issuer, each Agent and the Trustee, solely in the bearer of the relevant Global Note in accordance with and subject to its terms and the terms of the Trust Deed. Each Accountholder must look solely to Euroclear or Clearstream, Luxembourg or such other clearing system, as the case may be, for its share of each payment made to the bearer of the relevant Global Note.

While any Global Note is held on behalf of, or Global Certificate is registered in the name of any nominee for, a clearing system, for the purpose of determining whether a written resolution has been validly passed the Issuer and the Trustee shall be entitled to rely on consent or instructions given by accountholders in the clearing system with entitlements to such Global Note or Global Certificate or, where the accountholders hold any such entitlement on behalf of another person, on consent from or instruction by the person for whom such entitlement is ultimately beneficially held, whether such beneficiary holds directly with the accountholder or via one or more intermediaries and provided

that, in each case, the Issuer and the Trustee have obtained commercially reasonable evidence to ascertain the validity of such holding and have taken reasonable steps to ensure that such holding does not alter following the giving of such consent or instruction and prior to the effecting of such amendment. Any resolution passed in such manner shall be binding on all Noteholders and Couponholders, even if the relevant consent or instruction proves to be defective. As used in this paragraph, “**commercially reasonable evidence**” includes any certificate or other document issued by Euroclear, Clearstream, Luxembourg or any other relevant clearing system, or issued by an accountholder of them or an intermediary in a holding chain, in relation to the holding of interests in the Notes. Any such certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print-out of electronic records provided by the relevant clearing system (including Euroclear’s EUCLID or Clearstream, Luxembourg’s Creation Online system) in accordance with its usual procedures and in which the accountholder of a particular principal or nominal amount of the Notes is clearly identified together with the amount of such holding. The Issuer and the Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by any such person and subsequently found to be forged or not authentic.

Noteholder Settlement Option

Where “Noteholder Settlement Option” is specified as being applicable in the applicable Conditions, the person appearing as the accountholder for Euroclear or Clearstream, Luxembourg or any relevant Alternative Clearing System shall, on behalf and in accordance with the directions of each person for whom such accountholder holds Notes and by giving the appropriate notice(s) through Euroclear or Clearstream, Luxembourg or any relevant Alternative Clearing System, elect on behalf of each such person which proportion of Notes attributable to such person shall receive an Early Cash Settlement Amount and which shall receive a Physical Settlement Amount; provided that (i) only one such election can be made per Note, (ii) the aggregate holding of Notes of each person for whom an accountholder holds Notes shall be treated as separate from any other person’s holding of Notes and (iii) any rounding required in determining the Early Cash Redemption Amount or Physical Redemption Amount as contemplated by the Conditions shall be determined based on each person’s proportion of Notes in respect of which it has elected to receive an Early Cash Redemption Amount or Physical Redemption Amount, as the case may be, and not on an individual Note basis or aggregated across persons.

Notices

Notices required to be given in respect of the Notes represented by this Temporary Global Note may be given by their being delivered (so long as this Temporary Global Note is held on behalf of Euroclear and/or Clearstream, Luxembourg or any other permitted clearing system) to Euroclear, Clearstream, Luxembourg or such other permitted clearing system, as the case may be, or otherwise to the holder of this Temporary Global Note rather than by publication as required by the Conditions (except that if and for so long as the Notes are listed on a stock exchange, all notices to holders of the Notes will be published in accordance with the rules of such stock exchange). Any such notice shall be deemed to have been given to the holders of the Notes on the Reference Business Day immediately following the day on which the said notice was given to Euroclear, Clearstream, Luxembourg or such other clearing system.

Other

No provision of this Temporary Global Note shall alter or impair the obligation of the Issuer to pay the principal and premium of and interest on, as applicable, the Notes when due in accordance with the Conditions.

This Temporary Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent and effectuated by the entity appointed as Common Safekeeper by the relevant Clearing Systems.

This Temporary Global Note and any non-contractual obligations arising out of or in connection with it shall be governed by English law.

In witness whereof the Issuer has caused this Temporary Global Note to be duly signed on its behalf.

Promise to Pay

Subject as provided herein, the Issuer, for value received, hereby promises to pay to the bearer of this Permanent Global Note, upon presentation and (when no further payment is due in respect of this Permanent Global Note) surrender of this Permanent Global Note on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions), the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this Permanent Global Note and (unless this Permanent Global Note does not bear interest) to pay interest in respect of the Notes from the Interest Commencement Date in arrear at the rates (if applicable), on the dates for payment, and in accordance with the method of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Notes, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions.

Exchange

This Permanent Global Note is exchangeable (free of charge to the holder) on or after the Exchange Date in whole but not in part for the Definitive Notes if this Permanent Global Note, is held on behalf of Euroclear or Clearstream, Luxembourg or any other permitted clearing system (an “**Alternative Clearing System**”) and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so.

Benefit of Conditions

Except as otherwise specified herein, this Permanent Global Note is subject to the Conditions and the Trust Deed and, until the whole of this Permanent Global Note is exchanged for Definitive Notes, the holder of this Permanent Global Note shall in all respects be entitled to the same benefits as if it were the holder of the Definitive Notes for which it may be exchanged and as if such Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this Permanent Global Note that falls due after an Exchange Date for such Notes, unless upon due

presentation of this Permanent Global Note for exchange, delivery of Definitive Notes is improperly withheld or refused by or on behalf of the Issuer, or the Issuer does not perform or comply with any one or more of what are expressed to be its obligations under any Definitive Notes.

Cancellation

On cancellation of any Note represented by this Permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption), the Issuer shall procure that details of such cancellation shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Permanent Global Note shall be reduced by the aggregate nominal amount of the Notes so cancelled.

Purchase

Notes may only be purchased by the Issuer if they are purchased together with the right to receive all future payments of interest and Instalment Amounts (if any) thereon.

Amendments when in global form

For so long as all of the Notes are represented by a Global Note and such Global Note is held on behalf of Euroclear and/or Clearstream, Luxembourg or any other relevant clearing system, each person who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg or such other clearing system as the holder of a particular principal amount of such Notes (each an

“Accountholder”) (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg or such other clearing system as to the principal amount of such Notes standing to the account of any person shall, in the absence of manifest error, be conclusive and binding for all purposes) shall be treated as the holder of such principal amount of such Notes for all purposes (including for the purposes of any quorum requirements of, or the right to demand a poll at, meetings of the Noteholders) other than with respect to the right to payment of principal and of interest on such Notes, the right to which shall be vested, as against the Issuer, each Agent and the Trustee, solely in the bearer of the relevant Global Note in accordance with and subject to its terms and the terms of the Trust Deed. Each Accountholder must look solely to Euroclear or Clearstream, Luxembourg or such other clearing system, as the case may be, for its share of each payment made to the bearer of the relevant Global Note.

While any Global Note is held on behalf of, or Global Certificate is registered in the name of any nominee for, a clearing system, for the purpose of determining whether a written resolution has been validly passed the Issuer and the Trustee shall be entitled to rely on consent or instructions given by accountholders in the clearing system with entitlements to such Global Note or Global Certificate or, where the accountholders hold any such entitlement on behalf of another person, on consent from or instruction by the person for whom such entitlement is ultimately beneficially held, whether such beneficiary holds directly with the accountholder or via one or more intermediaries and provided that, in each case, the Issuer and the Trustee have obtained commercially reasonable evidence to ascertain the validity of such holding and have taken reasonable steps to ensure that such holding does not alter following the giving of such consent or instruction and prior to the effecting of such amendment. Any resolution passed in such manner shall be binding on all Noteholders and Couponholders, even if the relevant consent or instruction proves to be defective. As used in this paragraph, **“commercially reasonable evidence”** includes any certificate or other document issued by Euroclear, Clearstream, Luxembourg or any other relevant clearing system, or issued by an accountholder of them or an intermediary in a holding chain, in relation to the holding of interests in the Notes. Any such certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print-out of electronic records provided by the relevant clearing system (including Euroclear’s EUCLID or Clearstream, Luxembourg’s Creation Online system) in accordance with its usual procedures and in which the accountholder of a particular principal or nominal amount of the Notes is clearly identified together with the amount of such holding. The Issuer and the Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by any such person and subsequently found to be forged or not authentic.

Noteholder Settlement Option

Where “Noteholder Settlement Option” is specified as being applicable in the applicable Conditions, the person appearing as the accountholder for Euroclear or Clearstream, Luxembourg or any relevant Alternative Clearing System shall, on behalf and in accordance with the directions of each person for whom such accountholder holds Notes and by giving the appropriate notice(s) through Euroclear or Clearstream, Luxembourg or any relevant Alternative Clearing System, elect on behalf of each such person which proportion of Notes attributable to such person shall receive an Early Cash Settlement Amount and which shall receive a Physical Settlement Amount; provided that (i) only one such election can be made per Note, (ii) the aggregate holding of Notes of each person for whom an accountholder holds Notes shall be treated as separate from any other person’s holding of Notes and (iii) any rounding required in determining the Early Cash Redemption Amount or Physical Redemption Amount as contemplated by the Conditions shall be determined based on each person’s proportion of Notes in respect of which it has elected to receive an Early Cash

Class: [Not Applicable][●]

ISIN: [●]

Global Certificate No.: [●]

This Global Certificate is issued in respect of the Notes (the “Notes”) of the Tranche(s), Class and Series, as applicable, specified above as described in Part A of the Schedule hereto of the Issuer. This Global Certificate certifies that The Bank of New York Depository (Nominees) Limited (the “Registered Holder”) is registered as the holder of the Notes of the nominal amount, specified currency and specified denomination set out in Part A of the Schedule hereto.

Interpretation and Definitions

References in this Global Certificate to the “Conditions” and the “Trust Deed” are to the Conditions and the Trust Deed as defined in the Principal Trust Deed with respect to the Notes. The “Principal Trust Deed” means the principal trust deed entered into by the Issuer, BNY Mellon Corporate Trustee Services Limited and others that was amended and restated by the execution of a Programme Deed on 12 July 2019 (as such Principal Trust Deed may have been amended or supplemented on or prior to the Issue Date of the first Tranche of the Notes) and as more particularly defined in, and interpreted in accordance with, the Conditions.

Other capitalised terms used in this Global Certificate shall have the meanings given to them in the Conditions or the Trust Deed.

Promise to Pay

The Issuer, for value received, promises to pay to the holder of the Notes represented by this Global Certificate (subject to surrender of this Global Certificate if no further payment falls to be made in respect of such Notes) on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions) the amount payable upon redemption under the Conditions in respect of the Notes represented by this Global Certificate and (unless the Notes represented by this Global Certificate do not bear interest) to pay interest in respect of such Notes from the Interest Commencement Date in arrear at the rates (if applicable), on the dates for payment, and in accordance with the method of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Notes represented by this Global Certificate together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions. Each payment will be made to, or to the order of, the person whose name is entered on the Register at the close of business on the Clearing System Business Day immediately prior to the date for

payment, where “**Clearing System Business Day**” means Monday to Friday inclusive except 25 December and 1 January.

For the purposes of this Global Certificate, (i) the holder of the Notes represented by this Global Certificate is bound by the provisions of the Agency Agreement, (ii) the Issuer certifies that the Registered Holder is, at the date hereof, entered in the Register as the holder of the Notes represented by this Global Certificate, (iii) this Global Certificate is evidence of entitlement only, (iv) title to the Notes represented by this Global Certificate passes only on due registration on the Register, and (v) only the holder of the Notes represented by this Global Certificate is entitled to payments in respect of the Notes represented by this Global Certificate.

Transfer of Notes Represented by Permanent Global Certificates

If the Schedule hereto states that the Notes are to be represented by a Global Certificate on issue, transfers of the holding of Notes represented by this Global Certificate pursuant to Master Condition 3(b) (*Transfers of Registered Notes*) may only be made in part:

- (i) if the Notes represented by this Global Certificate are held on behalf of Euroclear or Clearstream, Luxembourg or any other clearing system (an “**Alternative Clearing System**”) and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so; or
- (ii) with the consent of the Issuer,

provided that, in the case of the first transfer of part of a holding pursuant to paragraph (i) above, the holder of the Notes represented by this Global Certificate has given the Registrar not less than 30 days’ notice at its Specified Office of such holder’s intention to effect such transfer. Where the holding of Notes represented by this Global Certificate is only transferable in its entirety, the Certificate issued to the transferee upon transfer of such holding shall be a Global Certificate. Where transfers are permitted in part, Certificates issued to transferees shall not be Global Certificates unless the transferee so requests and certifies to the Registrar that it is, or is acting as a nominee for, Clearstream, Luxembourg, Euroclear and/or an Alternative Clearing System.

Amendments when in global form

Subject as provided in the Trust Deed, each person who is for the time being shown in the records of Euroclear and/or Clearstream, Luxembourg or any other clearing system as entitled to a particular principal amount of the Notes represented by this Global Certificate (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg or such other clearing system as to the principal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be deemed to be the holder of such principal amount of such Notes for all purposes other than with respect to the right to payment of principal and of interest on the Notes for which purpose the registered holder of this Global Certificate shall be deemed to be the holder of such principal amount of the Notes in accordance with and subject to the terms of this Global Certificate and the Trust Deed.

While any Global Note is held on behalf of, or Global Certificate is registered in the name of any nominee for, a clearing system, for the purpose of determining whether a written resolution has been validly passed the Issuer and the Trustee shall be entitled to rely on consent or instructions given by accountholders in the clearing system with entitlements to such Global Note or Global Certificate or, where the accountholders hold any such entitlement on behalf of another person, on consent from or instruction by the person for whom such entitlement is ultimately beneficially held, whether such beneficiary holds directly with the accountholder or via one or more intermediaries and provided

that, in each case, the Issuer and the Trustee have obtained commercially reasonable evidence to ascertain the validity of such holding and have taken reasonable steps to ensure that such holding does not alter following the giving of such consent or instruction and prior to the effecting of such amendment. Any resolution passed in such manner shall be binding on all Noteholders and Couponholders, even if the relevant consent or instruction proves to be defective. As used in this paragraph, “**commercially reasonable evidence**” includes any certificate or other document issued by Euroclear, Clearstream, Luxembourg or any other relevant clearing system, or issued by an accountholder of them or an intermediary in a holding chain, in relation to the holding of interests in the Notes. Any such certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print-out of electronic records provided by the relevant clearing system (including Euroclear’s EUCLID or Clearstream, Luxembourg’s Creation Online system) in accordance with its usual procedures and in which the accountholder of a particular principal or nominal amount of the Notes is clearly identified together with the amount of such holding. The Issuer and the Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by any such person and subsequently found to be forged or not authentic.

Noteholder Settlement Option

Where “Noteholder Settlement Option” is specified as being applicable in the applicable Conditions, the person appearing as the accountholder for Euroclear or Clearstream, Luxembourg or any relevant Alternative Clearing System shall, on behalf and in accordance with the directions of each person for whom such accountholder holds Notes and by giving the appropriate notice(s) through Euroclear or Clearstream, Luxembourg or any relevant Alternative Clearing System, elect on behalf of each such person which proportion of Notes attributable to such person shall receive an Early Cash Settlement Amount and which shall receive a Physical Settlement Amount; provided that (i) only one such election can be made per Note, (ii) the aggregate holding of Notes of each person for whom an accountholder holds Notes shall be treated as separate from any other person’s holding of Notes and (iii) any rounding required in determining the Early Cash Redemption Amount or Physical Redemption Amount as contemplated by the Conditions shall be determined based on each person’s proportion of Notes in respect of which it has elected to receive an Early Cash Redemption Amount or Physical Redemption Amount, as the case may be, and not on an individual Note basis or aggregated across persons.

Meetings

For the purposes of any meeting of Noteholders where a quorum would otherwise not be possible, the holder of the Notes represented by this Global Certificate shall (unless this Global Certificate represents only one Note) be treated as two persons for the purposes of any quorum requirements of a meeting of Noteholders and as being entitled to one vote in respect of each integral currency unit of the Specified Currency of the Notes.

Other

This Global Certificate shall not become valid for any purpose until authenticated by or on behalf of the Registrar and, in the case of Registered Notes held under the NSS only, effectuated by the entity appointed as Common Safekeeper by the relevant clearing systems.

This Global Certificate and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.

In witness whereof the Issuer has caused this Global Certificate to be signed on its behalf.

MASTER CONDITIONS

*The following is the text of the Master Conditions applicable to the Notes issued under the Programme. Such Master Conditions, as modified and supplemented by any Additional Conditions set out in any Product Supplement that is specified as being applicable in the applicable Final Terms or Alternative Drawdown Document and further subject to completion in accordance with the provisions of Part A of the applicable Final Terms, or to completion, amendment and/or variation in accordance with the relevant section of an Alternative Drawdown Document, as the case may be, shall be applicable to the Notes. Either (i) the full text of these Master Conditions together with the relevant Additional Conditions and the relevant provisions of Part A of the applicable Final Terms or the relevant section of an Alternative Drawdown Document, as the case may be, or (ii) these Master Conditions as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on any Bearer Note or on any Certificate relating to a Registered Note. In respect of the Notes, “**Issue Terms**” means the applicable “Final Terms” for the purposes of Article 5.4 of the Prospectus Directive completed by the Issuer which specifies the issue details of the Notes or, in all other cases (and which shall be the case for Credit Linked Notes and Collateral Basket Notes), the applicable terms and conditions set out in the “Alternative Drawdown Document” which may include a pricing supplement or a prospectus relating to the Notes incorporating by reference the whole or any part of these Master Conditions and any Additional Conditions. All capitalised terms that are not defined in the Conditions will have the meanings given to them in the Trust Deed. Those definitions will be endorsed on the definitive Notes or Certificates, as the case may be. References in the Conditions to Notes are to the Notes of one Series only, not to all Notes that may be issued under the Programme.*

The Notes are constituted and secured by the Trust Deed entered into between the Issuer and the Trustee. These Master Conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Receipts, Coupons and Talons referred to below.

An Agency Agreement has been entered into in relation to the Notes between the Issuer, the Trustee, The Bank of New York Mellon, London Branch as initial issuing and paying agent, The Bank of New York Mellon SA/NV, Luxembourg Branch as initial paying agent, custodian, registrar and transfer agent and the other agents named in it.

The issuing and paying agent, the calculation agent, the custodian and account bank, the disposal agent, the registrar and the paying agents and transfer agents for the time being (if any) are referred to below respectively as the “**Issuing and Paying Agent**”, the “**Calculation Agent**”, the “**Custodian**”, the “**Disposal Agent**”, the “**Registrar**”, the “**Paying Agents**” (which expression shall include the Issuing and Paying Agent) and the “**Transfer Agents**” (which expression shall include the Registrar) and collectively as the “**Agents**”.

Copies of the Programme Deed, the execution of which most recently amended and restated the Principal Trust Deed and the Agency Agreement, together with any amendments and/or supplements to such Programme Deed that are relevant to the Notes and the applicable versions of the master terms documents incorporated into the Programme Deed, are available for inspection, so long as any of the Notes remain outstanding, during usual business hours at the registered office of the Issuer and the principal office of the Trustee and at the Specified Offices of the Paying Agents and the Transfer Agents.

The Noteholders, the holders of the interest coupons (the “**Coupons**”) relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the

“Talons”) (the **“Couponholders”**) and the holders of the receipts for the payment of instalments of principal (the **“Receipts”**) relating to Notes in bearer form of which the principal is payable in instalments are entitled to the benefit of, are bound by and are deemed to have notice of all the provisions of the Trust Deed and are deemed to have notice of those provisions applicable to them of the Agency Agreement and any other Transaction Document entered into in connection with the Notes.

As used in the Conditions, **“Tranche”** means Notes of a Series or, where a Series comprises Classes, a Class, that are issued on the same date and that are identical in all respects. Where applicable, references made herein to the **“Issuer”** shall be construed as references to the **“Company”**.

1 Definitions and Interpretation

(a) Definitions

All capitalised terms that are not defined in the Conditions will have the meanings given to them in the Trust Deed, the absence of any such meaning indicating that such term is not applicable to the Notes. In the event of any inconsistency between the terms of the Issue Deed relating to the Notes and the terms of the Principal Trust Deed, the terms of the Issue Deed shall prevail. In the event of any inconsistency between the terms of the Principal Trust Deed, the terms of the relevant Issue Deed and the terms of the applicable Issue Terms, the terms of the applicable Issue Terms shall prevail. In the event of any inconsistency between these Master Conditions and the terms of the applicable Issue Terms, the terms of the applicable Issue Terms shall prevail. In addition, the following expressions have the following meanings:

“Actual Currency Proceeds” means the Available Proceeds as of the Early Valuation Date but excluding any amount paid by the Swap Counterparty to the Issuer as a result of the termination of all outstanding Swap Transactions under the Swap Agreement relating to the Notes provided that if any Collateral has not been Liquidated by the Early Valuation Date then the Actual Currency Proceeds in respect of such Collateral not then Liquidated shall be deemed to be the fair bid-side market value of such Collateral as of the Early Valuation Date (as determined by the Calculation Agent) net of any taxes, costs or charges that would be incurred on the sale of the Collateral.

“Additional Conditions” has the meaning given to it in the applicable Product Supplement (if any).

“Additional Redemption Event” means the determination by the Calculation Agent on any day of the occurrence of any of the Additional Redemption Events specified as applicable in the applicable Issue Terms.

“Adjustment Date” means, in respect of a Reference Rate Event, the later of:

- (ii) the first to occur of: (A) the first date on which the Reference Rate is no longer available following a Reference Rate Cessation, (B) the Administrator/Benchmark Event Date, (C) the Specified Date, or (D) the Additional Specified Date, as relevant in relation to such Reference Rate Event.

“Adjustment Spread” means, in respect of any Replacement Reference Rate, the adjustment, if any, to such Replacement Reference Rate that the Calculation Agent determines, acting in

good faith and in a commercially reasonable manner and having regard to any Industry Standard Adjustment, which is required in order to:

- (i) reduce or eliminate, to the extent reasonably practicable, any transfer of economic value from the Issuer to the Noteholders (or vice versa) that would otherwise arise as a result of the replacement of the Reference Rate with the Replacement Reference Rate; and
- (ii) reflect any losses, expenses and costs that will be incurred by the Swap Counterparty as a result of entering into and/or maintaining any transactions in place to hedge the Swap Counterparty's obligations under the Swap Transaction, including as a result of any difference between:
 - (A) the resulting cash flows under the Original Collateral and such hedge transactions; and
 - (B) the resulting cash flows under the Notes and such hedge transactions,in each case pursuant to the application of any fallback following the occurrence of a disruption event in respect of a benchmark

Any such adjustment may take account of, without limitation, any anticipated transfer of economic value as a result of any difference in the term structure or tenor of the Replacement Reference Rate by comparison to the Reference Rate. The Adjustment Spread may be positive, negative or zero, or determined pursuant to a formula or methodology. If the Calculation Agent is required to determine the Adjustment Spread, it shall consider the Relevant Market Data. If a spread or methodology for calculating a spread has been formally recommended by any Relevant Nominating Body in relation to the replacement of the Reference Rate with the relevant Replacement Reference Rate, then the Adjustment Spread shall be determined on the basis of such recommendation (adjusted as necessary to reflect the fact that the spread or methodology is used in the context of the Notes).

- (iii) in respect of a Suspension/Withdrawal Event, the date on which following (A) the suspension or withdrawal by the relevant competent authority or other relevant official body of the authorisation, registration, recognition, endorsement, equivalence decision or approval, or (B) the date on which such Reference Rate or the administrator or sponsor of such Reference Rate is removed from the official register, as applicable, the Issuer or the Calculation Agent is not permitted to perform its or their respective obligations under the Notes under any applicable law or regulation or, in each case, if such date occurs before the Issue Date, the Issue Date.

“Trigger Level” has the meaning given to it in the applicable Issue Terms.

“Trigger Swap Gain” means, in respect of any day, (i) where the Trigger Swap Value would be payable to the Issuer, the absolute value of the Trigger Swap Value, or (ii) otherwise, zero.

“Trigger Swap Loss” means, in respect of any day, (i) where the Trigger Swap Value would be payable to the Swap Counterparty, the absolute value of the Trigger Swap Value, or (ii) otherwise, zero.

“Trigger Swap Value” means, in respect of any day, an amount determined by the Calculation Agent and expressed in the Base Currency that is equal to the Early Termination Amount (as defined in the Swap Agreement) of the Swap Agreement (but excluding any Unpaid Amounts relating to the Credit Support Balance of either the Issuer or the Swap Counterparty under the Credit Support Annex) that would be payable by the Issuer to the Swap Counterparty or by the Swap Counterparty to the Issuer, under the Swap Agreement, upon a termination of the Swap Agreement on such date. Such Early Termination Amount shall be determined on the basis that:

- (i) the Swap Counterparty is not the Affected Party;

- (ii) the Swap Counterparty's claim to any Early Termination Amount payable by the Issuer shall be limited to the sum of the prevailing Value of the Original Collateral; and
- (iii) the Calculation Agent is the Determining Party and Section 6(e)(ii)(1) of the Swap Agreement applies but without reference to Section 6(e)(ii)(3) thereof.

(b) Interpretation

With respect to the Notes, references to the Principal Trust Deed, the Agency Agreement, the Dealer Agreement or any other Transaction Document created by the execution of the Original Programme Deed and to the Corporate Services Agreement, as the case may be, are to those documents as amended or supplemented from time to time (whether by way of any supplements to, or amendment and restatements of, the Original Programme Deed, as the case may be, or otherwise) in relation to the Programme as they stand as of the Issue Date of the Notes (including any amendments or supplements made with respect only to that particular issue of Notes, whether in the Issue Deed or otherwise) and thereafter, together with references to the Swap Agreement, are to those documents as they may then be subsequently amended, supplemented or replaced in respect of the Notes as permitted by the Conditions and the Trust Deed with respect to the Notes. Notwithstanding the foregoing, where one or more further Tranches of Notes are issued in accordance with Master Condition 21 (*Further Issues*) so as to be consolidated and form a single series with the Notes, or a class thereof, the reference to Issue Date in this paragraph shall be to the Issue Date of the first Tranche of Notes.

2 Form, Specified Denomination and Title

The Notes are issued in bearer form (“**Bearer Notes**”) or in registered form (“**Registered Notes**”), in each case in the Specified Denomination(s) specified in the applicable Issue Terms.

All Registered Notes shall have the same Specified Denomination.

The Notes are Fixed Rate Notes, Floating Rate Notes, Zero Coupon Notes or Instalment Notes, a combination of any of the foregoing or any other kind of Note, depending upon the Interest and Redemption/Payment Basis specified in the applicable Issue Terms.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes, in which case references to interest (other than in relation to Default Interest), Coupons and Talons in the Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

Registered Notes are represented by registered certificates (“**Certificates**”) and each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to Bearer Notes and Receipts, Coupons and Talons shall pass by delivery. Title to Registered Notes shall pass by registration in the register that the Issuer shall procure will be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “**Register**”). A certified copy of the Register shall be kept at the Issuer’s registered office. Except as ordered by a court of competent jurisdiction or as required by law, the holder of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate), and no person shall be liable for so treating the holder.

Where the applicable Issue Terms specify Classes in respect of a Series, the Notes of all such Classes shall comprise a single Series (without distinction between the Classes, save as expressly provided herein, in the Issue Terms and in the Trust Deed) and the Notes of each Class shall rank *pari passu* and without any preferences amongst the Classes. References herein to Notes or Series shall, where such a Series comprises Classes, also refer to Notes of each of the Classes as the context requires.

3 No Exchange of Notes and Transfers of Registered Notes

(a) No exchange of Notes

Registered Notes are not exchangeable for Bearer Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination. Bearer Notes may not be exchanged for Registered Notes.

(b) Transfers of Registered Notes

One or more Registered Notes may be transferred upon the surrender (at the Specified Office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer) duly completed and executed, and any such other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further

new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. All transfers of Notes and entries on the Register will be subject to and effected in accordance with the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

(c) Delivery of new Certificates

Each new Certificate to be issued pursuant to Master Condition 3(b) (*Transfers of Registered Notes*) shall be available for delivery within three business days of the surrender of the relevant Certificate together with the relevant form of transfer and relevant evidence required by the Registrar or Transfer Agent. Delivery of the new Certificate(s) shall be made at the Specified Office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such form of transfer or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant form of transfer or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Transfer Agent or the Registrar the costs of such other method of delivery and/or such insurance as it may specify. In this Master Condition 3(c), “**business day**” means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the Specified Office of the relevant Transfer Agent or the Registrar (as the case may be).

(d) Transfers free of charge

Transfers of Notes and Certificates pursuant to Master Condition 3(b) (*Transfers of Registered Notes*) shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(e) Closed periods

No Noteholder may require the transfer of a Registered Note to be registered: (i) during the period of 15 days ending on the Maturity Date, or the due date for payment of any Instalment Amount in respect of that Note; (ii) after the occurrence of any Early Redemption Commencement Date and/or any Liquidation Event in relation to such Note; or (iii) during the period of seven days ending on (and including) any Record Date.

4 Constitution, Status, Collateral and Non-applicability

(a) Constitution and status of Notes

The Notes are constituted and secured by the Trust Deed. The Notes are secured, limited recourse obligations of the Issuer, at all times ranking *pari passu* and without any preference among themselves, which are subject to the provisions of the Securitisation Act 2004 and secured in the manner described in Master Condition 5 (*Security*) and recourse in respect of which is limited in the manner described in Master Conditions 15 (*Application of Available Proceeds or Affected Class Collateral Proceeds*), 16 (*Enforcement of Rights or Security*) and 17(a) (*General limited recourse*).

(b) Collateral

In connection with the issue of the Notes, the Issuer may acquire rights, title and/or interests in and to the Collateral. The Original Collateral shall be as specified in the applicable Issue Terms. In addition, or in the alternative to its acquisition of rights, title and/or interests in and to the Collateral, the Issuer may enter into a Swap Agreement with respect to the Notes as specified in the applicable Issue Terms relating to the Notes.

(c) Non-applicability

Where no reference is made in the Issue Deed and the Issue Terms to any Original Collateral, references in the Conditions to any such Original Collateral, to any Secured Payment Obligation relating to such Original Collateral and to any related Original Collateral Obligor or Secured Creditor relating to such Collateral, as the case may be, shall not be applicable. Where no reference is made in the Issue Deed and the applicable Issue Terms to any Swap Agreement and/or Swap Counterparty (or any Credit Support Annex thereto), references in the Conditions thereto shall not be applicable.

5 Security

(a) Security

Unless otherwise specified in the Issue Deed, the Secured Payment Obligations are secured in favour of the Trustee for the benefit of itself and the other Secured Creditors, pursuant to the Trust Deed, by:

- (i) a pledge of all of the Pledged Collateral held with the Custodian in respect of a Series and the relevant Compartment and the grant of a first ranking security interest ("*gage de premier rang*") over such Pledged Collateral under Luxembourg law (the "**Luxembourg Pledge**"); and
- (ii) in addition, but subject to the Luxembourg Pledge, the following security under English law:
 - (I) an assignment by way of security of all the Issuer's rights, title and interest attaching or relating to the Collateral and all property, sums or assets derived therefrom, including, without limitation, any right to delivery thereof or to an equivalent number or nominal value thereof which arises in connection with any such assets being held in a clearing system or through a financial intermediary;
 - (II) an assignment by way of security of the Issuer's rights, title and interest against the Custodian, to the extent that they relate to the Collateral and/or the Notes;
 - (III) an assignment by way of security of the Issuer's rights, title and interest under the Agency Agreement, to the extent they relate to the Collateral and/or Notes;
 - (IV) an assignment by way of security of the Issuer's rights, title and interest under the Swap Agreement (without prejudice to, and after giving effect to, any contractual netting provision contained in the Swap Agreement);

- (V) an assignment by way of security of the Issuer's rights, title and interest under the Agency Agreement, to the extent that they relate to any assets held by the Custodian in respect of the Notes;
- (VI) an assignment by way of security of the Issuer's rights against the Disposal Agent under the terms of the Agency Agreement (or any other agreement entered into between the Issuer and the Disposal Agent) to the extent that such rights relate to the Collateral and/or the Notes;
- (VII) a first fixed charge over (A) all sums held by the Issuing and Paying Agent to meet payments due in respect of any Secured Payment Obligation and (B) any sums received by the Issuing and Paying Agent under the Swap Agreement; and
- (VIII) a first fixed charge over all property, sums and assets held or received by the Disposal Agent relating to the Transaction Documents and the Collateral.

Notwithstanding the above, investors should note that where any Collateral and/or any property, assets and sums derived therefrom are held by the Custodian in book-entry form, the security interests granted in respect of the same might, as a result of such book-entry holding, take the form only of a security interest over the Issuer's rights against the Custodian in respect of such Collateral and/or property, sums and assets, as the case may be, rather than a charge over such Collateral and/or property, sums and assets derived therefrom themselves.

Additionally, the Secured Payment Obligations of the Issuer may be secured pursuant to a Security Document other than the Trust Deed as specified in the relevant Issue Deed.

Certain of the assets being the subject of the Security shall be released from the Security automatically, without the need for any notice or other formalities, to the extent required for the Issuer to be able to duly make any payment or delivery in respect of the Notes and/or under the related Swap Agreement and/or the other Transaction Documents which is due and payable or deliverable, or in connection with the purchase of Notes or as otherwise provided for under the Conditions or the relevant Transaction Documents in respect of a Series.

(b) Substitution of Original Collateral

If "Original Collateral Substitution" is specified as applicable in the applicable Issue Terms, any holder(s) of more than 50 per cent. in aggregate principal amount of the Notes for the time being outstanding shall have the right at any time, by giving at least 10 Reference Business Days' notice substantially in the form set out in the Principal Trust Deed, validly completed and executed by the holder(s) (such notice a "**Substitution Notice**") to the Issuer, the Trustee, the Calculation Agent, the Disposal Agent and the Swap Counterparty, and sufficient proof of ownership of the Notes as the Issuer and the Trustee shall require, to request a substitution of any Original Collateral (such Original Collateral, the "**Substituted Original Collateral**") with a nominal amount of new collateral obligations (rounded down to the nearest whole denomination) that fulfil the criteria set out in the Issue Terms (the "**New Collateral Criteria**", and such new collateral obligations, the "**Replacement Collateral Obligations**"). Upon receipt of the net proceeds of Liquidation from a Liquidation effected pursuant to this Master Condition 5(b), the Issuer shall use all such proceeds to purchase as many Replacement Collateral Obligations as it can with such net proceeds of Liquidation, which may be more or less than the number of Replacement Collateral Obligations identified in the relevant Substitution Notice. Any net proceeds of Liquidation remaining after such purchase will be deposited by the Issuer with the Custodian.

Pursuant to the Trust Deed, upon the effective delivery of a valid Substitution Notice to the Disposal Agent identifying Replacement Collateral Obligations which satisfy the New Collateral Criteria (as verified by the Calculation Agent and certified by it to the Disposal Agent), the Security described in Master Condition 5(a) (*Security*) will be automatically released without any further action on the part of the Trustee but only to the extent necessary to allow the Disposal Agent to Liquidate the Substituted Original Collateral and the Disposal Agent shall be obliged to effect such Liquidation as soon as reasonably practicable thereafter, provided that nothing in this Master Condition 5(b) will operate to release the charges and other security interests over the proceeds of such Liquidation.

The Disposal Agent may take such steps as it considers appropriate in order to effect any such Liquidations, including but not limited to selecting the method of Liquidating any Collateral. The Disposal Agent must effect any Liquidation as soon as reasonably practicable and in a commercially reasonable manner, even where a larger amount could possibly be received in respect of such Collateral if any such Liquidation were to be delayed. Subject to such requirement, the Disposal Agent shall be entitled to effect any Liquidation by way of one or multiple transactions on a single or multiple day(s).

The Disposal Agent shall not be liable to the Issuer, the Trustee, the Swap Counterparty, the Noteholders, the Couponholders, holders of Receipts or any other person merely because a larger amount could have been received had any such Liquidation been delayed or had the Disposal Agent selected a different method of Liquidating any such Collateral.

Master Conditions 13(c) (*Proceeds of Liquidation*) to 13(m) (*Transfer of Collateral to Custodian*) (inclusive) shall apply to a Liquidation being effected pursuant to this Master Condition 5(b).

Any Replacement Collateral Obligations substituted in accordance with this paragraph shall thereafter constitute Original Collateral for the purposes of the Conditions and the Transaction Documents, and any Substituted Original Collateral substituted in accordance with this paragraph shall thereafter cease to be Original Collateral for the purposes of the Conditions and the Transaction Documents.

(c) Issuer's rights as beneficial owner of Collateral

Prior to the Trustee effectively giving a valid Enforcement Notice to the Issuer (copied to the Custodian and any Disposal Agent appointed at that time), the Issuer may, with the prior written consent of the Trustee or with the sanction of an Extraordinary Resolution:

- (i) take such action in relation to the Mortgaged Property as it may think expedient; and
- (ii) exercise any rights incidental to the ownership of the Mortgaged Property and, in particular (but without limitation and without responsibility for their exercise), any voting rights in respect of such property and all rights to enforce any ownership interests in respect of such property,

provided that, in the case of any Mortgaged Property subject to the Luxembourg Pledge, the Issuer shall not cast any vote, provide any consent, waiver or ratification, or take any action, which would:

- (l) be inconsistent with or violate any provision of the Conditions or of any other Transaction Document;

- (II) have an adverse effect on the value of the relevant financial instrument held in the Pledged Accounts or the legal status, ranking, nature or other features of the Collateral; or
- (III) otherwise prejudice the interests of any Secured Creditor under any Transaction Document.

The Issuer will not exercise any rights with respect to Mortgaged Property unless it has the consent or sanction referred to above and, if such consent or sanction is given, the Issuer will act only in accordance with such consent or sanction. For the avoidance of doubt, no such consent or sanction is required in connection with any assets that are released from the Security automatically.

For the purpose of this Master Condition 5(c), if the Issuer is seeking the prior written consent of the Trustee it shall provide a certificate to the Trustee signed by any director of the Issuer to the effect that, in its opinion, exercising such right does not contravene the requirements of the proviso to this Master Condition 5(c) and the Trustee shall not be responsible or liable for any loss occasioned by acting and/or relying on such a certificate.

(d) Disposal Agent's right following Liquidation Event

Notwithstanding the above, following the effective delivery of a valid Liquidation Commencement Notice to the Disposal Agent (copied to each of the other Transaction Parties), the Disposal Agent on behalf of the Issuer shall have the right to undertake any action as contemplated by the Conditions and the Agency Agreement as it considers appropriate, and any actions in furtherance thereof or ancillary thereto as they relate to the relevant Mortgaged Property, without requiring any sanction referred to therein. Pursuant to the terms of the Trust Deed, upon the effective delivery of a valid Liquidation Commencement Notice to the Disposal Agent the Security described in Master Condition 5(a) (*Security*) will automatically be released without further action on the part of the Trustee to the extent necessary for the Disposal Agent to effect the Liquidation of the relevant Mortgaged Property, provided that nothing in this Master Condition 5(d) will operate to release the charges and other security interests over the proceeds of the Liquidation of the Mortgaged Property or over any Mortgaged Property not subject to such Liquidation.

(e) Credit Support Annex

If "Credit Support Annex" is specified as applicable in the applicable Issue Terms then the Issuer will enter into a Credit Support Annex under the Swap Agreement pursuant to which the Issuer shall, if required in accordance with the terms of the Credit Support Annex, transfer some or all of the Collateral to the Swap Counterparty. The Swap Counterparty may also, if required in accordance with the terms of the Credit Support Annex, transfer to the Issuer from time to time CSA Posted Collateral. Collateral transferred by the Issuer pursuant to the Credit Support Annex will be deemed to be released by the Trustee from the Security described in Master Condition 5(a) (*Security*) immediately prior to the delivery or transfer of such Collateral by or on behalf of the Issuer to the Swap Counterparty.

6 Restrictions

So long as any Note remains outstanding, the Company shall not, without the prior consent in writing of the Trustee and the Swap Counterparty, but subject to the provisions of Master Condition 13 (*Liquidation*) and within the limits of the Securitisation Act 2004:

- (a) engage in any business other than the issuance or entry into of Obligations, the entry into of related agreements and transactions and the performing of acts incidental thereto or necessary in connection therewith, and provided that:
 - (i) such Obligations are secured on assets of the Issuer other than the Issuer's share capital and any assets securing any other Obligations (other than Equivalent Obligations); and
 - (ii) such Obligations and any related agreements contain provisions that limit the recourse of any holder of, or counterparty to, such Obligations and of any party to any related agreement to assets other than those to which any other Obligations (other than Equivalent Obligations) have recourse;
- (b) sell, transfer or otherwise dispose of any of the Mortgaged Property or any right or interest therein or create any mortgage, charge or other security or right of recourse in respect thereof;
- (c) cause or permit the Swap Agreement or the priority of the Security created by the Trust Deed or any other Security Document to be amended, terminated or discharged;
- (d) release any party to the Swap Agreement, the Principal Trust Deed, the Issue Deed or any other Security Document from any existing obligations thereunder;
- (e) have any subsidiaries;
- (f) consent to any variation of, or exercise any powers of consent or waiver pursuant to, the terms of the Swap Agreement, the Conditions, the Principal Trust Deed, the Issue Deed, any other Security Document or any other Transaction Document;
- (g) consolidate or merge with any other person or convey or transfer its properties or assets substantially as an entirety to any person;
- (h) have any employees;
- (i) issue any shares (other than such shares as are in issue at the date hereof) or make any distribution to its shareholders;
- (j) open or have any interest in any account with a bank or financial institution unless (i) such account relates to the issuance or entry into of Obligations and such Obligations have the benefit of security over the Issuer's interest in such account or (ii) such account is opened in connection with the administration and management of the Issuer and only moneys necessary for that purpose are credited to it;
- (k) declare any dividends;
- (l) purchase, own, lease or otherwise acquire any real property (including office premises or like facilities);
- (m) guarantee, act as surety for or become obligated for the debts of any other entity or person or enter into any agreement with any other entity or person whereby it agrees to satisfy the obligations of such entity or person or any other entity or person;
- (n) acquire any securities or shareholdings whatsoever from its shareholders or enter into any agreements whereby it would be acquiring the obligations and/or liabilities of its shareholders;
- (o) except as required in connection with the issuance or entry into of Obligations, advance or lend any of its moneys or assets, including but not limited to the Mortgaged Property, to any other entity or person; or

(p) approve, sanction or propose any amendment to its constitutional documents, except as provided for or contemplated in the Conditions or any Transaction Document.

7 Interest

(a) Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Master Condition 7(g) (*Interest payable*).

(b) Interest on Floating Rate Notes

(i) Interest Payment Dates

Each Floating Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Master Condition 7(g) (*Interest payable*).

(ii) Rate of Interest for Floating Rate Notes

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in accordance with the provisions below relating to ISDA Determination.

Where ISDA Determination is applicable, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate, as adjusted by the Margin (if any) in accordance with Master Condition 7(f) (*Margin*) below. For the purposes of this Master Condition 7(b)(ii), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified in the applicable Issue Terms;
- (y) the Designated Maturity is a period specified in the applicable Issue Terms; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the applicable Issue Terms,

provided that if a Reference Rate Event has occurred in respect of a Floating Rate, the provisions of Master Condition 9(c) (*Occurrence of a Reference Rate Event*) shall apply. If no Reference Rate Event has occurred but the Calculation Agent determines that such ISDA Rate for an Interest Period cannot be determined in accordance with the ISDA Definitions and the provisions of this Master Condition 7(b)(ii), the ISDA Rate for such Interest Period shall be such rate as is determined by the Calculation Agent in good faith and in a commercially reasonable manner having regard to comparable benchmarks then available.

The Rate of Interest will be subject to a minimum of 0.00 per cent. or greater (as specified in the relevant Issue Terms) and may also be subject to a maximum (as specified in the relevant Issue Terms).

For the purposes of this Master Condition 7(b)(ii), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**” and “**Swap Transaction**” have the meanings given to those terms in the ISDA Definitions.

(a) Change of Interest Basis Notes

If, in respect of a Note, Change of Interest Basis is specified in the applicable Issue Terms, the Interest Basis in respect of such Note shall change from Fixed Rate to Floating Rate or *vice versa*, as specified in the applicable Issue Terms, on the Interest Period(s) specified in the applicable Issue Terms.

Any such Note:

- (i) shall be treated as a Fixed Rate Note for the Interest Period(s) for which the Interest Basis is specified to be Fixed Rate (and, accordingly, Note Condition 7(a) (*Interest on Fixed Rate Notes*) shall apply to any such Note in respect of such Interest Period(s)); and
- (ii) shall be treated as a Floating Rate Note for the Interest Period(s) for which the Interest Basis is specified to be Floating Rate (and, accordingly, Note Condition 7(b) (*Interest on Floating Rate Notes*) shall apply to any such Note in respect of such Interest Period(s)).

(b) Zero Coupon Notes

Where a Note, the Interest Basis of which is specified in the applicable Issue Terms to be Zero Coupon (such Note, a “**Zero Coupon Note**”), is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount.

(c) Accrual of Interest

Interest shall cease to accrue on each Note on the due date for redemption save that if, upon due presentation, payment of the full amount of principal and/or interest due on such due date for redemption is improperly withheld or refused, interest will accrue daily on the unpaid amount of principal and/or interest (after as well as before judgment and regardless of the Interest Basis) from and including the due date for redemption to but excluding the Relevant Date at (i) the overnight rate for deposits in the currency in which the payment is due to be made as determined by the Calculation Agent in its commercially reasonable manner or (ii) such other rate as may be specified for such purposes in the applicable Issue Terms. Such interest (the “**Default Interest**”) shall be compounded daily with respect to the overdue sum at the above rate.

(d) Margin

If any Margin is specified in the applicable Issue Terms (either (x) generally or (y) in relation to one or more Interest Accrual Periods), then an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rate(s) of Interest for the specified Interest Accrual Period(s), in the case of (y), calculated in accordance with Master Condition 7(b) (*Interest on Floating Rate Notes*) by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin, subject always to this Master Condition 7(f).

(e) Interest payable

The interest payable in respect of any Note for a relevant period shall be an amount determined by the Calculation Agent equal to the product of the amount of interest payable per Calculation Amount, as determined in accordance with this Master Condition 7(g), and the Calculation Amount Factor of the relevant Note. The amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, the Calculation Amount and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

8 Redemption and Purchase

(a) Final Redemption

Provided that no Early Redemption Commencement Date or Early Redemption Date has occurred pursuant to any other Condition in respect of a Note, such Note shall become due and payable on the Maturity Date at its Final Redemption Amount or, in the case of a Note to which Master Condition 8(b) (*Redemption by instalments*) applies, its final Instalment Amount.

(b) Redemption by instalments

Provided that no Early Redemption Commencement Date or Early Redemption Date has occurred pursuant to any other Condition in respect of a Note that provides in the applicable Issue Terms for Instalment Dates and Instalment Amounts, such Note (an “**Instalment Note**”) shall be partially redeemed on each Instalment Date at the related Instalment Amount. The outstanding nominal amount of each such Note shall be reduced by the relevant Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.

(c) Redemption following a Collateral Event

Where the applicable Issue Terms specify that the Collateral Basket Product Supplement is an Applicable Product Supplement, this Master Condition 8(c) shall not apply and the Additional Redemption Events set out in Additional Collateral Basket Conditions 3(b) (Early redemption following a Collateral Event) and 3(c) (Redemption following a Collateral Exhaustion Event) on pages 281 to 284 shall apply instead.

Provided that no Early Redemption Commencement Date or Early Redemption Date has occurred pursuant to any other Condition in respect of a Note, if the Calculation Agent determines that a Collateral Event has occurred with respect to any Original Collateral and gives notice of such determination (including a description in reasonable detail of the facts relevant to such determination) to the Issuer (copied to the Issuing and Paying Agent, the

Trustee and the Swap Counterparty) (the date of such determination being the “**Collateral Event Determination Date**”), then:

- (i) as soon as reasonably practicable, and in any event within the Early Redemption Notification Period commencing on (and including) the Collateral Event Determination Date, the Issuer (or the Issuing and Paying Agent on its behalf, having been supplied by the Issuer or the Calculation Agent with the relevant Early Redemption Notice) will give an Early Redemption Notice to the Noteholders of the determination of the Collateral Event (the date of such notice to the Noteholders being the “**Early Redemption Commencement Date**”), including a description in reasonable detail of the facts relevant to such determination, by forwarding with such Early Redemption Notice a copy of the notice delivered by the Calculation Agent with respect to the Collateral Event Determination Date or the information provided therein; and
- (ii) each Note shall become due and payable on the related Early Redemption Date at its Early Redemption Amount (which shall be the only amount payable and there will be no separate payment of any unpaid accrued interest thereon), irrespective of whether the relevant Collateral Event is continuing. The payment of such amount shall satisfy all the Issuer’s obligations under and in relation to such Note.

For the avoidance of doubt, none of the Issuer, the Trustee or the Calculation Agent shall be required to monitor, enquire or satisfy itself as to whether any Collateral Event has occurred. Neither the Trustee nor the Calculation Agent shall have any obligation, responsibility or liability for giving or not giving any notice thereof to the Issuer or any Secured Creditor. If the Issuer or the Calculation Agent effectively gives a notice to the Trustee of the occurrence of a Collateral Event, the Trustee shall be entitled to rely conclusively on such notice without further investigation.

(d) Redemption for taxation reasons

- (i) Subject to paragraph (ii) below and provided that no Early Redemption Commencement Date or Early Redemption Date has occurred pursuant to any other Condition in respect of all Notes then outstanding (which, for the avoidance of doubt, may have occurred separately pursuant to one or more Master Conditions), the Issuer shall, as soon as is practicable after becoming aware of (whether by notice thereof from the Calculation Agent or otherwise) the occurrence of a Note Tax Event and/or an Original Collateral Tax Event (or, in any case, within two Reference Business Days thereof), give an Early Redemption Notice to the Noteholders and each Note shall become due and payable on the related Early Redemption Date at its Early Redemption Amount (which shall be the only amount payable and there will be no separate payment of any unpaid accrued interest thereon). The date on which such Early Redemption Notice is deemed to have been given shall be an “**Early Redemption Commencement Date**”.

A “**Note Tax Event**” will occur if:

- (A) either the Issuer or the Calculation Agent determines that on the due date for any payment in respect of the Notes, the Issuer will be required by any applicable law to withhold, deduct or account for an amount for any present or future taxes, duties or charges of whatsoever nature other than a withholding or deduction in respect of an Information Reporting Regime or would suffer the same in respect of its income so that it would be unable to make in full the payment in respect of the Notes in respect of such due date;

- (I) on the due date for any payment in respect of the Notes, such a withholding, deduction or account is actually made in respect of any payment in respect of the Notes; or
- (II) the Issuer determines that any Noteholder, Couponholder or beneficial owner of Notes has failed to provide sufficient forms, documentation or other information in accordance with Master Condition 12(b) (*Provision of information*) such that any payment received or payable by the Issuer may be subject to a deduction or withholding or the Issuer may suffer a fine or penalty, in each case, pursuant to an Information Reporting Regime,

other than where such event constitutes an Original Collateral Tax Event.

An “**Original Collateral Tax Event**” will occur if the Issuer, in its or the Calculation Agent’s determination:

- (I) is or will be unable to receive any payment due in respect of any Original Collateral in full on the due date therefor without a deduction for or on account of any withholding tax, back-up withholding or other tax, duties or charges of whatsoever nature imposed by any authority of any jurisdiction;
- (II) is or will be required to pay any tax, duty or charge of whatsoever nature imposed by any authority of any jurisdiction in respect of any payment received in respect of any Original Collateral; and/or
- (III) is or will be required to comply with any reporting requirement (other than in respect of FATCA or any other Information Reporting Regime that is not materially more onerous to comply with than FATCA) of any authority of any jurisdiction in respect of any payment received in respect of any Original Collateral,

provided that the Issuer, using reasonable efforts prior to the due date for the relevant payment, is (or would be) unable to avoid such deduction(s), payment(s) and/or reporting requirements described in paragraphs (I) to (III) of this definition by filing a valid declaration that it is not a resident of such jurisdiction and/or by executing any certificate, form or other document in order to make a claim under a double taxation treaty or other exemption available to it. If the action that the Issuer would be required to undertake so as to avoid any such deduction(s), payment(s) and/or reporting requirements would involve any material expense or is, in the sole opinion of the Issuer, unduly onerous the Issuer shall not be required to take any such action. Without prejudice to the generality of the foregoing, a withholding imposed on payments in respect of any Original Collateral as a result of FATCA shall constitute an Original Collateral Tax Event. For the purposes of this definition, if on the date falling 60 days prior to the earliest date on which FATCA Withholding Tax could apply to payments under, or in respect of sales proceeds of, the relevant Original Collateral (such 60th day prior being the “**FATCA Test Date**”), the Issuer is a “nonparticipating foreign financial institution” or “nonparticipating FFI” (as such terms are used under section 1471 of the Code or in any regulations or guidance thereunder), the Issuer will be deemed on the FATCA Test Date to be unable to receive a payment due in respect of such Original Collateral in full on the due date therefor without deduction for or on account of any withholding tax and, therefore, an Original Collateral Tax Event will have occurred on the FATCA Test Date.

- (ii) Notwithstanding the foregoing, if the requirement to withhold, deduct or account for any present or future taxes, duties or charges of whatsoever nature referred to in paragraph (i) above arises solely as a result of:
 - (A) any Noteholder's or Couponholder's connection with the jurisdiction of incorporation of the Issuer otherwise than by reason only of the holding of any Note or receiving or being entitled to any payment in respect thereof; or
 - (B) the presentation for payment of any Bearer Note, Receipt or Coupon by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Bearer Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union,

then, to the extent possible, the Issuer shall deduct such taxes, duties or charges, as applicable, from the amount(s) payable to such Noteholder or Couponholder, and provided that payments to other Noteholders or Couponholders would not be impaired, the Issuer shall not give an Early Redemption Notice pursuant to paragraph (i) above. Any such deduction shall not constitute an Event of Default under Master Condition 8(l) (*Redemption following the occurrence of an Event of Default*), a Liquidation Event under Master Condition 13 (*Liquidation*) or an Enforcement Event under Master Condition 14 (*Enforcement of Security*).

For the avoidance of doubt, none of the Issuer, the Trustee or the Calculation Agent shall be required to monitor, enquire or satisfy itself as to whether any Note Tax Event or Original Collateral Tax Event has occurred. Neither the Trustee nor the Calculation Agent shall have any obligation, responsibility or liability for giving or not giving any notice thereof to the Issuer or any Secured Creditor. If the Issuer effectively gives a notice to the Trustee of the occurrence of a Note Tax Event or Original Collateral Tax Event, the Trustee shall be entitled to rely conclusively on such notice without further investigation.

(e) Redemption following a Trigger Event

If "Trigger Event" is specified as applicable in the Issue Terms in respect of the relevant Series, provided that no Early Redemption Commencement Date or Early Redemption Date has occurred pursuant to any other Condition in respect of a Note, if the Calculation Agent determines that a Trigger Event has occurred and gives notice of such determination to the Issuer (copied to the Issuing and Paying Agent, the Trustee and the Swap Counterparty) (the date of such determination being the "**Trigger Event Determination Date**"), then:

- (i) as soon as reasonably practicable and in any event within the Early Redemption Notification Period commencing on (and including) the Trigger Event Determination Date, the Issuer (or the Issuing and Paying Agent, having been supplied by the Issuer or the Calculation Agent with an Early Redemption Notice addressed to the Noteholders, on its behalf) will give an Early Redemption Notice to the Noteholders and attach to that a copy of the notice delivered by the Calculation Agent with respect to the Trigger Event Determination Date or include the information provided therein;
- (ii) the Trigger Event Determination Date shall be the "**Early Redemption Commencement Date**" (and the Early Redemption Commencement Date may therefore, for the avoidance of doubt, be prior to the date on which an Early Redemption Notice is given to the Noteholders); and
- (iii) each Note shall become due and payable on the related Early Redemption Date at its Early Redemption Amount (which shall be the only amount payable and there will be

no separate payment of any unpaid accrued interest thereon), irrespective of whether the Trigger Event is continuing on such date.

For the avoidance of doubt, none of the Issuer, the Trustee or the Calculation Agent shall be required to monitor, enquire or satisfy itself as to whether any Trigger Event has occurred. Neither the Trustee nor the Calculation Agent shall have any obligation, responsibility or liability for giving or not giving any notice thereof to the Issuer or any Secured Creditor. If the Issuer or the Calculation Agent effectively gives a notice to the Trustee of the occurrence of a Trigger Event, the Trustee shall be entitled to rely conclusively on such notice without further investigation.

(f) Redemption for termination of Swap Agreement

The Issuer shall, as soon as is practicable after becoming aware (whether by notice thereof from the Calculation Agent or otherwise) of the occurrence of a Swap Termination Event (or, in any case, within two Reference Business Days thereof), give an Early Redemption Notice to the Noteholders and each Note in respect of which no Early Redemption Commencement Date or Early Redemption Date has previously occurred pursuant to any other Condition, shall become due and payable on the related Early Redemption Date at its Early Redemption Amount (which shall be the only amount payable and there will be no separate payment of any unpaid accrued interest thereon). The date on which such Early Redemption Notice is deemed to have been given shall be an “**Early Redemption Commencement Date**”.

If, prior to the Maturity Date:

- (i) pursuant to the terms of the Swap Agreement the Issuer becomes aware that it is able to designate an Early Termination Date in respect of all outstanding Swap Transactions under the Swap Agreement pursuant to the occurrence of a Swap Counterparty Event and such right is then continuing;
- (ii) no Early Termination Date has already been designated or occurred in respect of all outstanding Swap Transactions under the Swap Agreement; and
- (iii) no Early Redemption Commencement Date or Early Redemption Date has occurred under any other Condition in respect of all Notes outstanding (which, for the avoidance of doubt, may have occurred separately pursuant to one or more Master Conditions),

the Issuer shall, as soon as is practicable after becoming aware of the same, notify the Noteholders in accordance with Master Condition 22 (*Notices*) and the Trustee in writing of the same. Following delivery of such notice from the Issuer, the Trustee shall, if directed by an Extraordinary Resolution and provided that the Trustee shall have been indemnified and/or secured and/or pre-funded to its satisfaction and that no further Early Redemption Commencement Date or Early Redemption Date has occurred pursuant to any other Condition, give notice to the Issuer that the Issuer is to designate an Early Termination Date in respect of all outstanding Swap Transactions under the Swap Agreement.

Subject to the Issuer still having such designation right, the Issuer shall, as soon as reasonably practicable, designate an Early Termination Date in respect of all outstanding Swap Transactions under the Swap Agreement and shall then notify the Noteholders in accordance with Master Condition 22 (*Notices*) and the Trustee in writing of the same. Such notice shall constitute an Early Redemption Notice for purposes of the first paragraph of this Master Condition 8(f).

For the avoidance of doubt, none of the Issuer, the Trustee or the Calculation Agent shall be required to monitor, enquire or satisfy itself as to whether any Swap Termination Event or Swap Counterparty Event has occurred. Neither the Trustee nor the Calculation Agent shall have any obligation, responsibility or liability for giving or not giving any notice thereof to the Issuer or any Secured Creditor. If the Issuer effectively gives a notice to the Trustee and/or the Calculation Agent of the occurrence of a Swap Termination Event or Swap Counterparty Event, the Trustee and/or Calculation Agent, as the case may be, shall be entitled to rely conclusively on such notice without further investigation.

(g) Redemption for a Counterparty Bankruptcy Credit Event

The Issuer shall, if directed by an Extraordinary Resolution that a Counterparty Bankruptcy Credit Event has occurred and that a notice of redemption in respect of the Notes is to be given by or on behalf of the Issuer, give an Early Redemption Notice to the Noteholders as soon as is practicable upon being so directed (or, in any case, within two Reference Business Days thereof) and each Note in respect of which no Early Redemption Commencement Date or Early Redemption Date has previously occurred pursuant to any other Condition, shall become due and payable on the related Early Redemption Date at its Early Redemption Amount (which shall be the only amount payable and there will be no separate payment of any unpaid accrued interest thereon). The date on which such Early Redemption Notice is deemed to have been given shall be an **“Early Redemption Commencement Date”**.

Notwithstanding anything to the contrary in Master Condition 19 (*Meetings of Noteholders, Modification, Waiver and Substitution*) or the Trust Deed, any holder of a Note then outstanding in respect of which no Early Redemption Commencement Date or Early Redemption Date has previously occurred pursuant to any other Condition, may deliver a request in writing to the Issuer, the Calculation Agent and the Trustee for a meeting of Noteholders to be convened to consider an Extraordinary Resolution to resolve that a Counterparty Bankruptcy Credit Event has occurred and to instruct the Issuer to deliver an Early Redemption Notice in respect of the Notes in respect of which no Early Redemption Commencement Date or Early Redemption Date has previously occurred pursuant to any other Condition. Any such request must (i) describe the Counterparty Bankruptcy Credit Event alleged to have occurred, and (ii) contain information that reasonably confirms that the Counterparty Bankruptcy Credit Event has occurred. Upon receipt of a valid request from a Noteholder satisfying the requirements outlined in the preceding sentence, the Issuer shall convene a meeting of relevant Noteholders in accordance with the provisions of the Trust Deed.

For the avoidance of doubt, none of the Issuer, the Trustee or the Calculation Agent shall be required to monitor, enquire or satisfy itself as to whether any Counterparty Bankruptcy Credit Event has occurred. Neither the Trustee nor the Calculation Agent shall have any obligation, responsibility or liability for giving or not giving any notice thereof to the Issuer or any Secured Creditor. If the Issuer effectively gives a notice to the Trustee and/or the Calculation Agent of the occurrence of a Counterparty Bankruptcy Credit Event, the Trustee and/or Calculation Agent, as the case may be, shall be entitled to rely conclusively on such notice and any related Extraordinary Resolution without further investigation.

(h) Redemption following an Illegality Event

The Issuer shall, as soon as is practicable after becoming aware (whether by notice thereof from the Calculation Agent or otherwise) of the occurrence of an Illegality Event (or, in any case, within two Reference Business Days thereof), give an Early Redemption Notice to the Noteholders and each Note in respect of which no Early Redemption Commencement Date or

Early Redemption Date has occurred pursuant to any other Condition, shall become due and payable on the related Early Redemption Date at its Early Redemption Amount (which shall be the only amount payable and there will be no separate payment of any unpaid accrued interest thereon). The date on which such Early Redemption Notice is deemed to have been given shall be an “**Early Redemption Commencement Date**”.

For the avoidance of doubt, none of the Issuer, the Trustee or the Calculation Agent shall be required to monitor, enquire or satisfy itself as to whether any Illegality Event has occurred. Neither the Trustee nor the Calculation Agent shall have any obligation, responsibility or liability for giving or not giving any notice thereof to the Issuer or any Secured Creditor. If the Issuer effectively gives notice to the Trustee and/or the Calculation Agent of the occurrence of an Illegality Event, the Trustee and/or Calculation Agent, as the case may be, shall be entitled to rely on such notice without further investigation.

(i) Redemption following a Reference Rate Event

If, following the occurrence of a Reference Rate Event, the Calculation Agent determines that:

- (i) it cannot identify a Replacement Reference Rate or determine an Adjustment Spread in accordance with Master Condition 9(c) (*Occurrence of a Reference Rate Event*) on or before the Cut-off Date;
- (ii) it (x) is or would be unlawful at any time under any applicable law or regulation or (y) would contravene any applicable licensing requirements, for the Calculation Agent perform the actions prescribed in Master Condition 9(c) (*Occurrence of a Reference Rate Event*) (or it would be unlawful or would contravene those licensing requirements were a determination to be made at such time);
- (iii) an Adjustment Spread is or would be a benchmark, index or other price source whose production, publication, methodology or governance would subject the Calculation Agent to material additional regulatory obligations (such as the obligations for administrators under the EU Benchmark Regulation); or
- (iv) having identified a Replacement Reference Rate and determined an Adjustment Spread on or before the Cut-off Date in accordance with Master Condition 9(c) (*Occurrence of a Reference Rate Event*), the adjustments provided for in Master Condition 9(c) (*Occurrence of a Reference Rate Event*) would not achieve a commercially reasonable result for any of the Calculation Agent, the Issuer or the Noteholders,

then the Calculation Agent shall give notice of such fact to the Issuer (copied to the Issuing and Paying Agent, the Trustee and the Swap Counterparty). The Issuer shall then give an Early Redemption Notice to the Noteholders (which shall describe the relevant determination in paragraphs (i) to (iv) above) as soon as is practicable upon being so notified and each Note of such Series shall become due and payable on the related Early Redemption Date at its Early Redemption Amount, which shall be the only amount payable in respect of such Note (and, for the avoidance of doubt, there will be no separate payment of any unpaid accrued interest thereon). The date on which such Early Redemption Notice is deemed to have been given shall be an “**Early Redemption Commencement Date**”.

(j) Redemption following a Regulatory Event

If “Regulatory Event” is specified as applicable in the Issue Terms in respect of the relevant Series, provided that no Early Redemption Commencement Date or Early Redemption Date

has occurred pursuant to any other Condition in respect of a Note, if the Calculation Agent determines that a Regulatory Event has occurred and gives notice of such determination to the Issuer (copied to the Issuing and Paying Agent, the Trustee and the Swap Counterparty) (the date of such determination being the “**Regulatory Event Determination Date**”), then:

- (i) as soon as reasonably practicable, and in any event within the Early Redemption Notification Period commencing on (and including) the Regulatory Event Determination Date, the Issuer (or the Issuing and Paying Agent, having been supplied by the Issuer or the Calculation Agent with an Early Redemption Notice addressed to the Noteholders, on its behalf) will give an Early Redemption Notice to the Noteholders and attach to that a copy of the notice delivered by the Calculation Agent with respect to the Regulatory Event Determination Date or include the information provided therein;
- (ii) the Regulatory Event Determination Date shall be the “**Early Redemption Commencement Date**”; and
- (iii) each Note shall become due and payable on the related Early Redemption Date at its Early Redemption Amount, irrespective of whether the Regulatory Event is continuing on such date.

For the avoidance of doubt, none of the Issuer, the Trustee or the Calculation Agent shall be required to monitor, enquire or satisfy itself as to whether any Regulatory Event has occurred. Neither the Trustee nor the Calculation Agent shall have any obligation, responsibility or liability for giving or not giving any notice thereof to the Issuer or any Secured Creditor. If the Issuer or the Calculation Agent effectively gives a notice to the Trustee of the occurrence of a Regulatory Event, the Trustee shall be entitled to rely conclusively on such notice without further investigation.

(k) Redemption following an Additional Redemption Event

If “Additional Redemption Event” is specified as applicable in the Issue Terms in respect of the relevant Series, provided that no Early Redemption Commencement Date or Early Redemption Date has occurred pursuant to any other Condition in respect of a Note, the Issuer shall, as soon as is practicable after becoming aware (whether by notice thereof from the Calculation Agent or otherwise) of the occurrence of an Additional Redemption Event (or, in any case, within two Reference Business Days thereof), give an Early Redemption Notice to the Noteholders and each Note to which such Additional Redemption Event relates shall become due and payable on the related Early Redemption Date at its Early Redemption Amount (which shall be the only amount payable and there will be no separate payment of any unpaid accrued interest thereon). The date on which such Early Redemption Notice is deemed to have been given shall be an “**Early Redemption Commencement Date**”.

For the avoidance of doubt, none of the Issuer, the Trustee or the Calculation Agent shall be required to monitor, enquire or satisfy itself as to whether any Additional Redemption Event has occurred. Neither the Trustee nor the Calculation Agent shall have any obligation, responsibility or liability for giving or not giving any notice thereof to the Issuer or any Secured Creditor. If the Issuer effectively gives notice to the Trustee and/or the Calculation Agent of the occurrence of an Additional Redemption Event, the Trustee and/or Calculation Agent, as the case may be, shall be entitled to rely on such notice without further investigation.

(l) **Redemption following the occurrence of an Event of Default**

If any of the following events (each an “**Event of Default**”) occurs, provided that no Early Redemption Commencement Date or Early Redemption Date has occurred pursuant to this or any other Condition in respect of all Notes outstanding (which, for the avoidance of doubt, may have occurred separately pursuant to one or more Master Conditions), the Trustee at its discretion may, and if directed by an Extraordinary Resolution shall (provided that the Trustee shall have been indemnified and/or secured and/or pre-funded to its satisfaction), give an Early Redemption Notice to the Issuer that all but not some only of the Notes in respect of which no Early Redemption Commencement Date or Early Redemption Date has previously occurred pursuant to any other Condition shall become due and payable at the Early Redemption Amount (which shall be the only amount payable and there will be no separate payment of any unpaid accrued interest thereon) on the Early Redemption Date:

- (i) default is made for more than 14 days in the payment of any interest or Instalment Amount in respect of any Notes forming part of the Series, other than any interest or Instalment Amount due and payable on the Maturity Date, and other than where any such default occurs as a result of a Collateral Event, a Note Tax Event, an Original Collateral Tax Event, a Swap Termination Event, a Swap Counterparty Event or a Counterparty Bankruptcy Credit Event;
- (ii) the Issuer does not perform or comply with any one or more of its other obligations under any Notes forming part of the Series or the Trust Deed which default is incapable of remedy or, if in the opinion of the Trustee such default is capable of remedy, is not in the opinion of the Trustee remedied within 30 days after notice of such default shall have been effectively given to the Issuer by the Trustee; or
- (iii) the Company: (1) is dissolved (other than pursuant to a consolidation, amalgamation or merger on terms previously approved in writing by the Trustee or sanctioned by an Extraordinary Resolution); (2) admits in writing in a judicial, regulatory or administrative proceeding or filing its inability generally to pay its debts as they become due; (3) save to the extent contemplated in the Trust Deed, makes a general assignment, arrangement, scheme or composition with or for the benefit of the Noteholders, or such a general assignment, arrangement, scheme or composition becomes effective; (4) institutes or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other similar relief under any bankruptcy or insolvency law or other law affecting creditors’ rights, or a petition is presented for its winding up or liquidation (including, without limitation, any bankruptcy (*faillite*), insolvency, voluntary, forced or judicial liquidation (*liquidation volontaire ou judiciaire ou forcée*), composition with creditors (*concordat préventif de faillite*), reprieve from payment (*sursis de paiement*), controlled management (*gestion contrôlée*), fraudulent conveyance (*actio pauliana*), general settlement with creditors or reorganisation proceedings or similar proceedings affecting the rights of creditors generally) of the Issuer or the Company (as appropriate), and, in the case of any such proceeding or petition instituted or presented against it, such proceeding or petition either results in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for its winding up or liquidation, or is not dismissed, discharged, stayed or restrained in each case within 30 days of the institution or presentation thereof; (5) has a resolution passed for its winding up or liquidation (other than pursuant to a consolidation, amalgamation or merger); (6) seeks or becomes subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other

similar official (including, without limitation, the appointment of an administrator (including, without limitation, any receiver (*curateur*), liquidator (*liquidateur*), auditor (*commissaire*), verifier (*expert-vérificateur*), *juge délégué* or *juge commissaire*), provisional administrator (*administration provisoire*) or any application made or petition lodged or documents filed with the court or administrator in relation to the Issuer or the Company (as appropriate)) for it or for any assets on which the liabilities of the Issuer under the relevant Notes are secured pursuant to the Trust Deed; (7) other than the Trustee (except in circumstances where the Trustee is enforcing the Security pursuant to the Trust Deed) or the Custodian, has a secured party take possession of any assets on which the liabilities of the Issuer under the relevant Notes are secured pursuant to the Trust Deed or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against any assets on which the liabilities of the Issuer under the relevant Notes are secured pursuant to the Trust Deed and such secured party maintains possession, or any such process is not dismissed, discharged, stayed or restrained, in each case within 30 days thereafter; or (8) causes or is subject to any event with respect to it which, under the applicable laws of any jurisdiction, has an analogous effect to any of the events specified in paragraphs (1) to (7).

For the purposes of the Conditions and the Transaction Documents, in relation to any Events of Default, the date on which the related Early Redemption Notice is deemed to be given shall be an “**Early Redemption Commencement Date**”.

The Issuer has undertaken in the Principal Trust Deed that, within ten Business Days of the publication of the Issuer’s annual financial statements in each year and within 14 days of any request from the Trustee, it will send to the Trustee a certificate signed by a Director to the effect that, having made all reasonable enquiries, to the best of the knowledge, information and belief of the Issuer as at a date not more than five days prior to the date of the certificate, no Event of Default or event or circumstance that could with the giving of notice, lapse of time and/or issue of a certificate, become an Event of Default has occurred since the certification date of the last such certificate or (if none) the date of such Principal Trust Deed or, if such an event had occurred, giving details thereof.

(m) Redemption following an Early Redemption Commencement Date in respect of certain Class(es) only

Where the applicable Issue Terms specify that Classes are applicable in respect of a Series:

- (i) if “Independent Class Early Redemption” is not specified as applicable in such Issue Terms, any Early Redemption Notice delivered in respect of one Class of Notes shall be deemed to also apply to the other outstanding Class(es) of Notes and, accordingly, the Early Redemption Commencement Date shall be applicable to all outstanding Classes of Notes notwithstanding that the Early Redemption Commencement Date did not occur in respect of all Classes of Notes (each Class of Notes, a “**Redeeming Class of Notes**”) and all Notes shall be redeemed on the Early Redemption Date by payment to each Noteholder of its Early Cash Redemption Amount; and
- (ii) if “Independent Class Early Redemption” is specified as applicable in such Issue Terms, any Early Redemption Notice delivered in respect of one or more Class(es) of Notes shall apply to such Class(es) of Notes only (each such Class of Notes, a “**Redeeming Class of Notes**”) and not to all outstanding Classes of Notes and each

Redeeming Class of Notes shall be redeemed on its Early Redemption Date by payment to each Noteholder of its Early Cash Redemption Amount.

(n) Redemption of all Classes following an Enforcement Notice in respect of certain Class(es) of Notes only

Where the applicable Issue Terms specify that Classes and “Independent Class Early Redemption” apply in respect of a Series (such that certain Class(es) of Notes can redeem early rather than an Early Redemption Commencement Date applying in respect of all outstanding Classes of Notes) and an Enforcement Notice is delivered in respect of any Redeeming Class of Notes:

- (i) the Issuer (or the Issuing and Paying Agent on its behalf) will, within five Business Days of the receipt of such Enforcement Notice, give an Early Redemption Notice to the Noteholders of all outstanding Classes of Notes of the relevant Series specifying that (i) an Enforcement Notice has been delivered in respect of another Class of Notes, and (ii) accordingly, all other outstanding Classes of such Series (each, a “**Triggered Class of Notes**”) shall redeem early and, as such, the Enforcement Notice delivered in respect of the Redeeming Class of Notes shall be deemed to apply to the Triggered Class of Notes;
- (ii) the date of the Enforcement Notice delivered in respect of the Redeeming Class of Notes shall, for the purposes of each Triggered Class of Notes, be the “**Early Redemption Commencement Date**”;
- (iii) the Early Redemption Amount in respect of each Triggered Class of Notes shall be determined on a Business Day falling within the period of five Business Days commencing on the Early Redemption Commencement Date;
- (iv) each Triggered Note shall become due and payable on the related Early Redemption Date at its Early Cash Redemption Amount; and
- (v) notwithstanding paragraph (iv) above, the Trustee shall enforce all of the Security on the Early Redemption Date subject to and in accordance with Master Condition 14(c) (*Enforcement of Security*), and the Noteholders of the Triggered Notes shall be paid (along with, for the avoidance of doubt, the Noteholders of the Redeeming Notes) in accordance with Master Condition 15(b) (*Application of Available Proceeds of enforcement of Security*).

(o) Definition of Early Redemption Amount

The “**Early Redemption Amount**” means:

- (i) where “**Cash Settlement**” is specified as the Early Redemption Settlement Method or if no method is specified, the Early Cash Redemption Amount; and
- (ii) where “**Noteholder Settlement Option**” is specified as the Early Redemption Settlement Method, each Noteholder may, by depositing not later than the third Business Day following the related Early Redemption Notice (or such other period as may be agreed by the Issuer and the Swap Counterparty) (the “**Settlement Option Cut-off Date**”), the relevant Exercised Notes at the Specified Office of the Paying Agent or Transfer Agent, together with an Exercise Notice, elect whether to receive the Early Cash Redemption Amount or the Physical Redemption Amount, provided that, (i) if no valid election is made as to Early Cash Redemption Amount or Physical

Redemption Amount by a Noteholder by the Settlement Option Cut-off Date, (ii) if the Pre-Conditions to Delivery are not satisfied by such Noteholder on or prior to the Settlement Option Cut-off Date, (iii) the Collateral is not comprised of any Original Collateral on the Settlement Option Cut-off Date, and/or (iv) if the Noteholder Settlement Option has been exercised by a Sole Noteholder and it is not physically or legally permissible to deliver the Original Collateral to such Sole Noteholder, then each Noteholder will be deemed to (a) have elected for Cash Redemption to apply, and (b) to receive the Early Cash Redemption Amount. For the avoidance of doubt, where the Noteholder Settlement Option has been exercised by a Sole Noteholder and such Sole Noteholder is deemed to have elected to receive the Early Cash Redemption Amount, if such Sole Noteholder has paid to the Swap Counterparty an amount equal to any Termination Payment in respect of the Swap Agreement that is payable by the Issuer to the Swap Counterparty (together, if applicable, with any interest payable thereon) pursuant to the Pre-Conditions to Delivery in Master Condition 8(q)(ii) (*Provisions relating to Physical Redemption Amounts*), such amount shall not be deducted from the Early Cash Redemption Amount in accordance with paragraph (ii)(e) of the definition thereof.

(p) Suspension of payments

- (i) If the Calculation Agent determines that facts exist which may (assuming the expiration of any applicable grace period) amount to a Collateral Event, no payment of principal or interest shall be made by the Issuer in respect of the Notes during the period of ten Business Days following such determination (the “**Suspension Period**”) and the Calculation Agent shall give written notice to the Issuer, the Issuing and Paying Agent, the Trustee and the Noteholders of such determination. If, at any time during the Suspension Period, the Calculation Agent determines that a Collateral Event has occurred, then the provisions of Master Condition 8(c) (*Redemption following a Collateral Event*) shall apply. If, on the final Business Day of the Suspension Period, no such determination has been made, then the balance of the principal or interest that would otherwise have been payable in respect of the Notes shall be due on the second Business Day after such final Business Day of the Suspension Period. Noteholders or Couponholders shall not be entitled to a further payment as a consequence of the fact that such payment of such principal or interest is postponed pursuant to this Master Condition 8(p).

Notwithstanding the foregoing, if the Calculation Agent determines that the circumstances giving rise to such potential Collateral Event have been remedied (if possible) or no longer exist prior to the end of the applicable grace period such that no related Collateral Event has occurred and the Calculation Agent shall give written notice to the Issuer, the Issuing and Paying Agent, the Trustee and the Noteholders of such determination, then the Issuer shall make any payments that would otherwise have been payable in respect of the Notes on the second Business Day following the date on which the Calculation Agent makes such determination. In determining whether a payment failure has (or may have) occurred, the Calculation Agent may rely on evidence of non-receipt of funds.

- (ii) If (x) a Reference Rate Event has occurred in respect of a Reference Rate, (y) the Calculation Agent has delivered a Reference Rate Event Notice and (z) the Notes have not yet been redeemed in accordance with Master Condition 8(i) (*Redemption following a Reference Rate Event*):

- (A) If the Calculation Agent has been unable to identify a Replacement Reference Rate and/or determine an Adjustment Spread on or prior to the Cut-off Date, and:
 - (I) a determination is required to be made under the Conditions by reference to the affected Reference Rate (the date on which such determination is required, an “**Interim Reference Rate Calculation Date**”), then no determination shall be made; and
 - (II) a payment is scheduled to be made under the Notes in respect of which the amount payable is dependent on a determination to be made on an Interim Reference Rate Calculation Date, then no payment (or delivery, if applicable) of principal or interest shall be made by the Issuer in respect of the Notes on the scheduled payment date.
- (B) If the Calculation Agent has identified a Replacement Reference Rate and determined an Adjustment Spread in accordance with Master Condition 9(c) (*Occurrence of a Reference Rate Event*) on or prior to the Cut-off Date, then:
 - (I) the Calculation Agent shall make the determinations that were scheduled to have been made on each Interim Reference Rate Calculation Date, assuming that the Replacement Reference Rate, the Adjustment Spread and the Replacement Reference Rate Amendments specified in the Replacement Reference Rate Notice applied in relation to the Interim Reference Rate Calculation Date. If, for whatever reason, the Replacement Reference Rate is not available on any Interim Reference Rate Calculation Date, the relevant determinations shall be made on the immediately following day on which the Replacement Reference Rate is available (which shall be no later than the Cut-off Date); and
 - (II) the balance of the principal or interest that would have been payable in respect of the Notes but for paragraph (I) above shall be due on the second Reference Business Day following the Adjustment Date, but determined in accordance with paragraph (A) above. Noteholders and Couponholders shall not be entitled to a further payment as a consequence of the fact that such payment of such principal or interest is postponed pursuant to this Master Condition 8(p).

(q) Provisions relating to Physical Redemption Amounts

If an obligation under the Notes in respect of a Series (but not a Class thereof) may be satisfied by the payment of a Physical Redemption Amount:

- (i) upon satisfaction of the Pre-Conditions to Delivery the Issuer will cause to be delivered on or as soon as practicable after the date on which such Early Redemption Amount is due, the Physical Redemption Amount for each Note specified in the related Delivery Instruction Certificate, in accordance with the instructions contained therein; and
- (ii) a Noteholder will not be entitled to any Physical Redemption Amount unless (a) it has surrendered the relevant Notes (in the case of Bearer Notes) or the Certificate representing such Notes (in the case of Registered Notes) and delivered a Delivery Instruction Certificate at the Issuing and Paying Agent’s Specified Office, (b) it has paid all costs and expenses (including any stamp or other taxes) payable in connection with the delivery of the Physical Redemption Amount to such Noteholder, (c) it has represented and warranted that delivery of the same to such Noteholder is permitted

by all relevant laws, rules and regulations and the terms of the relevant Remaining Original Collateral, and (d) where such Noteholder is a Sole Noteholder, it has paid into the account of the Swap Counterparty designated in the Swap Agreement the absolute amount of any Termination Payment in respect of the Swap Agreement that is payable by the Issuer to the Swap Counterparty in the Termination Currency (as defined in the Swap Agreement) in freely transferable funds for value within three Business Days of the Early Redemption Commencement Date (the “**Pre-Conditions to Delivery**”), provided that the Calculation Agent (on behalf of the Issuer) may waive the Pre-Conditions to Delivery set out above in paragraphs (b), (c) and/or (d) of this Master Condition 8(q)(ii) and shall bear any cost resulting from such waiver. As receipt for such Note or Certificate, as the case may be, the Issuing and Paying Agent will issue the Noteholder with a stamped, dated copy of such Delivery Instruction Certificate. The records of the Issuing and Paying Agent will be conclusive evidence of any Noteholder’s entitlement to a Physical Redemption Amount provided that the Issuing and Paying Agent shall not be responsible or liable for verifying whether or not the Pre-Conditions to Delivery under paragraph (b), (c) and/or (d) of this Master Condition 8(q)(ii) have been satisfied.

References in the Conditions to satisfaction of obligations by payment of a Physical Redemption Amount shall, in all circumstances, be deemed to include satisfaction of those obligations by delivery of such Physical Redemption Amount.

(r) Physical Redemption Amounts

“**Physical Redemption Amount**” means, in respect of each Note outstanding on the relevant Early Redemption Date (where the Physical Redemption Amount is the Early Redemption Amount) or the Maturity Date (where the Physical Redemption Amount is the Final Redemption Amount), as the case may be, in respect of which a Physical Redemption Amount is payable:

- (i) such Note’s *pro rata* share (amongst only those Notes in respect of which a Physical Redemption Amount is due, each an “**Unrounded Note Entitlement Component**”) of an aggregate nominal amount of each Component Collateral comprising the Remaining Original Collateral that is available for delivery after excluding the Non-Physically Deliverable Collateral (if any) relating to the Notes (the “**Available Deliverable Collateral**”), with each such Unrounded Note Entitlement Component being rounded down to the next tradable unit of such Component Collateral (or zero, as applicable) (each, being a “**Note Entitlement**” and the aggregate nominal amount of any rounding down, being the “**Physical Rounding Component**”), provided that where a Noteholder holds more than one Note in respect of which a Physical Redemption Amount is due;
 - (A) the Calculation Agent shall aggregate the Unrounded Note Entitlement Components in respect of all Notes held by such Noteholder before applying any rounding and shall instead round down such aggregated result to the next tradable unit of such Component Collateral (each, an “**Aggregated Note Entitlement**”); and
 - (B) a single Physical Rounding Component shall apply in respect of each Component Collateral and all of the Notes of such Noteholder;
- (ii) an amount of cash equal to such Note’s *pro rata* share (amongst only those Notes in respect of which a Physical Redemption Amount is due) of the Excess Available Deliverable Collateral Proceeds;

- (iii) an aggregate amount of cash equal to such Note's *pro rata* share (amongst only those Notes in respect of which a Physical Redemption Amount is due) of each Physical Top-Up Portion; and
- (iv) an amount of cash equal to such Note's *pro rata* share (amongst all Notes outstanding on the relevant Early Redemption Date or the Maturity Date) of:
 - (A) the Specified Currency Proceeds; less
 - (B) the Non-Physically Deliverable Collateral Proceeds (if any); less
 - (C) the Excess Available Deliverable Collateral Proceeds (if any); plus
 - (D) any Termination Payment in respect of the Swap Agreement that is payable to the Issuer (together, if applicable, with any interest payable thereon); less
 - (E) any Termination Payment in respect of the Swap Agreement that is payable by the Issuer to the Swap Counterparty (together, if applicable, with any interest payable thereon), save that where the holder of the Note is the Sole Noteholder and has paid to the Swap Counterparty an amount equal to any Termination Payment in respect of the Swap Agreement that is payable by the Issuer to the Swap Counterparty (together, if applicable, with any interest payable thereon) pursuant to the Pre-Conditions to Delivery in Master Condition 8(q)(ii) (*Provisions relating to Physical Redemption Amounts*), such amount shall be deemed to be zero.

(s) Purchases

The Issuer may purchase Notes (provided that all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price. Such Notes may be held, re-issued, resold or, at the option of the relevant Issuer and subject to the consent of the Trustee surrendered to any Paying Agent or the Registrar for cancellation. The consent of the Trustee in such circumstances shall be dependent upon the Issuer satisfying the Trustee that the Issuer has made arrangements for the realisation of no more than the equivalent proportion of the Collateral and/or for the reduction in the notional amount of the Swap Agreement in connection with the proposed purchase of the Notes, which transactions will leave the Issuer with no assets or net liabilities in respect thereof.

(t) Cancellation

All Notes purchased by or on behalf of the Issuer shall be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Receipts and Coupons and all unexchanged Talons to or to the order of the Issuing and Paying Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to or to the order of the Registrar and, in each case, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Receipts and Coupons and all unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

(u) Effect of redemption, purchase and cancellation

Upon any of the Notes being redeemed or purchased and cancelled, Master Conditions 8(a) (*Final Redemption*) to 8(n) (*Redemption of all Classes following an Enforcement Notice in*

respect of certain Class(es) of Notes only) (inclusive) shall no longer apply to such Notes. In addition, and for the avoidance of doubt, Master Conditions 8(c) (*Redemption following a Collateral Event*) to 8(n) (*Redemption of all Classes following an Enforcement Notice in respect of certain Class(es) of Notes only*) (inclusive) shall have no effect on or after the Maturity Date.

9 Calculations and Determinations, Rounding and Business Day Convention

(a) Determination and publication of Rates of Interest, Interest Amounts, any Final Redemption Amount, any Early Redemption Amount and any Instalment Amounts

The Calculation Agent shall, as soon as is practicable on each Interest Determination Date and on each date the Calculation Agent is required to calculate any rate or amount, obtain any quotation or make any determination or calculation under the Conditions or any Transaction Document, as the case may be, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period and Interest Payment Date, calculate the Final Redemption Amount, Early Redemption Amount, Instalment Amount or other amount, obtain such quotation and/or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, any Final Redemption Amount, Early Redemption Amount, Instalment Amount or other amount, to be notified to the Trustee, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange so require, such exchange as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Accrual Period or Interest Period, as the case may be, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount or (ii) in all other cases, the earlier of the date on which any relevant payment is due (if determined prior to such time) and the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Master Condition 9(h) (*Business Day Convention*), the Interest Amount(s) and the Interest Payment Date(s) so published may subsequently be amended (or appropriate alternative arrangements made with the consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period.

If in respect of any due date for redemption, payment of the full amount of principal due for redemption is not made, no publication of the rates determined in accordance with this Master Condition 9(a) to be used in the calculation of any Default Interest need be made unless the Trustee notifies the Calculation Agent to the contrary in writing. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final, conclusive and binding upon all Noteholders, Couponholders, Transaction Parties and all other parties. If the Calculation Agent at any time does not make any determination or calculation or take any action that it is required to do pursuant to the Conditions, it shall forthwith notify the Issuer, the Trustee, the Issuing and Paying Agent and the Swap Counterparty.

(b) Rounding

For the purposes of any calculations required pursuant to the Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 of a percentage point being rounded up to 0.00001) and (y) all currency amounts that fall due and payable shall

be rounded down, if necessary, to the nearest unit of such currency. For these purposes, "unit" means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency (e.g. one cent or one pence).

(c) Occurrence of a Reference Rate Event

If the Calculation Agent determines that a Reference Rate Event has occurred in respect of a Series and gives notice of such determination (including a description in reasonable detail of the facts relevant to such determination and specifying the relevant Administrator/Benchmark Event Date, Specified Date, Additional Specified Date, date on which the Reference Rate is or is scheduled to be no longer available following a Reference Rate Cessation, as the case may be, for such Reference Rate Event) to the Issuer (such notice, the "**Reference Rate Event Notice**"), then:

- (i) promptly upon receiving the Reference Rate Event Notice, the Issuer shall deliver a notice containing the same details to the Trustee, the Swap Counterparty, the Issuing and Paying Agent, the Custodian and, in accordance with Master Condition 22 (*Notices*), the Noteholders;
- (ii) the Calculation Agent shall attempt to identify a Replacement Reference Rate as soon as reasonably practicable;
- (iii) the Calculation Agent shall attempt to determine the Adjustment Spread as soon as reasonably practicable;
- (iv) if the Calculation Agent identifies a Replacement Reference Rate pursuant to paragraph (ii) above and determines an Adjustment Spread pursuant to paragraph (iii) above:
 - (A) with effect from the Adjustment Date, the terms of the Notes shall, without the consent of the Noteholders or the Couponholders but subject to Trustee consent being provided in accordance with paragraph (v) below, be amended so that references to the Reference Rate are replaced by references to the Replacement Reference Rate as adjusted by the Adjustment Spread (provided that the Replacement Reference Rate, after application of the Adjustment Spread, may not be less than zero);
 - (B) with effect from the Adjustment Date, the Calculation Agent shall, without the consent of the Noteholders or the Couponholders but subject to Trustee consent being provided in accordance with paragraph (v) below, make such other adjustments (the "**Replacement Reference Rate Amendments**") to the Conditions (including, but not limited to, any Business Day, Business Day Convention, Day Count Fraction, Default Interest, Interest Determination Date, Interest Amount, Interest Payment Date, Interest Period, Interest Period End Date and Rate of Interest) as it determines necessary or appropriate in order to account for the effect of the replacement of the Reference Rate with the Replacement Reference Rate (as adjusted by the Adjustment Spread) and/or to preserve as nearly as practicable the economic equivalence of the Notes before and after the replacement of the Reference Rate with the Replacement Reference Rate (as adjusted by the Adjustment Spread); and
 - (C) the Calculation Agent shall deliver a notice to the Issuer and the Trustee which specifies any Replacement Reference Rate, Adjustment Spread, Adjustment Date and the specific terms of any Replacement Reference Rate Amendments

(such notice, the “**Replacement Details Notice**”) and, promptly upon receiving the Replacement Details Notice, the Issuer shall deliver a notice containing the same details to the Swap Counterparty, the Issuing and Paying Agent, the Custodian and, in accordance with Master Condition 22 (*Notices*), the Noteholders (such notice, the “**Replacement Reference Rate Notice**”). A Replacement Reference Rate Notice (I) must be delivered at least two London Business Days before the Adjustment Date, (II) shall be irrevocable and (III) shall specify the Adjustment Date;

- (v) promptly upon delivering the Replacement Details Notice, the Calculation Agent shall deliver to the Trustee a certificate (copied to the Issuing and Paying Agent) (such certificate, a “**Replacement Reference Rate Amendments Certificate**”):
- (A) confirming (I) that a Reference Rate Event has occurred, (II) the Replacement Reference Rate, (III) the Adjustment Spread and (IV) the specific terms of any Replacement Reference Rate Amendments, in each case as determined in accordance with the provisions of this Master Condition 9(c); and
 - (B) certifying that the Replacement Reference Rate Amendments are necessary or appropriate in order to account for the effect of the replacement of the Reference Rate with the Replacement Reference Rate (as adjusted by the Adjustment Spread) and/or to preserve as nearly as practicable the economic equivalence of the Notes before and after the replacement of the Reference Rate with the Replacement Reference Rate (as adjusted by the Adjustment Spread).

The Trustee and the Issuing and Paying Agent may rely, without further enquiry and with no liability for so doing, on a Replacement Reference Rate Amendments Certificate.

Upon receipt of a Replacement Reference Rate Amendments Certificate:

- (x) the Trustee shall agree to the Replacement Reference Rate Amendments without seeking the consent of the Noteholders or any other party and concur with the Issuer in effecting the amendments described in this Master Condition 9(c)(v) (including, *inter alia*, by the execution of a deed supplemental to or amending the Trust Deed), provided that the Trustee shall not be required to agree to the Replacement Reference Rate Amendments if, in the opinion of the Trustee (acting reasonably), the Replacement Reference Rate Amendments would (I) expose the Trustee to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (II) impose more onerous obligations upon it or expose it to any additional duties or responsibilities or reduce or amend the protective provisions afforded to the Trustee in the Conditions or any Transaction Document for the Series; and
- (y) each Agent shall have the opportunity to object to the Replacement Reference Rate Amendments if such Replacement Reference Rate Amendments would impose more onerous obligations upon it or expose it to any additional duties or responsibilities or reduce or amend the protective provisions afforded to it in the Conditions or any Transaction Document for the Series; and
- (vi) for the avoidance of doubt, if the Calculation Agent does not identify a Replacement Reference Rate pursuant to paragraph (ii) above or does not determine an Adjustment Spread pursuant to paragraph (iii) above, Master Condition 8(i) (*Redemption following a Reference Rate Event*) shall apply.

None of the Calculation Agent, the Trustee or the Issuing and Paying Agent shall have any duty to monitor, enquire or satisfy itself as to whether any Reference Rate Event has occurred. The Calculation Agent shall not have any obligation to give, nor any responsibility or liability for giving or not giving, any notice to the Issuer that a Reference Rate Event has occurred. If the Noteholders provide the relevant business unit of the Calculation Agent with details of the circumstances which could constitute a Reference Rate Event, the Calculation Agent will consider such notice, but will not be obliged to determine that a Reference Rate Event has occurred solely as a result of receipt of such notice.

Any Replacement Reference Rate, Adjustment Spread and Replacement Reference Rate Amendments will be binding on the Issuer, the Transaction Parties and the Noteholders.

(d) Calculation Agent determination standard

Whenever the Calculation Agent is required to act in any way under Master Condition 9(c) (*Occurrence of a Reference Rate Event*), it will do so in good faith and in a commercially reasonable manner and in accordance with the provisions of the Agency Agreement.

(e) Separate application of fallbacks

If, in respect of a Series, there is more than one Reference Rate, then Master Condition 9(c) (*Occurrence of a Reference Rate Event*) shall apply separately to each such Reference Rate.

(f) Acknowledgement in respect of Reference Rate modification

If, in respect of a Series, the definition, methodology or formula for a Reference Rate, or other means of calculating such Reference Rate, is changed, then, unless otherwise specified in the applicable Issue Terms, references to that Reference Rate shall be to the Reference Rate as changed and Noteholders will not be entitled to any form of compensation as a result of such change or modification.

(g) Determinations and actions

All calculations and determinations of the Calculation Agent and the Disposal Agent, as applicable under the Conditions shall be made in accordance with the terms of the relevant Conditions having regard in each case to the criteria stipulated therein (if any) and (where relevant) on the basis of information provided to or obtained by the employees or officers of the relevant party responsible for making the relevant calculation or determination.

Notwithstanding anything else in the Conditions, where the terms of the Notes provide that the amount payable at maturity is subject to a minimum amount, no modification to the Conditions may be made by the Issuer to reduce the amount so payable to less than the minimum amount. For the avoidance of doubt, the preceding sentence shall not apply in relation to the rights of the Issuer to modify the Conditions pursuant to Master Condition 19 (*Meetings of Noteholders, Modification, Waiver and Substitution*).

All calculations and determinations made or actions taken under the Conditions by the Calculation Agent and the Disposal Agent shall be made or taken in good faith and acting in a commercially reasonable manner. In making any such determinations under the Conditions, the Calculation Agent and the Disposal Agent may take into account such factors as it determines to be appropriate (including, but not limited to, any circumstances or events which it determines has a material effect on any hedging arrangements entered into by the Issuer (and/or its affiliates)) at any time with respect to the Notes. In the case of each determination and action made or taken under the Conditions, the Calculation Agent and the Disposal Agent

shall take into account the effect of such determination on the Notes and consider whether fair treatment of the Noteholders (but not only individual Noteholders) is achieved by such determination in accordance with its applicable regulatory obligations.

Neither the Calculation Agent nor the Disposal Agent assumes any obligation or relationship of agency or trust or of a fiduciary nature for or with any Noteholder, Couponholder or any other Transaction Party. Nothing in the Conditions shall exclude or restrict any duty or liability arising under the regulatory framework applicable to any person authorised by the FCA.

(h) Business Day Convention

If any date referred to in the Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(i) Reference Business Day Convention

If any date referred to in the Conditions that is specified to be subject to adjustment in accordance with a Reference Business Day Convention would otherwise fall on a day that is not a Reference Business Day, then, if the Reference Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Reference Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Reference Business Day and (y) each subsequent such date shall be the last Reference Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Reference Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Reference Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Reference Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Reference Business Day.

10 Payments and Talons

(a) Bearer Notes

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its related Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Master Condition 10(e) (*Unmatured Coupons and Receipts and unexchanged Talons*)) or Coupons (in the case of

interest, save as specified in Master Condition 10(e) (*Unmatured Coupons and Receipts and unexchanged Talons*)), as the case may be, at the Specified Office of any Paying Agent outside the United States by transfer to an account denominated in such currency with a Bank nominated by such holder presenting such Bearer Note, Receipts and/or Coupons, as the case may be. “**Bank**” means a bank in the principal financial centre for such currency or in the case of euro in a city in which banks have access to the TARGET System.

(b) Registered Notes

- (i) Payments of principal (which for the purposes of this Master Condition 10(b) shall include final Instalment Amounts but not other Instalment Amounts) in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the Specified Office of any of the Transfer Agents or of the Registrar and in the manner provided in paragraph (ii) below.
- (ii) Interest (which for the purposes of this Master Condition 10(b) shall include all Instalment Amounts other than final Instalment Amounts) on Registered Notes shall be paid to the person shown on the Register at the close of business on the day before the due date for payment thereof (the “**Record Date**”). Payments of interest on each Registered Note shall be made in the relevant currency by transfer to an account nominated by such person shown in the Register in the relevant currency maintained by the payee with a Bank.
- (iii) Each payment in respect of Registered Notes represented by a Global Certificate will be made to, or to the order of, the person whose name is entered on the Register at the close of business on the Clearing System Business Day immediately prior to the date for payment, where “**Clearing System Business Day**” means Monday to Friday inclusive except 25 December and 1 January.

(c) Payments in the United States

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the Specified Office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with Specified Offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax, legal or regulatory consequence to the Issuer.

(d) Payments subject to fiscal laws

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment. No commission or expenses shall be charged to the Noteholders or the Couponholders in respect of such payments.

(e) Unmatured Coupons and Receipts and unexchanged Talons

- (i) Upon the due date for redemption of any Bearer Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.

- (ii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iii) Upon the due date for redemption of any Bearer Note which is redeemable in instalments, all Receipts relating to such Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iv) Where any Bearer Note that provides that the relative unmatured Receipts and/or Coupons are to become void upon the due date for redemption of these Notes is presented for redemption without all unmatured Receipts, unmatured Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provisions of such indemnity as the Issuer may require.
- (v) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be.
- (vi) Default Interest on any Note shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be.

(f) Talons

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Note, the Talon forming part of such Coupon sheet may be surrendered at the Specified Office of the Issuing and Paying Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Master Condition 18 (*Prescription*)).

(g) Non-Business Days

If any date for payment (other than an Interest Payment Date) in respect of any Note, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. If an Interest Payment Date is not a business day, the holder shall not be entitled to payment nor to any interest or other sum in respect of such postponed payment until the next following business day, except that if the Interest Payment Date would thereby fall into the next calendar month, it shall be brought forward to the immediately preceding business day. In this paragraph, "**business day**" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as "Financial Centres" in the applicable Issue Terms and:

- (i) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or
- (ii) (in the case of a payment in euro) which is a TARGET Business Day.

(h) Suspension of obligations following a Sanctions Event

Notwithstanding Master Condition 8(h) (*Redemption following an Illegality Event*), if the Calculation Agent determines that on any day any Note, Noteholder, the Issuer, the Collateral, the Collateral Obligor, the Trustee, the Arranger, any Agent, the Dealer and/or the Swap Counterparty:

- (i) has become subject to Sanctions; and
- (ii) as a result of such Sanctions, it has become unlawful for any of the above mentioned parties to perform any of their obligations under any of the Transaction Documents (a “**Sanctions Event**”),

the Calculation Agent shall give notice to the Issuer and the Transaction Parties and the Issuer (or the Issuing and Paying Agent on its behalf, having been supplied by the Issuer or the Calculation Agent with the relevant notice shall, following receipt of such notice, to the extent permitted by law, give a notice to the Noteholders of the determination of the Sanctions Event) upon which the affected obligations, including the obligation to make any payments, shall be suspended and remain suspended until the date on which the Calculation Agent notifies the Transaction Parties that it has determined that such Sanctions Event is no longer continuing (such date, the “**Sanctions Event End Date**”).

For as long as a Sanctions Event is continuing, all amounts that would otherwise fall due shall, to the extent permitted by the relevant Sanctions, be treated in such manner as the Calculation Agent determines to be appropriate in the circumstances, which may include payment into a suspense account. No interest shall accrue on any such amounts during such suspension.

On the Calculation Agent Business Day following the Sanctions Event End Date, the Calculation Agent shall determine the principal and/or interest amounts (if any) payable to the relevant Noteholders (taking into account, where relevant, the occurrence and effect of any events during the period in which the Sanctions Event was continuing) and such amounts shall be paid by the Issuer five Calculation Agent Business Days following the Sanctions Event End Date.

For the avoidance of doubt, none of the Issuer, the Trustee nor the Calculation Agent shall be required to monitor, enquire or satisfy itself as to whether any Sanctions Event has occurred. Neither the Trustee nor the Calculation Agent shall have any obligation, responsibility or liability for giving or not giving any notice thereof to the Issuer or any Secured Creditor or be liable for any loss occasioned by the occurrence of a Sanctions Event. If the Issuer or the Calculation Agent effectively gives notice to the Trustee of the occurrence of a Sanctions Event, the Trustee shall be entitled to rely on such notice without further investigation.

11 Agents

(a) Appointment of Agents

The Issuing and Paying Agent, the Paying Agents, the Registrar, the Transfer Agents, the Custodian, the Disposal Agent and the Calculation Agent initially appointed by the Issuer and their respective Specified Offices are listed in the applicable Issue Terms. Subject to the provisions of the Agency Agreement, the Issuing and Paying Agent, the Paying Agents, the Registrar, the Transfer Agents, the Custodian, the Disposal Agent and the Calculation Agent act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time

with the approval of the Trustee (except that the approval of the Trustee shall not be required for the appointment of a replacement Disposal Agent or Calculation Agent where Noteholders direct the Issuer to appoint such replacement pursuant to this Master Condition 11) to vary or terminate the appointment of the Issuing and Paying Agent, any other Paying Agent, the Registrar, any Transfer Agent, the Custodian, the Disposal Agent or the Calculation Agent and to appoint additional or other Paying Agents, Transfer Agents, Custodian(s), Disposal Agent(s), Calculation Agent(s) or such other agents as may be required provided that the Issuer shall at all times maintain (i) an Issuing and Paying Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) a Disposal Agent, (v) a Calculation Agent, (vi) a Custodian, (vii) a Paying Agent having its Specified Office in a major European city and (viii) such other agents as may be required by any other stock exchange on which the Notes may be listed, in each case as approved by the Trustee (subject as provided above).

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in Master Condition 10(c) (*Payments in the United States*).

Notice of any such change or any change of any Specified Office shall promptly be given by the Issuer to the Noteholders in accordance with Master Condition 22 (*Notices*).

(b) Calculation Agent appointment, termination and replacement

If the Calculation Agent fails duly to establish the Rate of Interest for an Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount or Early Redemption Amount or to make any other calculation or determination required of it under the Conditions or the Agency Agreement or any other Transaction Document, as the case may be, or fails to comply with any other material requirement under the Conditions, the Agency Agreement or any other Transaction Document, and in each case such failure has not been remedied within a reasonable period, or a Calculation Agent Bankruptcy Event occurs, then:

- (i) the Issuer shall use reasonable endeavours (provided it has funds available for such purpose) with the prior approval of the Trustee and, provided no Counterparty Bankruptcy Credit Event in relation to the Swap Counterparty or Swap Counterparty Event has occurred, of the Swap Counterparty to appoint a leading bank or financial institution engaged in the interbank market or other appropriate market that is most closely connected with the calculation(s) and/or determination(s) to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place, provided that the terms of such appointment are substantially the same as the terms on which the outgoing Calculation Agent is appointed; or
- (ii) if a Counterparty Bankruptcy Credit Event or Swap Counterparty Event has occurred, and if the Issuer has been directed by an Extraordinary Resolution that the Issuer appoint a replacement Calculation Agent, provided that such replacement is a financial institution of international repute and the terms of such appointment are substantially the same as the terms on which the outgoing Calculation Agent is appointed and to the extent of any difference to such terms, that such terms do not adversely affect the terms on which the Trustee or any other Agent is appointed, without the prior consent of such adversely affected party and the Issuer has been indemnified and/or secured and/or pre-funded to its satisfaction for any initial or ongoing costs, charges, fees and/or expenses the Issuer may incur in connection with

the appointment of a replacement Calculation Agent (whether by one or more Noteholders, a Secured Creditor or any other third party), the Issuer shall use reasonable endeavours (provided it has funds available for such purpose) to appoint the person nominated in such Extraordinary Resolution as calculation agent in respect of the Notes.

(c) Disposal Agent appointment, termination and replacement

If the Disposal Agent fails duly to establish any rate, amount or value required to be determined by it under the Conditions or any Transaction Document or to take the steps required of it under the Conditions or the Agency Agreement or any other Transaction Document to Liquidate the Collateral, as the case may be, or fails to comply with any other material requirement pursuant to the Conditions, the Agency Agreement or any other Transaction Document, or a Disposal Agent Bankruptcy Event occurs, then:

- (i) the Issuer shall use reasonable endeavours (provided it has funds available for such purpose) with the prior written approval of the Trustee and, provided no Counterparty Bankruptcy Credit Event has occurred in relation to the Swap Counterparty, or Swap Counterparty Event has occurred, of the Swap Counterparty to appoint a leading bank or financial institution engaged in the interbank market or other appropriate market to act as such in its place, provided that the terms of such appointment are substantially the same as the terms on which the outgoing Disposal Agent is appointed; or
- (ii) if a Counterparty Bankruptcy Credit Event or Swap Counterparty Event has occurred, and if the Issuer has been directed by an Extraordinary Resolution resolving that the Issuer appoint a replacement Disposal Agent, provided that such replacement is a financial institution of international repute and the terms of such appointment are substantially the same as the terms on which the outgoing Disposal Agent is appointed and to the extent of any difference to such terms, that such terms do not adversely affect the terms on which the Trustee or any other Agent is appointed, without the prior consent of such adversely affected party and the Issuer has been indemnified and/or secured and/or pre-funded to its satisfaction for any initial or on-going costs, charges, fees and/or expenses the Issuer may incur in connection with the appointment of a replacement Disposal Agent (whether by one or more Noteholders, a Secured Creditor or any other third party), the Issuer shall use its reasonable endeavours (provided it has funds available for such purpose) to appoint the person nominated in such Extraordinary Resolution as Disposal Agent in respect of the Notes,

provided that where the appointment of the Disposal Agent is terminated as a result of a Bankruptcy Event in respect of the Company, the Disposal Agent will no longer be required to liquidate the Mortgaged Property. The Mortgaged Property will be realised in the manner determined by the competent bankruptcy officer in the context of the bankruptcy proceedings.

(d) Replacement of Custodian and/or Issuing and Paying Agent upon a Ratings Downgrade

Where the applicable Issue Terms specify that “Ratings Downgrade” is applicable in respect of the Custodian and/or Issuing and Paying Agent, clause 20.6 (*Ratings*) of the Agency Agreement shall apply and the “**Rating Downgrade Triggers**” will, unless otherwise specified in the applicable Issue Terms, be a short-term issuer credit rating higher than or equal to “A-2” by Standard & Poor’s and “P-3” by Moody’s.

12 Taxation

(a) Withholding or deductions on payments in respect of the Notes

Without prejudice to Master Condition 8(d) (*Redemption for taxation reasons*), all payments in respect of the Notes will be made subject to any withholding or deduction for, or on account of, any present or future taxes, duties or charges of whatsoever nature that the Issuer or any Agent is required by applicable law to make. In that event, the Issuer or such Agent shall make such payment after such withholding or deduction has been made and shall account to the relevant authorities for the amount(s) so required to be withheld or deducted. Neither the Issuer nor any Agent will be obliged to make any additional payments to Noteholders in respect of such withholding or deduction. For the purposes of this Master Condition 12(a), any withholding required by an Information Reporting Regime shall be deemed to be required by applicable law.

(b) Provision of information

Each Noteholder, Couponholder and beneficial owner of Notes shall, within 10 London Business Days of the Issuer giving a request in accordance with Master Condition 22 (*Notices*) or receipt of a request from any agent acting on behalf of the Issuer, supply to the Issuer and/or any agent acting on behalf of the Issuer such forms, documentation and other information relating to such Noteholder's, Couponholder's or beneficial owner's status under any Applicable Law (including, without limitation, any Information Reporting Regime) or any agreement entered into by the Issuer pursuant thereto as the Issuer and/or any agent acting on behalf of the Issuer reasonably requests for the purposes of the Issuer's or such agent's compliance with such law or agreement and such Noteholder, Couponholder or beneficial owner shall notify the Issuer and/or any agent acting on behalf of the Issuer (as applicable) reasonably promptly if it becomes aware that any of the forms, documentation or other information provided by such Noteholder, Couponholder or beneficial owner is (or becomes) inaccurate in any material respect; provided, however, that no Noteholder, Couponholder or beneficial owner shall be required to provide any forms, documentation or other information pursuant to this Master Condition 12(b) to the extent that:

- (i) any such form, documentation or other information (or the information required to be provided on such form or documentation) is not reasonably available to such Noteholder, Couponholder or beneficial owner and cannot be obtained by such Noteholder, Couponholder or beneficial owner using reasonable efforts; or
- (ii) doing so would or might in the reasonable opinion of such Noteholder, Couponholder or beneficial owner constitute a breach of any (A) Applicable Law, (B) fiduciary duty or (C) duty of confidentiality,

and, in each case, such Noteholder, Couponholder or beneficial owner promptly provides written notice to the Issuer and/or any agent acting on behalf of the Issuer (as applicable) stating that it is unable to comply with the Issuer's and/or such agent's request and the reason for such inability to comply.

The Issuer and its duly authorised agents and delegates may disclose the forms, documentation and other information provided to the Issuer and/or any agent acting on behalf of the Issuer (as applicable) pursuant to this Master Condition 12(b) to any taxation or other governmental authority.

For the purposes of this Master Condition 12(b), “**Applicable Law**” shall be deemed to include (a) any rule or practice of any Authority by which the Issuer or any agent on behalf of the Issuer is bound or with which it is accustomed to comply, (b) any agreement between any Authorities and (c) any agreement between any Authority and the Issuer or any agent on behalf of the Issuer that is customarily entered into by institutions of a similar nature.

(c) Consequential amendments

Each Noteholder, Couponholder and beneficial owner of the Notes further agrees and consents that, in respect of applicable Information Reporting Regimes, the Issuer may, but is not obliged and owes no duty to any person to, (i) comply with the terms of any intergovernmental agreement between the U.S. and another jurisdiction with respect to FATCA or any legislation implementing such an intergovernmental agreement, (ii) enter into an agreement with the U.S. Internal Revenue Service or (iii) comply with other legislation or agreements under an applicable Information Reporting Regime, in each case, in such form as may be required to avoid the imposition of withholding on payments made to the Issuer, or fines or penalties that would be suffered by the Issuer, under an applicable Information Reporting Regime.

In connection therewith, the Issuer may, without the consent of the Noteholders, the Couponholders or any beneficial owner of the Notes, make such amendments to the Conditions and/or the Transaction Documents (except for the Programme Deed) as it determines necessary to enable the Issuer to enter into, or comply with the terms of, any such agreement or legislation (such amendments, the “**Modifications**”), provided that:

- (i) the Modifications are agreed to by each party to the affected Transaction Documents and the Trustee (in each case, such consent not to be unreasonably withheld or delayed);
- (ii) the Modifications do not require a special quorum resolution; and
- (iii) the Issuer certifies in writing (such certificate, a “**Modifications Certificate**”) to the Trustee and each party to the affected Transaction Documents that the Modifications (I) are necessary to avoid the imposition of withholding on payments made to the Issuer, or fines or penalties that would be suffered by the Issuer, under an applicable Information Reporting Regime and (II) do not require a special quorum resolution.

The Trustee may rely, without further enquiry and with no liability for so doing, on a Modifications Certificate. Upon receipt of a Modifications Certificate, the Trustee shall agree to the Modifications without seeking the consent of the Noteholders, provided that the Trustee shall not be required to agree to the Modifications if, in the opinion of the Trustee (acting reasonably), the Modifications would (x) expose the Trustee to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (y) impose more onerous obligations upon it or expose it to any additional duties or responsibilities or reduce or amend the protective provisions afforded to the Trustee in the Conditions or any Transaction Document for the Series.

13 Liquidation

(a) Liquidation Event

Upon the Issuer becoming aware (whether by notice thereof from the Calculation Agent or otherwise) of the occurrence of a Liquidation Event, it shall provide (or shall procure that the Calculation Agent on its behalf provides) a Liquidation Commencement Notice to the Disposal

Agent, the Custodian and the Trustee thereof as soon as is reasonably practicable, provided that if at such time there is no Disposal Agent, then if a replacement Disposal Agent is appointed pursuant to Master Condition 11 (*Agents*), such notice shall be provided to such replacement Disposal Agent (if any) upon its appointment as Disposal Agent.

Where a Liquidation Commencement Notice is not in respect of all Notes outstanding, it shall specify any relevant Early Redeeming Class(es) of Notes to which it relates.

The Disposal Agent shall not be required to monitor, enquire or satisfy itself as to whether a Liquidation Event has occurred in respect of a Series or a Class thereof, if applicable. Prior to receipt by it of a Liquidation Commencement Notice in respect of a Series or a Class thereof, if applicable, the Disposal Agent may assume that no such event has occurred.

The Trustee shall not be required to monitor, enquire or satisfy itself as to whether any Liquidation Event has occurred or to calculate any Early Redemption Amount and shall have no obligation, responsibility or liability for giving or not giving any notice thereof to the Issuer, the Disposal Agent or any other Secured Creditor. The Trustee shall be entitled to rely on any notice given by the Issuer, the Disposal Agent or any other person on their behalf without further enquiry or investigation and without any liability for so relying. The Disposal Agent shall not be regarded as acting as the agent of the Trustee in any circumstances and the Trustee shall not incur any liability to any person in respect of any acts or omissions or the exercise of any discretion by the Disposal Agent. The Trustee shall have no responsibility or liability for the performance or any failure or delay in the performance by the Disposal Agent under the Agency Agreement or the Conditions in relation to any Series or for the payment of any commissions or expenses charged by it or for any failure by the Disposal Agent to account for the proceeds of any Liquidation of Collateral or Affected Class Collateral, as applicable, in accordance with the Agency Agreement and the Conditions.

The Disposal Agent shall be entitled to rely on a Liquidation Commencement Notice without investigation of whether the relevant Liquidation Event has occurred.

Any Liquidation Commencement Notice delivered by the Issuer or the Trustee shall not be valid and the Disposal Agent shall not take any action in relation thereto if the Disposal Agent has already received (i) a valid Liquidation Commencement Notice in respect of the same or a prior Liquidation Event or (ii) a valid Enforcement Notice from the Trustee.

(b) Liquidation process

Following receipt by it of a valid Liquidation Commencement Notice the Disposal Agent shall on behalf of the Issuer, so far as is practicable in the circumstances and to the extent that the relevant Collateral (or, where applicable, Class Collateral) is outstanding:

- (i) subject to paragraphs (iii) and (iv) below, where the Early Redemption Settlement Method specified in the applicable Issue Terms is (a) "Cash Settlement" and the applicable Issue Terms do not specify that Classes apply or (b) "Noteholder Settlement Option" and all Noteholders have elected or have been deemed to have elected to receive the Early Cash Redemption Amount, effect a Liquidation of the Collateral commencing on the Liquidation Commencement Date with a view to Liquidating all the Collateral on or prior to the Early Valuation Date or the third Reference Business Day prior to the Relevant Payment Date, as applicable, and provided that the Disposal Agent and the Issuer shall have no liability if the Liquidation of all Collateral has not been effected by such date. If the Collateral has not been Liquidated in full by such date, the Disposal Agent shall continue in its attempts to effect a Liquidation of the Collateral until

such time (if any) as it is instructed by the Issuer to the contrary or until it receives a valid Enforcement Notice from the Trustee;

(ii) where the Early Redemption Settlement Method specified in the applicable Issue Terms is “Noteholder Settlement Option” and one or more of the Noteholders has not elected nor been deemed to have elected to receive the Early Cash Redemption Amount, effect a Liquidation of the Collateral commencing on the Liquidation Commencement Date in the following manner:

- (1) first, by Liquidating, as soon as reasonably practicable, an amount of Collateral (other than Original Collateral) sufficient to satisfy the obligations of the Issuer ranking in priority to the Noteholders pursuant to Master Condition 15(a) (*Application of Available Proceeds or Affected Class Collateral Proceeds of Liquidation*);
- (2) secondly, to the extent the proceeds available following a Liquidation under sub-paragraph (1) above are insufficient to satisfy the obligations of the Issuer ranking in priority to the Noteholders pursuant to Master Condition 15(a) (*Application of Available Proceeds or Affected Class Collateral Proceeds of Liquidation*), by Liquidating, as soon as reasonably practicable, an amount of Original Collateral sufficient to satisfy the remainder of such obligations (the amount of Original Collateral comprising Collateral following such Liquidation, the “**Remaining Original Collateral**”);
- (3) thirdly, by Liquidating all Non-Physically Deliverable Collateral together with any Excess Available Deliverable Collateral on or prior to the Early Valuation Date or the third Reference Business Day prior to the Relevant Payment Date, as applicable; and
- (4) fourthly, by liquidating any remaining Collateral other than the Original Collateral comprised in any Physical Redemption Amount payable in respect of one or more of the Notes,

and provided (x), in each case, that the Disposal Agent shall have no liability if the Liquidation of all such Collateral has not been effected by the date or within the times specified above, and (y) if any Collateral that is required to be Liquidated has not been so Liquidated in full by the date or within the times specified above, the Disposal Agent shall continue in its attempts to effect a Liquidation of such Collateral until such time (if any) as it is instructed by the Issuer to the contrary or until receiving a valid Enforcement Notice from the Trustee;

(iii) where the applicable Issue Terms specify that Liquidation Parameters are applicable, for the purpose of paragraph (i) above:

- (1) the Disposal Agent shall seek to Liquidate all of the Collateral as soon as reasonably practicable, and in any event within five Business Days, following the relevant Early Redemption Commencement Date (the “**Target Liquidation Period**”); and
- (2) the Disposal Agent shall request each of five Quotation Dealers to provide its all-in, firm executable bid price (a “**Quotation**”) in the Base Currency to purchase the Collateral on a day within the Target Liquidation Period, and it shall sell the Collateral on such a date to the Quotation Dealer who provides

the highest Quotation, save that where no Quotations are obtained, the Disposal Agent shall determine the value of the Collateral,

and, for the avoidance of doubt, where the Target Liquidation Period and/or the number of Quotations to be obtained differ from those specified above, the relevant Liquidation Parameters shall be set out in the applicable Issue Terms; and

- (iv) for the purpose of paragraphs (i)(a) and (iii) above, if (a) the applicable Issue Terms specify that Classes apply in respect of a Series and (b) a valid Liquidation Commencement Notice relates to one or more Early Redeeming Class(es), then references to effecting a Liquidation of the Collateral shall be treated as being references to a Liquidation of each of the Affected Class Collateral relating to the relevant Early Redeeming Class(es) only, each constituent of which shall, where so required, be rounded up to the nearest tradable unit(s) of Original Collateral (the aggregate nominal amount of such rounding up in respect of the relevant Affected Class Collateral, being the “**Affected Collateral Rounding Component**”).

The Disposal Agent may take such steps as it considers appropriate in order to effect any such Liquidations, including but not limited to selecting the method of Liquidating any Collateral or Affected Class Collateral, as applicable. The Disposal Agent must effect any Liquidation as soon as reasonably practicable within the available timeframe, even where a larger amount could possibly be received in respect of such Collateral if any such Liquidation were to be delayed. Subject to such requirement, the Disposal Agent shall be entitled to effect any Liquidation by way of one or multiple transactions on a single or multiple day(s). In accordance with the terms of the Trust Deed and Master Condition 5(d) (*Disposal Agent's right following Liquidation Event*), following the occurrence of a Liquidation Event and effective delivery of a valid Liquidation Commencement Notice, the Security shall be released without further action on the part of the Trustee to the extent necessary for the Disposal Agent to effect the Liquidation of the Collateral or Affected Class Collateral, as applicable. Nothing in this Master Condition 13(b) or Master Condition 5(d) (*Disposal Agent's right following Liquidation Event*) will operate to release the charges and other security interests over the proceeds of the Liquidation of the Collateral. The Disposal Agent shall not be liable to the Issuer, the Trustee, the Swap Counterparty, the Noteholders, the Couponholders, holders of Receipts or any other person merely because a larger amount could have been received had any such Liquidation been delayed or had the Disposal Agent selected a different method of Liquidating any such Collateral or Affected Class Collateral, as applicable, provided that the Disposal Agent has complied with its duty to act in good faith and a commercially reasonable manner.

In the event that there is more than one Component Collateral, the Disposal Agent shall (i) determine which Component Collateral to Liquidate in order to satisfy its obligations under this Master Condition 13(b), and (ii) not be liable for any such determination or decision or the timing thereof, provided that it has acted in good faith and a commercially reasonable manner.

In determining whether or not to take any action as a result of a determination that a Liquidation Event has occurred, the Disposal Agent (i) shall have complete discretion, (ii) shall have no duty or obligation to the Issuer, any Noteholder, any Couponholder or any other person to take any such action or make any such determination and (iii) shall not be liable for any such determination or decision or the timing thereof, provided that it has acted in good faith and a commercially reasonable manner.

(c) Proceeds of Liquidation

The Disposal Agent shall not be liable:

- (i) to account for anything except actual proceeds of the Collateral received by it (after deduction of the amounts (if any) described in Master Condition 13(d) (*Costs and expenses*)) and which shall, upon receipt, automatically become subject to the Security created by the Trust Deed; or
- (ii) for any taxes, costs, charges, losses, damages, liabilities, fees, commissions or expenses arising from or connected with any Liquidation or from any act or omission in relation to the Collateral or otherwise unless such taxes, costs, charges, losses, damages, liabilities or expenses shall be caused by its own negligence, fraud or wilful default.

In addition, the Disposal Agent shall not be obliged to pay to the Issuer, any Transaction Party, any Noteholder or any Couponholder, interest on any proceeds from any Liquidation held by it at any time.

(d) Costs and expenses

The Issuer acknowledges that in effecting the Liquidation, Liquidation Expenses may be incurred. The Issuer agrees that any such Liquidation Expenses shall be borne by the Issuer and that the Disposal Agent shall only be required to remit the proceeds of such Liquidation net of such Liquidation Expenses. Where the Disposal Agent makes such net remittance to the Issuer but has itself received the relevant payment on a gross basis, the Disposal Agent agrees to apply the relevant amount retained by it in payment of such Liquidation Expense.

“Liquidation Expenses” means (i) any taxes and (ii) any reasonable transaction fees or commissions applicable to such Liquidation, including any brokerage or exchange commissions, provided that such transaction fees or commissions are limited to and no higher than those that would necessarily and routinely be charged by the third party market participant to whom such fees or commissions are payable for a sale transaction of that type to third parties on an arm’s length basis. Save for such reasonable transaction fees or commissions, Liquidation Expenses shall not include any fee charged by, or any other amounts owed to, the Disposal Agent for the performance of its duties specified in, or incidental to, the Conditions (the **“Disposal Agent Fees”**). Such Disposal Agent Fees shall be paid to the Disposal Agent in accordance with Master Condition 15 (*Application of Available Proceeds or Affected Class Collateral Proceeds*).

In addition, the Disposal Agent shall not be obliged to pay to the Issuer, any Transaction Party, any Noteholder or any Couponholder, interest on any proceeds from any Liquidation held by it at any time.

(e) Good faith of Disposal Agent

In effecting any Liquidation, the Disposal Agent shall act in good faith and, subject as provided above and without prejudice to Master Condition 9 (*Calculations and Determinations, Rounding and Business Day Convention*), in respect of any sale, early repayment, early redemption or agreed termination in respect of the Collateral or Affected Class Collateral, as applicable, shall agree a price that it reasonably believes to be representative of or better than the price available in the market for the sale of such Collateral or Affected Class Collateral, as applicable in the appropriate size taking into account the total amount of Collateral or Affected Class Collateral, as applicable to be sold, repaid, redeemed or terminated.

(f) Disposal Agent to use all reasonable care

The Disposal Agent shall use all reasonable care in the performance of its duties but shall not be responsible for any loss or damage suffered by any party as a result thereof save that the Disposal Agent's liability to the Issuer shall not be so limited where the loss or damage results from negligence, wilful default or fraud of the Disposal Agent.

(g) Consultations on legal matters

The Disposal Agent may consult on any legal matter any reputable legal adviser of international standing selected by it, who may be an employee of the Disposal Agent or adviser to the Issuer, and it shall not be liable in respect of anything done or omitted to be done relating to that matter in good faith in accordance with that adviser's opinion.

(h) Reliance on documents

The Disposal Agent shall not be liable in respect of anything done or suffered by it in reliance on a document it reasonably believed to be genuine and to have been signed by the proper parties or on information to which it should properly have regard and which it reasonably believed to be genuine and to have been originated by the proper parties.

(i) Entry into contracts and other transactions

The Disposal Agent may enter into any contracts or any other transactions or arrangements with any of the Issuer, any other Transaction Party, any Noteholder, any Couponholder or any Collateral Obligor or any Affiliate of any of them (whether in relation to the Notes, the Collateral, the Security, an Obligation or any other transaction or obligation whatsoever) and may hold or deal in or be a party to the assets, obligations or agreements of which the relevant Collateral forms a part and other assets, obligations or agreements of any Collateral Obligor in respect of the Collateral. The Disposal Agent shall not be required to disclose any such contract, transaction or arrangement to any Noteholder, any Couponholder or other Transaction Party and shall be in no way accountable to the Issuer or (save as otherwise provided in the Agency Agreement and the Conditions) to any Noteholder, any Couponholder or any other Transaction Party for any profits or benefits arising from any such contract(s), transaction(s) or arrangement(s) and shall resolve any conflict of interest arising out of or in relation thereto in such manner as it deems appropriate, in its discretion.

(j) Illegality

The Disposal Agent shall not be liable to effect a Liquidation of any of the Collateral or Affected Class Collateral, as applicable if it determines, in its discretion, that any such Liquidation of some or all of the Collateral or Affected Class Collateral, as applicable in accordance with this Master Condition 13 (*Liquidation*) would or might require or result in a violation of any applicable law or regulation of the jurisdiction in which the Issuer is domiciled or any other relevant jurisdiction, including any insolvency prohibition or moratorium on the disposal of assets, or that for any other reason it is not possible for it to dispose of the Collateral or Affected Class Collateral, as applicable (even at zero), and the Disposal Agent notifies the Issuer and the Trustee of the same.

(k) Sales to Affiliates

In effecting any Liquidation, the Disposal Agent may sell any Collateral to Affiliates of itself or Affiliates of the Swap Counterparty provided that the Disposal Agent sells at a price that it acting in good faith and a commercially reasonable manner believes to be a fair market price.

(l) Notification of Enforcement Event

Upon the Trustee effectively giving a valid Enforcement Notice to the Disposal Agent following the occurrence of an Enforcement Event, the Disposal Agent shall cease to effect any further Liquidation of any Collateral and shall take no further action to Liquidate any Collateral or Affected Class Collateral, as applicable, save that any transaction entered into in connection with the Liquidation on or prior to the effective date of any such Enforcement Notice shall be settled and the Disposal Agent shall take any steps and actions necessary to settle such transaction and/or which is incidental thereto.

(m) Transfer of Collateral to Custodian

Subject to Master Condition 13(k) (*Sales to Affiliates*) above, in effecting any Liquidation, the Disposal Agent may sell any Collateral or Affected Class Collateral, as applicable to itself (subject to Master Condition 13(l) (*Notification of Enforcement Event*)) or to any of its Affiliates, provided that the price for such Collateral is paid to the Custodian or to the order of the Issuer. The Disposal Agent shall not have the right to transfer the Collateral or Affected Class Collateral, as applicable to itself or to any of its Affiliates other than in connection with a sale thereof to itself or one of its Affiliates, as applicable, and provided that such sale is executed on a delivery versus payment basis.

Notwithstanding the immediately preceding paragraph, if the Disposal Agent has reasonable grounds to believe that a Bankruptcy Event has occurred with respect to the Custodian and it has not received contrary orders from the Issuer it shall make arrangements for any such price for the Collateral or Affected Class Collateral, as applicable to instead be paid to the Issuing and Paying Agent, provided that, if it also has reasonable grounds to believe that a Bankruptcy Event has also occurred with respect to the Issuing and Paying Agent, it shall retain and hold such net proceeds of Liquidation to the order of the Issuer and subject to the Security created by the Trust Deed.

14 Enforcement of Security

(a) Trustee to enforce Security

At any time after the Trustee becomes aware of the occurrence of an Enforcement Event (which may, for the avoidance of doubt, where the relevant Series of Notes comprises Classes, relate to one or more (but not all) Classes of Notes), it may, and if requested by holders of at least one-fifth in nominal amount of the Notes of the relevant Series (or Class thereof) then outstanding, directed by an Extraordinary Resolution, or directed in writing by the Swap Counterparty, shall (provided in each case that the Trustee shall have been indemnified and/or secured and/or pre-funded to its satisfaction and provided that the Trustee has effectively delivered a valid Enforcement Notice to the Issuer, the Custodian and the Disposal Agent) enforce all of the Security constituted by the Trust Deed and/or any other Security Documents (if applicable).

(b) Enforcement Notice

Prior to taking any steps to enforce the Security, the Trustee shall notify the Issuer, the Custodian and any Disposal Agent appointed at that time (such notice being an “**Enforcement Notice**”) that (i) the Trustee intends to enforce the Security constituted by the Trust Deed and/or any other Security Documents (if applicable) and (ii) the Disposal Agent is to cease to effect any further Liquidation of the Collateral (if such Liquidation is taking place) save that any transaction entered into in connection with the Liquidation on or prior to the effective date of

such Enforcement Notice shall be settled and the Disposal Agent shall take any steps and actions necessary to settle such transaction and/or that are incidental thereto.

(c) Enforcement of Security

In order to enforce the Security the Trustee may:

- (i) sell, call in, collect and convert the Mortgaged Property into money in such manner and on such terms as it shall think fit, and the Trustee may, at its discretion, take possession of all or part of the Mortgaged Property over which the Security shall have become enforceable;
- (ii) take such action, step or proceeding against any Collateral Obligor as it deems appropriate but without any liability to the Noteholders or Couponholders or any other Secured Creditor as to the consequence of such action and without having regard to the effect of such action, step or proceeding on individual Noteholders or Couponholders or any other Secured Creditor; and
- (iii) take any such other action or step or enter into any such other proceedings as it deems appropriate (including, without limitation, taking possession of all or any of the Mortgaged Property and/or appointing a receiver) as are permitted under the terms of the Trust Deed and/or any other Security Documents (if applicable) or, for the avoidance of doubt, in connection with the Luxembourg Pledge, any enforcement method permissible under the law of 5 August 2005 on financial collateral arrangements, as amended from time to time.

The Trustee shall not be required to take any action, step or proceeding in relation to the enforcement of the Security without first being indemnified and/or secured and/or pre-funded to its satisfaction.

15 Application of Available Proceeds or Affected Class Collateral Proceeds

(a) Application of Available Proceeds or Affected Class Collateral Proceeds of Liquidation

The Issuer shall, on each Issuer Application Date, apply the Available Proceeds or the Affected Class Collateral Proceeds, as applicable, as they stand on such date as follows:

- (i) first, where immediately prior to the associated termination of the Swap Agreement, the Swap Counterparty's Credit Support Balance (if any, in its capacity as Transferor under the Credit Support Annex) was greater than zero, an amount (as determined by the party responsible for determining such amounts under the Swap Agreement and such amount being a "**CSB Return Amount**") equal to the lesser of (A) the Available Proceeds or Affected Class Collateral Proceeds, as applicable (B) the value of the Swap Counterparty's Credit Support Balance (or the relevant portion thereof where not all outstanding Classes, if applicable, are redeeming) that was used in determining the Early Termination Amount payable under the Swap Agreement and (C) the value of the amounts owing to the Swap Counterparty under the Swap Agreement, if any, which shall be deemed to be zero if no such amounts are owing (the excess of the value defined in (C) above the value defined in (B), if any, the "**Remaining Swap Counterparty Claim Amount**") shall be paid to the Swap Counterparty;
- (ii) secondly, in payment or satisfaction of the Issuer's share of any taxes owing by the Company;

- (iii) thirdly, in payment or satisfaction of any fees, costs, charges, expenses and liabilities of the Trustee under the Trust Deed and the other Transaction Documents (including any taxes required to be paid, legal fees and the Trustee's remuneration);
- (iv) fourthly, *pari passu*, in payment of (I) any amounts owing to the Custodian for reimbursement in respect of payments properly made by it in accordance with the terms of the Agency Agreement relating to sums receivable on or in respect of the relevant Mortgaged Property, (II) any amounts owing to the Issuing and Paying Agent for reimbursement in respect of payments properly made by it in accordance with the terms of the Agency Agreement to any person in discharge of a Secured Payment Obligation and (III) any fees, costs, charges, expenses and liabilities then due and payable to the Agents under the Agency Agreement;
- (v) fifthly, in payment or satisfaction of any Disposal Agent Fees;
- (vi) sixthly, *pari passu* in payment of any amounts owing to the Swap Counterparty under the Swap Agreement (which, to the extent that a CSB Return Amount has been paid to the Swap Counterparty in accordance with Condition 15(a)(i) above, shall be limited to the Remaining Swap Counterparty Claim Amount), provided that where:
 - (1) the Swap Agreement (or any relevant Swap Transactions thereunder) has not been subject to a designation or occurrence of an Early Termination Date; and
 - (2) in addition to amounts owing to the Swap Counterparty under the Swap Agreement there are also amounts that are owed by the Swap Counterparty under the Swap Agreement and which remain unpaid or there are obligations that were required to be settled by delivery from the Swap Counterparty to the Issuer and which have not been so settled,

there shall be no payment to the Swap Counterparty under this limb and no payment to any person ranking junior to the Swap Counterparty under this Master Condition 15(a) until such time as an Early Termination Date has been designated or occurred and the Termination Payment determined;

- (vii) seventhly, in payment or satisfaction of the Issuer's share of Corporate Services Provider Fees owing by the Company;
- (viii) eighthly, *pari passu* in payment of (I) any Early Redemption Amount then due and payable, (II) any Final Redemption Amount then due and payable and/or (III) any interest or Instalment Amount that became due and payable on the Maturity Date and that remains due and payable, as applicable, and, in each case, any interest accrued thereon (which, for the avoidance of doubt, shall include Default Interest) to the holders of Notes (or any Class thereof); and
- (ix) ninthly, in payment rateably of the Residual Amount to the holders of Notes (or any Class thereof),

save that no such application shall be made at any time following an Enforcement Notice having been effectively delivered by the Trustee following the occurrence of an Enforcement Event.

Any Secured Creditor that has a claim in respect of more than one Secured Payment Obligation may rank differently in respect of each Secured Payment Obligation.

If, following the Initial Issuer Application Date, the Issuer receives any sum from the Mortgaged Property, the Issuer shall send a notice to the Trustee, the Issuing and Paying Agent, the Disposal Agent (where there is one) and the Swap Counterparty of the same as soon as is reasonably practicable upon receiving any such sum.

(b) Application of Available Proceeds of enforcement of Security

Subject to and in accordance with the terms of the Security Documents, with effect from the date on which any valid Enforcement Notice is effectively delivered by the Trustee following the occurrence of an Enforcement Event, the Trustee will hold the Available Proceeds received by it under the Trust Deed on trust to apply them as they stand on each Trustee Application Date as follows:

- (i) first, where immediately prior to the associated termination of the Swap Agreement, the Swap Counterparty's Credit Support Balance (if any, in its capacity as Transferor under the Credit Support Annex) was greater than zero, an amount (as determined by the Swap Counterparty or the party responsible for determining such amounts under the Swap Agreement and such amount being a "**CSB Return Amount**") equal to the lesser of (A) the Available Proceeds (B) the value of the Swap Counterparty's Credit Support Balance that was used in determining the Early Termination Amount payable under the Swap Agreement and (C) the value of the amounts owing to the Swap Counterparty under the Swap Agreement, if any, which shall be deemed to be zero if no such amounts are owing (the excess of the value defined in (C) above the value defined in (B), if any, the "**Remaining Swap Counterparty Claim Amount**") shall be paid to the Swap Counterparty;
- (ii) secondly, in payment or satisfaction of the Issuer's share of any taxes owing by the Company;
- (iii) thirdly, in payment or satisfaction of any fees, costs, charges, expenses and liabilities of the Trustee or any receiver in preparing and executing the trusts and carrying out its functions under the Trust Deed and the other Transaction Documents (including any taxes required to be paid, legal fees, the cost of realising any Security and the Trustee's remuneration);
- (iv) fourthly, *pari passu*, in payment of (I) any amounts owing to the Custodian for reimbursement in respect of payments properly made by it in accordance with the terms of the Agency Agreement relating to sums receivable on or in respect of the relevant Collateral, (II) any amounts owing to the Issuing and Paying Agent for reimbursement in respect of payments properly made by it in accordance with the terms of the Agency Agreement to any person in discharge of a Secured Payment Obligation and (III) any fees, costs, charges, expenses and liabilities then due and payable to the Agents under the Agency Agreement;
- (v) fifthly, in payment or satisfaction of any Disposal Agent Fees;
- (vi) sixthly, *pari passu* in payment of any amounts owing to the Swap Counterparty in accordance with this Master Condition 15(b) under the Swap Agreement (which, to the extent that a CSB Return Amount has been paid to the Swap Counterparty, shall be limited to the Remaining Swap Counterparty Claim Amount), provided that where:
 - (1) the Swap Agreement has not been subject to a designation or occurrence of an Early Termination Date; and

- (2) in addition to amounts owing to the Swap Counterparty under the Swap Agreement there are also amounts that are owed by the Swap Counterparty under the Swap Agreement and which remain unpaid or there are obligations that were required to be settled by delivery from the Swap Counterparty to the Issuer and which have not been so settled,

there shall be no payment to the Swap Counterparty under this limb and no payment to any person ranking junior to the Swap Counterparty under this Master Condition 15(b) until such time as an Early Termination Date has been designated or occurred and the Termination Payment determined;

- (vii) seventhly, in payment or satisfaction of the Issuer's share of Corporate Services Provider Fees owing by the Company;
- (viii) eighthly, *pari passu* in payment of (I) any Early Redemption Amount then due and payable, (II) any Final Redemption Amount then due and payable and/or (III) any interest or Instalment Amount that became due and payable on the Maturity Date and that remains due and payable, as applicable, and, in each case, any interest accrued thereon (which, for the avoidance of doubt, shall include Default Interest) to the holders of Notes (or any Class thereof); and
- (ix) ninthly, in payment rateably of the Residual Amount to the holders of Notes (or any Class thereof).

Any Secured Creditor that has a claim in respect of more than one Secured Payment Obligation may rank differently in respect of each Secured Payment Obligation.

If the amount of moneys available to the Trustee for payment in respect of the Notes under this Master Condition 15(b) at any time following delivery by the Trustee of an Enforcement Notice in accordance with the Conditions, other than where the Mortgaged Property has been exhausted, amount to less than 10 per cent. of the nominal amount of the Notes then outstanding, the Trustee shall not be obliged to make any payments under this Master Condition 15(b) and shall, place such amounts on deposit as provided in Master Condition 15(c) (*Deposits*) and shall retain such amounts and accumulate the resulting income until the amounts and the accumulations, together with any other funds for the time being under the Trustee's control and available for such payment, amount to at least 10 per cent. of the nominal amount of the Notes then outstanding and then such amounts and accumulations (after deduction of, or provision for, any applicable taxes and negative interest) shall be applied as specified in this Master Condition 15(b).

(c) Deposits

Moneys held by the Trustee shall be deposited in its name in a non-interest bearing account at such bank or other financial institution as the Trustee may, acting in good faith and in a commercially reasonable manner and in its absolute discretion, think fit. The parties acknowledge and agree that notwithstanding that such account is intended to be a non-interest bearing account in the event that the interest rate in respect of certain currencies is a negative value, the application thereof would result in amounts being debited from funds held by such bank or financial institution ("**negative interest**").

(d) Insufficient proceeds

If, following a Liquidation Event or an Enforcement Event, the available cash sums pursuant to Master Condition 15(a) (*Application of Available Proceeds or Affected Class Collateral*

Proceeds of Liquidation) or 15(b) (*Application of Available Proceeds of enforcement of Security*) or assets available for delivery, as the case may be, are insufficient for the holders of Notes to receive payment in full of (A) any Early Redemption Amount that has become due and payable or deliverable, (B) any Final Redemption Amount that has become due and payable or deliverable and/or (C) any interest or Instalment Amount that has become due and payable on the Maturity Date, as applicable, and, in each case, any interest accrued thereon, the holders of Notes will receive an amount which is less than any such amount, and the provisions of Master Condition 17 (*Limited Recourse and Non-Petition*) will apply.

(e) Foreign exchange conversion

To the extent that any proceeds payable to any party pursuant to this Master Condition 15 are not in the Specified Currency, then such proceeds shall be converted at such rate or rates, in accordance with such method and as at such date as may reasonably be specified by the Disposal Agent (prior to the Trustee enforcing the Security pursuant to the Security Documents and as described in Master Condition 14 (*Enforcement of Security*)) or the Trustee (following the Trustee enforcing the Security pursuant to the Security Documents and as described in Master Condition 14 (*Enforcement of Security*)), but having regard to current rates of exchange, if available. Any rate, method and date so specified shall be binding on the Issuer, the Noteholders, the Couponholders, the Swap Counterparty and the Custodian.

If, on or after the day falling five Reference Business Days after the Maturity Date of the Notes (such fifth Reference Business Day, the “**Maturity Cut-off Date**”):

- (i) there are amounts that have become payable under the Swap Agreement by the Swap Counterparty and which remain unpaid as at the Maturity Cut-off Date or there are obligations that were required to be settled by delivery from the Swap Counterparty to the Issuer on or prior to the Maturity Date and which have not been so settled as at the Maturity Cut-off Date;
- (ii) no Early Termination Date has already been designated or occurred under the Swap Agreement; and
- (iii) no Early Redemption Commencement Date or Early Redemption Date has occurred under any other Condition,

then the Issuer shall, as soon as is practicable after becoming aware of the same, notify the Noteholders in accordance with Master Condition 22 (*Notices*) and the Trustee in writing of the same. Following delivery of such notice from the Issuer, the Issuer shall, if directed by an Extraordinary Resolution, exercise its right to designate an Early Termination Date in respect of all outstanding Swap Transactions under the Swap Agreement.

16 Enforcement of Rights or Security

(a) Notes

Subject always to the terms of the Trust Deed, only the Trustee may pursue the remedies against the Issuer for any breach by the Issuer of the terms of the Trust Deed, the Notes or the Coupons and no Noteholder or Couponholder shall be entitled to proceed directly against the Issuer unless the Trustee, having become bound to proceed in accordance with the terms of the Trust Deed, fails to do so within a reasonable period and such failure is continuing. In respect of any failure by the Issuer to make payment of the Final Redemption Amount and/or any interest or Instalment Amount that became due and payable on the Maturity Date, no

Noteholder, Couponholder or other Secured Creditor may direct the Trustee to pursue any remedies against the Issuer for any breach by the Issuer of the terms of the Trust Deed, the Notes or the Coupons until after the Relevant Payment Date and the Trustee shall have no liability to any person for any loss which may arise from such delay.

(b) Security

Only the Trustee may enforce the Security over the Mortgaged Property in accordance with, and subject to the terms of, the Trust Deed.

(c) Indemnity, Security and/or pre-funding

The Trustee shall in no circumstances be obliged to take any action, step or proceeding whether pursuant to the Trust Deed, any other Security Document or otherwise without first being indemnified and/or secured and/or pre-funded to its satisfaction.

17 Limited Recourse and Non-Petition

(a) General limited recourse

The obligations of the Issuer to pay any amounts due and payable in respect of a Series of Notes and to the other Transaction Parties at any time in respect of a Series shall be limited to the proceeds available out of the Mortgaged Property in respect of such Series at such time to make such payments in accordance with Master Condition 15 (*Application of Available Proceeds or Affected Class Collateral Proceeds*). Notwithstanding anything to the contrary contained herein, or in any Transaction Document, in respect of a Series, the Transaction Parties, the Noteholders and the Couponholders shall have recourse only to the Mortgaged Property in respect of the Series, subject always to the Security, and not to any other assets of the Issuer, or any other assets of any other compartment or any other assets of the Company. If, after (i) the Mortgaged Property in respect of the Series is exhausted (whether following Liquidation or enforcement of the Security or otherwise) and (ii) application of the Available Proceeds or the Affected Class Collateral Proceeds relating to the final outstanding Class(es), as applicable, as provided in Master Condition 15 (*Application of Available Proceeds or Affected Class Collateral Proceeds*), any outstanding claim, debt or liability against the Issuer in relation to the Notes of the Series or the Transaction Documents relating to the Notes of the Series remains unpaid, then such outstanding claim, debt or liability, as the case may be, shall be extinguished and no debt shall be owed by the Issuer in respect thereof. Following extinguishment in accordance with this Master Condition 17(a), none of the Transaction Parties, the Noteholders, the Couponholders or any other person acting on behalf of any of them shall be entitled to take any further steps against the Issuer, or the Company or any of their officers, shareholders, members, incorporators, corporate service providers or directors to recover any further sum in respect of the extinguished claim and no debt shall be owed to any such persons by the Issuer or the Company or any of their officers, shareholders, members, incorporators, corporate service providers or directors in respect of such further sum in respect of the Series.

(b) Non-petition

None of the Transaction Parties (save for the Trustee who may lodge a claim in liquidation of the Company which is initiated by another party or take proceedings to obtain a declaration or judgment as to the obligations of the Issuer), the Noteholders, the Couponholders or any person acting on behalf of any of them may, at any time, institute, or join with any other person in bringing, instituting or joining, insolvency, administration, bankruptcy, winding-up,

examinership or any other similar proceedings (whether court-based or otherwise) in relation to the Issuer, the Company or any of its officers, shareholders, members, incorporators, corporate service providers or directors or any of its assets, and none of them shall have any claim arising with respect to the assets and/or property attributable to any notes other than the Notes issued by the Issuer (save for any further notes which form a single series with the Notes), the Company or Mortgaged Property in respect of a different series or Obligations issued or entered into by the Issuer or the Company or any other assets of the Issuer or the Company (other than the Mortgaged Property in respect of this Series).

(c) Shortfall after application of proceeds

In addition, no Noteholders or Couponholders or any person acting on behalf of them may start proceedings against the Issuer which are based on article 470-21 of the Companies Act 1915.

(d) Corporate obligation

In addition, none of the Transaction Parties, the Noteholders, the Couponholders or any person acting on behalf of any of them shall have any recourse against any director, shareholder, or officer of the Issuer in respect of any obligations, covenant or agreement entered into or made by the Issuer pursuant to the terms of these Conditions, the Trust Deed or any other Transaction Documents.

(e) Survival

The provisions of this Master Condition 17 shall survive notwithstanding any redemption of the Notes of any Series or the termination or expiration of any Transaction Document.

18 Prescription

Claims against the Issuer for payment in respect of the Notes, Receipts and Coupons (which, for this purpose, shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

19 Meetings of Noteholders, Modification, Waiver and Substitution

(a) Meetings of Noteholders

The Trust Deed contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Trust Deed) of a modification of any of the Conditions or any provisions of the Trust Deed and/or any Transaction Document and give authority, direction or sanction required by, *inter alia*, Master Condition 5 (*Security*) or Master Condition 8 (*Redemption and Purchase*) to be given by Extraordinary Resolution. Such a meeting may be convened by Noteholders holding not less than 10 per cent. in nominal amount of the Notes for the time being outstanding of the Relevant Noteholder Proportion, or as provided in Master Condition 8(g) (*Redemption for a Counterparty Bankruptcy Credit Event*). The quorum for any meeting convened to consider an Extraordinary Resolution shall be two or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding of the Relevant Noteholder Proportion, or at any adjourned meeting two or more persons being or representing Noteholders whatever the nominal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes, any Instalment Date or any date for payment of interest

or Interest Amounts on the Notes, (ii) to reduce or cancel the nominal amount of, or any Instalment Amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) to vary any method of, or basis for, calculating the Final Redemption Amount or the Early Redemption Amount, (v) to vary the currency or currencies of payment or the currency or currencies of the denomination of the Notes, (vi) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution, (vii) to modify the provisions of the Trust Deed concerning this exception, (viii) to modify Master Condition 5 (*Security*) or to hold an Extraordinary Resolution for the purposes of Master Condition 5(c) (*Issuer's rights as beneficial owner of Collateral*), (ix) to modify Master Conditions 15 (*Application of Available Proceeds or Affected Class Collateral Proceeds*) or 17 (*Limited Recourse and Non-Petition*) or (x) to modify Master Conditions 8(b) (*Redemption by instalments*) to 8(l) (*Redemption following the occurrence of an Event of Default*), in which case the necessary quorum ("**Special Quorum**") shall be two or more persons holding or representing not less than 75 per cent. or at any adjourned meeting not less than 25 per cent. in nominal amount of the Notes for the time being outstanding of the Relevant Noteholder Proportion in accordance with the Trust Deed. In circumstances in which there is only one Noteholder in respect of all the Notes of the Relevant Noteholder Proportion outstanding, the quorum for all purposes shall be one. Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at or participated in the meeting at which such resolution was passed) and on the holders of Coupons, Receipts and Talons.

The Trust Deed provides that (i) a resolution in writing signed by or on behalf of the holders of not less than 75 per cent. in nominal amount of the Notes outstanding of the Relevant Noteholder Proportion (a "**Written Resolution**") or (ii) where the Notes are held by or on behalf of a clearing system or clearing systems, approval of a resolution proposed by the Issuer or the Trustee (as the case may be) given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) in accordance with their operating rules and procedures by or on behalf of the holders of not less than 75 per cent. in aggregate nominal amount of the Notes then outstanding of the Relevant Noteholder Proportion ("**Electronic Consent**") shall, in each case for all purposes (including matters that would otherwise require an Extraordinary Resolution to be passed at a meeting for which the Special Quorum was satisfied) be as valid and effective as an Extraordinary Resolution of such Relevant Noteholder Proportion passed at a meeting of Noteholders duly convened and held. Such Written Resolution may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders. Such Written Resolution and/or Electronic Consent will be binding on all Noteholders and holders of Coupons, Talons and Receipts whether or not they participated in such Written Resolution or Electronic Consent.

The provisions relating to meetings of noteholders contained in articles 470-1 to 470-19 of the Companies Act 1915 will not apply in respect of the Notes.

For the purposes of this Master Condition 19(a):

- (i) references to a meeting are to a meeting of holders of a single Series of Notes or, where a Series comprises separate Classes, to a meeting of each such Class of Notes, as applicable (save that where the meeting relates to a matter in respect of which more than one Class of Notes is affected, and no conflict of interest would arise between such Classes in respect of Classes thereof (such affected Classes of Notes, the

“**Affected Classes**”), references to a meeting are to a meeting of Noteholders of the Affected Classes); and

- (ii) references to “**Notes**” and “**Noteholders**” are only to the Notes of the Series or to the Notes of a Class or the Affected Classes, as applicable, in respect of which a meeting has been, or is to be, called, and to the holders of such Notes, respectively. With respect to a meeting called in relation to the Notes or Noteholders of a Class (or of the Affected Classes), any reference to Notes or Noteholders of a Series in this Master Condition 19(a) and Schedule 3 (*Provisions for Meetings of Noteholders*) of the Trust Deed shall be deemed to be a reference to the Notes or Noteholders of such Class (or, if applicable, of the Affected Classes).

(b) Modification of the Conditions and/or any Transaction Document

The Trustee (i) may agree, without the consent of the Noteholders or the Couponholders, to any modification of any of the Conditions or any of the provisions of the Transaction Documents that is in its opinion of a formal, minor or technical nature or is made to correct a manifest error and (ii) may agree, without the consent of the Noteholders or the Couponholders, to any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of the Conditions or any of the provisions of the Transaction Documents that is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders. To the extent that any Agent is appointed or replaced pursuant to Master Condition 11(b)(ii) (*Calculation Agent appointment, termination and replacement*) and/or Master Condition 11(c)(ii) (*Disposal Agent appointment, termination and replacement*), the Issuer may make such amendments to the Conditions and/or the Transaction Documents as it determines necessary to reflect such appointment or replacement to which the Trustee shall agree provided that such amendments are not in the opinion of the Trustee materially prejudicial to the interests of the Noteholders, and the Trustee shall sign such documents as may be required to give effect to such amendments. Any such modification, authorisation or waiver as is made or given under this Master Condition 19(b) shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, such modification shall be notified to the Noteholders as soon as is practicable.

(c) Substitution

The Trust Deed contains provisions permitting the Trustee to agree, subject to such amendment of the Trust Deed and such other conditions as the Trustee may require, without the consent of the Noteholders or the Couponholders but subject to the prior written consent of the Swap Counterparty, to the substitution of any other company in place of the Issuer, or of any previous substituted company, as principal debtor under the Trust Deed and the Notes, the Receipts, the Coupons and the Talons, as applicable. Such substitution of the Issuer may be made in circumstances, including but not limited to, where (i) Noteholders would suffer adverse tax consequences if the Issuer was not substituted or (ii) it becomes illegal for the Issuer to perform any of its obligations under the Notes. In the case of such a substitution the Trustee may agree, without the consent of the Noteholders or the Couponholders, to a change of the law governing the Notes, the Receipts, the Coupons, the Talons and/or the Trust Deed and/or any other Transaction Document provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders.

(d) Entitlement of the Trustee

In connection with the exercise of its functions (including but not limited to those referred to in this Master Condition 19) the Trustee shall have regard to the interests of the Noteholders as

a class and shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or otherwise to the tax consequences thereof and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders.

20 Replacement of Notes, Certificates, Receipts, Coupons and Talons

If a Note, Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange or other relevant authority regulations, at the Specified Office of the Issuing and Paying Agent in the applicable Issue Terms (in the case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders in accordance with Master Condition 22 (*Notices*), in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Receipt, Coupon or Talon is subsequently presented for payment, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Note, Certificate, Receipt, Coupon or Talon) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

21 Further Issues

The Issuer may from time to time without the consent of the Noteholders or the Couponholders but subject to Master Condition 6 (*Restrictions*) create and issue further notes or other Obligations either having the same terms and conditions as the Notes of a Series or a Class thereof in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with such Series or a Class thereof of the Notes or upon such terms as the Issuer may determine at the time of their issue. Any such further notes shall only form a single series or class with the Notes (unless otherwise sanctioned by an Extraordinary Resolution) if the Issuer provides additional assets (as security for such further notes) which are fungible with, and have the same proportionate composition as, those forming part of the Mortgaged Property for the Notes and in the same proportion as the proportion that the nominal amount of such new notes bears to the Notes and/or the Issuer enters into an additional or supplemental Swap Agreement extending the terms of any existing Swap Agreement to the new notes on terms no less favourable than such existing documents and agreements, as applicable. Any new notes forming a single series with the Notes shall be constituted and secured by a deed supplemental to the Trust Deed, such further security shall be added to the Mortgaged Property so that the new notes and the existing Notes shall be secured by the same Mortgaged Property (and, for the avoidance of doubt, all the holders of the first and all later Tranches of Notes shall benefit from the Mortgaged Property on a *pari passu* basis) and references in the Conditions to “**Notes**”, “**Original Collateral**”, “**Collateral**”, “**Mortgaged Property**”, the “**Swap Agreement**”, “**Secured Payment Obligations**” and “**Secured Creditor**” shall be construed accordingly. The Trust Deed contains provisions for convening a single meeting of the holders of the Notes and the holders of notes of other specified series in certain circumstances where the Trustee so decides.

22 Notices

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and deemed to have been given on the day it is delivered in the case of recorded delivery and three days (excluding Saturdays and Sundays) in the case of inland post or seven days (excluding Saturdays and Sundays) in the case of overseas post after despatch or if earlier when delivered, save that for the purposes only of determining any Early Redemption Commencement Date the relevant Early Redemption Notice shall be deemed to have been given on the date despatched. Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in Europe and for so long as Notes are listed on a stock exchange, published in accordance with the rules of such stock exchange. If in the opinion of the Trustee any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made, as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Master Condition 22.

In addition, if and for so long as the Notes are listed on a stock exchange, all notices to holders of the Notes will be published in accordance with the rules of such stock exchange.

23 Indemnification and Obligations of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee, for its relief from responsibility including for the exercise of any voting rights in respect of the Collateral and for the validity, sufficiency and enforceability (which the Trustee has not investigated) of the Security created over the Mortgaged Property. The Trustee is not obliged or required to take any step, action or proceeding under the Trust Deed unless indemnified and/or secured and/or pre-funded to its satisfaction. The Trustee and any Affiliate of the Trustee are entitled to enter into business transactions with the Issuer, any Collateral Obligor, the Swap Counterparty or any of their subsidiaries, holding or associated companies without accounting to the Noteholders or Couponholders for profit resulting therefrom.

The Trustee is exempted from liability with respect to any loss or theft or reduction in value of the Collateral, from any obligation to insure or to procure the insuring of the Collateral and from any claim arising from the fact that the Collateral will be held in safe custody by the Custodian or any custodian selected by the Trustee (in each case, if applicable). The Trustee is not responsible for monitoring or supervising the performance by any other person of its obligations to the Issuer and may assume these are being performed unless and until it has actual knowledge to the contrary.

The Trust Deed provides that in acting as Trustee under the Trust Deed the Trustee does not assume any duty or responsibility to the Swap Counterparty, the Disposal Agent, the Custodian, the Calculation Agent or any of the Paying Agents or any other Transaction Party (other than to pay to any of such parties any moneys received and repayable to it and to act in accordance with the provisions of Master Conditions 5 (*Security*) and 15 (*Application of Available Proceeds or Affected Class Collateral Proceeds*)) and shall have regard solely to the interests of the Noteholders.

None of the Trustee nor the Paying Agents shall be required or obliged to monitor or enquire as to whether any event, condition or circumstance which could lead to an early redemption of the Notes exists or has occurred. None of the Trustee nor the Paying Agents shall have any obligation,

responsibility or liability for giving or not giving any notice thereof to the Issuer, the Calculation Agent or any Secured Creditor.

24 Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999, except and to the extent (if any) that the Notes expressly provide for such Act to apply to any of their terms.

25 Governing Law and Jurisdiction

(a) Governing Law

The Trust Deed (save for clauses 5.2 (*Luxembourg Pledge*), 5.6.1(ii), 5.8.2, 5.9 (*Enforcement of Security in respect of the Issuer*) and 5.12.2 thereof), the Notes, the Receipts, the Coupons and the Talons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law. Articles 470-1 to 470-19 of the Companies Act 1915 are excluded.

Clauses 5.2 (*Luxembourg Pledge*), 5.6.1(ii), 5.8.2, 5.9 (*Enforcement of Security in respect of the Issuer*) and 5.12.2 of the Trust Deed and any non-contractual obligations arising out of or in connection therewith shall be governed by Luxembourg law.

(b) Jurisdiction

Apart from clauses 5.2 (*Luxembourg Pledge*), 5.6.1(ii), 5.8.2, 5.9 (*Enforcement of Security in respect of the Issuer*) and 5.12.2 of the Trust Deed (in respect of which the parties irrevocably submit to the exclusive jurisdiction of the courts of the City of Luxembourg (Grand Duchy of Luxembourg) in connection with any disputes arising thereunder), the courts of England are to have exclusive jurisdiction to settle any disputes that may arise out of or in connection with any Notes, Receipts, Coupons or Talons and accordingly any legal action or proceedings arising out of or in connection with any Notes, Receipts, Coupons or Talons ("**Proceedings**") may be brought in such courts. The Issuer has in the Trust Deed irrevocably submitted to the jurisdiction of such courts.

(c) Service of process

The Issuer has irrevocably appointed an agent in England to receive, for it and on its behalf, service of process in any Proceedings in England.

PASS-THROUGH NOTE TERMS PRODUCT SUPPLEMENT

1 Incorporation and Interpretation

(a) Applicable Product Supplement

This Product Supplement is the “**Pass-Through Note Terms Product Supplement**”. If in the applicable Issue Terms the Applicable Product Supplement is specified as the Pass-Through Note Terms Product Supplement the terms and conditions of the Notes shall be the Master Conditions, as amended and supplemented by the additional conditions set out in this Pass-Through Note Terms Product Supplement (the “**Additional Conditions**”) and the Alternative Drawdown Document.

Other than with respect to Master Condition 17 (*Limited Recourse and Non-Petition*) and to the extent relevant Master Condition 9(g) (*Determinations and actions*), to the extent of any inconsistency between (a) the Master Conditions and the Additional Conditions, the Additional Conditions will prevail; and (b) between the Additional Conditions and the applicable Issue Terms, the Issue Terms will prevail.

(b) Defined terms

Capitalised terms used but not defined in this Pass-Through Note Terms Product Supplement shall have the meaning given to them in the Master Conditions or the applicable Issue Terms. In the event of any inconsistency, the Issue Terms shall prevail over the Master Conditions.

2 Additional Provisions

(a) Interest

On the day falling the number of Reference Business Days specified in the applicable Issue Terms after each date on which interest is due and payable to the Issuer in respect of the Original Collateral in accordance with the terms and conditions thereof (subject to adjustment in accordance with any business day convention specified in the terms and conditions of the Original Collateral) (each such date, an “**Interest Payment Date**”) or, if no Number of Reference Business Days is specified in the applicable Issue Terms, the day falling two Reference Business Days after each date on which interest is due and payable to the Issuer in respect of the Original Collateral in accordance with the terms and conditions thereof (subject to adjustment in accordance with any business day convention specified in the terms and conditions of the Original Collateral), an amount shall be payable in respect of each Note (an “**Interest Amount**”) equal to (i) such Note’s pro rata share of the aggregate interest amount due and payable to the Issuer in respect of the Original Collateral held by or on behalf of the Issuer the Number of Reference Business Day prior to such Interest Payment Date specified in the applicable Issue Terms or, if not so specified, two Reference Business Days prior to such Interest Payment Date minus (ii) any “**Pass-Through Fee Amount**”, being an amount specified in the applicable Issue Terms.

(b) Early redemption

- (i) Master Conditions 8(c) (*Redemption following a Collateral Event*) and 8(e) (*Redemption following a Trigger Event*) shall not apply to the Notes.
- (ii) Provided that no Early Redemption Commencement Date or Early Redemption Date has occurred pursuant to any other Master Condition, the Issuer shall, as soon as is

reasonably practicable after becoming aware (whether by notice thereof from the Calculation Agent or otherwise) of the occurrence of a Pass-Through Notes Event (or, in any case, within two Reference Business Days thereof), give an Early Redemption Notice to the Noteholders and each Note shall become due and payable on the related Early Redemption Date at its Early Redemption Amount (which shall be the only amount payable and there will be no separate payment of any unpaid accrued interest thereon). The date on which such Early Redemption Notice is deemed to have been given shall be an **“Early Redemption Commencement Date”**.

For the avoidance of doubt, none of the Issuer, the Trustee or the Calculation Agent shall be required to monitor, enquire or satisfy itself as to whether any Pass-Through Notes Event has occurred. Neither the Trustee nor the Calculation Agent shall have any obligation, responsibility or liability for giving or not giving any notice thereof to the Issuer. If the Issuer effectively gives a notice to the Trustee and/or the Calculation Agent of the occurrence of a Pass-Through Notes Event, the Trustee and/or Calculation Agent, as the case may be, shall be entitled to rely absolutely on such notice without further investigation.

For such purposes:

- (I) a **“Pass-Through Notes Event”** will occur if any Original Collateral becomes payable or repayable, or becomes capable of being declared due and payable or repayable, prior to its stated date of maturity for whatever reason or there is a payment default in respect of any of the Original Collateral in accordance with its terms and conditions;
- (II) this Additional Condition 2(b)(ii) shall be deemed to constitute part of Master Condition 8 (*Redemption and Purchase*) for the purposes of the definition of Early Redemption Notice and such definition shall be construed so as to also refer to this Additional Condition 2(b)(ii) immediately after the reference to Master Condition 8(l) (*Redemption following the occurrence of an Event of Default*) therein;
- (III) Master Condition 8(u) (*Effect of redemption, purchase and cancellation*) shall be construed so as to also refer to this Additional Condition 2(b)(ii) immediately after the reference to Master Condition 8(l) (*Redemption following the occurrence of an Event of Default*) in both the first and second sentence thereof; and
- (IV) the Early Redemption Amount shall be the Early Cash Redemption Amount.

(c) Final Redemption

- (i) The **“Final Redemption Amount”** in respect of a Note to which these Additional Conditions apply shall, unless otherwise specified in the applicable Issue Terms, be an amount equal to the outstanding nominal amount of such Note as determined by the Calculation Agent.
- (ii) The **“Maturity Date”** in respect of a Note to which these Additional Conditions apply shall, unless otherwise specified in the applicable Issue Terms, be the date falling two Reference Business Days following the stated maturity date of the Original Collateral.

(d) Swap Agreement

Unless specified in the applicable Issue Terms, no Swap Agreement will be entered into between the parties in relation to the Notes.

CLN CONDITIONS PRODUCT SUPPLEMENT

1 Incorporation and Interpretation

(a) Applicable Product Supplement

This Product Supplement is the “**CLN Conditions Product Supplement**”. If, in the applicable Issue Terms, the CLN Conditions Product Supplement is specified as an applicable Product Supplement:

- (i) the Notes shall be “Credit Linked Notes”;
- (ii) the terms and conditions of the Credit Linked Notes shall be the Master Conditions, as amended and supplemented by the additional conditions comprising this CLN Conditions Product Supplement (the “**Additional CLN Conditions**”), as further amended and supplemented by the applicable Issue Terms;
- (iii) in connection with the relevant Series, the Issuer and the Swap Counterparty shall enter into a credit default swap (the “**CDS**”); and
- (iv) the redemption of the Credit Linked Notes following the occurrence of a Credit Event pursuant to Additional CLN Condition 2(a) (*Redemption following the occurrence of a Credit Event*) shall be an “Additional Redemption Event” for the purposes of Master Condition 8(k) (*Redemption following an Additional Redemption Event*).

This CLN Conditions Product Supplement shall not apply to Notes issued by way of Final Terms.

In connection with the relevant Series, the Issuer and the Swap Counterparty may also enter into one or more interest rate swap transaction(s) and/or cross-currency swap transaction(s) and/or other swap transaction(s) (each, a “**Related Swap**”).

(b) Defined Terms

Certain terms are defined in Additional CLN Condition 16 (*Definitions*). Capitalised terms used but not defined in this CLN Conditions Product Supplement shall have the meanings given to them in the Master Conditions or the applicable Issue Terms.

Other than with respect to Master Condition 17 (*Limited Recourse and Non-Petition*) and to the extent relevant Master Condition 9(g) (*Determinations and actions*), to the extent of any inconsistency between: (i) the Master Conditions and the Additional CLN Conditions, the Additional CLN Conditions will prevail; (ii) the Master Conditions and the applicable Issue Terms, the Issue Terms will prevail and (iii) the Additional CLN Conditions and the applicable Issue Terms, the Issue Terms will prevail.

(c) Issue Terms

The applicable Issue Terms shall, amongst other things, specify the following:

- (i) each Reference Entity and whether “Standard Reference Obligation” is applicable in respect of such Reference Entity (and, where it is applicable but no Standard Reference Obligation has been published on or prior to the Trade Date, the Reference Obligation that shall comprise the Original Non-Standard Reference Obligation) or the Reference Obligation if “Standard Reference Obligation” is not applicable thereto;

- (ii) in respect of each Reference Entity, the applicable “Transaction Type” for the purposes of the application of the Physical Settlement Matrix;
- (iii) the CLN Type, which shall be one of Single Name CLN, First-to-Default Basket CLN, Linear Basket CLN or Index Linked CLN;
- (iv) the Credit Event Settlement Method, which shall be either “Auction Redemption” or “Fixed Recovery Redemption”; and
- (v) the applicable Restructuring Election (if any), which shall be one of “Mod R” or “Mod Mod R”.

(d) Classes

Where the applicable Issue Terms specify that Classes apply in respect of a particular Series, all references herein to:

- (i) “Credit Linked Notes” shall also refer to the Notes of each of the Classes of the Credit Linked Notes (or, where applicable, Notes of the relevant Class(es));
- (ii) “Series” shall also refer to each of the Classes of the Credit Linked Notes (or, where applicable, the relevant Class(es)); and
- (iii) “Collateral” or “Original Collateral” shall also refer to “Class Collateral”,

in each case, as the context requires.

2 Redemption of Credit Linked Notes

(a) Redemption following the occurrence of a Credit Event

Provided that no Early Redemption Commencement Date has occurred pursuant to any other Condition as a result of which a Credit Linked Note has been redeemed in full and such Credit Linked Note has not been purchased and cancelled as provided for in Master Condition 8 (*Redemption and Purchase*), if a relevant Event Determination Date has occurred with respect to any Reference Entity, the Issuer will redeem the Applicable Proportion of each such Credit Linked Note as follows:

- (i) if Auction Redemption is the applicable Credit Event Settlement Method, the Applicable Proportion of the Credit Linked Note shall be redeemed by payment of the Early Cash Redemption Amount on the Early Redemption Date in accordance with Additional CLN Condition 6 (*Auction Redemption Terms*);
- (ii) if Auction Redemption is not possible pursuant to sub-paragraphs (i) or (ii) of Additional CLN Condition 6(b) (*Fallback Redemption*), Cash Redemption shall be applicable and the Applicable Proportion of the Credit Linked Note shall be redeemed by payment of the Early Cash Redemption Amount on the Early Redemption Date in accordance with Additional CLN Condition 7 (*Cash Redemption Terms*); or
- (iii) if Fixed Recovery Redemption is the applicable Credit Event Settlement Method, the Applicable Proportion of the Credit Linked Note shall be redeemed by payment of the Early Cash Redemption Amount on the Early Redemption Date in accordance with Additional CLN Condition 10 (*Fixed Recovery Redemption Terms*),

in each case subject to Additional CLN Condition 9 (*Effect of DC Announcements*).

If a Collateral Event has occurred and on or prior to the related Early Redemption Date a Credit Event has occurred within the Notice Delivery Period, the Applicable Proportion of the Notes will be redeemed pursuant to this Additional CLN Condition 2(a) and the portion of the remaining outstanding Notes required to be redeemed as a result of the relevant Collateral Event will be redeemed pursuant to Master Condition 8(c) (*Redemption following a Collateral Event*).

Upon discharge by the Issuer of its payment obligations on the Early Redemption Date (or, if the relevant Early Cash Redemption Amount is zero, upon the occurrence of the Early Redemption Date) pursuant to Additional CLN Condition 6 (*Auction Redemption Terms*), 7 (*Cash Redemption Terms*) or 10 (*Fixed Recovery Redemption Terms*), as applicable, or as otherwise provided herein, the Issuer's obligations in respect of the Applicable Proportion of the Credit Linked Note shall be discharged in full.

(b) Credit Event Notice and Notice of Publicly Available Information

- (i) If a Credit Event Notice and, if applicable, a Notice of Publicly Available Information is required to be delivered for an Event Determination Date to occur, the Swap Counterparty may deliver a Credit Event Notice and, if applicable, a Notice of Publicly Available Information to the Issuer (copied to the Calculation Agent, the Issuing and Paying Agent, the Disposal Agent and the Trustee) and the Issuer (or the Issuing and Paying Agent, having been supplied by the Issuer or the Calculation Agent with an Early Redemption Notice addressed to the Noteholders, on its behalf) will, as soon as reasonably practicable and in any event within five Reference Business Days after the date on which the Credit Event Notice is delivered, give an Early Redemption Notice (attaching a copy of the Credit Event Notice and, if applicable, the Notice of Publicly Available Information or including equivalent information therein) to the Noteholders (the date of such Early Redemption Notice being the "**Early Redemption Commencement Date**") in accordance with Master Condition 22 (*Notices*), provided that failure by the Issuer or the Issuing and Paying Agent to deliver a copy of such Credit Event Notice and/or such Notice of Publicly Available Information to the Noteholders shall not affect the effectiveness of the Credit Event Notice and/or the Notice of Publicly Available Information or the Early Redemption Notice, or the rights of the Issuer to redeem the Credit Linked Notes.
- (ii) If a Credit Event Notice is not required to be delivered in order for an Event Determination Date to occur, then the Calculation Agent shall give written notice as soon as reasonably practicable and in any event within five Reference Business Days of it becoming aware of an applicable Event Determination Date, containing the same information required to be included in a Credit Event Notice to the Issuer (copied to the Issuing and Paying Agent, the Swap Counterparty, the Disposal Agent and the Trustee) and the Issuer (or the Issuing and Paying Agent, having been supplied by the Issuer or the Calculation Agent with an Early Redemption Notice addressed to the Noteholders, on its behalf) will give an Early Redemption Notice (attaching a copy of such notice given by the Calculation Agent to the Issuer) to the Noteholders (the date of such Early Redemption Notice being the "**Early Redemption Commencement Date**") in accordance with Master Condition 22 (*Notices*), provided that any failure to give such notice to the Noteholders shall not affect any determinations made by the Calculation Agent or the rights of the Issuer to redeem the Applicable Proportion of the Credit Linked Notes.

- (iii) For the avoidance of doubt, none of the Issuer, the Trustee, the Swap Counterparty or the Calculation Agent shall be required to monitor, enquire or satisfy itself as to whether any Credit Event has, or may have, occurred or may be continuing. Neither the Trustee nor the Calculation Agent shall have any obligation, responsibility or liability for giving or not giving any notice thereof to the Issuer or any Secured Creditor or be liable for any loss occasioned by the occurrence of a Credit Event. If the Trustee receives notice from the Issuer, the Calculation Agent or the Swap Counterparty of the occurrence of a Credit Event, the Trustee shall be entitled to rely on such notice without further investigation.
- (iv) Further, none of the Issuer or any Transaction Party (including the Swap Counterparty and the Calculation Agent) will have any liability whatsoever if the Swap Counterparty for any reason does not determine that a Credit Event has occurred, or with respect to the Swap Counterparty's timing as to when to deliver a Credit Event Notice (or any such other notice required to be delivered by the Swap Counterparty or the Calculation Agent to the Issuer or any other party, or by the Issuer to the Noteholders in accordance with these Additional CLN Conditions, including a Notice of Publicly Available Information).

(c) Relevant time

- (i) Subject to sub-paragraph (ii) of this Additional CLN Condition 2(c), in order to determine the day on which an event occurs for purposes of these Additional CLN Conditions, the demarcation of days shall be made by reference to Greenwich Mean Time (or Tokyo time if the Calculation Agent determines that Tokyo time is the market convention with respect to the relevant Reference Entity), irrespective of the time zone in which such event occurred. Any event occurring at midnight shall be deemed to have occurred immediately prior to midnight.
- (ii) Notwithstanding the definition of "Credit Event Notice" and sub-paragraph (i) of this Additional CLN Condition 2(c), if a payment is not made by the Reference Entity on its due date or, as the case may be, on the final day of the relevant Grace Period, then such failure to make a payment shall be deemed to have occurred on such day prior to midnight Greenwich Mean Time (or Tokyo time if the Calculation Agent determines that Tokyo time is the market convention with respect to the relevant Reference Entity), irrespective of the time zone of its place of payment.

(d) Redemption other than following the occurrence of a Credit Event

If an Early Redemption Commencement Date has occurred pursuant to any other Condition (and not, for the avoidance of doubt, following the occurrence of a Credit Event in accordance with the Additional Redemption Event specified in Additional CLN Condition 2(a) (*Redemption following the occurrence of a Credit Event*)), each Credit Linked Note outstanding shall be redeemed by payment of the Early Redemption Amount on the Early Redemption Date in accordance with the Master Conditions, save that for such purposes the definition of "Early Cash Redemption Amount" in Master Condition 1(a) (*Definitions*) shall not apply and sub-paragraph (b) of the definition of "Early Cash Redemption Amount" set out in Additional CLN Condition 16 (*Definitions*) shall apply instead.

3 Interest on Credit Linked Notes

(a) Accrual of Interest

Provided that a relevant Event Determination Date has not occurred in respect of a Reference Entity during the Notice Delivery Period and on or prior to the Scheduled Maturity Date and no Early Redemption Date has occurred pursuant to any other Condition, then, subject to Additional CLN Condition 3(b) (*Suspension of Interest*), interest (if any) shall accrue on each outstanding Credit Linked Note in accordance with Master Condition 7 (*Interest*) (as completed by the relevant Issue Terms).

(b) Suspension of Interest

Subject to Additional CLN Conditions 3(c) (*Payment of Suspended Interest*) and 3(d) (*Payment of Interest – M(M)R Restructuring Credit Event*), if (A) an Applicable DC Credit Event Question is made on or prior to any Interest Payment Date in respect of which a DC Resolution has not been published (a “**Suspended Interest Payment Date**”) or (B) the Calculation Agent determines that facts exist which may amount to a Credit Event, the payment of interest (if any) in respect of the Applicable Proportion of each Credit Linked Note scheduled to be paid to Noteholders on or about such Interest Payment Date will be suspended.

(c) Payment of Suspended Interest

- (i) If, in connection with an Applicable DC Credit Event Question, either (A) an Applicable DC Credit Event Announcement is made but the Calculation Agent determines that the Event Determination Date relating thereto is a date falling after such Suspended Interest Payment Date, or (B) an Applicable DC No Credit Event Announcement or an Applicable DC Credit Event Question Dismissal is made, or (C) the Calculation Agent determines that the circumstances giving rise to such potential Credit Event have been remedied (if possible) or no longer exist such that no related Event Determination Date has occurred, payment of the suspended interest will be made five Reference Business Days after the date the Event Determination Date is so determined, the date of the Applicable DC No Credit Event Announcement or Applicable DC Credit Event Question Dismissal, or the date on which the Calculation Agent makes such determination, as applicable.
- (ii) If, in connection with an Applicable DC Credit Event Question, an Applicable DC Credit Event Announcement is made and that the Event Determination Date relating thereto is a date falling on or prior to such Suspended Interest Payment Date, no payment of the suspended interest will be made and the accrual of interest prior to such Interest Payment Date will be determined in accordance with Additional CLN Condition 3(e) (*Accrual of Interest on Credit Event*).
- (iii) No additional amount in respect of interest and no adjustment shall be made to the amount of any interest in connection with the delay or postponement of any payment of interest pursuant to Additional CLN Condition 3(b) (*Suspension of Interest*) above. The Calculation Agent shall endeavour to give notice to the Noteholders, the Trustee, the Issuing and Paying Agent and the Issuer in accordance with Master Condition 22 (*Notices*) as soon as reasonably practicable should any payment of interest be suspended and/or postponed pursuant to this Additional CLN Condition 3.

(d) Payment of Interest – M(M)R Restructuring Credit Event

If, in connection with an Applicable DC Credit Event Question, an Applicable DC Credit Event Announcement is made and the Credit Event is an M(M)R Restructuring Credit Event:

- (i) save for the portion of suspended interest relating to the Applicable Proportion of the Credit Linked Notes, payment of the remaining portion (if any) of suspended interest will be made five Reference Business Days after the date on which the relevant Credit Event Notice is delivered; and
- (ii) payment of the portion of suspended interest relating to the Applicable Proportion of the Notes will not be made and the accrual of interest relating to the Applicable Proportion of the Notes prior to such Interest Payment Date will be determined in accordance with Additional CLN Condition 3(e) (*Accrual of Interest on Credit Event*).

(e) Accrual of Interest on Credit Event

If a relevant Event Determination Date has occurred in respect of a Reference Entity during the Notice Delivery Period but prior to the Scheduled Maturity Date then, notwithstanding anything to the contrary in Master Condition 7 (*Interest*), interest shall be deemed to have ceased to accrue on the Applicable Proportion of each Credit Linked Note from and including the immediately preceding Interest Payment Date (or, if no such immediately preceding Interest Payment Date, the Interest Commencement Date).

For the avoidance of doubt, interest (if any) shall, in the case of Linear Basket CLNs, Index Linked CLNs or Credit Linked Notes to which an M(M)R Restructuring applies, continue to accrue on the remaining portion of each Credit Linked Note then outstanding (if any).

(f) Adjustment Payment

If, in accordance with the provisions above, following the determination by a Credit Derivatives Determinations Committee that an Event Determination Date has occurred, ISDA publicly announces that the relevant Credit Derivatives Determinations Committee has resolved that such Event Determination Date occurred on a date that is different from the date first determined to be the Event Determination Date or not to have occurred, or an Event Determination Date is determined to have occurred prior to a preceding Interest Payment Date, the Calculation Agent will determine, acting in a commercially reasonable manner, any additional amount payable to the Noteholder(s) to reflect any scheduled payment that would have been due on the basis of such announcement but was not paid in respect of the Notes or any reduction in any subsequent amount that would otherwise subsequently be payable to the Noteholders to reflect any payment that was paid but would not have been due on the basis of such announcement in respect of the Notes. For the avoidance of doubt, no accruals of interest shall be taken into account when calculating any such adjustment payment.

4 Maturity Date Extension

- (a) Where the Calculation Agent considers that, on or prior to the Scheduled Maturity Date, one or more Reference Entities is or may be subject to (i) a Credit Event, (ii) if “Grace Period Extension” is specified as being applicable in the relevant Issue Terms, a Potential Failure to Pay or, (iii) if “Repudiation/Moratorium” is specified as being applicable in the relevant Issue Terms, a Potential Repudiation/Moratorium, it shall notify the Issuer two Business Days prior to the Scheduled Maturity Date (with a copy to the Swap Counterparty and the Issuing and

Paying Agent) that each Credit Linked Note then outstanding shall not be redeemed on the Scheduled Maturity Date but shall be redeemed instead on the Extended Maturity Date, and the Issuer (or the Issuing and Paying Agent, having been supplied by the Issuer or the Calculation Agent with a notice addressed to the Noteholders), will give an equivalent notice to the Noteholders.

- (b) If any amount is payable on the Scheduled Maturity Date of a Credit Linked Note to which the provisions of Additional CLN Condition 4(a) apply, such amount shall fall due on the Extended Maturity Date and shall be payable (i) where the applicable Issue Terms specify that Postponement Interest is applicable, with interest accrued on the unpaid amount payable at the relevant Postponement Rate (as specified in the applicable Issue Terms) and (ii) where the applicable Issue Terms specify that Postponement Interest is not applicable, without any interest or other sum payable in respect of the postponement of the payment of such amount.

5 Exercise Amounts in respect of M(M)R Restructuring

(a) M(M)R Restructuring Credit Event

Where a relevant Event Determination Date occurs as a result of an M(M)R Restructuring, then:

- (i) the Swap Counterparty may elect under the CDS the nominal amount of the Credit Linked Notes to which such M(M)R Restructuring applies (the amount so specified, the “**Exercise Amount**”), which Exercise Amount must be (A) an amount that is at least 1,000,000 units of the Specified Currency (or, if Japanese Yen, 100,000,000 units) and an integral multiple thereof, provided that it cannot exceed either (i) in the case of Single Name CLNs or First-to-Default Basket CLNs, the Aggregate Nominal Amount of the Credit Linked Notes immediately prior to the delivery of the Credit Event Notice or (ii) in the case of Linear Basket CLNs or Index Linked CLNs, the then prevailing Reference Entity Outstanding Amount or (B) the then prevailing Reference Entity Outstanding Amount, in each case immediately prior to the delivery of the Credit Event Notice;
- (ii) if the Swap Counterparty does not specify an Exercise Amount, then (i) in the case of Single Name CLNs or First-to-Default Basket CLNs, the outstanding Aggregate Nominal Amount of the Credit Linked Notes will be deemed to have been specified as the Exercise Amount or (ii) in the case of Linear Basket CLNs or Index Linked CLNs, the relevant Reference Entity Notional Amount outstanding in respect of the affected Reference Entity, and not a portion thereof, will be deemed to have been specified as the Exercise Amount; and
- (iii) accordingly, notwithstanding anything to the contrary in these Additional CLN Conditions, where an M(M)R Restructuring Credit Event has occurred and the Swap Counterparty has elected an Exercise Amount that is less than the Reference Entity Notional Amount outstanding in respect of the affected Reference Entity (in the case of Linear Basket CLNs or Index Linked CLNs) or the outstanding Aggregate Nominal Amount of the Credit Linked Notes (in the case of Single Name CLNs or First-to-Default Basket CLNs) as at the date immediately prior to the relevant Event Determination Date, the provisions of these Additional CLN Conditions shall be deemed to apply to a nominal amount of the Credit Linked Notes equal to the Exercise Amount only and all the provisions shall be construed accordingly.

If the Swap Counterparty has notified the Issuer within three Reference Business Days of the initial relevant Event Determination Date of an Exercise Amount that is less than the relevant Reference Entity Notional Amount outstanding in respect of the affected Reference Entity, then the Swap Counterparty may subsequently specify one or more Exercise Amounts in respect of such M(M)R Restructuring Credit Event by giving notice to the Issuer (copied to the Issuing and Paying Agent and the Calculation Agent) at any time prior to the Maturity Date. In such circumstances, the Swap Counterparty's notice shall be deemed to have been a Credit Event Notice that has triggered a relevant Event Determination Date on the date of delivery.

(b) Partial Redemption in respect of M(M)R Restructuring

If, in respect of an M(M)R Restructuring, the Swap Counterparty has elected an Exercise Amount in relation to a Reference Entity that is less than the outstanding Aggregate Nominal Amount of the Credit Linked Notes (in the case of Single Name CLNs and First-to-Default Basket CLNs) or the relevant Reference Entity Notional Amount (in the case of Linear Basket CLNs and Index Linked CLNs) then:

- (i) the relevant provisions of Additional CLN Condition 6 (*Auction Redemption Terms*) or 7 (*Cash Redemption Terms*) or Additional CLN Condition 10 (*Fixed Recovery Redemption Terms*) relating to redemption of Credit Linked Notes shall apply to the Exercise Amount, including for the purposes of calculating the Early Cash Redemption Amount;
- (ii) following any payment of an Early Cash Redemption Amount or any other determination made in respect of any Exercise Amount, the Reference Entity Notional Amount for the relevant Reference Entity shall be reduced by an amount equal to the Exercise Amount (and, for the avoidance of doubt, where there is more than one Reference Entity the aggregate of the Reference Entity Notional Amounts comprising the Aggregate Nominal Amount of the Series shall be reduced accordingly). An amount of Credit Linked Notes equal (in aggregate) to the relevant Reference Entity Notional Amount, as reduced to account for such Exercise Amount, shall remain outstanding (the "**Reference Entity Outstanding Amount**") and the Swap Counterparty may thereafter deliver one or more further notices electing another Exercise Amount in respect of such Reference Entity (which shall be deemed to be Credit Event Notices) in respect of such Reference Entity Outstanding Amount; and
- (iii) the Calculation Agent may adjust the provisions of these Additional CLN Conditions and/or the relevant Issue Terms in such manner as it may determine to be appropriate to account for such event, including the basis of the calculation of any Early Cash Redemption Amount.

(c) Subsequent Credit Events

For the avoidance of doubt, (i) in the case of a First-to-Default Basket CLN, once an M(M)R Restructuring has occurred in respect of a Reference Entity, no further Credit Event Notices may be delivered in respect of any Reference Entity other than the Reference Entity that was the subject of the first occurring Restructuring Credit Event; and (ii) in the case of a Linear Basket CLN and an Index Linked CLN, the fact that a Restructuring Credit Event has occurred in respect of a Reference Entity shall not preclude delivery of a Credit Event Notice in respect of any other Reference Entity.

If the provisions of this Additional CLN Condition 5 apply in respect of the Credit Linked Notes, on any redemption of part of each such Credit Linked Note, the relevant Credit Linked Note or, if the Credit Linked Notes are represented by a Global Note, such Global Note, shall be endorsed to reflect such redemption in part.

6 Auction Redemption Terms

(a) Redemption of Credit Linked Notes where Auction Redemption applies

Notwithstanding anything to the contrary in Master Condition 8 (*Redemption and Purchase*) and provided that no Early Redemption Commencement Date has occurred pursuant to any other Condition as a result of which a Credit Linked Note has, or is in the process of being, redeemed in full and such Credit Linked Note has not been purchased and cancelled as provided for in Master Condition 8 (*Redemption and Purchase*), if a relevant Event Determination Date has occurred with respect to any Reference Entity and “Auction Redemption” is applicable, then, following the occurrence of an Early Redemption Commencement Date:

- (i) the Credit Event Loss Amount and the Affected Swap Value will be determined as soon as reasonably practicable, and in any event within five Reference Business Days following the Auction Final Price Determination Date (the date upon which the Credit Event Loss Amount and the Affected Swap Value have been determined being the “**Credit Event Valuation Date**”);
- (ii) the Disposal Agent shall effect a Liquidation of an amount of the Collateral (or, where the relevant Issue Terms specify that Classes apply, the relevant Class Collateral) equal to the Applicable Proportion as soon as reasonably practicable, and in any event within five Reference Business Days following the Auction Final Price Determination Date in accordance with Additional CLN Condition 8 (*Liquidation and Early Redemption*); and
- (iii) the Issuer shall redeem:
 - (A) in the case of Single Name CLNs or First-to-Default Basket CLNs, each Credit Linked Note in whole on the relevant Early Redemption Date at its Early Cash Redemption Amount; or
 - (B) if the Credit Linked Notes are Linear Basket CLNs or Index Linked CLNs, (1) a portion of the principal amount of each Credit Linked Note equal to the Applicable Proportion (determined by reference to the Reference Entity Notional Amount of the Reference Entity in respect of which the Credit Event occurred) on the relevant Early Redemption Date at the Early Cash Redemption Amount and (2) the remaining portion of each Credit Linked Note at its Final Redemption Amount on the Scheduled Maturity Date; or
 - (C) if the Credit Event is an M(M)R Restructuring Credit Event, (1) a portion of the principal amount of each Credit Linked Note equal to the Applicable Proportion (determined by reference to the Exercise Amount specified in the Credit Event Notice relating to the relevant Credit Event) on the relevant Early Redemption Date at the Early Cash Redemption Amount and (2) the remaining portion of each Credit Linked Note at its Final Redemption Amount on the Scheduled Maturity Date (save that if another Credit Event Notice is delivered in respect of the Credit Linked Notes, such further Applicable Proportion of the Credit Linked

Notes determined by reference to the Exercise Amount specified in the additional Credit Event Notice shall be redeemed in accordance with these Additional CLN Conditions),

in each case irrespective of whether the relevant Credit Event is continuing.

Payment by the Issuer of the Early Cash Redemption Amount shall fully and effectively discharge the Issuer's obligation to redeem the Applicable Proportion of the relevant Credit Linked Note.

(b) Fallback Redemption

Without prejudice to the foregoing, but without duplication of settlement, if the Calculation Agent determines:

- (i) except where the Swap Counterparty exercises the Movement Option on or prior to the Movement Option Cut-off Date pursuant to Additional CLN Condition 6(c) (*Movement Option*), that with respect to a Credit Event, no Applicable Auction is being, or will be, held; or
- (ii) with respect to a Credit Event and any relevant Applicable DC Credit Event Question, Applicable Resolution and/or Applicable Auction, that (A) an Auction Cancellation Date has occurred, (B) a No Auction Announcement Date has occurred (and, in circumstances where such No Auction Announcement Date occurs pursuant to sub-paragraph (b) or sub-paragraph (c)(ii) under the definition of "No Auction Announcement Date", the Swap Counterparty has not exercised the Movement Option), (C) a DC Credit Event Question Dismissal occurs or (D) no Credit Event Resolution Request Date has occurred on or prior to the date falling three Reference Business Days after such relevant Event Determination Date,

then Cash Redemption shall apply and the Issuer shall redeem each Credit Linked Note in accordance with Additional CLN Condition 7 (*Cash Redemption Terms*).

(c) Movement Option

If "Mod R" or "Mod Mod R" is specified in the relevant Issue Terms, a No Auction Announcement Date has occurred pursuant to sub-paragraph (b) of the definition of "No Auction Announcement Date", and the Swap Counterparty at any time on or prior to the Movement Option Cut-off Date, provides notice of such exercise of the Movement Option to the Issuer (copied to the Issuing and Paying Agent and the Calculation Agent) (who shall (or the Issuing and Paying Agent shall, having been supplied by the Issuer or the Calculation Agent with a notice addressed to the Noteholders, on its behalf) send an equivalent notice to the Noteholders) then, provided that the related Event Determination Date is not reversed on or prior to the relevant Early Redemption Date, redemption of the Applicable Proportion of Credit Linked Notes, shall take place by payment by the Issuer of the Early Cash Redemption Amount on the Early Redemption Date, for which purposes the Early Cash Redemption Amount and the Early Redemption Date shall be determined by reference to the relevant Parallel Auction identified by the Swap Counterparty. If the Swap Counterparty exercises the Movement Option, all references in these Additional CLN Conditions to "Applicable Auction", "Applicable Auction Credit Derivatives Settlement Terms", "Auction Cancellation Date" and "Auction Final Price Determination Date" shall be deemed to be references to the "Parallel Auction", "Parallel

Auction Settlement Terms” and “Parallel Auction Cancellation Date” and the terms of these Additional CLN Conditions shall be construed accordingly.

(d) Auction Final Price of the Asset Package

If an Asset Package Credit Event has occurred and the Auction Final Price for the Applicable Auction reflects the entire relevant Asset Package in respect of the Prior Deliverable Obligation(s) or Package Observable Bond(s) (as applicable) (including any cash forming part of the Asset Package and the Asset Market Value of any Non-Financial Instrument or Non-Transferable Instrument), the Early Cash Redemption Amount shall be determined using the Auction Final Price. If the Calculation Agent determines that the Auction Final Price does not reflect the price of the entire relevant Asset Package, as determined above, the Calculation Agent shall make such adjustment to the Auction Final Price and/or the Early Cash Redemption Amount as it deems necessary to reflect the value of the Asset Package and to preserve the economic effects of the terms of the Credit Linked Notes and for such purposes the Calculation Agent may take into account any method of determining the Asset Market Value of any Asset that is a Non-Transferable Instrument or a Non-Financial Instrument forming part of the Asset Package but that has not been taken into in the Auction Final Price that may be published by the DC Secretary.

7 Cash Redemption Terms

(a) Redemption of Credit Linked Notes where Cash Redemption applies

Notwithstanding anything to the contrary in Master Condition 8 (*Redemption and Purchase*) and provided that no Early Redemption Commencement Date has occurred pursuant to any other Condition as a result of which a Credit Linked Note has, or is in the process of being, redeemed in full and such Credit Linked Note has not been purchased and cancelled as provided for in Master Condition 8 (*Redemption and Purchase*), and subject to Additional CLN Condition 9 (*Effect of DC Announcements*), if (i) a relevant Event Determination Date has occurred with respect to any Reference Entity, and (ii) Auction Redemption does not apply pursuant to Additional CLN Condition 6(b) (*Fallback Redemption*) then Cash Redemption shall apply and following the occurrence of an Early Redemption Commencement Date:

- (i) the Calculation Agent shall determine (A) the Value of the Valuation Obligations in accordance with Additional CLN Condition 7(b) (*Determination of the Value of the Valuation Obligations*), (B) the Credit Event Loss Amount and (C) the Affected Swap Value as soon as reasonably practicable, and in any event within five Reference Business Days following the Valuation Obligation Valuation Date (the date upon which the Credit Event Loss Amount and the Affected Swap Value have been determined being the “**CDS Cash Redemption Valuation Date**”);
- (ii) the Disposal Agent shall effect a Liquidation of an amount of the Collateral (or, where the relevant Issue Terms specify that Classes apply, the relevant Class Collateral) equal to the Applicable Proportion as soon as reasonably practicable and in any event within five Reference Business Days following the Valuation Obligation Valuation Date in accordance with Additional CLN Condition 8 (*Liquidation and Early Redemption*); and
- (iii) the Issuer shall redeem:

- (A) in the case of Single Name CLNs and First-to-Default Basket CLNs, each Credit Linked Note in whole on the relevant Early Redemption Date at the Early Cash Redemption Amount; or
- (B) in the case of Linear Basket CLNs or Index Linked CLNs, (1) a portion of the principal amount of each Credit Linked Note equal to the Applicable Proportion (determined by reference to the Reference Entity Notional Amount of the Reference Entity in respect of which the Credit Event occurred) on the relevant Early Redemption Date at the Early Cash Redemption Amount and (2) the remaining portion of each Credit Linked Note at its Final Redemption Amount on the Scheduled Maturity Date; or
- (C) if the Credit Event is an M(M)R Restructuring Credit Event, (1) a portion of the principal amount of each Credit Linked Note equal to the Applicable Proportion (determined by reference to the Exercise Amount specified in the Credit Event Notice relating to the relevant Credit Event) on the relevant Early Redemption Date at the Early Cash Redemption Amount and (2) the remaining portion of each Credit Linked Note at its Final Redemption Amount on the Scheduled Maturity Date (save that if another Credit Event Notice is delivered in respect of the Credit Linked Notes, such further Applicable Proportion of the Credit Linked Notes determined by reference to the Exercise Amount specified in the additional Credit Event Notice shall be redeemed in accordance with these Additional CLN Conditions),

in each case irrespective of whether the relevant Credit Event is continuing.

Payment by the Issuer of the Early Cash Redemption Amount shall fully and effectively discharge the Issuer's obligation to redeem the Applicable Proportion of the relevant Credit Linked Note.

(b) Determination of the Value of the Valuation Obligations

- (i) The Value of the Valuation Obligations will be determined by the Calculation Agent within 120 Reference Business Days of the relevant Event Determination Date (unless otherwise specified in the relevant Issue Terms), the date of such determination being the **"Valuation Obligation Valuation Date"**.
- (ii) If:
 - (A) "Include Accrued Interest" is specified in the relevant Issue Terms, the Outstanding Principal Balance of the Valuation Obligations shall include accrued but unpaid interest;
 - (B) "Exclude Accrued Interest" is specified in the relevant Issue Terms, the Outstanding Principal Balance of the Valuation Obligations shall not include accrued but unpaid interest; or
 - (C) neither "Include Accrued Interest" nor "Exclude Accrued Interest" is specified in the relevant Issue Terms, the Calculation Agent shall determine, based on the then current market practice in the market of the Valuation Obligation whether the Outstanding Principal Balance of the Valuation Obligation shall include or exclude accrued but unpaid interest and, if applicable, the amount thereof.

- (iii) The Calculation Agent shall, as soon as reasonably practicable after determining the Value of the Valuation Obligations, notify the Issuer, the Swap Counterparty, the Disposal Agent and the Issuing and Paying Agent in writing of (A) the Valuation Obligations of the Reference Entity which the Calculation Agent has used to calculate the Value of the Valuation Obligations, and (B) the Value of the Valuation Obligations and the Issuer (or the Issuing and Paying Agent, having been supplied by the Issuer or the Calculation Agent with a notice addressed to the Noteholders, on its behalf) will deliver a copy of such notice to the Noteholders in accordance with Master Condition 22 (*Notices*) (provided that any failure to give such notice to the Noteholders shall not affect any determination made by the Calculation Agent or the rights of the Issuer to redeem the Applicable Proportion of the Credit Linked Notes).
- (iv) If an Asset Package Credit Event has occurred, (A) valuation of a Prior Deliverable Obligation or Package Observable Bond specified in the notice to the Trustee may be satisfied by valuation of the related Asset Package and such Asset Package shall be treated as having the same currency and Outstanding Principal Balance as that of the Prior Deliverable Obligation or Package Observable Bond, as applicable, to which it corresponds immediately prior to the Asset Package Credit Event, (B) if the Asset Package is zero, a Quotation shall be deemed to have been obtained for the Outstanding Principal Balance of the Prior Deliverable Obligation or Package Observable Bond (as applicable) equal to zero, and (C) for any other Asset Package the Calculation Agent shall determine the value of the Asset Package and a Quotation shall be deemed to have been obtained for such valuation provided that the Calculation Agent may obtain Quotations for some or all of the components of the Asset Package and/or take account of any method of determining the Asset Market Value of any Asset that is a Non-Transferable Instrument or a Non-Financial Instrument that may be published by the DC Secretary.

8 Liquidation and Early Redemption

Following the occurrence of a relevant Event Determination Date and an Early Redemption Commencement Date in respect of a Series (or, where the relevant Issue Terms specify that Classes apply, a Class), for the purposes of determining the Early Cash Redemption Amount payable on the relevant Early Redemption Date and redeeming such Notes the following shall apply:

- (a) the Disposal Agent shall effect a Liquidation of an amount of the Collateral (or, where the relevant Issue Terms specify that Classes apply, the relevant Class Collateral) equal to the Applicable Proportion in accordance with Master Condition 13(b) (*Liquidation process*), but for this purpose:
 - (i) the Disposal Agent shall seek to Liquidate an amount of the Collateral (or, where the relevant Issue Terms specify that Classes apply, the relevant Class Collateral) equal to the Applicable Proportion as soon as reasonably practicable, and in any event within five Reference Business Days following the Auction Final Price Determination Date or the Valuation Obligation Valuation Date, as the case may be (the “**Credit Liquidation Period**”); and
 - (ii) the Disposal Agent shall request each of five Quotation Dealers to provide its all-in, firm executable bid price (a “**Collateral Quotation**”) in the Base Currency to purchase an amount of the Collateral (or, where the relevant Issue Terms specify that Classes apply,

the relevant Class Collateral) equal to the Applicable Proportion on a day within the Credit Liquidation Period, and it shall sell such amount of Collateral on such a date to the Quotation Dealer who provides the highest Collateral Quotation, save that where no Quotations are obtained, the Disposal Agent shall determine the fair market value of the Collateral (or, where the relevant Issue Terms specify that Classes apply, the relevant Class Collateral) equal to the Applicable Proportion,

and for the avoidance of doubt, where the Credit Liquidation Period and/or number of Quotations to be obtained differ from those specified above, the relevant Credit Liquidation Period and/or number of Quotations to be obtained shall be set out in the applicable Issue Terms;

- (b) the Calculation Agent shall determine the Affected Swap Value as soon as reasonably practicable, and in any event on a day within the Credit Liquidation Period;
- (c) if the applicable Issue Terms specify that Classes apply, in respect of a Class of Credit Linked Notes for which the Specified Currency is not the Base Currency, the Disposal Agent shall make arrangements for the Issuer to convert the relevant Early Cash Redemption Amount, into the Specified Currency at the spot foreign exchange rate prevailing at 5:00 p.m. London time (or such other time as is specified in the applicable Issue Terms) on the relevant Credit Event Valuation Date or CDS Cash Redemption Valuation Date, as applicable, for sale of the relevant non-Specified Currency and purchase of the Specified Currency; and
- (d) following such Liquidation and, where applicable, conversion into the Specified Currency in accordance with the foregoing sub-paragraphs of this Additional CLN Condition 8, the Disposal Agent shall transfer such realised monies to the relevant Cash Accounts (as defined in the Agency Agreement) of the Issuer held with the Custodian not later than one Business Day prior to the date on which the Issuer is to make any payment to the Noteholders or Swap Counterparty.

9 Effect of DC Announcements

(a) Reversal of DC Credit Event Announcement

If an Event Determination Date is subsequently reversed prior to the relevant Auction Final Price Determination Date, a Valuation Obligation Valuation Date, an Early Redemption Date or the Scheduled Maturity Date, a Credit Event shall be deemed not to have occurred with respect to the Reference Entity for the purposes of these Additional CLN Conditions.

(b) Linear Basket CLNs and Index Linked CLNs

Where the Credit Linked Notes are Linear Basket CLNs or Index Linked CLNs, an Event Determination Date may occur in respect of each Reference Entity specified in the relevant Issue Terms provided that, other than in respect of an M(M)R Restructuring, an Event Determination Date shall apply only once to each such Reference Entity.

(c) Redemption Suspension

If, following the occurrence of a relevant Event Determination Date but prior to the relevant Early Redemption Date or, to the extent applicable, an Auction Final Price Determination Date or a Valuation Obligation Valuation Date in respect of a Reference Entity, there is an Applicable DC Credit Event Meeting Announcement, all timing requirements in these Additional CLN Conditions that pertain to settlement shall toll and remain suspended until the date of the

Applicable DC Credit Event Announcement or Applicable DC Credit Event Question Dismissal, as applicable. During such suspension period, the Issuer is not obliged to take any action in connection with the settlement of such Credit Event or the redemption, if any, of the Credit Linked Notes. Once the relevant DC Credit Event Announcement or DC Credit Event Question Dismissal has occurred, the relevant timing requirements that pertain to settlement that have previously tolled or been suspended shall resume on the Reference Business Day following such public announcement by the DC Secretary with the Issuer having the benefit of the full day notwithstanding when the tolling or suspension began. The Calculation Agent shall deliver to the Issuer, and the Issuer (or the Issuing and Paying Agent, having been supplied by the Issuer or the Calculation Agent with a notice addressed to the Noteholders, on its behalf) shall deliver a notice in accordance with Master Condition 22 (*Notices*) to the Noteholders giving notice of any suspension or resumption of timing requirements pursuant to this Additional CLN Condition 9.

10 Fixed Recovery Redemption Terms

(a) Redemption at the Fixed Recovery Redemption Amount

Subject to Additional CLN Condition 9 (*Effect of DC Announcements*), if a relevant Event Determination Date has occurred with respect to any Reference Entity and “Fixed Recovery Redemption” is specified as the Credit Event Settlement Method in the relevant Issue Terms, provided that no Early Redemption Commencement Date has occurred pursuant to any other Condition as a result of which a Credit Linked Note has, or is in the process of being, redeemed in full and such Credit Linked Note has not been purchased and cancelled, then following the occurrence of an Early Redemption Commencement Date:

- (i) the Calculation Agent shall determine the Credit Event Loss Amount and the Affected Swap Value as soon as reasonably practicable, and in any event within five Reference Business Days following the relevant Event Determination Date (the date upon which the Credit Event Loss Amount and the Affected Swap Value have been determined being the “**Fixed Recovery Valuation Date**”);
- (ii) the Disposal Agent shall effect a Liquidation of an amount of the Collateral (or, where the relevant Issue Terms specify that Classes apply, the relevant Class Collateral) equal to the Applicable Proportion as soon as reasonably practicable and in any event within five Reference Business Days following the relevant Event Determination Date in accordance with Additional CLN Condition 8 (*Liquidation and Early Redemption*); and
- (iii) the Issuer shall redeem the Applicable Proportion of each Credit Linked Note on the Early Redemption Date at the Early Cash Redemption Amount.

(b) Fixed Recovery Percentage of zero

If the Fixed Recovery Percentage is zero, following the occurrence of a relevant Event Determination Date, the occurrence of the Early Redemption Date shall fully and effectively discharge the Issuer’s obligation to redeem the Applicable Proportion of the relevant Credit Linked Note. For the avoidance of doubt, following the occurrence of an applicable Early Redemption Date the Issuer shall not be required to make any payment to the Noteholder on account of principal and/or interest in respect of the Applicable Proportion.

11 Successor Provisions

(a) Successor determinations

The Calculation Agent will be responsible for determining, as soon as reasonably practicable after delivery of a Successor Notice and with effect from the Succession Date, any Successor or Successors provided that the Calculation Agent will not make such determination if, at the time of the determination, the DC Secretary has publicly announced that the relevant Credit Derivatives Determinations Committee has Resolved that there is no Successor based on the relevant succession to Relevant Obligations.

The Calculation Agent will make all calculations and determinations required to be made under this definition on the basis of Eligible Information and will notify the Issuer and the Issuing and Paying Agent of any such calculation or determination as soon as practicable. In calculating the percentages used to determine whether an entity qualifies as a Successor under this Additional CLN Condition 11(a), if there is a Steps Plan, the Calculation Agent shall consider all related successions in respect of such Steps Plan in aggregate as if forming part of a single succession.

(b) Multiple Successors

Following a Succession Date if more than one Successor has been identified, the Credit Linked Notes will be amended without the consent of the Noteholders or of the Trustee or any other Transaction Party being required to reflect the following terms:

- (i) each Successor will be a Reference Entity and more than one Credit Event may occur during the Term of the Credit Linked Notes in respect thereof but, subject to Additional CLN Condition 5 (*Exercise Amounts in respect of M(M)R Restructuring*), once only in relation to each Successor;
- (ii) where a Credit Event occurs in respect of a Reference Entity after such Succession Date, the Credit Linked Notes will not redeem in whole in respect of a Successor (except where it is the last remaining Reference Entity) but instead the provisions of these Additional CLN Conditions shall be deemed to apply to the Reference Entity Notional Amount represented by that Reference Entity only after division in accordance with subparagraph (iii) below, the Credit Linked Notes shall be redeemed in part and the Additional CLN Conditions and/or the Issue Terms shall be construed accordingly;
- (iii) in the case of Linear Basket CLNs and Index Linked CLNs, the Reference Entity Notional Amount of the original Reference Entity will be divided equally between the number of Successors and the Calculation Agent shall determine the relevant type of Reference Entity (including any relevant Obligation and Deliverable Obligation Category and Deliverable Obligation Characteristics) by reference to market practice in such type of Reference Entity;
- (iv) if a single entity would be a Reference Entity hereunder more than once:
 - (A) in the case of Single Name CLNs or First-to-Default Basket CLNs, the Reference Entity shall be deemed to be specified only once (and such change shall have no effect on the Aggregate Nominal Amount of the Single Name CLNs or First-to-Default Basket CLNs, as applicable); and

- (B) in the case of Linear Basket CLNs and Index Linked CLNs, that Reference Entity shall be deemed to be a Reference Entity only once, and the Reference Entity Notional Amount for such Reference Entity will be the sum of the Reference Entity Notional Amounts otherwise applicable to it (and such change shall have no effect on the Aggregate Nominal Amount of the Linear Basket CLNs or Index Linked CLNs, as applicable); and
- (v) upon the identification of any Successor, the Issuer shall give notice as soon as reasonably practicable to the Noteholders giving details of any such Successors and/or any amendments made to the Conditions, provided that the failure to give such notice shall not affect the validity of such event and any amendments made to the Conditions to give effect to such event.

(c) Exchange offer

In the case of an exchange offer, the determination required pursuant to sub-paragraph (a) of the definition of “Successor” shall be made on the basis of the outstanding principal balance of Relevant Obligations exchanged and not on the basis of the outstanding principal balance of the Exchange Bonds or Loans.

(d) Joint Potential Successors

If two or more entities (each, a “**Joint Potential Successor**”) jointly succeed to a Relevant Obligation (the “**Joint Relevant Obligation**”) either directly or as a provider of a Relevant Guarantee, then (a) if the Joint Relevant Obligation was a direct obligation of the Reference Entity, it shall be treated as having been succeeded to by the Joint Potential Successor (or Joint Potential Successors, in equal parts) which succeeded to such Joint Relevant Obligation as direct obligor or obligors, or (b) if the Joint Relevant Obligation was a Relevant Guarantee, it shall be treated as having been succeeded to by the Joint Potential Successor (or Joint Potential Successors, in equal parts) which succeeded to such Joint Relevant Obligation as guarantor or guarantors, if any, or otherwise by each Joint Potential Successor in equal parts.

(e) Eligible Successors

An entity may only be a Successor if:

- (i) either (A) the related Succession Date occurs on or after the Successor Backstop Date, or (B) such entity is a Universal Successor in respect of which the Succession Date occurred on or after 1 January 2014;
- (ii) the Reference Entity had at least one Relevant Obligation outstanding immediately prior to the Succession Date and such entity succeeds to all or part of at least one Relevant Obligation of the Reference Entity; and
- (iii) where the Reference Entity is a Sovereign, such entity succeeded to the Relevant Obligations by way of a Sovereign Succession Event.

12 Multiple Holder Obligation

Unless “Multiple Holder Obligation” is specified to be not applicable in the relevant Issue Terms, then none of the events described in sub-paragraphs (i) to (iv) of the definition of “Restructuring” shall constitute a Restructuring unless the Obligation is a Multiple Holder Obligation, where “**Multiple Holder Obligation**” means an Obligation that (a) at the time of the event which constitutes a

Restructuring Credit Event is held by more than three holders that are not Affiliates of each other and (b) with respect to which a percentage of holders (determined pursuant to the terms of the Obligation as in effect on the date of such event) at least equal to sixty-six-and two-thirds is required to consent to the event which constitutes a Restructuring Credit Event (provided that sub-paragraph (b) shall be deemed to be satisfied where the Obligation is a Bond).

13 Reference Obligation

(a) Standard Reference Obligation and Non-Standard Reference Obligation

- (i) If “Standard Reference Obligation” is specified as applicable in the relevant Issue Terms, then the Reference Obligation for the relevant Reference Entity will be the Standard Reference Obligation, which is the obligation of the relevant Reference Entity with the relevant Seniority Level specified from time to time on the SRO List published by ISDA on its website at www.isda.org from time to time (or any successor website thereto) or by a third party designated by ISDA for such purposes (if any), provided that:
 - (a) if there is no Standard Reference Obligation; and
 - (b) a Reference Obligation is specified in the relevant Issue Terms for the purposes of comprising a Non-Standard Reference Obligation,

the relevant Reference Obligation shall be (x) the Non-Standard Reference Obligation to but excluding the first date of publication of the Standard Reference Obligation and (y) the Standard Reference Obligation from such date onwards, provided that the Standard Reference Obligation that is published would have been eligible to be selected as a Substitute Reference Obligation.

- (ii) If “Standard Reference Obligation” is not specified as applicable in the relevant Issue Terms then the Reference Obligation(s) for the relevant Reference Entity will be each Non-Standard Reference Obligation specified in the relevant Issue Terms for such Reference Entity.

(b) Substitute Reference Obligation

- (i) If a Substitution Event has occurred with respect to a Non-Standard Reference Obligation, the Calculation Agent shall identify a Substitute Reference Obligation in accordance with sub-paragraphs (iii), (iv) and (v) of this Additional CLN Condition 13(b) to replace such Non-Standard Reference Obligation; provided that the Calculation Agent will not identify an obligation as the Substitute Reference Obligation if, at the time of the determination, such obligation has already been rejected as the Substitute Reference Obligation by the relevant Credit Derivatives Determinations Committee and such obligation has not changed materially since the date of the relevant DC Resolution.
- (ii) If any of the events set forth under sub-paragraph (a) or (c) of the definition of “Substitution Event” have occurred with respect to a Non-Standard Reference Obligation, such Non-Standard Reference Obligation will cease to be the Reference Obligation (other than for purposes of the “Not Subordinated” Obligation Characteristic or “Not Subordinated” Deliverable Obligation Characteristic and sub-paragraph (iii)(B) of this Additional CLN Condition 13(b)). If the event set forth in sub-paragraph (b) of the definition of “Substitution Event” has occurred with respect to a Non-Standard Reference Obligation and no Substitute Reference Obligation is available, such Non-

Standard Reference Obligation will continue to be a Reference Obligation until the Substitute Reference Obligation is identified or, if earlier, until any of the events set forth under sub-paragraph (a) or (c) of the definition of “Substitution Event” occur with respect to such Non-Standard Reference Obligation.

- (iii) The Substitute Reference Obligation shall be an obligation that on the Substitution Date:
- (A) is a Borrowed Money obligation of the Reference Entity (either directly or as provider of a guarantee);
 - (B) satisfies the Not Subordinated Deliverable Obligation Characteristic as of the date it was issued or incurred (without reflecting any change in the priority of payment after such date) and on the Substitution Date; and
 - (C)
 - (I) if the Non-Standard Reference Obligation was a Conforming Reference Obligation when issued or incurred and immediately prior to the Substitution Event Date:
 - 1. is a Deliverable Obligation (other than a Loan) determined in accordance with sub-paragraph (a) of the definition of “Deliverable Obligation”; or if no such obligation is available; or
 - 2. is a Loan (other than a Private-side Loan) which constitutes a Deliverable Obligation determined in accordance with sub-paragraph (a) of the definition of “Deliverable Obligation”;
 - (II) if the Non-Standard Reference Obligation was a Bond (or any other Borrowed Money obligation other than a Loan) which was a Non-Conforming Reference Obligation when issued or incurred and/or immediately prior to the Substitution Event Date:
 - 1. is a Non-Conforming Substitute Reference Obligation (other than a Loan); or if no such obligation is available,
 - 2. is a Deliverable Obligation (other than a Loan) determined in accordance with sub-paragraph (a) of the definition of “Deliverable Obligation”; or if no such obligation is available,
 - 3. is a Non-Conforming Substitute Reference Obligation which is a Loan (other than a Private-side Loan); or if no such obligation is available,
 - 4. is a Loan (other than a Private-side Loan) which constitutes a Deliverable Obligation determined in accordance with sub-paragraph (a) of the definition of “Deliverable Obligation”; or
 - (III) if the Non-Standard Reference Obligation was a Loan which was a Non-Conforming Reference Obligation when incurred and/or immediately prior to the Substitution Event Date:
 - 1. is a Non-Conforming Substitute Reference Obligation which is a Loan (other than a Private-side Loan); or if no such obligation is available,

2. is a Non-Conforming Substitute Reference Obligation (other than a Loan); or if no such obligation is available,
 3. is a Deliverable Obligation (other than a Loan) determined in accordance with sub-paragraph (a) of the definition of “Deliverable Obligation”; or if no such obligation is available,
 4. is a Loan (other than a Private-side Loan) which constitutes a Deliverable Obligation determined in accordance with sub-paragraph (a) of the definition of “Deliverable Obligation”.
- (iv) If more than one potential Substitute Reference Obligation is identified pursuant to the process described in sub-paragraph (iii) of this Additional CLN Condition 13(b), the Substitute Reference Obligation will be the potential Substitute Reference Obligation that most closely preserves the economic equivalent of the delivery and payment obligations of the Issuer under the relevant Series, as determined by the Calculation Agent. The Calculation Agent will (if a Substitute Reference Obligation has not been identified) notify the Issuer of a Substitute Reference Obligation as soon as reasonably practicable after it has been identified in accordance with sub-paragraph (iii) of this Additional CLN Condition 13(b) and the Substitute Reference Obligation shall replace the Non-Standard Reference Obligation immediately upon such notification.
- (v) If a Substitution Event has occurred with respect to the Non-Standard Reference Obligation and the Calculation Agent determines that no Substitute Reference Obligation is available for the Non-Standard Reference Obligation then, subject to sub-paragraph (i) of this Additional CLN Condition 13(b) and notwithstanding the fact that the Non-Standard Reference Obligation may have ceased to be the Reference Obligation in accordance with sub-paragraph (ii) of this Additional CLN Condition 13(b), the Calculation Agent may continue to attempt to identify the Substitute Reference Obligation.

(c) Reference Obligation Only Series

- (i) If the event set out in sub-paragraph (a) of the definition of “Substitution Event” occurs with respect to the Reference Obligation in a Series in respect of a Reference Entity to which “Reference Obligation Only” applies, and such Reference Obligation is the only Reference Obligation for such Reference Entity, the Applicable Proportion of the Credit Linked Notes shall be redeemed at the fair market value of the Applicable Proportion of the Credit Linked Notes determined by the Calculation Agent as at the Substitution Event Date. The Calculation Agent shall deliver to the Issuer and the Issuer (or the Issuing and Paying Agent, having been supplied by the Issuer or the Calculation Agent with a notice addressed to the Noteholders, on its behalf) shall deliver a notice in accordance with Master Condition 22 (*Notices*) to the Noteholders stating the occurrence of such Substitution Event and setting out the Early Redemption Date in respect thereof, which shall be a date not earlier than the relevant Substitution Event Date.
- (ii) Notwithstanding the definition of “Substitute Reference Obligation” (a) no Substitute Reference Obligation shall be determined in respect of the Reference Obligation for a Reference Entity to which “Reference Obligation Only” applies, and (b) if the events set out in sub-paragraph (b) or (c) of the definition of “Substitution Event” occur with respect

to the Reference Obligation to which “Reference Obligation Only” applies, such Reference Obligation shall continue to be the Reference Obligation.

(d) DC Substitute Reference Obligation Resolution

Notwithstanding the provision of this Additional CLN Condition 13, the Calculation Agent shall select as the Substitute Reference Obligation for a Series an obligation of the relevant Reference Entity which is determined by DC Resolution to be the Substitute Reference Obligation to a Non-Standard Reference Obligation.

14 LPN Reference Entities

In respect of each Reference Entity, if the applicable “Transaction Type” is specified as “Standard Emerging European Corporate LPN” in the relevant Issue Terms, the following provisions shall apply:

- (a) Multiple Holder Obligation will be “Not Applicable” with respect to any Reference Obligation (and any Underlying Loan);
- (b) each Reference Obligation will be an Obligation notwithstanding anything to the contrary in the Additional CLN Conditions, and in particular, notwithstanding that the obligation is not an obligation of the Reference Entity;
- (c) each Reference Obligation will be a Deliverable Obligation notwithstanding anything to the contrary in the Additional CLN Conditions, and in particular, notwithstanding that the obligation is not an obligation of such Reference Entity;
- (d) with respect to any LPN Reference Obligation that specifies an Underlying Loan or an Underlying Finance Instrument, the Outstanding Principal Balance shall be determined by reference to the Underlying Loan or Underlying Finance Instrument (as applicable) relating to such LPN Reference Obligation; and
- (e) the “Not Subordinated” Obligation Characteristic and Deliverable Obligation Characteristic shall be construed as if no Reference Obligation was specified in respect of such Reference Entity.

15 Change in Standard Hedging Terms

If the Calculation Agent determines that a Change in Standard Hedging Terms has occurred, it may (but has no obligation to) make such amendments to the terms of any of the Notes and/or the Transaction Documents as it determines (acting in good faith and a commercially reasonable manner) are appropriate to account for the effect (including, without limitation, the economic effect) of such Change in Standard Hedging Terms on any hedging activities the Swap Counterparty (and/or any of its affiliates) may enter into in connection with the Notes.

Notwithstanding the foregoing, any amendment that would affect the rights, obligations or duties of any of the Trustee, Issuing and Paying Agent, Paying Agent or Custodian can only be made with the agreement of any such person.

The Calculation Agent will notify the Issuer, the relevant Transaction Parties (including the Issuing and Paying Agent), the relevant clearing system(s) and the Noteholders in writing (such notice, an “**Amendment Notice**”) and, ten Business Days following the Calculation Agent giving such Amendment Notice, such amendments shall be binding on the Issuer, the relevant Transaction Parties and the Noteholders.

In order for a guarantee to constitute a Qualifying Guarantee: (I) the benefit of such guarantee must be capable of being Delivered together with the Delivery of the Underlying Obligation; and (II) if a guarantee contains a Fixed Cap, all claims to any amounts which are subject to such Fixed Cap must be capable of being Delivered together with the Delivery of such guarantee.

For these purposes:

- (a) "Deliver" means to deliver, novate, transfer (including, in the case of a Guarantee, transfer of the benefit of the Guarantee), assign or sell, as appropriate, in the manner customary for the settlement of the applicable obligation (which shall include executing all necessary documentation and taking any other necessary actions), in order to convey all right, title (or, with respect to obligations where only equitable title is customarily conveyed, all equitable title) and interest in the obligations to the Swap Counterparty free and clear of any and all liens, charges, claims or encumbrances (excluding any liens routinely imposed on all securities in a relevant clearance system, but including, without limitation, any counterclaim, defence (other than a counterclaim or defence based on the factors set forth in sub-paragraphs (a) to (d) of the definition of "Credit Event") or right of set-off by or of the Reference Entity or any applicable Underlying Obligor); provided that (i) if the relevant obligation is a Direct Loan Participation, "Deliver" means to create (or procure the creation of) a participation in favour of the Swap Counterparty and (ii) if the relevant obligation is a Guarantee, "Deliver" means to Deliver both the Underlying Obligation and the Guarantee, provided further that if the Guarantee has a Fixed Cap, "Deliver" means to Deliver the Underlying Obligation, the Guarantee and all claims to any amounts which are subject to such Fixed Cap; and

“Quotation Method” means, unless otherwise specified in the relevant Issue Terms, the Calculation Agent shall attempt to obtain Quotations with respect to each Valuation Obligation Valuation Date from five or more Quotation Dealers and:

- (a) if four or more Quotations are obtained, the Calculation Agent shall disregard the highest and lowest quotations and the Quotation Amount shall be the arithmetic mean of the remaining Quotations provided that (a) if more than one Quotation has the same highest or lowest value, then one of such Quotations shall be disregarded unless (b) all Quotations have the same value, in which case two of such Quotations shall be disregarded;
- (b) if three Quotations are obtained, the Calculation Agent shall disregard the highest and lowest Quotations and the Quotation Amount shall be the remaining Quotation, provided that (a) if two Quotations have the same highest or lowest value, then one of such Quotations shall be disregarded and (b) if three Quotations have the same value, then two of such Quotations shall be disregarded; and
- (c) if two or fewer Quotations are obtained, the Quotation Amount shall be determined by the Calculation Agent as the fair value of the relevant Valuation Obligation.

“Reference Entity” means the entity specified as such in the relevant Issue Terms. Any Successor to the Reference Entity either (a) identified by the Calculation Agent pursuant to the definition of “Successor” on or following the Trade Date or (b) identified pursuant to a DC Resolution in respect of a Successor Resolution Request Date and publicly announced by the DC Secretary on or following the Trade Date shall, in each case, with effect from the Succession Date, be the Reference Entity.

- (b) if the Credit Linked Notes are Basket CLNs or Index Linked CLNs, the product of (i) the Aggregate Nominal Amount and (ii) the quotient of (A) the related Weighting and (B) the sum of the Weightings of each Reference Entity as of the Trade Date without regard to any Credit Event that may have occurred after the relevant Credit Event Backstop Date.

Subject in each case to Additional CLN Condition 11 (*Successor Provisions*) relating to the determination of successor Reference Entities and provided that, where the Credit Linked Notes are subject to redemption or purchase and cancellation in part, or where further securities are issued

which are fungible with the Credit Linked Notes, the Reference Entity Notional Amount shall be reduced or, as applicable, increased, proportionately.

“Reference Entity Outstanding Amount” has the meaning given to it in Additional CLN Condition 5(b) (*Partial Redemption in respect of M(M)R Restructuring*).

Each Reference Obligation determined in accordance with the foregoing will be a Reference Obligation notwithstanding anything to the contrary in these Additional CLN Conditions, and in particular, notwithstanding that the obligation is not an obligation of the Reference Entity. Standard Reference Obligation shall be “Not Applicable”. The proviso in respect of “Original Non-Standard Reference Obligation” in these Additional CLN Conditions shall not apply. It is intended that there may be more than one Reference Obligation, as a result of which all applicable references in these Additional CLN Conditions to “the Reference Obligation” shall be construed as a reference to “a Reference Obligation”, and all other provisions of the Additional CLN Obligation shall be construed accordingly. The provisos in respect of “Substitution Reference Obligation” and “Substitution Event” in these Additional CLN Conditions shall not be applicable to LPN Reference Obligations.

“Relevant Obligations” means the Obligations of the Reference Entity which fall within the Obligation Category “Bond or Loan” and which are outstanding immediately prior to the Succession Date (or, if there is a Steps Plan, immediately prior to the legally effective date of the first succession), provided that:

- (b) if there is a Steps Plan, the Calculation Agent shall, for the purposes of the determination required to be made under the definition of “Successor”, make the appropriate adjustments required to take account of any Obligations of the Reference Entity which fall within the Obligation Category “Bond or Loan” that are issued, incurred, redeemed, repurchased or cancelled from and including the legally effective date of the first succession to and including the Succession Date;

The **“Repudiation/Moratorium Extension Condition”** is satisfied (a) if the DC Secretary publicly announces, pursuant to a valid request that was delivered and effectively received on or prior to the date that is 14 calendar days after the Scheduled Maturity Date, that the relevant Credit Derivatives Determinations Committee has Resolved that an event that constitutes a Potential Repudiation/Moratorium has occurred with respect to an Obligation of the Reference Entity and that such event occurred on or prior to the Scheduled Maturity Date and such resolution constitutes an Applicable Resolution or (b) otherwise, by the delivery by the Calculation Agent to the Issuer of a Repudiation/Moratorium Extension Notice and, unless “Notice of Publicly Available Information” is specified not applicable in the relevant Issue Terms, a Notice of Publicly Available Information that is effective on or prior to the date that is 14 calendar days after the Scheduled Maturity Date. In all cases, the Repudiation/Moratorium Extension Condition will be deemed not to have been satisfied, or not capable of being satisfied, if, or to the extent that, the DC Secretary publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved that either (i) an event does not constitute a Potential Repudiation/Moratorium with respect to an Obligation of the Reference Entity or (ii) an event that constitutes a Potential Repudiation/Moratorium for the purposes of the relevant Credit Linked Notes has occurred with respect to an Obligation of the relevant Reference Entity but that such event occurred after the Scheduled Maturity Date.

- (a) a reduction in the rate or amount of interest payable or the amount of scheduled interest accruals (including by way of redenomination);
- (b) a reduction in the amount of principal or premium payable at redemption (including by way of redenomination);
- (c) a postponement or other deferral of a date or dates for either (i) the payment or accrual of interest or (ii) the payment of principal or premium;

For the purposes of this definition of “Restructuring”, the term Obligation shall be deemed to include Underlying Obligations for which the Reference Entity is acting as provider of a Guarantee. In the case of a Guarantee and an Underlying Obligation, references to the Reference Entity in this definition shall be deemed to refer to the Underlying Obligor and the reference to the Reference Entity in this definition of “Restructuring” shall continue to refer to the Reference Entity.

If an exchange has occurred, the determination as to whether one of the events described under sub-paragraphs (a) to (e) of this definition has occurred will be based on a comparison of the terms of the Bond immediately prior to such exchange and the terms of the resulting obligations immediately following such exchange.

For the purposes of determining whether Subordination exists or whether an obligation is Subordinated with respect to another obligation to which it is being compared, (i) the existence of preferred creditors arising by operation of law or of collateral, credit support or other credit enhancement or security arrangements shall not be taken into account, except that, notwithstanding the foregoing, priorities arising by operation of law shall be taken into account where the Reference Entity is a Sovereign and (ii) in the case of the Reference Obligation or the Prior Reference Obligation, as applicable, the ranking in priority of payment shall be determined as of the date as of which it was issued or incurred (or in circumstances where the Reference Obligation or a Prior Reference Obligation is the Standard Reference Obligation and “Standard Reference Obligation” is applicable, then the priority of payment of the Reference Obligation or the Prior Reference Obligation, as applicable, shall be determined as

For the purposes of the identification of a Non-Standard Reference Obligation, any change in the Non-Standard Reference Obligation’s CUSIP or ISIN number or other similar identifier will not, in and of itself, constitute a Substitution Event.

If an event described in sub-paragraph (a) or (b) of this definition has occurred on or prior to the Trade Date, then a Substitution Event shall be deemed to have occurred pursuant to sub-paragraph (a) or (b) of this definition, as the case may be, on the Trade Date.

- (vii) in respect of a Reference Entity which is not a Sovereign, if one entity assumes all of the obligations (including at least one Relevant Obligation) of the Reference Entity, and at the time of the determination either (i) the Reference Entity has ceased to exist, or (ii) the Reference Entity is in the process of being dissolved (howsoever described) and the Reference Entity has not issued or incurred any Borrowed Money obligation at any time since the legally effective date of the assumption, such entity (the “**Universal Successor**”) will be the sole Successor in respect of the relevant Series.

For the purposes of this definition, “**succeed**” means, with respect to the Reference Entity and its Relevant Obligations, that an entity other than the Reference Entity (A) assumes or becomes liable for such Relevant Obligations whether by operation of law or pursuant to any agreement (including, with respect to a Reference Entity that is a Sovereign, any protocol, treaty, convention, accord, concord, entente, pact or other agreement), or (B) issues Bonds or incurs loans (the “**Exchange Bonds or Loans**”) that are exchanged for Relevant Obligations (or, as applicable, obligations), and in either case the Reference Entity is not thereafter a direct obligor or a provider of a Relevant Guarantee with respect to the Relevant Obligations or such Exchange Bonds or Loans, as applicable. The Successor Backstop Date shall not be subject to adjustment in accordance with any Business Day Convention.

“**Succession Date**” means the legally effective date of an event in which one or more entities succeed to some or all of the Relevant Obligations of the Reference Entity; provided that if at such time, there is a Steps Plan, the Succession Date will be the legally effective date of the final succession in respect of such Steps Plan, or if earlier (a) the date on which a determination pursuant to sub-paragraph (a) of the definition of “Successor” would not be affected by any further related successions in respect of

such Steps Plan, or (b) the occurrence of an Event Determination Date in respect of the Reference Entity or any entity which would constitute a Successor.

“Successor Notice” means an irrevocable notice from the Calculation Agent to the Issuer that describes a succession (or, in relation to a Reference Entity that is a Sovereign, a Sovereign Succession Event) in respect of which a Succession Date has occurred and pursuant to which one or more Successors to the Reference Entity can be determined. A Successor Notice must contain a description in reasonable detail of the facts relevant to the determination to be made pursuant to subparagraph (a) of the definition of “Successor”.

“Transaction Auction Settlement Terms” means the relevant Credit Derivatives Auction Settlement Terms, whether or not the Credit Linked Notes are covered by such Credit Derivatives Auction Settlement Terms; provided that (a) the relevant Deliverable Obligations Terms are substantially the same as the Deliverable Obligations Provisions with respect to the Credit Linked Notes, and (b) if such Credit Event is a Restructuring for which either “Restructuring Maturity Limitation and Fully Transferable Obligation” or “Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation” is applicable or deemed to be applicable, a credit derivatives transaction with the same tenor as the Credit Linked Notes would be an “Auction Covered Transaction” for the purposes of the relevant Credit Derivatives Auction Settlement Terms.

“Transaction Type” means, for the purposes of the application of the Physical Settlement Matrix to a Series where “Physical Settlement Matrix Standard Terms” is specified as applicable in the relevant Issue Terms, each Reference Entity designated as one of the following in the relevant Issue Terms:

“Valuation Time” means the time specified as such in the relevant Issue Terms or, if no such time is specified, the time determined by the Calculation Agent, which shall be as close as reasonably practicable to 11:00 a.m. London time, unless the Calculation Agent determines that the principal market valuing the Reference Obligation would be closed at such time or such transactions are not being conducted in sufficient volume (as determined by the Calculation Agent) at such time, in which event the Valuation Time shall be such other time as may be specified by the Calculation Agent that such principal market is open.

“Valuation Obligations” means, where Cash Redemption applies, one or more obligations, as selected by the Calculation Agent, provided such obligations(s) are either a Reference Obligation and/or would constitute a Deliverable Obligation as at the Valuation Obligation Valuation Date (and for the purposes of interpreting the Deliverable Obligation Category and the Deliverable Obligation Characteristics, references to “the date on which it is due to be delivered in an Auction” shall be read and construed as references to the Valuation Obligation Valuation Date).

“Value of the Valuation Obligations” means, if “Cash Redemption” applies, the value of the Valuation Obligation(s) selected by the Calculation Agent, expressed as a percentage, determined in accordance with the Quotation Method, provided that for the purposes of identifying the Valuation Obligations, references to “the date on which a Deliverable Obligation is due to be delivered into an Auction” in the definition of “Deliverable Obligation” shall be deemed to be a reference to “Valuation Obligation Valuation Date” and provided further that if an Asset Package Credit Event has occurred any Deliverable Obligation which is a Prior Deliverable Obligation or a Package Observable Bond (as applicable) shall include the resulting Asset Package and the Value of the Valuation Obligations for such Deliverable Obligation or Package Observable Bond shall be the Value of the Valuation Obligations for the relevant Asset Package determined in accordance with Additional CLN Condition 7(b)(iv) (*Determination of the Value of the Valuation Obligations*).

ANNEX TO THE CLN CONDITIONS PRODUCT SUPPLEMENT FREQUENTLY ASKED QUESTIONS

For the avoidance of doubt, this annex to the CLN Conditions Product Supplement shall not form part of the Additional CLN Conditions.

The questions and answers set out below highlight selected information to help prospective investors understand the Credit Linked Notes. However, any decision to invest in the Credit Linked Notes should only be made after careful consideration of the Base Prospectus and the relevant Terms and Conditions in their entirety, particularly, the terms and conditions of the Credit Linked Notes set out in the CLN Conditions Product Supplement and as amended, supplemented and varied by the relevant Issue Terms (the “**Conditions**” of the Credit Linked Notes). This section should be treated as an introduction to certain terms of the Credit Linked Notes. It is not intended to be a substitute for, nor a summary of, the Conditions of the Credit Linked Notes.

Capitalised terms in relation to the following questions and answers shall have the meaning specified in the Additional CLN Conditions.

What is the difference between the Credit Linked Notes and an ordinary debt security?

The Credit Linked Notes are similar to an ordinary debt security in that they provide the investor with a regular stream of interest payments and the return of par on maturity in the ordinary course (although bear in mind that the Issuer is a special purpose vehicle and recourse is limited to the Mortgaged Property in respect of the Notes). However, the Credit Linked Notes have the added feature not present in ordinary debt securities of an exposure to the credit of one or more Reference Entities. If a Credit Event occurs in relation to a Reference Entity, an investor may lose all or part of its investment in the Notes.

The amount of interest and principal which an investor receives will depend on whether a Credit Event occurs with respect to any Reference Entity and whether an Event Determination Date occurs as a result. If no Event Determination Date has occurred and the Calculation Agent does not believe that such an event (or a Collateral Event will occur), then the Credit Linked Notes will be redeemed at their outstanding nominal amount on the Maturity Date. If an Event Determination Date occurs, except where such event results from a Restructuring Credit Event in respect of which there is a partial exercise or where the Credit Linked Notes are Basket CLNs or Index Linked CLNs, the Notes will be redeemed early in an amount in aggregate equal to the Early Cash Redemption Amount, with no further payment of principal or interest on the Notes (see further “*What is an Event Determination Date?*” and “*What are Noteholders paid if the Notes redeem early due to the occurrence of a Credit Event?*” below). The Early Cash Redemption Amount is likely to be less than the par value of the Credit Linked Notes and may even be zero (see further “*What are Noteholders paid if the Notes redeem early due to the occurrence of a Credit Event?*” below). Interest will cease to accrue on the Credit Linked Notes (or the Applicable Proportion where they are to redeem in part) from and including the Interest Payment Date immediately preceding the Event Determination Date or, if there have not been any previous Interest Payment Dates, from and including the Interest Commencement Date.

The Early Cash Redemption Amount takes into account the Credit Event Loss Amount which is the settlement amount as a result of the Credit Event in relation to the Reference Entity. The greater the Credit Event Loss Amount in relation to the Reference Entity, the lower the Early Cash Redemption Amount that is payable to the Noteholders in relation to the Notes.

What are Credit Linked Notes?

Credit Linked Notes are debt securities, the value of which is linked to the credit risk of one or more Reference Entities. The amount of interest and principal which investors will receive on the Credit Linked Notes is dependent on whether certain Credit Events occur in respect of any relevant Reference Entity to which the Notes are linked.

In purchasing the Credit Linked Notes, investors are assuming credit risk exposure to each Reference Entity (and possible successors thereof). A Credit Linked Note is broadly intended to give the investor access to a credit default swap referencing certain Reference Entity(ies) in funded format. Therefore, many of the features and risks applicable to a market standard credit default swap referencing the relevant Reference Entity(ies) will be equally applicable to the Credit Linked Notes.

What are Single Name CLNs?

Single Name CLNs represent an investment linked to the performance of only one Reference Entity specified in the relevant Issue Terms. If a Credit Event and a relevant Event Determination Date occurs then each Note will be redeemed in full by payment of the Early Cash Redemption Amount, being an amount calculated as an amount per Note equal to the Specified Currency equivalent of an amount equal to the greater of (i) zero and (a) the Collateral Proceeds; plus (b) the Affected Swap Gain payable by the Swap Counterparty to the Issuer (if any); minus (c) the Affected Swap Loss payable by the Issuer to the Swap Counterparty (if any); minus (d) the Credit Event Loss Amount; plus (e) where all Credit Linked Notes are being redeemed, the Swap Counterparty CSA Interest Amount.

What are Linear Basket CLNs?

Linear Basket CLNs represent an investment linked to the performance of a basket of two or more Reference Entities specified in the relevant Issue Terms. The Notes are exposed to the credit risk of each Reference Entity in the basket in proportion to the weighting specified for such Reference Entity in the relevant Issue Terms. If a Credit Event and relevant Event Determination Date occurs in respect of any one of the Reference Entities in the basket then each Linear Basket CLN will be redeemed in part, in proportion to the weighting of the affected Reference Entity, by payment of the Early Cash Redemption Amount calculated as described under "*What are Single Name CLNs?*" above. Credit Events, and therefore Event Determination Dates, may occur with respect to more than one Reference Entity.

The Early Cash Redemption Amount will be determined by reference to the exercised portion of the Notes equal to the weighting of the affected Reference Entity.

What are First-to-Default Basket CLNs?

First-to-Default Basket CLNs represent an investment linked to the performance of a basket of two or more Reference Entities specified in the relevant Issue Terms. First-to-Default Basket CLNs are similar to Linear Basket CLNs in that they are exposed to the credit risk of each Reference Entity in the basket. However, if a Credit Event and a relevant Event Determination Date occurs in respect of any one of the Reference Entity in the basket, then each First-to-Default CLN will be redeemed in full (or, where an M(M)R Restructuring occurs, in part) by payment of the Early Cash Redemption Amount calculated as described under "*What are Single Name CLNs?*" above. A Credit Event, and therefore Event Determination Date, may only occur with respect to one of the Reference Entities.

Multiple Credit Events and related Event Determination Dates may occur in respect of First-to-Default CLNs in accordance with the relevant M(M)R Restructuring and Successor provisions.

What are Index Linked CLNs?

Index Linked CLNs represent an investment linked to the performance of an index of Reference Entities specified in the relevant Issue Terms. The Notes are exposed to the credit risk of each Reference Entity in the index in proportion to the weighting specified for such Reference Entity in the relevant Issue Terms.

If a Credit Event and relevant Event Determination Date occurs in respect of any one of the Reference Entities in the index then each Index Linked CLN will be redeemed in part, in proportion to the weighting of the affected Reference Entity, by payment of the Early Cash Redemption Amount calculated as described under “*What are Single Name CLNs?*” above. Credit Events, and therefore Event Determination Dates, may occur with respect to more than one Reference Entity.

The Early Cash Redemption Amount will be determined by reference to the exercised portion of the Notes equal to the weighting of the affected Reference Entity.

What are Fixed Recovery Notes?

If “Fixed Recovery Redemption” is specified as applicable then, following the occurrence of a Credit Event and relevant Event Determination Date, the amount payable on redemption on the relevant Early Redemption Date shall be calculated as set out in “*What are Single Name CLNs?*”, “*What are Linear Basket CLNs?*”, “*What are First-to-Default Basket CLNs*” and “*What are Index Linked CLNs*” above, provided that instead of the Auction Final Price or Value of the Valuation Obligations, as the case may be, the “Fixed Recovery Percentage” set out in the relevant Issue Terms shall apply, which may be zero.

What is credit risk?

Credit risk with respect to a Reference Entity is the risk that the Reference Entity fails to perform its obligations under certain types of transactions of the Reference Entity. This is generally (but not exclusively) as a result of a deterioration in its financial condition.

For the Credit Linked Notes, the credit risk is in relation to a broad range of transactions of a Reference Entity, and extends to any borrowed money obligations of the Reference Entity. Borrowed money obligations would include any loan agreements entered into by the Reference Entity and any debt securities issued by the Reference Entity.

The financial condition and creditworthiness of a Reference Entity may change over time. Public information which is available in relation to a Reference Entity may be incomplete, misleading or out of date. The identity of each Reference Entity is subject to change as a result of corporate or other actions such as a merger or demerger. The risks associated with a successor Reference Entity may be greater than the risks associated with the original Reference Entity.

If the Notes are linked to multiple Reference Entities, the probability that a Credit Event will occur may be increased. The credit risk to investors may further be increased if the Reference Entities are concentrated in a particular industry sector or geographic area, or if they have exposure to similar financial or other risks.

What is the difference between the Credit Linked Notes and a bond issued by the Reference Entity?

The Credit Linked Notes give the investor exposure to the credit risk of the Reference Entity without having to own a bond or other type of debt obligation of such Reference Entity. The Reference Entity itself is not a party to and has no direct involvement in the Credit Linked Notes and an investor will not be able to claim against the Reference Entity or Issuer for any losses it suffers from a Credit Event

of the Reference Entity. Neither the Issuer nor the Swap Counterparty is obliged to hold any obligation of the Reference Entity or otherwise have credit risk exposure to the Reference Entity. In addition to the credit risk of a Reference Entity to which the Credit Linked Notes are linked, an investor will also be exposed to other credit risks in relation to, for example, the Original Collateral Obligor, the Custodian and the Swap Counterparty. Therefore, even if the Reference Entity is performing well, an investor may still suffer a loss as a result of these other credit risks.

What is ISDA?

The International Swaps and Derivatives Association, Inc. ("**ISDA**") is a trade organisation of participants in the market for over-the-counter derivatives. It is headquartered in New York, and is responsible for creating standardised contracts such as the ISDA Master Agreement and the 2014 ISDA Credit Derivatives Definitions and a wide range of related documentation, that are used to enter into derivatives transactions. What is a Credit Event?

A Credit Event is, broadly speaking, an event which is regarded as being indicative of a default or material decline in the creditworthiness of the Reference Entity.

Credit Events are determined by reference to the relevant Reference Entity itself and certain eligible types of obligations of such Reference Entity which, in relation to the Notes, include loans, debt securities or other borrowed money obligations of the Reference Entity ("**Obligations**"). If the applicable "Transaction Type" in respect of a Reference Entity is specified as "Standard Emerging European Corporate LPN" in the relevant Issue Terms, the Obligations of the Reference Entity will include loan participation notes which are issued for the sole purpose of providing funds for the issuer(s) of such loan participation notes to finance a loan or provide alternative finance to the relevant Reference Entity. Accordingly, a Credit Event may occur in respect of obligations that are not direct obligations of the relevant Reference Entity.

The Credit Events relevant to the Credit Linked Notes are any of the following events with respect to the Reference Entity, which will apply to a Credit Linked Note if specified or elected by reference to a specified transaction type in the relevant Issue Terms:

- (a) Failure to Pay: a failure by the Reference Entity to pay amounts when due under its Obligations, where the failure to pay relates to an amount greater than a pre-determined minimum amount;
- (b) Bankruptcy: a bankruptcy or insolvency procedure in respect of the Reference Entity;
- (c) Restructuring: a restructuring of an Obligation of the Reference Entity which amends key terms of that Obligation as to repayment of principal or payment of interest thereunder;
- (d) Obligation Acceleration: the acceleration of an Obligation of the Reference Entity before it would otherwise be due and payable in respect of a pre-determined minimum amount;
- (e) Obligation Default: an Obligation of the Reference Entity in respect of a pre-determined minimum amount becomes capable of being declared due and payable before it would otherwise be due and payable;

- (f) Repudiation/Moratorium: the Reference Entity repudiates an Obligation in respect of a pre-determined minimum amount or imposes a moratorium in respect of an Obligation in respect of such minimum amount and a failure to pay under such obligation subsequently occurs within a specified time period; or
- (g) Governmental Intervention: an event which would result in the reduction or deferral of payment of principal or interest or change in ranking of priority in, an expropriation of or the mandatory cancellation of an Obligation as the result of an action taken or announcement made by a Governmental Authority.

When does a Credit Event need to occur to affect the pay-out on the Notes?

If a relevant Credit Derivatives Determinations Committee resolves that a Credit Event has occurred in relation to any Reference Entity or an Obligation thereof (see further “*What are the Credit Derivatives Determinations Committees and how do they affect the Notes?*” below), such Credit Event must have occurred during the period from and including the date that is 60 calendar days prior to the date on which it first received a request to resolve whether or not such Credit Event has occurred (the “**Credit Event Resolution Request Date**”) to and including the Scheduled Maturity Date (subject to extension in certain circumstances). Whereas, if the Swap Counterparty determines that a Credit Event has occurred in relation to any Reference Entity or an Obligation thereof and delivers a Credit Event Notice to the Issuer to that effect, when the Credit Derivatives Determinations Committee is not going to consider the same, such Credit Event must have occurred during the period from 60 calendar days prior to the earlier of the effective delivery date of such Credit Event Notice and the Credit Event Resolution Request Date (subject to extension in certain circumstances).

Can a Credit Event occur prior to the Issue Date?

Yes. A Credit Event may occur prior to the Issue Date of the Notes and may even occur prior to the Trade Date specified in the applicable Issue Terms.

Noteholders should conduct their own review of any recent developments with respect to the Reference Entity by consulting publicly available information. If a request has been delivered to ISDA prior to the Trade Date to determine whether a Credit Event has occurred with respect to the Reference Entity, details of such request may be found on the ISDA website at <http://dc.isda.org/>.

What is an Event Determination Date?

In order for Notes to be redeemed following a Credit Event, it is necessary for a relevant Event Determination Date to have occurred. Depending on the circumstances, this may be the date on which a notice describing the occurrence of the Credit Event has been delivered (together with, if applicable, a notice containing publicly available information confirming the occurrence of the Credit Event), or the date on which, amongst other things, it is publicly announced that a Credit Derivatives Determinations Committee will be convened to determine if a certain Credit Event has occurred.

Can an Event Determination Date only occur if a Credit Derivatives Determinations Committee determines that one has occurred?

No. The Swap Counterparty may also deliver a Credit Event Notice to the Issuer in relation to a Credit Event triggering an Event Determination Date. Such notice may be delivered at any time within the Notice Delivery Period including where a Credit Derivatives Determinations Committee has not resolved that a Credit Event has occurred.

Although the Swap Counterparty may trigger an Event Determination Date following the occurrence of a Credit Event it will only be able to do so if (i) a Credit Derivatives Determinations Committee has

not already determined that such an event does not constitute a Credit Event; (ii) it has some information to support its determination that a Credit Event has occurred and (iii) (in circumstances where a Notice of Publicly Available Information is required to be provided) it cites Publicly Available Information confirming the occurrence of the Credit Event described in the Credit Event Notice.

What are Noteholders paid if the Notes redeem early due to the occurrence of a Credit Event?

If the Credit Linked Notes redeem early due to the occurrence of a Credit Event, Noteholders will be paid their *pro rata* share of the Early Cash Redemption Amount.

The Early Cash Redemption Amount where Notes redeem early due to the occurrence of a Credit Event is an amount determined with respect to the Notes in the Specified Currency, by the Calculation Agent equal to (a) the Collateral Proceeds, plus (b) the Affected Swap Gain in relation to the Swap Agreement (if any), minus (c) the Affected Swap Loss in relation to the Swap Agreement (if any), minus (d) the Credit Event Loss Amount (if any) and plus (e) where all Credit Linked Notes are being redeemed, any interest amount to be transferred to the Issuer by the Swap Counterparty in respect of the cash balance from time to time (if any) within the Issuer's Credit Support Balance.

The Affected Swap Gain or Affected Swap Loss (as applicable) reflects the market value of the Swap Agreement, as determined by the Calculation Agent acting in a commercially reasonable manner. Where the applicable Issue Terms specify that Classes apply, the Affected Swap Gain or Affected Swap Loss in respect of each Class of Notes will be valued separately in the Base Currency for such Class.

What are Noteholders paid if the Notes redeem early for reasons other than the occurrence of a Credit Event?

The Early Cash Redemption Amount where the Notes redeem for reasons other than the occurrence of a Credit Event is an amount determined with respect to the Notes in the Specified Currency, by the Calculation Agent equal to (a) the Collateral Proceeds, plus (b) the portion of any Termination Payment in respect of the Swap Agreement that is payable to the Issuer by the Swap Counterparty and is, where the applicable Issue Terms specify that Classes apply, attributable to such Class of Notes being redeemed, minus (c) the portion of any Termination Payment in respect of the Swap Agreement that is payable by the Issuer to the Swap Counterparty and is, where the applicable Issue Terms specify that Classes apply, attributable to such Class of Notes being redeemed, plus (d) where all Credit Linked Notes are being redeemed any interest amount to be transferred to the Issuer by the Swap Counterparty in respect of the cash balance from time to time (if any) within the Issuer's Credit Support Balance. Each of limbs (b), (c) and (d) will be subject to the determination by the Calculation Agent, acting in a commercially reasonable manner, as to what portion or amount is attributable to the Swap Transaction relating to each Class of Notes being redeemed.

The Termination Payment payable to the Issuer from the Swap Counterparty, or from the Issuer to the Swap Counterparty, represents an aggregated amount due under the Swap Agreement following an early termination of the same.

What is the Credit Event Loss Amount?

The Credit Event Loss Amount is the settlement amount calculated in relation to a Credit Event with respect to any Reference Entity and such amount is taken into account in calculating the Early Cash Redemption Amount that is payable to the Noteholders on an early redemption of the Notes following the occurrence of a Credit Event.

The Credit Event Loss Amount is determined based on the price of certain eligible obligations ("**Valuation Obligations**") of the Reference Entity on a specified date following the occurrence of a

Credit Event with respect to such Reference Entity. With respect to the Credit Linked Notes, the eligible obligations shall be one or more obligations, as selected by the Calculation Agent, that are either a Reference Obligation and/or would constitute a Deliverable Obligation as at the particular observation time in accordance with elections made in the relevant Issue Terms. The price of such eligible obligations may be determined either by an Auction or, where Cash Settlement applies, on the basis of bid quotations received by the Calculation Agent from third party dealers.

How is the Credit Event Loss Amount determined if Auction Redemption applies?

Unless the Calculation Agent determines that Auction Redemption would not apply for certain specified reasons, the Credit Event Loss Amount will be determined by reference to a price determined by way of a credit derivatives auction sponsored by ISDA (an “**Auction**”). The Auction will involve a bidding process by institutions participating in the relevant Auction, pursuant to a bidding procedure set by ISDA, to establish the value of the eligible obligations (the “**Deliverable Obligations**”) of the relevant Reference Entity. Credit Suisse International may act as a participating bidder in any such Auction and may submit bids and offers with respect to the Deliverable Obligations of the Reference Entity. If the applicable “Transaction Type” in respect of a Reference Entity is specified as “Standard Emerging European Corporate LPN” in the relevant Issue Terms, such obligations of the Reference Entity will include loan participation notes which are issued for the sole purpose of providing funds for the issuer(s) of such loan participation notes to finance a loan or provide alternative finance to the relevant Reference Entity.

Deliverable Obligations mean obligations of the Reference Entity which satisfy certain specified “Deliverable Obligation Categories” and “Deliverable Obligation Characteristics”. If the applicable “Transaction Type” in respect of a Reference Entity is specified as “Standard Emerging European Corporate LPN” in the relevant Issue Terms, such obligations of the Reference Entity will include loan participation notes which are issued for the sole purpose of providing funds for the issuer(s) of such loan participation notes to finance a loan or provide alternative finance to the relevant Reference Entity.

If Auction Redemption applies, the Credit Event Loss Amount will be equal to the product of (1) the applicable proportion of the Notes being redeemed and (2) 100 per cent. minus the price (expressed as a percentage) determined through the Auction for certain obligations of such Reference Entity.

The auction price is likely to be lower than the par value of the Deliverable Obligations of the Reference Entity and will be reflective of a loss experienced by the holder of such Deliverable Obligations. Moreover, the price is likely to reflect the lowest prevailing market value of any Deliverable Obligation. The lower the auction price, the greater the Credit Event Loss Amount which gets paid to the Swap Counterparty and thus the smaller the Early Cash Redemption Amount paid to Noteholders on an early redemption of the Notes.

How is the Credit Event Loss Amount determined if Auction Redemption does not apply?

If the Calculation Agent determines that Cash Redemption will apply, the Credit Event Loss Amount will be determined on the basis of the bid quotations sought by the Calculation Agent from third party dealers for the eligible obligations of the relevant Reference Entity selected by the Calculation Agent and satisfying certain specified obligation categories and obligation characteristics (such obligations being the Valuation Obligations). However, if no quotations are obtained, the Calculation Agent will determine the final price acting in a commercially reasonable manner. The Issuer will be entitled to select the cheapest Valuation Obligations for valuation. This could increase the Credit Event Loss Amount and, as a result, reduce the Early Cash Redemption Amount payable to Noteholders on an early redemption.

If Cash Redemption applies, the Credit Event Loss Amount will be equal to the product of (1) the applicable proportion of the Notes being redeemed and (2) 100 per cent. minus the price (expressed as a percentage) determined on the basis of such bid quotations sought by the Calculation Agent from third party dealers for the Valuation Obligations (or determined by the Calculation Agent if two or fewer quotations are obtained).

How much will Noteholders receive if the Notes are partially redeemed following a Restructuring Credit Event?

If a Restructuring Credit Event occurs with respect to the Notes, and it constitutes an M(M)R Restructuring as elected in the Issue Terms, the Swap Counterparty may elect to trigger a partial redemption of the Notes in respect thereof. The Swap Counterparty has the right to decide whether it will exercise a partial redemption of such Notes. This mirrors the right to trigger partial settlement following the occurrence of an M(M)R Restructuring Credit Event under a credit default swap. The Early Cash Redemption Amount payable to Noteholders will reflect such partial redemption of the Credit Linked Notes.

What if a Restructuring Credit Event occurs and there is no outstanding Original Collateral?

Where there is a Restructuring Credit Event and the Swap Counterparty has elected to trigger a partial redemption of the Notes but there is no Original Collateral standing to the credit of the Custody Account, a Liquidation shall not occur. The outstanding Aggregate Nominal Amount of the Notes shall be deemed to have been reduced by the Exercise Amount, the Swap Transaction will partially redeem, and an adjustment will be made to reflect the payments under the Credit Default Swap.

How much will Noteholders receive if the Notes are not redeemed early?

If no Event Determination Date has occurred, and provided that the Notes are not otherwise redeemed early, repurchased or cancelled (see further "*When may the Issuer redeem the Credit Linked Notes early?*" below), each Credit Linked Note will be redeemed on the Maturity Date (which may in certain circumstances have been extended) at its Final Redemption Amount, which, in such circumstances, will be an amount equal to par.

May Noteholders elect to redeem their Credit Linked Notes early?

The Noteholders do not have a right to require the Issuer to redeem their Notes early. The Dealer may, but is not obligated to, purchase the Notes at any time in the open market or by tender or private treaty.

When may the Issuer redeem the Credit Linked Notes early?

The Issuer may redeem the Notes early if (i) an Event Determination Date occurs (other than where the Credit Linked Notes are Linear Basket CLNs or Index Linked CLNs or where such Event Determination Date has occurred as a result of a Restructuring Credit Event and the Swap Counterparty selects an Exercise Amount which is less than 100 per cent., in which case an amount of Credit Linked Notes equal to the Reference Entity Notional Amount or Exercise Amount will be redeemed), (ii) a Collateral Event occurs with respect to any Original Collateral, (iii) a Trigger Event occurs, (iv) certain Regulatory Events occur, (v) certain tax events occur with respect to the Notes or the Original Collateral, (vi) the Swap Agreement is terminated early, (vii) certain events occur which make it unlawful for the Issuer to perform certain obligations, comply with material provisions of agreements entered into in connection with the Notes or hold Original Collateral, (viii) certain Events of Default occur or (ix) an Additional Redemption Event occurs. For further information see the section of the Base Prospectus entitled "*Risk Factors*".

What interest payments will Noteholders receive after the occurrence of a Credit Event?

If an applicable Credit Event and related Event Determination Date occur, interest shall cease to accrue on Single Name CLNs, Basket CLNs, Index Linked CLNs or where the applicable Credit Event is a M(M)R Restructuring, on a portion thereof equal to the Applicable Proportion (for further information see “*What is the Applicable Proportion*” below)) from and including the Interest Payment Date preceding such occurrence of the Event Determination Date or, (if no such Interest Payment Date exists), the Interest Commencement Date.

If a Credit Event and Event Determination Date have not occurred will I receive payments of interest on each Interest Payment Date?

The Issuer’s obligation to make payment of interest on a specified Interest Payment Date may be suspended pursuant to Additional CLN Condition 3 (*Interest on Credit Linked Notes*) if (i) an Applicable DC Credit Event Question has been made on or prior to an Interest Payment Date and no corresponding DC Resolution has been published or (ii) the Calculation Agent determines that factors exist which may amount to a Credit Event, then any interest payable under the Credit Linked Notes will be suspended (or, in the case of Linear Basket CLNs or Index Linked CLNs, in relation to a portion of such Note equal to the Reference Entity Notional Amount of the Reference Entity in respect of which a potential Credit Event may occur).

If payments of interest are suspended when will the Issuer’s obligations to make such payments resume?

Noteholders will not receive payment of such suspended interest amount until (i) an Applicable DC No Credit Event Announcement or an Applicable DC Credit Event Question Dismissal is made; (ii) the Calculation Agent determines that a potential Credit Event has not occurred or (iii) that an Event Determination Date has occurred but such Event Determination Date occurred after the Interest Payment Date in relation to which the interest payment was suspended. The Noteholders will be paid the suspended interest amount five Reference Business Days following the date on which the relevant determination under (i), (ii) or (iii), as applicable, was made.

Will Noteholders receive an additional amount of interest once the Issuer’s obligation to make interest payments resumes?

No additional amount of interest will be payable to the Noteholders by the Issuer in connection with the delay or postponement in payment of an interest amount.

What if a Credit Event and Event Determination Date are determined to have occurred during the period when interest payments were suspended?

If an Applicable DC Credit Event Announcement is made and the corresponding Event Determination Date falls on or prior to the relevant Interest Payment Date then the suspended interest amount will no longer be due under the Credit Linked Notes and interest will be deemed to cease to accrue on the Notes (or, in the case of Linear Basket CLNs or Index Linked CLNs, a portion thereof equal to the Reference Entity Notional Amount of the Reference Entity in respect of which an Event Determination Date has occurred) from and including the Interest Payment Date immediately preceding such Event Determination Date (or, the Interest Commencement Date if there is no immediately preceding Interest Payment Date).

What will happen to interest payments following a resumption of the Issuer's obligations to make interest payments if the applicable Credit Event and Event Determination Date relate to an M(M)R Restructuring?

If an Applicable DC Credit Event Announcement is made and the corresponding Credit Event is an M(M)R Restructuring Credit Event, (i) the proportion of the suspended interest amount which relates to the Applicable Proportion shall no longer be due under the Notes and will be deemed to have ceased to accrue from and including the Interest Payment Date immediately preceding such Event Determination Date (or, the Interest Commencement Date if there is no immediately preceding Interest Payment Date) and (ii) the remaining suspended interest amount will be paid to Noteholders five Reference Business Days following the date on which the relevant Credit Event Notice is delivered.

Can Credit Linked Notes be redeemed after the Scheduled Maturity Date?

Yes. If the Calculation Agent considers that on or prior to the Scheduled Maturity Date, one or more Reference Entities is or may be subject to (i) a Credit Event, (ii) if "Grace Period Extension" is specified as being applicable in the relevant Issue Terms, a Potential Failure to pay, or (iii) if "Repudiation/Moratorium" is specified as being applicable in the relevant Issue Terms, a Potential Repudiation/Moratorium, then each Credit Linked Note then outstanding shall not be redeemed on the Scheduled Maturity Date but shall be redeemed on the Extended Maturity Date.

When will the Notes be redeemed if the Scheduled Maturity Date is extended?

If an Event Determination Date (i) has not occurred on or prior to the Notes Extension Date the Notes will be redeemed on the fifth Reference Business Day following the Notes Extension Date; and (ii) has occurred on or prior to the Notes Extension Date then the Notes will be redeemed on the Early Redemption Date in accordance with the Auction Redemption Terms, Cash Redemption Terms or Fixed Recovery Redemption Terms, as applicable.

Will I receive an additional amount on account of interest if the Maturity Date is extended?

If a Credit Event and related Event Determination Date are determined not to have occurred or are determined to not be applicable to the Notes then Noteholders may be entitled to receive interest on any unpaid amounts which were postponed and are payable on the Extended Maturity Date. The relevant Issue Terms will specify whether or not Postponement Interest is payable.

How do changes in share prices of any Reference Entity affect the value of the Notes?

Taking credit risk on the Reference Entity by purchasing Notes is different from taking equity risk by investing in shares of the Reference Entity. There are a number of reasons for this. For example:

- (a) credit derivatives reference debt obligations of the Reference Entity, and a Reference Entity must generally pay amounts due to the creditors on these debt obligations before paying dividends or capital to shareholders;
- (b) the obligations of the Reference Entity referenced by the Notes consist of bonds and other debt; holders of this type of debt will generally rank ahead of holders of ordinary shares in the insolvency of a Reference Entity, and so may have (but are not guaranteed) a higher rate of recovery of moneys due to them;
- (c) because the Notes reference these debt obligations, the market value of the Notes is related to (although not necessarily equal to) the value of these debt obligations; and
- (d) there is no direct link between share prices and the value of the Notes.

However, in some circumstances, change in the share price of the Reference Entity may result in or from, at a general level, a change in the market value of its debt and vice versa.

What is the Applicable Proportion?

The Applicable Proportion for determining the amount payable on redemption or partial redemption of a Credit Linked Note following the occurrence of a Credit Event will be (a) if the Credit Linked Note is a Single Name CLN or a First-to-Default Basket CLN and redemption is not as a result of an M(M)R Restructuring Credit Event, 100 per cent., (b) if the Credit Linked Note is a Linear Basket CLN or an Index Linked CLN and redemption is not as a result of an M(M)R Restructuring Credit Event, an amount equal to the percentage weighting specified for the affected Reference Entity, or (c) if the redemption is as a result of an M(M)R Restructuring Credit Event, (i) in the case of a Single Name CLN or a First-to-Default Basket CLN, an amount equal to the Exercise Amount specified in the relevant Credit Event Notice relating to the relevant Reference Entity and Credit Event divided by the Aggregate Nominal Amount of the Credit Linked Notes as at the Issue Date, or (ii) in the case of a Linear Basket CLN or Index Linked CLN, an amount equal to the Exercise Amount specified in the relevant Credit Event Notice relating to the relevant Reference Entity and Credit Event, multiplied by the percentage weighting specified for the relevant Reference Entity, divided by the relevant Reference Entity Notional Amount, in each case, as at the Issue Date.

What are the Financial Reference Entity Terms?

Where the Reference Obligation is a senior obligation and, if “Financial Reference Entity Terms” has been specified as applicable, if a Credit Event would only affect the subordinated obligations of the relevant obligor, a Credit Event will not be triggered in respect of such senior obligation.

What is Asset Package Delivery?

If (a) a Restructuring Credit Event (which does not constitute a Governmental Intervention) or a Governmental Intervention Credit Event occurs with respect to such senior obligation, or (b) a Restructuring Credit Event occurs with respect to a Sovereign, such a Credit Event will constitute an “Asset Package Credit Event”. In those circumstances, (unless, in respect of a Sovereign Reference Entity, Asset Package Delivery has been specified not to apply in the relevant Issue Terms), the obligations or assets used to determine the Auction Final Price or Value of the Valuation Obligations, as the case may be, (i.e. the “Asset Package”) will be those assets received or retained by a Relevant Holder after the relevant Credit Event by reference to:

- (i) in respect of (a) above, either an obligation of the Reference Entity which existed immediately prior to the Asset Package Credit Event which would have constituted a Deliverable Obligation, or the Reference Obligation (i.e. a “**Prior Deliverable Obligation**”); or
- (ii) in respect of (b) above, a benchmark obligation of the relevant Sovereign identified as such by ISDA and published on its website which immediately prior to the Asset Package Credit Event would have constituted a Deliverable Obligation (i.e. a “**Package Observable Bond**”).

Is the Auction Final Price subject to change?

Yes. The Calculation Agent has the discretion to adjust the Auction Final Price for any Asset Package if it determines that the Auction Final Price does not reflect the price for the entire Asset Package and in doing so the Calculation Agent may, but is not obliged to, have regard to any Auction Settlement Terms published by ISDA to settle credit derivatives transactions following an Asset Package Credit Event.

If the Calculation Agent decides to amend the Auction Final Price in such circumstances any corresponding adjustment to the price must comply with provisions of Additional CLN Condition 6(d) (*Auction Final Price of the Asset Package*) which includes (i) the Calculation Agent preserving the economic effects of the terms of the Credit Linked Notes; (ii) the Calculation Agent not taking into account any method of determining the Asset Market Value of any Asset that is a Non-Transferable Instrument or a Non-Financial Instrument forming part of the Asset Package that has been taken into account in determining the Auction Final Price published by the DC Secretary.

The Calculation Agent is also under a duty to act in good faith and a commercially reasonable manner when making such determination pursuant to Master Condition 9(g) (*Determinations and actions*).

What are the Credit Derivatives Determinations Committees and how do they affect the Notes?

The Credit Derivatives Determinations Committees were established by ISDA in March 2009 to make determinations that are relevant to the majority of the credit derivatives market and to promote transparency and consistency. Noteholders will have no role in the composition of the Credit Derivatives Determinations Committee by virtue of the fact that they are investors in the Notes.

Prospective Noteholders should note that a Credit Derivatives Determinations Committee has the power to make binding decisions which the Calculation Agent may determine are applicable for the purposes of the Notes on critical issues, including:

- (a) the occurrence of a Credit Event and Event Determination Date;
- (b) whether one or more Auctions will be held in respect of the Reference Entity for which a Credit Event has occurred and the price determined in such Auction;
- (c) if one or more Auctions is to be held, what Deliverable Obligations of the Reference Entity will be used for the purposes of determining the price for each such Auction; and
- (d) the occurrence of a "Succession Event" and the identity of any "Successors".

Consequently, Noteholders will be bound by any such relevant decisions determined to be applicable to the Notes and the payments on the Notes and the timing of any such payments may be affected by such decisions or determinations. Questions referred to the Credit Derivatives Determinations Committee and the results of binding votes will be published on <http://www2.isda.org/>.

The Credit Derivatives Determinations Committees are regional and there is a Credit Derivatives Determinations Committee for each of the following five regions: the Americas, Asia (excluding Japan), Australia and New Zealand, Europe, the Middle East and Africa and Japan. The Credit Derivatives Determinations Committees which are relevant for the Notes will be the one constituted for Europe.

The proceedings of each Credit Derivatives Determinations Committee will be governed by rules published from time to time by ISDA. A copy of such rules is available as at the date of this Base Prospectus free of charge at <http://www2.isda.org/>.

Each Credit Derivatives Determinations Committee is composed of fifteen voting members and three non-voting consultative members. Ten of the voting members are dealer institutions, with eight serving across all regions and two potentially varying by region. The other five voting members are non-dealer institutions that serve across all regions. The three non-voting consultative members consist of one dealer institution and one non-dealer institution that serve across all regions and one dealer institution that could potentially vary by region.

As at the date of this Base Prospectus, Credit Suisse International and certain of its affiliates are members of one or more Credit Derivatives Determinations Committee. In reaching decisions, neither Credit Suisse International nor any other member of a Credit Derivatives Determinations Committee will take account of the interests of the Noteholders.

Whilst Credit Suisse International and certain of its affiliates acting in their respective capacities as members of any relevant Credit Derivatives Determinations Committee may make determinations in respect of Reference Entities and/or obligations of such Reference Entities which could have an adverse impact on the Notes held by investors, such determinations will not be made by Credit Suisse International or any applicable affiliate unilaterally.

Is it possible to change a Reference Entity?

The Reference Entity may not be changed unless a “Successor” determination has been made with respect to the Reference Entity on or after the “Successor Backstop Date” (or, in the case of a “Universal Successor”, on or after 1 January 2014).

A “Universal Successor” means, with respect to any Reference Entity, the single entity which assumes all of the obligations (including at least one relevant bond or loan) of the Reference Entity and at the time of the determination either (A) the Reference Entity has ceased to exist, or (B) the Reference Entity is in the process of being dissolved (however described) and the Reference Entity has not issued or incurred any borrowed money obligation at any time since the legally effective date of the assumption.

What is a “Successor” to the Reference Entity and how can succession affect the Notes?

If the DC Secretary publicly announces that a Credit Derivatives Determinations Committee has resolved that a different entity or entities has or have become successor(s) to the original Reference Entity to which the Notes are linked, then such entity may be identified as a “Successor” to the original Reference Entity. The Calculation Agent under the Swap Agreement (being Credit Suisse International) may also, following a Succession Event, identify an entity or entities as a successor(s) to the original Reference Entity.

The identity of the original Reference Entity will be treated as having been amended accordingly for the purposes of the Notes so that, following the determination or announcement of a “Successor”, the Notes will be linked to the credit risk of the Successor. The credit risk associated with a Successor or Successors may be different from and could be greater than the credit risk associated with the original Reference Entity.

The events which may lead to the determination or announcement of a Successor may occur at any time from and including the “Successor Backstop Date” (or, in the case of a “Universal Successor”, on or after 1 January 2014), which is a rolling date that is:

- (a) if a Credit Derivatives Determinations Committee receives a request to resolve whether or not there is one or more Successors to the Reference Entity, 90 calendar days prior to the date of such request (regardless of whether the Credit Derivatives Determinations Committee resolves to determine such matter or not); or
- (b) otherwise, 90 calendar days prior to the date on which notice of the occurrence of a succession is delivered by the Calculation Agent under the Swap Agreement to the Issuer and the Swap Counterparty under the Swap Agreement.

Can a succession occur prior to the Issue Date?

Yes. A succession may occur prior to the Issue Date of the Credit Linked Notes and may even occur prior to the Trade Date specified in the applicable Issue Terms. The Successor Backstop Date may fall prior to the Trade Date and accordingly a succession may occur prior to the Trade Date.

Noteholders should conduct their own review of any recent developments with respect to the Reference Entity by consulting publicly available information. If a request has been delivered to convene a Credit Derivatives Determinations Committee prior to the Trade Date to determine whether a succession has occurred with respect to the Reference Entity, details of such request may be found on the ISDA website <http://dc.isda.org/>.

Does the Calculation Agent have unfettered discretion to determine a Successor?

No. Although the Calculation Agent has the right to make a determination as to whether or not a succession event has occurred, its right is limited by the Additional CLN Conditions as follows: the Calculation Agent (i) cannot make such a determination if a Credit Derivatives Determinations Committee has already determined that such an event does not constitute a succession event; (ii) is required to act on the basis of Eligible Information and (iii) is required to act in a commercially reasonable manner.

What rights and options does the Swap Counterparty have in respect of Credit Linked Notes?

Noteholders should note that the Swap Counterparty will be entitled to exercise certain rights and options that would be exercisable by the protection buyer under a credit default swap which may affect the returns on the Notes including:

- (a) in the absence of a resolution by a Credit Derivatives Determinations Committee as to whether a Credit Event has occurred in relation to the relevant Reference Entity, electing whether to deliver a Credit Event Notice and supporting information in order to trigger settlement of the Notes following the occurrence of a Credit Event;
- (b) in certain circumstances where a Credit Derivatives Determinations Committee has determined that a Restructuring Credit Event has occurred, determining whether an Event Determination Date has occurred for the purposes of the Notes; and
- (c) in certain circumstances following the occurrence of an M(M)R Restructuring, (i) to elect under the credit default swap the nominal amount of Credit Linked Notes to which such M(M)R Restructuring Credit Event applies and (ii) provided that the Swap Counterparty has notified the Issuer within three Reference Business Days of the initial relevant Event Determination Date of a nominal amount which is less than the Reference Entity Outstanding Amount then the Swap Counterparty may subsequently specify one or more Exercise Amounts in respect of such M(M)R Restructuring Credit Event by giving notice to the Issuer at any time prior to the Maturity Date.

What are some of the key determinations that the Calculation Agent is responsible for making in relation to Credit Linked Notes?

Noteholders should note that the Calculation Agent is responsible for making certain determinations with respect to the Notes.

The Calculation Agent is responsible for:

- (a) determining whether an Auction would apply for the purposes of the Notes;

- (b) where there are multiple Auctions held concurrently, determining the Auction which will apply to the Notes;
- (c) where the Credit Event Loss Amount is not determined by an Auction, determining the Credit Event Loss Amount on the basis of bid quotations from third party dealers;
- (d) where the Credit Event Loss Amount is not determined by an Auction, (i) determining a date for the valuation of certain eligible obligations and (ii) selecting third party dealers from which to obtain bid quotations for the purposes of such valuation;
- (e) absent publication of Credit Derivatives Determinations Committee resolution, determining successor Reference Entities for the purposes of the Notes;
- (f) absent publication of a Credit Derivatives Determinations Committee resolution, determining substitute Reference Obligation(s) for the purposes of the Notes;
- (g) determining whether, under the terms of the Credit Linked Notes, the obligations of the parties would be suspended pending a resolution of a Credit Derivatives Determinations Committee;
- (h) following the occurrence of an Event Determination Date, where a Credit Derivatives Determinations Committee resolves that an Event Determination Date occurred on a date that is different from the date first determined or that no Event Determination Date occurred, determining, acting in a commercially reasonable manner, any additional amount payable to the Noteholder(s) or any reduction in any subsequent amount that would otherwise subsequently be payable to the Noteholders; and
- (i) where the redemption of the Notes is extended beyond the Scheduled Maturity Date, determining the Extended Maturity Date, which, provided that an Event Determination Date does not occur, will be a date falling no later than five Reference Business Days following the Notes Extension Date.

Noteholders should note that any determination and/or calculation made by the Calculation Agent shall, in the absence of manifest error, be final, conclusive and binding on the Issuer, the Noteholders and the Couponholders.

COLLATERAL BASKET PRODUCT SUPPLEMENT

1 Incorporation and Interpretation

(a) Applicable Product Supplement

This Product Supplement is the “**Collateral Basket Product Supplement**”. If the relevant Issue Terms specify that this Collateral Basket Product Supplement is an Applicable Product Supplement:

- (i) the Notes shall be “Collateral Basket Notes”;
- (ii) the terms and conditions of the Notes shall be the Master Conditions, as amended and supplemented by the additional conditions comprising this Collateral Basket Product Supplement (the “**Additional Collateral Basket Conditions**”), as further amended and supplemented by the relevant Issue Terms.

This Collateral Basket Product Supplement shall not apply to Notes issued by way of Final Terms.

(b) Type of Collateral Basket Note

The relevant Issue Terms shall specify one of “Full Unwind”, “Partial Unwind” or “Partial Unwind with Shortfall”.

(c) Defined Terms

Certain terms are defined in Additional Collateral Basket Condition 5 (*Definitions*). Capitalised terms used but not defined in this Collateral Basket Product Supplement shall have the meanings given to them in the Master Conditions or the relevant Issue Terms.

Other than with respect to Master Condition 17 (*Limited Recourse and Non-Petition*) and to the extent relevant Master Condition 9(g) (*Determinations and actions*), to the extent of any inconsistency between (i) the Master Conditions and the Additional Collateral Basket Conditions, the Additional Collateral Basket Conditions will prevail; (ii) the Master Conditions and the relevant Issue Terms, the Issue Terms will prevail; and (iii) the Additional Collateral Basket Conditions and the relevant Issue Terms, the Issue Terms will prevail.

2 Amendment to Master Condition 7(g) (*Interest payable*)

Master Condition 7(g) (*Interest payable*) shall be amended such that the amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be equal to the product of (i) the Rate of Interest, (ii) the Calculation Amount, (iii) the Outstanding Principal Percentage as at the last day of such Interest Accrual Period and (iv) the Day Count Fraction for such Interest Accrual Period unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula).

3 Amendments to Master Condition 8 (Redemption and Purchase)

(a) Disapplication of Master Condition 8(c) (*Redemption following a Collateral Event*)

Master Condition 8(c) (*Redemption following a Collateral Event*) shall not apply to the Notes and references to such Master Condition throughout shall be ignored.

(b) Early redemption following a Collateral Event

The following Additional Redemption Event shall apply to the Notes for the purposes of Master Condition 8(k) (*Redemption following an Additional Redemption Event*):

“Early redemption following a Collateral Event

Provided that no Early Redemption Commencement Date or Early Redemption Date has occurred pursuant to any other Condition in respect of a Note (disregarding, where the Notes are Collateral Basket Notes and “Partial Unwind” or “Partial Unwind with Shortfall” is specified in the relevant Issue Terms, any Early Redemption Commencement Date that has occurred as a result of a different Collateral Component becoming an Affected Collateral Component), if the Calculation Agent determines that a Collateral Event has occurred with respect to any Collateral Component and gives notice of such determination (including a description in reasonable detail of the facts relevant to such determination) to the Issuer (copied to the Issuing and Paying Agent, the Trustee and the Swap Counterparty) pursuant to the Swap Agreement (the date of such determination being the **“Collateral Event Determination Date”**), then as soon as reasonably practicable, and in any event within the Early Redemption Notification Period commencing on (and including) the Collateral Event Determination Date, the Issuer (or the Issuing and Paying Agent on its behalf, having been supplied by the Issuer or the Calculation Agent with the relevant Early Redemption Notice) will give an Early Redemption Notice to the Noteholders of the determination of the Collateral Event (the date of such notice to the Noteholders being the **“Early Redemption Commencement Date”**), including a description in reasonable detail of the facts relevant to such determination (which (notwithstanding that if “Full Unwind” is specified in the relevant Issue Terms, the Notes will be due and payable in whole) shall include details of the Collateral Component in respect of which the Collateral Event has occurred), by forwarding with such Early Redemption Notice a copy of the notice delivered by the Calculation Agent with respect to the Collateral Event Determination Date or the information provided therein:

- (i) Where “Full Unwind” is specified in the relevant Issue Terms, each Note shall become due and payable in whole on the related Early Redemption Date at its Early Cash Redemption Amount (which shall be the only amount payable and there will be no separate payment of any unpaid accrued interest thereon), irrespective of whether the relevant Collateral Event is continuing. The payment of such amount shall satisfy all the Issuer’s obligations under and in relation to such Note.

For the avoidance of doubt, the occurrence of a Collateral Event in respect of any Collateral Component shall result in each Note becoming due and payable in whole at its Early Cash Redemption Amount notwithstanding that a Collateral Event may not have occurred in respect of the other Collateral Component(s).

- (ii) Where “Partial Unwind” is specified in the relevant Issue Terms:

- (A) The Calculation Agent shall determine the Partial Swap Value in respect of the Affected Collateral Component on a date falling as soon as reasonably

practicable within five Business Days of the Early Redemption Commencement Date (such date of determination, the “**Collateral Valuation Date**”).

- (B) The Affected Collateral Component shall be Liquidated by the Disposal Agent in accordance with the provisions of Additional Collateral Basket Condition 4 (*Liquidation process*).
 - (C) Each Note shall become due and payable in part (or, where the Collateral Event occurs in respect of the sole outstanding Collateral Component, in whole) on the Early Redemption Date by payment to each Noteholder of its Early Cash Redemption Amount (if any), irrespective of whether the relevant Collateral Event is continuing and the payment of such amount shall satisfy the Issuer’s obligations in respect of such *pro rata* proportion of each Note or the whole of such Note, as applicable.
 - (D) The outstanding nominal amount of each Note shall be reduced by an amount equal to the product of (X) the Weighting of the Affected Collateral Component and (Y) the Specified Denomination of such Note, for all purposes with effect from the relevant Early Redemption Date, unless payment of the relevant Early Cash Redemption Amount is improperly withheld or refused, in which case, such amount shall remain outstanding until the Relevant Date relating to such Early Cash Redemption Amount.
 - (E) The Outstanding Principal Percentage shall (without double counting)) decrease to reflect the deduction of the Weighting of the Affected Collateral Component so that Interest Amounts payable on any subsequent Interest Payment Date (if any) shall be determined on the basis of a reduced nominal amount.
- (iii) Where “Partial Unwind with Shortfall” is specified in the relevant Issue Terms:
- (A) The Calculation Agent shall determine the Partial Swap Value in respect of the Affected Collateral Component on a date falling as soon as reasonably practicable within five Business Days of the Early Redemption Commencement Date (such date of determination, the “**Collateral Valuation Date**”).
 - (B) The Affected Collateral Component shall be Liquidated by the Disposal Agent in accordance with the provisions of Master Condition 13 (*Liquidation*).
 - (C) If there is a Partial Swap Loss payable by the Issuer to the Swap Counterparty, the Calculation Agent shall determine whether the liquidation proceeds of the Affected Collateral Component are sufficient to pay such Partial Swap Loss. If (x) the liquidation proceeds of the Affected Collateral Component minus (y) the Partial Swap Loss results in a negative number (the absolute value of such negative number being the “**Shortfall Amount**”), the Disposal Agent shall further Liquidate an amount of Additional Collateral (as determined in its sole discretion) in accordance with the provisions of Additional Collateral Basket Condition 4 (*Liquidation process*) such that the Additional Collateral Unwind Value is at least equal to the Shortfall Amount, save that if the Additional Collateral required to be Liquidated is equal to or greater than the sum of the remaining Original Collateral standing to the credit of the Custody Account plus any Original Collateral then forming part of the Issuer’s Credit Support Balance (a “**Collateral Exhaustion Event**”), then the Disposal Agent will not effect a Liquidation and the provisions

of Additional Collateral Basket Condition 3(c) (*Redemption following a Collateral Exhaustion Event*) shall apply instead.

- (D) Each Note shall become due and payable in part (or, where the Collateral Event occurs in respect of the sole outstanding Collateral Component, in whole) on the Early Redemption Date by payment to each Noteholder of its Early Cash Redemption Amount (if any), irrespective of whether the relevant Collateral Event is continuing and the payment of such amount shall satisfy the Issuer's obligations in respect of such *pro rata* proportion of each Note or the whole of such Note, as applicable.
- (E) The outstanding nominal amount of each Note shall be reduced by an amount equal to the product of (X) the Weighting of the Affected Collateral Component plus, if a Shortfall Amount was determined, the Additional Collateral Weighting(s) in respect of the Additional Collateral liquidated in accordance with paragraph (C) above (if any) and (Y) the Specified Denomination of such Note, for all purposes with effect from the relevant Early Redemption Date, unless payment of the relevant Early Cash Redemption Amount is improperly withheld or refused, in which case, such amount shall remain outstanding until the Relevant Date relating to such Early Cash Redemption Amount.
- (F) The Weighting of any Collateral Component from which Additional Collateral has been Liquidated shall be reduced by the corresponding Additional Collateral Weighting.
- (G) The Outstanding Principal Percentage shall (without double counting) decrease to reflect the deduction of the Weighting of the Affected Collateral Component along with, if a Shortfall Amount was determined, the Additional Collateral Weighting(s) in respect of the Additional Collateral liquidated in accordance with paragraph (E) above (if any) so that Interest Amounts payable on any subsequent Interest Payment Date (if any) shall be determined on the basis of a reduced nominal amount.”.

For such purposes:

- (i) this Additional Collateral Basket Condition 2(b) shall be deemed to constitute part of Master Condition 8 (*Redemption and Purchase*) for the purposes of the definition of Early Redemption Notice and such definition shall be construed so as to also refer to this Additional Collateral Basket Condition 2(b) immediately after the reference to Master Condition 8(n) (*Redemption of all Classes following an Enforcement Notice in respect of certain Class(es) of Notes only*) therein; and
- (ii) Master Condition 8(u) (*Effect of redemption, purchase and cancellation*) shall be construed so as to also refer to this Additional Collateral Basket Condition 3(b) immediately after the reference to Master Condition 8(n) (*Redemption of all Classes following an Enforcement Notice in respect of certain Class(es) of Notes only*) in both the first and second sentence thereof.

For the avoidance of doubt, none of the Issuer, the Trustee or the Calculation Agent shall be required to monitor, enquire or satisfy itself as to whether any Collateral Event has occurred. Neither the Trustee nor the Calculation Agent shall have any obligation, responsibility or liability for giving or not giving any notice thereof to the Issuer or any

Secured Creditor. If the Issuer or the Calculation Agent effectively gives a notice to the Trustee of the occurrence of a Collateral Event, the Trustee shall be entitled to rely conclusively on such notice without further investigation.

(c) Redemption following a Collateral Exhaustion Event

The following Additional Redemption Event shall apply to the Notes for the purposes of Master Condition 8(k) (*Redemption following an Additional Redemption Event*):

“Redemption following a Collateral Exhaustion Event

Where “Partial Unwind with Shortfall” is specified in the relevant Issue Terms, provided that no Early Redemption Commencement Date or Early Redemption Date has occurred pursuant to any other Condition in respect of a Note (disregarding any Early Redemption Commencement Date that has occurred as a result of a Collateral Event), if the Calculation Agent determines that a Collateral Exhaustion Event has occurred with respect to the Original Collateral and gives notice of such determination (including a description in reasonable detail of the facts relevant to such determination) to the Issuer (copied to the Issuing and Paying Agent, the Trustee and the Swap Counterparty) (the date of such determination being the “**Collateral Exhaustion Event Determination Date**”), then:

- (i) as soon as reasonably practicable, and in any event within the Early Redemption Notification Period commencing on (and including) the Collateral Exhaustion Event Determination Date, the Issuer (or the Issuing and Paying Agent on its behalf, having been supplied by the Issuer or the Calculation Agent with the relevant Early Redemption Notice) will give an Early Redemption Notice to the Noteholders of the determination of the Collateral Event (the date of such notice to the Noteholders being the “**Early Redemption Commencement Date**”), including a description in reasonable detail of the facts relevant to such determination, by forwarding with such Early Redemption Notice a copy of the notice delivered by the Calculation Agent with respect to the Collateral Exhaustion Event Determination Date or the information provided therein; and
- (ii) each Note shall become due and payable on the related Early Redemption Date at its Early Cash Redemption Amount (which may not be less than zero and shall be the only amount payable and there will be no separate payment of any unpaid accrued interest thereon). The payment of such amount shall satisfy all the Issuer’s obligations under and in relation to such Note.”.

4 Amendments to Master Condition 13(b) (*Liquidation process*)

Master Condition 13(b) (*Liquidation process*) shall not apply to the Notes and for the purpose of these Additional Collateral Basket Conditions shall be replaced with the following:

“(b) Liquidation process

- (i) **Following a Collateral Exhaustion Event pursuant to these Additional Collateral Basket Conditions**

Following receipt by it of a valid Liquidation Commencement Notice the Disposal Agent shall on behalf of the Issuer, so far as is practicable in the circumstances and to the extent that the relevant Collateral is outstanding (subject to paragraph (iii) below) effect a Liquidation of the Collateral commencing on the Liquidation Commencement Date with a view to Liquidating all the Collateral on or prior to the Early Valuation Date or the third

Reference Business Day prior to the Relevant Payment Date, as applicable, provided that the Disposal Agent and the Issuer shall have no liability if the Liquidation of all Collateral has not been effected by such date. If the Collateral has not been Liquidated in full by such date, the Disposal Agent shall continue in its attempts to effect a Liquidation of the Collateral until such time (if any) as it is instructed by the Issuer to the contrary or until it receives a valid Enforcement Notice from the Trustee.

(ii) **Following a Collateral Event pursuant to these Additional Collateral Basket Conditions**

(I) Where “Full Unwind” is specified in the relevant Issue Terms, following receipt by it of a valid Liquidation Commencement Notice the Disposal Agent shall on behalf of the Issuer, so far as is practicable in the circumstances and to the extent that the relevant Collateral is outstanding (subject to paragraph (iii) below) effect a Liquidation of each Collateral Component commencing on the Liquidation Commencement Date with a view to Liquidating all of the Collateral Components on or prior to the Early Valuation Date or the third Reference Business Day prior to the Relevant Payment Date, as applicable, provided that the Disposal Agent and the Issuer shall have no liability if the Liquidation of all Collateral Components has not been effected by such date. If the Collateral Components have not been Liquidated in full by such date, the Disposal Agent shall continue in its attempts to effect a Liquidation of the Collateral Components until such time (if any) as it is instructed by the Issuer to the contrary or until it receives a valid Enforcement Notice from the Trustee.

(II) Where “Partial Unwind” is specified in the relevant Issue Terms, following receipt by it of a valid Liquidation Commencement Notice the Disposal Agent shall on behalf of the Issuer, so far as is practicable in the circumstances and to the extent that the relevant Collateral is outstanding (subject to paragraph (iii) below), effect a Liquidation of the Affected Collateral Component commencing on the Liquidation Commencement Date with a view to Liquidating all of the Affected Collateral Component on or prior to the Early Valuation Date or the third Reference Business Day prior to the Relevant Payment Date, as applicable, provided that the Disposal Agent and the Issuer shall have no liability if the Liquidation of the Affected Collateral Component has not been effected by such date. If the Affected Collateral Component has not been Liquidated in full by such date, the Disposal Agent shall continue in its attempts to effect a Liquidation of the Affected Collateral Component until such time (if any) as it is instructed by the Issuer to the contrary or until it receives a valid Enforcement Notice from the Trustee.

(III) Where “Partial Unwind with Shortfall” is specified in the relevant Issue Terms, following receipt by it of a valid Liquidation Commencement Notice the Disposal Agent shall on behalf of the Issuer, so far as is practicable in the circumstances and to the extent that the relevant Collateral is outstanding (subject to paragraph (iii) below) and provided that a Collateral Exhaustion Event would not occur (in which case the provisions set out in paragraph (i) above shall apply):

(A) effect a Liquidation of the Affected Collateral Component commencing on the Liquidation Commencement Date with a view to Liquidating all of the Affected Collateral Component on or prior to the Early Valuation Date or the third Reference Business Day prior to the Relevant Payment Date, as

applicable, and provided that the Disposal Agent and the Issuer shall have no liability if the Liquidation of the Affected Collateral Component has not been effected by such date. If the Affected Collateral Component has not been Liquidated in full by such date, the Disposal Agent shall continue in its attempts to effect a Liquidation of the Affected Collateral Component until such time (if any) as it is instructed by the Issuer to the contrary or until it receives a valid Enforcement Notice from the Trustee; and

- (B) if, following Liquidation of the Affected Collateral Component (in accordance with paragraph (A) above), the Calculation Agent determines that there is a Shortfall Amount, the Disposal Agent will Liquidate an amount of Additional Collateral (as determined in its sole discretion) from one or more Collateral Components other than the Affected Collateral Component such that the Additional Collateral Unwind Value is at least equal to the Shortfall Amount.

(iii) **Liquidation Parameters**

Where the relevant Issue Terms specify that Liquidation Parameters are applicable, for the purpose of paragraphs (i) or (ii) above:

- (A) the Disposal Agent shall seek to Liquidate all of the Collateral (which, for these purposes, shall include any Affected Collateral Component or Additional Collateral) as soon as reasonably practicable, and in any event within five Business Days, following the relevant Early Redemption Commencement Date (the “**Target Liquidation Period**”); and
- (A) the Disposal Agent shall request each of five Quotation Dealers to provide its all-in, firm executable bid price (a “**Quotation**”) in the Base Currency to purchase the Collateral on a day within the Target Liquidation Period, and it shall sell the Collateral on such a date to the Quotation Dealer who provides the highest Quotation, save that where no Quotations are obtained, the Disposal Agent shall determine the value of the Collateral,

and, for the avoidance of doubt, where the Target Liquidation Period and/or the number of Quotations to be obtained differ from those specified above, the relevant Liquidation Parameters shall be set out in the relevant Issue Terms.

The Disposal Agent may take such steps as it considers appropriate in order to effect any such Liquidations, including but not limited to selecting the method of Liquidating any Collateral. The Disposal Agent must effect any Liquidation as soon as reasonably practicable within the available timeframe, even where a larger amount could possibly be received in respect of such Collateral if any such Liquidation were to be delayed. Subject to such requirement, the Disposal Agent shall be entitled to effect any Liquidation by way of one or multiple transactions on a single or multiple day(s).

In accordance with the terms of the Trust Deed and Master Condition 5(d) (*Disposal Agent’s right following Liquidation Event*), following the occurrence of a Liquidation Event and effective delivery of a valid Liquidation Commencement Notice, the Security shall be released without further action on the part of the Trustee to the extent necessary for the Disposal Agent to effect the Liquidation of the Collateral. Nothing in this Additional Collateral Basket Condition 4 or Master Condition 5(d) (*Disposal Agent’s right following Liquidation Event*) will operate to release the charges and other security interests over the proceeds of the Liquidation of the

Collateral. The Disposal Agent shall not be liable to the Issuer, the Trustee, the Swap Counterparty, the Noteholders, the Couponholders, holders of Receipts or any other person merely because a larger amount could have been received had any such Liquidation been delayed or had the Disposal Agent selected a different method of Liquidating any such Collateral, provided that the Disposal Agent has complied with its duty to act in good faith and a commercially reasonable manner.

In determining whether or not to take any action as a result of a determination that a Liquidation Event has occurred, the Disposal Agent (i) shall have complete discretion, (ii) shall have no duty or obligation to the Issuer, any Noteholder, any Couponholder or any other person to take any such action or make any such determination and (iii) shall not be liable for any such determination or decision or the timing thereof, provided that it has acted in good faith and a commercially reasonable manner.”.

5 Definitions

The following definitions which relate to Collateral Basket Notes should be read in conjunction with the Additional Collateral Basket Conditions:

“Additional Collateral” means, in respect of Collateral Basket Notes for which “Partial Unwind with Shortfall” is specified in the relevant Issue Terms, an amount of Original Collateral comprised in one or more Collateral Components that are not the Affected Collateral Component.

“Additional Collateral Unwind Value” means, in respect of Collateral Basket Notes for which “Partial Unwind with Shortfall” is specified in the relevant Issue Terms, an amount determined by the Calculation Agent equal to:

- (i) the liquidation proceeds of the Additional Collateral being Liquidated pursuant to Additional Collateral Basket Condition 3(b)(iii)(C); plus
- (ii) the Shortfall Partial Swap Gain (if any); minus
- (iii) the Shortfall Partial Swap Loss (if any).

“Additional Collateral Weighting” means, in respect of Collateral Basket Notes for which “Partial Unwind with Shortfall” is specified in the relevant Issue Terms and Additional Collateral, the part of the Weighting of the Collateral Component from which the Additional Collateral has been Liquidated that corresponds to the portion of such Additional Collateral being liquidated.

“Affected Collateral Component” means any Collateral Component in respect of which the Calculation Agent determines that a Collateral Event has occurred.

“Collateral Component” means each asset comprising the Original Collateral, as set out in the relevant Issue Terms.

“Collateral Exhaustion Event” has the meaning given to it in Additional Collateral Basket Condition 3(b)(iii)(C).

“Early Cash Redemption Amount” means, in respect of each Collateral Basket Note outstanding on the relevant Early Redemption Date, the amount specified as such in the relevant Issue Terms (or the amount determined in accordance with the formula or method for determining such amount specified therein) or, if no such amount is specified in the relevant Issue Terms:

- (i) if the Notes are redeeming early as a result of an early redemption event set out in Master Condition 8 (*Redemption and Purchase*) other than pursuant to the Additional Redemption Event set out in Additional Collateral Basket Condition 3(b) (*Early Redemption Event: Early redemption following a Collateral Event*), an amount per Note equal to that Note's pro rata share of the Early Cash Redemption Amount determined by the Calculation Agent in accordance with sub-paragraph (i) of that definition contained in Master Condition 1(a) (*Definitions*) (where the relevant Issue Terms do not specify that Classes apply) or sub-paragraph (iii) (where the relevant Issue Terms specify that Classes apply); or
- (i) if the Notes are redeeming early as a result of an early redemption event pursuant to the Additional Redemption Event set out in Additional Collateral Basket Condition 3(b) (*Early Redemption Event: Early redemption following a Collateral Event*):
 - (I) if (x) "Full Unwind" is specified in the relevant Issue Terms or (y) "Partial Unwind with Shortfall" is specified in the relevant Issue Terms and a Collateral Exhaustion Event has occurred, an amount per Note determined by the Calculation Agent to be equal to that Note's *pro rata* share of (a) the Specified Currency Proceeds (of all outstanding Collateral Components) plus (b) any Termination Payment in respect of the Swap Agreement that is payable to the Issuer (together, if applicable, with any interest payable thereon) minus (c) any Termination Payment in respect of the Swap Agreement that is payable by the Issuer to the Swap Counterparty (together, if applicable, with any interest payable thereon); or
 - (II) if "Partial Unwind" is specified in the relevant Issue Terms, an amount per Note determined by the Calculation Agent to be equal to that Note's *pro rata* share of (a) the liquidation proceeds of the Affected Collateral Component plus (b) the Partial Swap Gain (if any) minus (c) the Partial Swap Loss (if any); or
 - (III) if "Partial Unwind with Shortfall" is specified in the relevant Issue Terms and a Collateral Exhaustion Event would not occur, an amount per Note determined by the Calculation Agent to be equal to that Note's *pro rata* share of (a) the liquidation proceeds of the Affected Collateral Component plus (b) the Partial Swap Gain (if any) minus (c) the Partial Swap Loss (if any) plus (d) the liquidation proceeds of any Additional Collateral (if any) plus (e) the Shortfall Partial Swap Gain (if any) minus (f) the Shortfall Partial Swap Loss (if any).

"Outstanding Principal Percentage" means, in respect of any day, the sum of the Weightings of each Collateral Component, subject to adjustment in accordance with Additional Collateral Basket Condition 3(b)(ii).

"Partial Swap Gain" means (i) where the Partial Swap Value would be negative (and therefore payable to the Issuer), the absolute value of the Partial Swap Value, or (ii) otherwise, zero.

"Partial Swap Loss" means (i) where the Partial Swap Value would be positive (and therefore payable to the Swap Counterparty), the value of the Partial Swap Value, or (ii) otherwise, zero.

"Partial Swap Value" means an amount determined by the Calculation Agent in the Specified Currency equal to the Early Termination Amount (as defined in the Swap Agreement) of the relevant Swap Agreement that would be payable by the Issuer to the Swap Counterparty or by the Swap Counterparty to the Issuer under the relevant Swap Agreement upon a termination of the Swap Agreement on the Collateral Valuation Date. Such Early Termination Amount shall be determined on the basis that:

- (i) the Swap Counterparty is not the Affected Party;
- (ii) the Base Currency is the Specified Currency of the Notes;
- (iii) the Swap Transaction is deemed to relate to (a) a nominal amount of Notes equal to the product of the original principal amount of the Notes and the Weighting of the Affected Collateral Component (adjusted to reflect any prior redemptions, purchases and/or cancellations of the Notes) and (b) the nominal amount of the Affected Collateral Component only;
- (iv) the Swap Counterparty's claim to any termination amount shall be limited to the prevailing market value of the Mortgaged Property at that time that corresponds to the Affected Collateral Component; and
- (v) the Calculation Agent is the Determining Party and Section 6(e)(ii)(1) of the Swap Agreement applies but without reference to Section 6(e)(ii)(3) thereof.

"Shortfall Amount" has the meaning given to it in Additional Collateral Basket Condition 3(b)(iii)(C).

"Shortfall Partial Swap Gain" means, in respect of Collateral Basket Notes for which "Partial Unwind with Shortfall" is specified in the applicable Issue Terms, (i) where the Shortfall Partial Swap Value would be negative (and therefore payable to the Issuer), the absolute value of the Shortfall Partial Swap Value, or (ii) otherwise, zero.

"Shortfall Partial Swap Loss" means, in respect of Collateral Basket Notes for which "Partial Unwind with Shortfall" is specified in the applicable Issue Terms, (i) where the Shortfall Partial Swap Value would be positive (and therefore payable to the Swap Counterparty), the value of the Shortfall Partial Swap Value, or (ii) otherwise, zero.

"Shortfall Partial Swap Value" means, in respect of Collateral Basket Notes for which "Partial Unwind with Shortfall" is specified in the applicable Issue Terms, an amount determined by the Calculation Agent in the Specified Currency equal to the Early Termination Amount (as defined in the Swap Agreement) of the relevant Swap Agreement that would be payable by the Issuer to the Swap Counterparty or by the Swap Counterparty to the Issuer under the relevant Swap Agreement upon a termination of the Swap Agreement on the Collateral Valuation Date. Such Early Termination Amount shall be determined on the basis that:

- (i) the Swap Counterparty is not the Affected Party;
- (ii) the Base Currency is the Specified Currency of the Notes;
- (iii) the Swap Transaction is deemed to relate to (a) a nominal amount of Notes equal to the product of the Original Principal Amount of the Notes and the Additional Collateral Weighting(s) of the relevant Additional Collateral being Liquidated pursuant to Additional Collateral Basket Condition 4(b)(ii)(III) (adjusted to reflect any prior redemptions, purchases and/or cancellations of the Notes) and (b) the nominal amount of the Additional Collateral;
- (iv) the Swap Counterparty's claim to any termination amount shall be limited to the prevailing market value of the Mortgaged Property at that time that corresponds to (x) the Additional Collateral being Liquidated pursuant to Additional Collateral Basket Condition 4(b)(ii)(III); and
- (v) the Calculation Agent is the Determining Party and Section 6(e)(ii)(1) of the Swap Agreement applies but without reference to Section 6(e)(ii)(3) thereof.

"Weighting" means, in respect of Collateral Basket Notes, the percentage weighting in respect of a Collateral Component as specified in the relevant Issue Terms or, if no Weighting is so specified,

means, in respect of a Collateral Component, the weighting (expressed as a percentage) in respect of that Collateral Component obtained by dividing the nominal amount of such Collateral Component by the sum of the aggregate nominal amount of all Collateral Components; and “**Weightings**” shall be construed accordingly.

Schedule 3 Provisions for Meetings of Noteholders

Interpretation

- 1** In this Schedule 3:
- 1.1** references to a meeting are to a meeting of Noteholders of a single Series of Notes or, where a Series of Notes comprises separate Classes, to a meeting of each such Class of Notes (save that where a meeting relates to a matter in respect of which more than one Class of Notes is affected and no conflict of interest would arise between such Classes in respect thereof (such affected Classes of Notes, the **"Affected Classes"**), references to a meeting are to a meeting of the Noteholders of the Affected Classes together) and include, unless the context otherwise requires, any adjournment;
- 1.2** references to **"Notes"** and **"Noteholders"** are only to the Notes of the Series, or to the Notes of the Class or the Affected Classes, as applicable, in respect of which a meeting has been, or is to be, called, and to the holders of such Notes, respectively. With respect to a meeting called in relation to the Notes or Noteholders of a Class (or of the Affected Classes), any reference to Notes or Noteholders of a Series in this Schedule 3 shall be deemed to be a reference to the Notes or Noteholders of such Class (or, if applicable, to the Notes and Noteholders of such Affected Classes);

- 1.5** **"Extraordinary Resolution"** means a resolution passed (i) at a meeting of the Relevant Noteholder Proportion duly convened and held in accordance with this Principal Trust Deed by a majority of at least 75 per cent. of the votes cast, (ii) by a Written Resolution, or (iii) by Electronic Consent;
- 1.6** **"Relevant Noteholder Proportion"** means the Noteholders (which may be of the Series, a Class or a number of Affected Classes, as applicable) in respect of which a meeting is, or is to be, convened or in respect of which an Extraordinary Resolution is proposed to be passed by way of Written Resolution or Electronic Consent;
- 1.7** **"voting certificate"** means a certificate issued in accordance with paragraphs 7, 8 and 15 below;
- 1.8** **"Written Resolution"** means a resolution in writing signed by the holders of not less than 75 per cent. in aggregate nominal amount of the Notes outstanding of the Relevant Noteholder Proportion; and
- 1.9** references to persons representing a proportion of the Notes are to Noteholders or agents holding or representing in the aggregate at least that proportion in nominal amount of the Relevant Noteholder Proportion of Notes for the time being outstanding.

Powers of Meetings

- 2** A meeting shall, subject to the Conditions and without prejudice to any powers conferred on other persons by this Principal Trust Deed, have power by Extraordinary Resolution:
- 2.1** to sanction any proposal by the Issuer or the Trustee or any other person entitled to attend the meeting for any modification, abrogation, variation or compromise of, or arrangement in respect of, the rights of the Noteholders and/or the Couponholders of the Relevant Noteholder Proportion against the Issuer, whether or not those rights arise under the Trust Deed;
 - 2.2** to sanction the exchange or substitution for the Notes of, or the conversion of the Notes into, shares, bonds or other obligations or securities of the Issuer or any other entity (in respect of which the Relevant Noteholder Proportion shall be the Noteholders of all outstanding Notes of the Series together);
 - 2.3** to assent to any modification of the Trust Deed, the Notes, the Receipts, the Talons or the Coupons or any other Transaction Document proposed by the Issuer or the Trustee that affects the Relevant Noteholder Proportion;

 - 2.6** to appoint any persons (whether Noteholders or not) as a committee or committees to represent the Noteholders' interests and to confer on them any powers or discretions which the Noteholders could themselves exercise by an Extraordinary Resolution of the Relevant Noteholder Proportion;

 - 2.9** to instruct the Issuer to appoint a replacement Calculation Agent or Disposal Agent, pursuant to Master Condition 11 (*Agents*) (in respect of which the Relevant Noteholder Proportion shall be the Noteholders of all outstanding Notes of the Series together); and
 - 2.10** to discharge or exonerate the Trustee from any liability in respect of any act or omission that affects the Relevant Noteholder Proportion for which it may become responsible under the Trust Deed, the Notes, the Receipts, the Talons or the Coupons,

Convening a Meeting

- 3** The Issuer or the Trustee may at any time convene a meeting in respect of a Series, a Class or a number of Affected Classes, as applicable. The Issuer shall convene a meeting in respect of the Series in the circumstances specified in Master Condition 8(g) (*Redemption for a Counterparty Bankruptcy Credit Event*). If it receives a written request by Noteholders holding at least 10 per cent. in nominal amount of the Notes for the time being outstanding of the Relevant Noteholder Proportion and is indemnified and/or secured and/or prefunded to its satisfaction against all costs and expenses, the Trustee shall convene a meeting of the Noteholders of such Relevant Noteholder Proportion. Every meeting shall be held at a time and place approved by the Trustee.
- 4** At least 21 days' notice (exclusive of the day on which the notice is given and of the day of the meeting) shall be given to the Noteholders of any such Relevant Noteholder Proportion. A copy of the notice shall be given by the party convening the meeting to the other parties. The notice shall specify the day, time and place of meeting and, unless the Trustee otherwise agrees, the nature of the resolutions to be proposed and shall explain how Noteholders of the Relevant Noteholder Proportion may appoint proxies or representatives, obtain voting certificates and use block voting instructions and the details of the time limits applicable.

Cancellation of meeting

- 5** A meeting that has been validly convened in accordance with paragraph 3 above, may be cancelled by the person who convened such meeting by giving at least three days' notice (exclusive of the day on which the notice is given or deemed to be given and of the day of the meeting) to the Noteholders (with a copy to the Trustee where such meeting was convened by the Issuer or to the Issuer where such meeting was convened by the Trustee). Any meeting cancelled in accordance with this paragraph 5 shall be deemed not to have been convened.

Arrangements for Voting

- 6** If a holder of a Bearer Note wishes to obtain a voting certificate in respect of it for a meeting, he must deposit it for that purpose at least 48 hours before the time fixed for the meeting with a Paying Agent or to the order of a Paying Agent with a bank or other depository nominated by the Paying Agent for the purpose. The Paying Agent shall then issue a voting certificate in respect of it.
- 7** A voting certificate shall:

 - 7.1** be a document in the English language;
 - 7.2** be dated;
 - 7.3** specify the meeting concerned and the certificate numbers of the Notes deposited; and
 - 7.4** entitle, and state that it entitles, its bearer to attend and vote at that meeting in respect of those Notes.
- 8** Once a Paying Agent has issued a voting certificate for a meeting in respect of a Note, it shall not release the Note until either:

 - 8.1** the meeting has been concluded; or

- 8.2** the voting certificate has been surrendered to the Paying Agent.
- 9** If a holder of a Bearer Note wishes the votes attributable to it to be included in a block voting instruction for a meeting, then, at least 48 hours before the time fixed for the meeting, (i) he must deposit the Note for that purpose with a Paying Agent or to the order of a Paying Agent with a bank or other depository nominated by the Paying Agent for the purpose and (ii) he or a duly authorised person on his behalf must direct the Paying Agent how those votes are to be cast. The Paying Agent shall issue a block voting instruction in respect of the votes attributable to all Notes so deposited.
- 10** A block voting instruction shall:
- 10.1** be a document in the English language;
- 10.2** be dated;
- 10.3** specify the meeting concerned;
- 10.4** list the total number and certificate numbers of the Notes deposited, distinguishing with regard to each resolution between those voting for and those voting against it;
- 10.5** certify that such list is in accordance with Notes deposited and directions received as provided in paragraphs 9 above and, 12 and 15 below; and
- 10.6** appoint a named person (a “**proxy**”) to vote at that meeting in respect of those Notes and in accordance with that list.
- 10.7** A proxy need not be a Noteholder.
- 11** Once a Paying Agent has issued a block voting instruction for a meeting in respect of the votes attributable to any Notes:
- 11.1** it shall not release the Notes, except as provided in paragraph 12 below, until the meeting has been concluded; and
- 11.2** the directions to which it gives effect may not be revoked or altered during the 48 hours before the time fixed for the meeting.
- 12** If the receipt for a Note deposited with a Paying Agent in accordance with paragraph 9 is surrendered to the Paying Agent at least 48 hours before the time fixed for the meeting, the Paying Agent shall release the Note and exclude the votes attributable to it from the block voting instruction.
- 13** Each block voting instruction shall be deposited at least 24 hours before the time fixed for the meeting at such place as the Trustee shall designate or approve, and in default it shall not be valid unless the chairman of the meeting decides otherwise before the meeting proceeds to business. If the Trustee requires, a notarially certified copy of each block voting instruction shall be produced by the proxy at the meeting but the Trustee need not investigate or be concerned with the validity of the proxy’s appointment.
- 14** A vote cast in accordance with a block voting instruction shall be valid even if it or any of the Noteholders’ instructions pursuant to which it was executed has previously been revoked or amended, unless written intimation of such revocation or amendment is received from the relevant Paying Agent by the Issuer or the Trustee at its registered office or by the chairman of the meeting, in each case at least 24 hours before the time fixed for the meeting.

- 15** No Note may be deposited with or to the order of a Paying Agent at the same time for the purposes of both paragraph 6 below and paragraph 9 above for the same meeting.
- 15.1** A holder of a Registered Note may, by an instrument in writing in the form available from the Specified Office of a Transfer Agent in the English language executed by or on behalf of the holder and delivered to the Transfer Agent at least 24 hours before the time fixed for a meeting, appoint any person (a “**proxy**”) to act on his behalf in connection with that meeting. A proxy need not be a Noteholder.
- 15.2** A corporation which holds a Registered Note may, by delivering to a Transfer Agent at least 24 hours before the time fixed for a meeting a certified copy of a resolution of its directors or other governing body (with, if it is not in English, a certified translation into English), authorise any person to act as its representative (a “**representative**”) in connection with that meeting.

Chairman

- 16** The chairman of a meeting shall be such person as the Trustee may nominate in writing, but, if no such nomination is made or if the person nominated is not present within 15 minutes after the time fixed for the meeting, the Noteholders or agents present shall choose one of their number to be chairman, failing which the Issuer may appoint a chairman. The chairman need not be a Noteholder or agent. The chairman of an adjourned meeting need not be the same person as the chairman of the original meeting.

Attendance

- 17** The following may attend and speak at a meeting:
- 17.1** Noteholders of the Relevant Noteholder Proportion and agents;
- 17.2** the chairman;
- 17.3** the Issuer and the Trustee (through their respective representatives) and their respective financial and legal advisers;
- 17.4** the Dealers and their advisers;
- 17.5** the Arranger; and
- 17.6** any other Secured Creditor.
- No one else may attend or speak.

Quorum and Adjournment

- 18** No business (except choosing a chairman) shall be transacted at a meeting unless a quorum is present at the commencement of business. If a quorum is not present within 15 minutes from the time initially fixed for the meeting, it shall, if convened on the requisition of Noteholders or if the Issuer and the Trustee agree, be dissolved. In any other case, it shall be adjourned until such date, not less than 14 nor more than 42 days later, and time and place as the chairman may decide. If a quorum is not present within 15 minutes from the time fixed for a meeting so adjourned, the meeting shall be dissolved.

- 19** Two or more Noteholders or agents present in person shall be a quorum:
- 19.1** in the cases marked “No minimum proportion” in the table below, whatever the proportion of the Notes of the Relevant Noteholder Proportion which they represent; or
- 19.2** in any other case referred to in the table below, only if they represent the proportion of the Notes of the Relevant Noteholder Proportion shown by the table below,
- provided that in circumstances in which there is only one Noteholder in respect of all the Notes of the Relevant Noteholder Proportion outstanding the quorum for all purposes shall be one.

COLUMN 1	COLUMN 2	COLUMN 3
Purpose of meeting	Any meeting except one referred to in column 3 Required proportion	Meeting previously adjourned through want of a quorum Required proportion
To pass a special quorum resolution	75 per cent.	25 per cent.
To pass any other Extraordinary Resolution	A clear majority	No minimum proportion
Any other purpose	10 per cent.	No minimum proportion

- 20** The chairman may, with the consent of (and shall if directed by) a meeting, adjourn the meeting from time to time and from place to place. Only business which could have been transacted at the original meeting may be transacted at a meeting adjourned in accordance with this paragraph 20 or paragraph 18 above.
- 21** At least 10 days’ notice of a meeting adjourned through want of a quorum shall be given in the same manner as for an original meeting and that notice shall state the quorum required at the adjourned meeting. No notice need, however, otherwise be given of an adjourned meeting.

Voting

- 22** Each question submitted to a meeting shall be decided by a show of hands unless a poll is (before, or on the declaration of the result of, the show of hands) demanded by the chairman, the Issuer, the Trustee or one or more persons representing at least 2 per cent. of the Notes of the Relevant Noteholder Proportion.
- 23** Unless a poll is demanded, a declaration by the chairman that a resolution has or has not been passed shall be conclusive evidence of the fact without proof of the number or proportion of the votes cast in favour of or against it.
- 24** If a poll is demanded, it shall be taken in such manner and (subject as provided below) either at once or after such adjournment as the chairman directs. The result of the poll shall be deemed to be the resolution of the meeting at which it was demanded as at the date it was taken. A demand for a poll shall not prevent the meeting continuing for the transaction of business other than the question on which it has been demanded.

- 25 A poll demanded on the election of a chairman or on a question of adjournment shall be taken at once.
- 26 On a show of hands, every person who is present in person and who produces a Bearer Note, a Certificate of which he is the registered holder or a voting certificate or is a proxy or representative has one vote. On a poll, every such person has one vote in respect of each integral currency unit of the Specified Currency of such Series of Notes so produced or represented by the voting certificate so produced or for which he is a proxy or representative. Without prejudice to the obligations of proxies, a person entitled to more than one vote need not use them all or cast them all in the same way.
- 27 In case of equality of votes, the chairman shall both on a show of hands and on a poll have a casting vote in addition to any other votes which he may have.

Effect and Publication of an Extraordinary Resolution

- 28 An Extraordinary Resolution shall be binding on all the Noteholders of the Relevant Noteholder Proportion, whether or not present at the meeting, and on all the Couponholders relating thereto and each of them shall be bound to give effect to it accordingly. The passing of such a resolution shall be conclusive evidence that the circumstances justify its being passed. The Issuer shall give notice of the passing of an Extraordinary Resolution to all Noteholders of the Relevant Noteholder Proportion within 14 days but failure to do so shall not invalidate the resolution.

Minutes

- 29 Minutes shall be made of all resolutions and proceedings at every meeting and, if purporting to be signed by the chairman of that meeting or of the next succeeding meeting, shall be conclusive evidence of the matters in them. Until the contrary is proved, every meeting for which minutes have been so made and signed shall be deemed to have been duly convened and held and all resolutions passed or proceedings transacted at it to have been duly passed and transacted.

Written Resolutions and Electronic Consent

- 30 Subject to the following sentence, a Written Resolution may be contained in one document or in several documents in like form, each signed by or on behalf of one or more of the Noteholders of the Relevant Noteholder Proportion.

For so long as the Notes are in the form of a Global Note held on behalf of one or more of Euroclear, Clearstream, Luxembourg or an alternative clearing system, then, in respect of any resolution proposed by the Issuer or the Trustee:

- 30.1 *Electronic Consent:* where the terms of the resolution proposed by the Issuer or the Trustee (as the case may be) have been notified to the Noteholders through the relevant clearing system(s) as provided in sub-paragraphs (i) and/or (ii) below, each of the Issuer and the Trustee shall be entitled to rely upon approval of such resolution given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) to the Issuing and Paying Agent or another specified agent and/or the Trustee in accordance with their operating rules and procedures by or on behalf of the holders of not less than 75 per cent. in nominal amount of the Notes then outstanding of the Relevant Noteholder Proportion (the “**Required Proportion**”) (“**Electronic Consent**”) by

close of business on the Relevant Date. Any resolution passed in such manner shall be binding on all Noteholders and Couponholders of the Relevant Noteholder Proportion, even if the relevant consent or instruction proves to be defective. None of the Issuer or the Trustee shall be liable or responsible to anyone for such reliance.

- (i) When a proposal for a resolution to be passed as an Electronic Consent has been made, at least three days' notice (exclusive of the day on which the notice is given and of the day on which affirmative consents will be counted) shall be given to the Noteholders through the relevant clearing system(s). The notice shall specify, in sufficient detail to enable Noteholders of the Relevant Noteholder Proportion to give their consents in relation to the proposed resolution, the method by which their consents may be given (including, where applicable, blocking of their accounts in the relevant clearing system(s)) and the time and date (the "**Relevant Date**") by which they must be received in order for such consents to be validly given, in each case subject to and in accordance with the operating rules and procedures of the relevant clearing system(s).
- (ii) If, on the Relevant Date on which the consents in respect of an Electronic Consent are first counted, such consents do not represent the Required Proportion, the resolution shall, if the party proposing such resolution (the "**Proposer**") so determines, be deemed to be defeated. Such determination shall be notified in writing to the other party or parties to the Trust Deed. Alternatively, the Proposer may give a further notice to Noteholders of the Relevant Noteholder Proportion that the resolution will be proposed again on such date and for such period as shall be agreed with the Trustee (unless the Trustee is the Proposer). Such notice must inform Noteholders of the Relevant Noteholder Proportion that insufficient consents were received in relation to the original resolution and the information specified in subparagraph (i) above. For the purpose of such further notice, references to "Relevant Date" shall be construed accordingly.

For the avoidance of doubt, an Electronic Consent may only be used in relation to a resolution proposed by the Issuer or the Trustee which is not then the subject of a meeting that has been validly convened in accordance with paragraph 3 above, unless that meeting is or shall be cancelled or dissolved; and

- 30.2** *Written Resolution:* where Electronic Consent is not being sought, for the purpose of determining whether a Written Resolution has been validly passed, the Issuer and the Trustee shall be entitled to rely on consent or instructions given in writing directly to the Issuer and/or the Trustee, as the case may be, (a) by accountholders in the clearing system with entitlements relating to such Global Note and/or, (b) where the accountholders hold any such entitlement on behalf of another person, on written consent from or written instruction by the person identified by that accountholder or the person for whom such entitlement is held. For the purpose of establishing the entitlement to give any such consent or instruction, the Issuer and the Trustee shall be entitled to rely on any certificate or other document issued by, in the case of (a) above, Euroclear, Clearstream, Luxembourg or any other relevant alternative clearing system and, in the case of (b) above, the relevant clearing system and the accountholder identified by the relevant clearing system for the purposes of (b) above. Any resolution passed in such manner shall be binding on all Noteholders and Couponholders of the Relevant Noteholder Proportion, even if the relevant consent or instruction proves to be defective. Any such certificate or other document shall be conclusive and binding for all purposes. Any such certificate or other document may comprise any form

of statement or print out of electronic records provided by the relevant clearing system (including Euroclear's EUCLID or Clearstream, Luxembourg's CreationOnline system) in accordance with its usual procedures and in which the accountholder of a particular nominal amount of the Notes is clearly identified together with the amount of such holding. Neither the Issuer nor the Trustee shall be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by any such person and subsequently found to be forged or not authentic.

A Written Resolution and/or Electronic Consent shall take effect as an Extraordinary Resolution. A Written Resolution and/or Electronic Consent will be binding on all Noteholders and holders of Coupons, Talons and Receipts of the Relevant Noteholder Proportion whether or not they participated in such Written Resolution and/or Electronic Consent.

Trustee's Power to Prescribe Regulations

- 31** Subject to all other provisions in the Trust Deed, the Trustee may without the consent of the Noteholders prescribe such further regulations regarding the holding of meetings and attendance and voting at them as it in its sole discretion determines, including (without limitation) such requirements as the Trustee thinks reasonable to satisfy itself that the persons who purport to make any requisition in accordance with the Trust Deed are entitled to do so and as to the form of voting certificates or block voting instructions so as to satisfy itself that persons who purport to attend or vote at a meeting are entitled to do so.
- 32** The foregoing provisions of this Schedule 3 shall have effect subject to the following provisions:
- 32.1** meetings of Noteholders of separate Series will normally be held separately. However, the Trustee may from time to time determine that meetings of Noteholders of separate Series shall be held together;
- 32.2** a resolution that in the opinion of the Trustee affects one Series, or one Class within a Series, alone shall be deemed to have been duly passed if passed at a separate meeting of the Noteholders of the Series or Class concerned;
- 32.3** a resolution that in the opinion of the Trustee affects the Noteholders of more than one Series but does not give rise to a conflict of interest between the Noteholders of the different Series concerned shall be deemed to have been duly passed if passed at a single meeting of the Noteholders of the relevant Series, provided that, for the purposes of determining the votes a Noteholder is entitled to cast pursuant to paragraph 26 above, each Noteholder shall have one vote in respect of each U.S.\$1 nominal amount of Notes held, converted, if such Notes are not denominated in U.S. dollars, in accordance with Clause 9.14 (*Currency conversion*);
- 32.4** a resolution that in the opinion of the Trustee affects the Noteholders of more than one Series and gives or may give rise to a conflict of interest between the Noteholders of the different Series concerned shall be deemed to have been duly passed only if it shall be duly passed at separate meetings of the Noteholders of the relevant Series;
- 32.5** a resolution that in the opinion of the Trustee affects the Noteholders of more than one Class of Notes within a single Series but does not give rise to a conflict of interest between the Noteholders of the different Classes of such Series concerned shall be deemed to have been duly passed if passed at a single meeting of the Noteholders of the relevant Classes of such Series, provided that, for the purposes of determining the votes a Noteholder is entitled to cast pursuant to paragraph 26 above, each Noteholder shall have one vote in respect of

each U.S.\$1 nominal amount of Notes held, converted, if such Notes are not denominated in U.S. dollars, in accordance with Clause 9.14 (*Currency conversion*);

32.6 a resolution that in the opinion of the Trustee affects the Noteholders of more than one Class of Notes within a single Series and gives or may give rise to a conflict of interest between the Noteholders of the different Classes of such Series concerned shall be deemed to have been duly passed only if it shall be duly passed at separate meetings of the Noteholders of the relevant Classes of such Series; and

32.7 to all such meetings as aforesaid, all the preceding provisions of this Schedule 3 shall apply *mutatis mutandis* as though references therein to Notes and to Noteholders were references to the Notes and Noteholders of the Series concerned.

- 9.2 Jurisdiction:** Save as it relates to the Luxembourg Pledge (in respect of which the parties irrevocably submit to the exclusive jurisdiction of the courts of the City of Luxembourg (Grand Duchy of Luxembourg) in connection with any disputes arising thereunder), the courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with the Trust Deed, the Notes, the Receipts, the Talons or the Coupons (save for the creation of the Luxembourg Pledge pursuant to Clause 3.3 above, in respect of which the parties irrevocably submit to the exclusive jurisdiction of the courts of Luxembourg (Grand Duchy of Luxembourg) in connection with any disputes arising thereunder) and, accordingly, any legal action or proceedings arising out of or in connection with this Issue Deed, the Notes, the Receipts, the Talons or the Coupons (the “**Proceedings**”) may be brought in such courts. The Issuer and the Company irrevocably submit to the jurisdiction of such courts and waive any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This Clause 9.2 is for the benefit of each of the other parties hereto and the holders of the Notes, Coupons, Receipts and Talons and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

- (j) **[Distributions.** Paragraph 5(c)(i) shall be deleted in its entirety and replaced with the following:

“The Transferee will transfer to the Transferor not later than [●], cash, securities or other property of the same type, nominal value, description and amount as the relevant Distributions (“**Equivalent Distributions**”) as calculated by the Valuation Agent (and the date of calculation will be deemed a Valuation Date for this purpose). Notwithstanding anything to the contrary in the Agreement, if any amount is payable by the Transferor to the Transferee on the same date as an Equivalent Distribution is transferable by the Transferee to the Transferor hereunder, to the extent such amounts are in the same currency, each party’s obligation to make payment of or transfer any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party, replaced by an obligation upon the party by which the larger aggregate amount would have been payable to pay to the other party the excess of the larger aggregate amount over the smaller aggregate amount.”

[(Drafting Note: Since the Issuer will be obliged to pay amounts to the Swap Counterparty under the relevant Swap Transaction as if it held all of the Original Collateral, paragraph (j) needs to be drafted for each Series to reflect an obligation for the Swap Counterparty (to the extent it is the Transferee) to transfer Equivalent Distributions at the same time in order that such amounts can be netted. To the extent an obligation of the Issuer also depends on any Interest Amount, the same consideration needs to be given to the timing and calculation of any such Interest Amount). Include and amend where the Series includes an asset swap and such amounts are to be netted accordingly]]
